

§ 102-15. Improvement of land records.

There is hereby established a statewide program for improvement of county land records to be administered by the Secretary of State (hereafter called the Secretary). First emphasis shall be given to the completion of countywide base maps. Counties with a base map system prepared to acceptable standards will be encouraged to undertake subsequent logical improvements in their respective land records systems. Work undertaken by any county under this program will be eligible for financial assistance out of funds appropriated for this purpose to the Department of the Secretary of State. The amount allotted to each project is to be determined by the Secretary, but in no case shall such allotments exceed one dollar for every dollar of local tax funds expended on the project by the county. Federal or other State funds available to the project will not be eligible as matching money under the State program.
