§ 47-2. Officials of the United States, foreign countries, and sister states.

The execution of all such instruments and writings as are permitted or required by law to be registered may be proved or acknowledged before any one of the following officials of the United States, of the District of Columbia, of the several states and territories of the United States, of countries under the dominion of the United States and of foreign countries: Any judge of a court of record, any clerk of a court of record, any notary public, any commissioner of deeds, any commissioner of oaths, any mayor or chief magistrate of an incorporated town or city, any ambassador, minister, consul, vice-consul, consul general, vice-consul general, associate consul, or any other person authorized by federal law to acknowledge documents as consular officers, or commercial agent of the United States, any justice of the peace of any state or territory of the United States, any officer of the United States Army or Air Force or United States Marine Corps having the rank of warrant officer or higher, any officer of the United States Navy or Coast Guard having the rank of warrant officer, or higher, or any officer of the United States Merchant Marine having the rank of warrant officer, or higher. No official seal shall be required of a military or merchant marine officer, but the officer shall sign the officer's name, designate the officer's rank, and give the name of the officer's ship or military organization and the date, and for the purpose of certifying the acknowledgment, the officer shall use a form in substance as follows:

1 clerk of some court of record of the county in which the justice of the peace resides, which
2 certificate of the clerk shall be under the clerk's hand and official seal, to the effect that the
3 justice of the peace was at the time the certificate of the justice bears date an acting justice of
4 the peace of the county and state or territory and that the genuine signature of the justice of the
5 peace is set to the certificate. (1899, c. 235, s. 5; 1905, c. 451; Rev., s. 990; 1913, c. 39, s. 1;
6 Ex. Sess. 1913, c. 72, s. 1; C.S., s. 3294; 1943, c. 159, s. 1; c. 471, s. 1; 1945, c. 6, s. 1; 1955, c.

14 Marine, having the rank of ensign or higher, is hereby validated and declared sufficient for all
15 purposes. (1945, c. 6, s. 2; 2011-183, s. 31.)
16

17 **§ 47-2.2. Notary public of sister state; lack of seal or stamp or expiration date of**
18 **commission.**

19 If the proof or acknowledgment of any instrument is had before a notary public of any state
20 other than North Carolina and the instrument does not show the seal or stamp of the notary
21 public and the expiration date of the commission of the notary public, the certificate of proof or
22 acknowledgment made by such notary public shall be accompanied by the certificate of the
23 county official before whom the notary qualifies for office, stating that such notary public was
24 at the time his certificate bears date an acting notary public of such state, and that such notary's
25 genuine signature is set to his certificate. The certificate of the official herein provided for shall
26 be under his hand and official seal. (1973, c. 1016.)

28 **§ 47-3: Repealed by Session Laws 1987, c. 620, s. 3.**

29
30 **§ 47-4. Repealed by Session Laws 1971, c. 1185, s. 10.**

31
32 **§ 47-5. When seal of officer necessary to probate.**

33 When proof or acknowledgment of the execution of any instrument by any maker of such
34 instrument, whether a person or corporation, is had before any official authorized by law to
35 take such proof and acknowledgment, and such official has an official seal, he shall set his
36 official seal to his certificate. If the official before whom the instrument is proved or
37 acknowledged has no official seal he shall certify under his hand, and his private seal shall not
38 be essential. When the instrument is proved or acknowledged before the register of deeds of the
39 county in which the instrument is to be registered, the official seal shall not be necessary.
40 (1899, c. 235, s. 8; Rev., s. 993; C.S., s. 3297; 1969, c. 664, s. 3; 1977, c. 375, s. 12.)
41

42 **§ 47-6. Officials may act although land or maker's residence elsewhere.**

43 The execution of all instruments required or permitted by law to be registered may be
44 proved or acknowledged before any of the officials authorized by law to take probates,
45 regardless of the county in this State in which the subject matter of the instrument may be
46 situated and regardless of the domicile, residence or citizenship of the person who executes
47 such instrument, or of the domicile, residence or citizenship of the person to whom or for
48 whose benefit such instrument may be made. (1899, c. 235, s. 13; Rev., s. 994; C.S., s. 3298.)

50 **§ 47-7: Repealed by Session Laws 1987, c. 620, s. 3.**
51

1 **§ 47-8: Repealed by Session Laws 1991, c. 543, s. 1.**

2
3 **§ 47-8.1. Certain documents verified by attorneys validated.**

4 Final judgments otherwise proper, entered in actions or proceedings in which the
5 complaints or any other documents were verified in violation of G.S. 47-8 prior to its repeal
6 shall not be void or voidable. (1991, c. 543, s. 2.)
7

8 **§ 47-9. Probates before stockholders in building and loan associations.**

9 No acknowledgment or proof of execution of any mortgage or deed of trust executed to
10 secure the payment of any indebtedness to any building and loan association shall hereafter be
11 held invalid by reason of the fact that the officer taking such acknowledgment or proof is a
12 stockholder in said building and loan association. This section does not authorize any officer or
13 director of a building and loan association to take acknowledgments or proofs. The provisions
14 of this section shall apply to federal savings and loan associations having their principal offices
15 in this State. Acknowledgments and proofs of execution, including private examinations of any
16 married woman taken before March 20, 1939, by an officer who is or was a stockholder in any
17 federal savings and loan association, are hereby validated. (1913, c. 110, ss. 1, 3; C.S., s. 3301;
18 1939, c. 136; 1977, c. 375, s. 12.)
19

20 **§ 47-10. Probate before stockholders or directors in banking corporations.**

21 No acknowledgment or proof of execution, including privy examination of married women,
22 of any mortgage, or deed of trust executed to secure the payment of any indebtedness to any
23 banking corporation, taken prior to the first day of January, 1929, shall be held invalid by
24 reason of the fact that the officer taking such acknowledgment, proof or privy examination, was
25 a stockholder or director in such banking corporation. (1929, c. 302, s. 1.)
26

27 **§ 47-11. Subpoenas to maker and subscribing witnesses.**

28 The grantee or other party to an instrument required or allowed by law to be registered may
29 at his own expense obtain from the clerk of the superior court of the county in which the
30 instrument is required to be registered a subpoena for any or all of the makers of or subscribing
31 witnesses to such instrument, commanding such maker or subscribing witness to appear before
32 such clerk at his office at a certain time to give evidence concerning the execution of the
33 instrument. The subpoena shall be directed to the sheriff of the county in which the person
34 upon whom it is to be served resides. If any person refuses to obey such subpoena he is liable to
35 a fine of forty dollars (\$40.00) or to be attached for contempt by the clerk, upon its being made
36 to appear to the satisfaction of the clerk that such disobedience was intentional, under the same
37 rules of law as are prescribed in the cases of other defaulting witnesses. (Code, s. 1268; 1897,
38 c. 28; 1899, c. 235, s. 16; Rev., s. 996; C.S., s. 3302.)
39

40 **§ 47-12. Proof of attested instrument by subscribing witness.**

41 Except as provided by G.S. 47-12.2, the execution of any instrument required or permitted
42 by law to be registered, which has been witnessed by one or more subscribing witnesses, may
43 be proved for registration before any official authorized by law to take proof of such an
44 instrument, by a statement under oath of any such subscribing witness that the maker either
45 signed the instrument in his presence or acknowledged to him the execution thereof. Nothing in
46 this section in anywise affects any of the requirements set out in G.S. 52-10 or 52-10.1. (1899,
47 c. 235, s. 12; Rev., s. 997; C.S., s. 3303; 1935, c. 168; 1937, c. 7; 1945, c. 73, s. 11; 1947, c.
48 991, s. 1; 1949, c. 815, ss. 1, 2; 1951, c. 379, s. 1; 1953, c. 1078, s. 1; 1977, c. 375, s. 12.)
49

50 **§ 47-12.1. Proof of attested instrument by proof of handwriting.**

1 (a) If all subscribing witnesses have died or have left the State or have become of
2 unsound mind or otherwise incompetent or unavailable, the execution of such instrument,
3 except as provided by G.S. 47-12.2, may be proved for registration, before any official
4 authorized by law to take proof of such an instrument, by a statement under oath that the affiant
5 knows the handwriting of the maker and that the purported signature of the maker is in the
6 handwriting of the maker, or by a statement under oath that the affiant knows the handwriting
7 of a particular subscribing witness and that the purported signature of such subscribing witness
8 is in the handwriting of such subscribing witness.

9 (b) Nothing in this section in anyway affects any of the requirements set out in G.S.
10 52-10 or 52-10.1. (1899, c. 235, s. 12; Rev., s. 997; C.S., s. 3303; 1935, c. 168; 1937, c. 7;
11 1945, c. 73, s. 11; 1947, c. 991, s. 1; 1949, c. 815, ss. 1, 2; 1951, c. 379, s. 1; 1977, c. 375, s.
12 12.)

13
14 **§ 47-12.2. Subscribing witness incompetent when grantee or beneficiary.**

15 The execution of an instrument may not be proved for registration by a subscribing witness
16 who is the grantee or beneficiary therein nor by proof of his signature as such subscribing
17 witness. Nothing in this section invalidates the registration of any instrument registered prior to
18 April 9, 1935. (1899, c. 235, s. 12; Rev., s. 997; C.S., s. 3303; 1935, c. 168; 1937, c. 7; 1945, c.
19 73, s. 11; 1947, c. 991, s. 1; 1949, c. 815, ss. 1, 2; 1951, c. 379, s. 1.)

20
21 **§ 47-13. Proof of unattested writing.**

22 If an instrument required or permitted by law to be registered has no subscribing witness,
23 the execution of the same may be proven before any official authorized to take the proof and
24 acknowledgment of such instrument by proof of the handwriting of the maker and this shall
25 likewise apply to proof of execution of instruments by married persons. (1899, c. 235, s. 11;
26 Rev., s. 998; C.S., s. 3304; 1945, c. 73, s. 12; 1977, c. 375, s. 12.)

27
28 **§ 47-13.1. Certificate of officer taking proof of instrument.**

29 The person taking proof of an instrument pursuant to G.S. 47-12, 47-12.1 or 47-13 shall
30 execute a certificate on or attached to the instrument being proved, certifying to the fact of
31 proof substantially as provided in the certificate forms set out in G.S. 47-43.2, 47-43.3 and
32 47-43.4, and such certificate shall be prima facie evidence of the facts therein certified. (1951,
33 c. 379, s. 2; 1953, c. 1078, s. 2.)

34
35 **§ 47-14. Register of deeds to verify the presence of proof or acknowledgement and**
36 **register instruments and electronic documents; order by judge; instruments to**
37 **which register of deeds is a party.**

38 (a) Verification of Instruments. – The register of deeds shall not accept for registration
39 any instrument that requires proof or acknowledgement unless the execution of the instrument
40 by one or more signers appears to have been proved or acknowledged before an officer with the
41 apparent authority to take proofs or acknowledgements, and the proof or acknowledgement
42 includes the officer's signature, commission expiration date, and official seal, if required. The
43 register of deeds shall accept an instrument for registration that does not require proof or
44 acknowledgement if the instrument otherwise satisfies the requirements of G.S. 161-14. Any
45 instrument previously recorded or any certified copy of any instrument previously recorded
46 may be rerecorded provided the instrument is conspicuously marked on the first page as a
47 rerecording. The register of deeds may rely on the marking and the appearance of the original
48 recording office's recording information to determine that an instrument is being presented as it
49 was previously recorded. The register of deeds is not required to further verify the proof or
50 acknowledgement of or determine whether any changes or alterations have been made after the

1 original recording to an instrument presented for rerecording. The register of deeds is not
2 required to verify or make inquiry concerning any of the following:

- 3 (1) The legal sufficiency of any proof or acknowledgement.
- 4 (2) The authority of any officer who took a proof or acknowledgement.
- 5 (3) The legal sufficiency of any document presented for registration.

6 (a1) Verification of Electronic Documents. – The requirements of subsection (a) of this
7 section for verification of the execution of an instrument are satisfied with respect to an
8 electronic document if all of the conditions in this subsection are met. For purposes of this
9 subsection, the term "electronic document" is as defined in G.S. 47-16.2(3). The conditions are:

- 10 (1) The register of deeds has authorized the submitter to electronically register
11 the electronic document.
- 12 (2) The document is submitted by a United States federal or state governmental
13 unit or instrumentality or a trusted submitter. For purposes of this
14 subsection, "a trusted submitter" means a person or entity that has entered
15 into a memorandum of understanding regarding electronic recording with
16 the register of deeds in the county in which the electronic document is to be
17 submitted.
- 18 (3) The execution of the instrument by one or more signers appears to have been
19 proved or acknowledged before an officer with the apparent authority to take
20 proofs or acknowledgements, and the proof or acknowledgment includes the
21 officer's signature, commission expiration date, and official seal, if required,
22 based on the appearance of these elements on the digitized image of the
23 document as it will appear on the public record.
- 24 (4) Evidence of other required governmental certification or annotation appears
25 on the digitized image of the document as it will appear on the public record.
- 26 (5) With respect to a document submitted by a trusted submitter, the digitized
27 image of the document as it will appear on the public record contains the
28 submitter's name in the following completed statement on the first page of
29 the document image: "Submitted electronically by ___ (submitter's name) in
30 compliance with North Carolina statutes governing recordable documents
31 and the terms of the submitter agreement with the ___ (insert county name)
32 County Register of Deeds."
33 (6) Except as otherwise provided in this subsection, the digitized image of the
34 electronic document conforms to all other applicable laws and rules that
35 prescribe recordation.

36 (a2) Verification of Officer's Signature. – Submission to a register of deeds of an
37 electronic document requiring proof or acknowledgement is a representation by the submitter
38 that, prior to submission, the submitter verified the officer's signature required under
39 subdivision (a1)(3) of this section to be one of the types of signatures listed in this subsection.
40 The register of deeds may rely on this representation for purposes of determining compliance
41 with the signature requirements of this section. The electronic registration of a document with a
42 register of deeds prior to the effective date of this statute is not invalid based on whether the
43 register verified the officer's signature in accordance with this subsection. The types of
44 signatures are:

- 45 (1) A signature in ink by hand.
- 46 (2) An electronic signature as defined in G.S. 10B-101(7).

47 (b) Order by Judge. – If a register of deeds denies registration pursuant to subsection
48 (a), the person offering the instrument for registration may apply to any judge of the district
49 court in the district, including the county in which the instrument is to be registered, for an
50 order for registration. Upon finding all of the requirements in this subsection, the judge shall

1 order the instrument to be registered, together with the certificates, and the register of deeds
2 shall register them accordingly. The requirements are:

3 (1) If the instrument requires proof or acknowledgement, that the signature of
4 one or more signers has been proved or acknowledged before an officer
5 authorized to take proofs and acknowledgements.

6 (2) That the proof or acknowledgement includes the officer's signature and
7 commission expiration date and official seal, if required.

8 (c) Repealed by Session Laws 2008-194, s. 7(a), effective October 1, 2008.

9 (d) Scope. – Registration of an instrument pursuant to this section is not effective with
10 regard to parties who have not executed the instrument or whose execution thereof has not been
11 duly proved or acknowledged.

12 (e) Register of Deeds as Party. – Any instrument required or permitted by law to be
13 registered in which the register of deeds of the county of registration is a party may be proved
14 or acknowledged before any magistrate or any notary public. The clerk of superior court of the
15 county of registration shall examine any instrument presented for registration. If it appears that
16 the execution and acknowledgment are in due form, the clerk shall so certify and the instrument
17 shall then be recorded in the office of the register of deeds.

18 (f) Presumption of Notarial Seal. – The acceptance of a record for registration by the
19 register of deeds shall give rise to a presumption that, at the time the record was presented for
20 registration, a clear and legible image of the notary's official seal was affixed or embossed on
21 the record near the notary's official signature. This presumption applies regardless of whether
22 the image is legible or photographically reproduced in the records maintained by the register of
23 deeds. A register of deeds may not refuse to accept a record for registration because a notarial
24 seal does not satisfy the requirements of G.S. 10B-37. (1899, c. 235, s. 7; 1905, c. 414; Rev., s.
25 999; C.S., s. 3305; 1921, c. 91; 1939, c. 210, s. 2; 1967, c. 639, s. 1; 1969, c. 664, s. 2; 1973, c.
26 60; 2005-123, s. 2; 2006-59, s. 26; 2006-259, s. 52(a)-(b); 2006-264, s. 40(c); 2008-194, s.
27 7(a).)

28
29 **§ 47-14.1. Repeal of laws requiring private examination of married women.**

30 All deeds, contracts, conveyances, leaseholds or other instruments executed from and after
31 February 7, 1945, shall be valid for all purposes without the separate, privy, or private
32 examination of married woman where she is a party to or a grantor in such deed, contract,
33 conveyance, leasehold or other instrument, and it shall not be necessary nor required that the
34 separate or privy examination of such married woman be taken by the certifying officer. From
35 and after February 7, 1945, all laws and clauses of laws contained in any section of the General
36 Statutes requiring the privy or private examination of a married woman are hereby repealed.
37 (1945, c. 73, s. 21; 1951, c. 893, s. 1.)

38
39 **§ 47-15. Repealed by Session Laws 1985, c. 589, s. 26, effective January 1, 1986.**

40
41 **§ 47-16. Probate of corporate deeds, where corporation has ceased to exist.**

42 It is competent for the clerk of the superior court in any county in this State, on proof before
43 him upon the oath and examination of the subscribing witness to any contract or instrument
44 required to be registered under the laws of this State, to adjudge and order that such contract or
45 instrument be registered as by law provided, when such contract or instrument is signed by any
46 corporation in its corporate name by its president, and when such corporation has been out of
47 existence for more than 10 years when the said contract or instrument is offered for probate and
48 registration, and when the grantee and those claiming under any such grantee have been in the
49 uninterrupted possession of the property described in said contract or instrument since the date
50 of its execution; and said contract or instrument so probated and registered shall be as effective

1 to all intents and purposes as if signed, sealed, and acknowledged, or proven, as provided under
2 the existing laws of this State. (1911, c. 44, s. 1; C.S., s. 3307.)
