

**GENERAL ASSEMBLY OF NORTH CAROLINA  
SESSION 2001**

**SESSION LAW 2002-132  
HOUSE BILL 1623**

**AN ACT TO CLASSIFY BRUNSWICK COUNTY AS A HIGH HAZARD COUNTY  
WITH RESPECT TO THE REGULATION OF OPEN FIRES.**

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 113-60.23 reads as rewritten:

**"§ 113-60.23. High hazard counties; permits required; standards.**

(a) The provisions of this section apply only to the counties of Beaufort, Bladen, Brunswick, Camden, Carteret, Chowan, Craven, Currituck, Dare, Duplin, Gates, Hyde, Jones, Onslow, Pamlico, Pasquotank, Perquimans, Tyrrell, and Washington which are classified as high hazard counties in accordance with G.S. 113-60.21.

(b) It is unlawful for any person to willfully start or cause to be started any fire in any woodland under the protection of the Department or within 500 feet of any such woodland without first having obtained a permit from the Department. Permits for starting fires may be obtained from forest rangers or other agents authorized by the county forest ranger to issue such permits in the county in which the fire is to be started. Such permits shall be issued by the ranger or other agent unless permits for the area in question have been prohibited or cancelled in accordance with G.S. 113-60.25 or 113-60.27.

(c) It is unlawful for any person to willfully burn any debris, stumps, brush or other flammable materials resulting from ground clearing activities and involving more than five contiguous acres, regardless of the proximity of the burning to woodland and on which such materials are placed in piles or windrows without first having obtained a special permit from the Department. Areas less than five acres in size will require a regular permit in accordance with G.S. 113-60.23(b).

- (1) Prevailing winds at the time of ignition must be away from any city, town, development, major highway, or other populated area, the ambient air of which may be significantly affected by smoke, fly ash, or other air contaminants from the burning.
- (2) The location of the burning must be at least 1,000 feet from any dwelling or structure located in a predominately residential area other than a dwelling or structure located on the property on which the burning is conducted unless permission is granted by the occupants.
- (3) The amount of dirt or organic soil on or in the material to be burned must be minimized and the material arranged in a way suitable to facilitate rapid burning.
- (4) Burning may not be initiated when it is determined by a forest ranger, based on information supplied by a competent authority that stagnant air conditions or inversions exist or that such conditions may occur during the duration of the burn.
- (5) Heavy oils, asphaltic material, or items containing natural or synthetic rubber may not be used to ignite the material to be burned or to promote the burning of such material.
- (6) Initial burning may be commenced only between the hours of 9:00 A.M. and 3:00 P.M. and no combustible material may be added to the fire between 3:00 P.M. on one day and 9:00 A.M. on the following

day, except that when favorable meteorological conditions exist, any forest ranger authorized to issue the permit may authorize in writing a deviation from the restrictions."

**SECTION 2.** This act becomes effective December 1, 2002, and applies to offenses committed on or after that date.

In the General Assembly read three times and ratified this the 2<sup>nd</sup> day of October, 2002.

s/ Beverly E. Perdue  
President of the Senate

s/ James B. Black  
Speaker of the House of Representatives
