Two or more captive insurance companies under common ownership and control, other than a protected cell captive insurance company or a special purpose captive insurance company with a cell or series structure, are taxed under this section as a single captive insurance company. In the case of a multiyear policy or contract, the premiums must be prorated among the years covered by the policy or contract. The report is due on or before March 15. The taxes imposed by this section are due to the Secretary with the report.
