

§ 48-9-103. Release of nonidentifying information.

(a) An adoptive parent, an adoptee who is an adult at the time of the request, or a minor adoptee who is a parent or an expectant parent may request a copy of any document prepared pursuant to G.S. 48-3-205 and a copy of any additional nonidentifying health-related information about the adoptee's original family that has been submitted to a court, agency, or the Division. A minor seeking treatment pursuant to G.S. 90-21.1 may request that a copy of this information be sent to the treating physician.

(b) If a request under this section is made to the agency that placed the adoptee or prepared the report to the court, the agency shall furnish the individual making the request or the treating physician named by a minor making the request with a copy of any relevant report or information that is included in the sealed records of the agency. If a request under this section is made to the court that issued the decree of adoption, the court shall refer the individual to the Division, or, if known to the court, the agency that placed the adoptee or prepared the report to the court. The Division may refer the individual to the agency that prepared the report to the court. If the agency no longer exists, the Division may furnish the information to an agency convenient to the requesting party.

(c) Any report or information released under this section shall be edited by the sender to exclude the name, address, or other information that could reasonably be expected to lead directly to the identity of an adoptee at birth or an adoptee's parent at the adoptee's birth or other member of the adoptee's original family and shall contain an express reference to the confidentiality provisions of this Chapter.

(d) An individual who is denied access to a report or information requested under this section may petition the clerk of original jurisdiction for review of the reasonableness of the denial.

(e) If the court or the agency receives information from an adoptee's former parent or from an adoptee's former relative about a health or genetic condition that may affect the health of the adoptee or the adoptee's child, an appropriate employee shall make a reasonable effort to contact and forward the information to an adoptee who is 18 or more years of age, or an adoptive parent of an adoptee who is under 18 years of age.

(f) Nothing in this section shall prohibit an agency from disclosing nonidentifying information about the adoptee's present circumstances, in the nature of information required under G.S. 48-3-205, to a former parent, an adult sibling, or the guardian of a minor sibling on request.

(g) The Department shall prescribe a reasonable procedure for verifying the identity, age, or other relevant characteristics of an individual who requests or provides a report or information under this section and the Department, the court, or agency may charge a reasonable fee for locating and making copies of a report or information.

(h) No request under this section shall be made to the State Registrar of Vital Statistics.
