(g) Nothing in this Chapter shall be deemed to authorize the use of a notarial certificate authorized by this Part in place of or as an alternative to a notarial certificate required by any other provision of the General Statutes outside of Chapter 47 of the General Statutes that prescribes the specific form or content for a notarial certificate including G.S. 31-11.6, Chapter 32A of the General Statutes, and G.S. 90-321. However, any statute that permits or requires the use of a notarial certificate contained within Chapter 47 of the General Statutes may also be satisfied by the use of a notarial certificate permitted by this Part. Any form of acknowledgment or probate authorized under Chapter 47 of the General Statutes shall be conclusively deemed in compliance with the requirements of this section.

(h) If an individual signs a record and purports to be acting in a representative or fiduciary capacity, that individual is also deemed to represent to the notary that he or she is signing the record with proper authority to do so and also is signing the record on behalf of the person or entity represented and identified therein or in the fiduciary capacity indicated therein. In performing a notarial act in relation to an individual described under this subsection, a notary is under no duty to verify whether the individual acted in a representative or fiduciary capacity or, if so, whether the individual was duly authorized so to do.
