

Rule 10. Form of pleadings.

(a) Caption; names of parties. – Every pleading shall contain a caption setting forth the division of the court in which the action is filed, the title of the action, and a designation as in Rule 7(a). In the complaint the title of the action shall include the names of all the parties, but in other pleadings it is sufficient to state the name of the first party on each side with an appropriate indication of other parties.

(b) Paragraphs; separate statement. – All averments of claim or defense shall be made in numbered paragraphs, the contents of each of which be limited as far as practicable to a statement of a single set of circumstances; and a paragraph may be referred to by number in all succeeding pleadings. Each claim founded upon a separate transaction or occurrence and each defense other than denials shall be stated in a separate count or defense whenever a separation facilitates the clear presentation of the matters set forth.

(c) Adoption by reference; exhibits. – Statements in a pleading may be adopted by reference in a different part of the same pleading or in another pleading or in any motion in the action. A copy of any written instrument which is an exhibit to a pleading is a part thereof for all purposes. (1967, c. 954, s. 1.)
