

§ 78A-40. Alternative methods of registration.

(a) The Administrator may by rule or order provide an alternative method of registration by which any dealer or salesman acting in that capacity or as a principal may satisfy the requirements of this Article by furnishing the information otherwise required to be filed pursuant to this Article. The Administrator may provide for, among other things, alternative filing periods for dealers or salesmen, elimination of the issuance of a paper license and alternative methods for the payment and collection of initial or renewal filing fees, which shall be known as "alternative filing fees". The alternative filing fees shall be the same as provided in G.S. 78A-37(b).

(b) The Administrator may not adopt an alternative method of registration unless its purpose is to facilitate a central registration depository whereby dealers or salesmen can centrally or simultaneously register and pay fees for all states in which they plan to transact business that require registration. The Administrator may enter into an agreement with or otherwise facilitate an alternative method of registration with any national securities association registered with the Securities and Exchange Commission pursuant to Section 15A of the Securities Exchange Act of 1934, any national securities exchange registered under the Securities Exchange Act of 1934, or any national association of state securities Administrators or similar association to effectuate the provisions of this section.

(c) Nothing in this section shall be construed to prevent the exercise of the authority of the Administrator as provided in G.S. 78A-39. (1981, c. 624, s. 5; 1983, c. 817, s. 16; 1987, c. 849, s. 3.)
