§ 20-79.1A. Limited registration plates.  
(a) Eligibility. – A limited registration plate is issuable to any of the following:  
(1) A person who applies, either directly or through a dealer licensed under Article 12 of this Chapter, for a title to a motor vehicle and a registration plate for the vehicle and who submits payment for the applicable title and registration fees but does not submit payment for any municipal corporation property taxes on the vehicle. A person who submits payment for municipal corporation property taxes receives an annual registration plate.  
(2) A person who applies for a plate for a vehicle that was previously registered with the Division but whose registration has not been current for at least a year because the plate for the vehicle was surrendered or the vehicle's registration expired over a year ago.  
(b) Form and Authorization. – A limited registration plate must be clearly and visibly designated as "temporary." The plate expires on the last day of the second month following the date of application of the limited registration plate. The plate may be used only on the vehicle for which it is issued and may not be transferred, loaned, or assigned to another. If the plate is lost or stolen, the vehicle for which the plate was issued may not be operated on a highway until a replacement limited registration plate or a regular license plate is received and attached to the vehicle.  
(c) Registration Certificate. – The Division is not required to issue a registration certificate for a limited registration plate. A combined tax and registration notice issued under G.S. 105-330.5 serves as the registration certificate for the plate.
