1 A BILL TO BE ENTITLED 2 AN ACT TO ENACT THE 1990 OMNIBUS DRUG ACT.

The General Assembly of North Carolina enacts:

Section 1. This act shall be known as the Omnibus Drug Act of 1990.

-- TO ALLOW PRIVATIZATION OF PRISON FACILITIES.

Sec. 2. Effective October 1, 1990, G.S. 148-4 reads as rewritten:

"§ 148-4. Control and custody of prisoners; authorizing prisoner to leave place of confinement.

The Secretary of Correction shall have control and custody of all prisoners serving sentence in the State prison system, and such prisoners shall be subject to all the rules and regulations legally adopted for the government thereof. Any sentence to imprisonment in any unit of the State prison system, or to jail to be assigned to work under the State Department of Correction, shall be construed as a commitment, for such terms of imprisonment as the court may direct, to the custody of the Secretary of Correction or his authorized representative, who shall designate the places of confinement within the State prison system where the sentences of all such persons shall be served. The authorized agents of the Secretary shall have all the authority of peace officers for the purpose of transferring prisoners from place to place in the State as their duties might require and for apprehending, arresting, and returning to prison escaped prisoners, and may be commissioned by the Governor, either generally or specially, as special officers for returning escaped prisoners or other fugitives from justice from outside the State, when such persons have been extradited or voluntarily surrendered.

Employees of departments, institutions, agencies, and political subdivisions of the State hiring prisoners to perform work outside prison confines may be designated as the authorized agents of the Secretary of Correction for the purpose of maintaining control and custody of prisoners who may be placed under the supervision and control of such employees, including guarding and transferring such prisoners from place to place in the State as their duties might require, and apprehending and arresting escaped prisoners and returning them to prison. The governing authorities of the State prison system are authorized to determine by rules and regulations the manner of designating these agents and placing prisoners under their supervision and control, which rules and regulations shall be established in the same manner as other rules and regulations for the government of the State prison system.

The Secretary of Correction may extend the limits of the place of confinement of a prisoner, as to whom there is reasonable cause to believe he will honor his trust, by authorizing him, under prescribed conditions, to leave the confines of that place unaccompanied by a custodial agent for a prescribed period of time to

- (1) Contact prospective employers; or
- (2) Secure a suitable residence for use when released on parole or upon discharge; or
- (3) Obtain medical services not otherwise available; or
- (4) Participate in a training program in the community; or
- (5) Visit or attend the funeral of a spouse, child (including stepchild, adopted child or child as to whom the prisoner, though not a natural parent, has acted in the place of a parent), parent (including a person though not a natural parent, has acted in the place of a parent), brother, or sister; or
- (6) Participate in community-based programs of rehabilitation, including, but not limited to the existing community volunteer and home-leave programs, pre-release and after-care programs as may be provided for and administered by the Secretary of Correction and other programs determined by the Secretary of Correction to be consistent with the prisoner's rehabilitation and return to society; or
- (7) Be on maternity leave, for a period of time not to exceed 60 days. The county departments of social services are expected to cooperate with officials at the North Carolina Correctional Center for Women to coordinate prenatal care, financial services, and placement of the child.

The willful failure of a prisoner to remain within the extended limits of his confinement, or to return within the time prescribed to the place of confinement designated by the Secretary of Correction, shall be deemed an escape from the custody of the Secretary of Correction punishable as provided in G.S. 148-45.

Notwithstanding any other provision of law, the Secretary of Correction may contract with private for-profit or nonprofit corporations to provide confinement facilities and to operate programs for State prisoners. Such contracts shall not purport to alter the powers and duties of the Department of Correction and the State with respect to State prisoners."

 - Sec. 41. Effective October 1, 1990, G.S. 122C-282 reads as rewritten:

"§ 122C-282. Special emergency procedure for violent individuals.

(a) When an individual subject to commitment under the provisions of this Part is also violent and requires restraint and when delay in taking him to a physician or eligible psychologist for examination would likely endanger life or property, a law-enforcement officer may take the person into custody and take him immediately before a magistrate or clerk. The law-enforcement officer shall execute the affidavit required by G.S. 122C-281 and in addition shall swear that the respondent is violent and requires restraint and that delay in taking the respondent to a physician or eligible psychologist for an examination would endanger life or property.

If the clerk or magistrate finds by clear, cogent, and convincing evidence that the facts stated in the affidavit are true, that the respondent is in fact violent and requires restraint, and that delay in taking the respondent to a physician or eligible psychologist for an examination would endanger life or property, he shall order the law-enforcement officer to take the respondent directly to a 24-hour facility described in G.S. 122C-252.

Respondents received at a 24-hour facility under the provisions of this section shall be examined and processed thereafter in the same way as all other respondents under this Part.

- (b) Anyone, including a law-enforcement officer, who has knowledge of an individual who is subject to commitment according to the criteria of G.S. 122C-281(a) and who requires immediate hospitalization to prevent harm to himself or others, may transport the individual directly to an area facility or other place, including a State facility for the mentally ill, for examination by a physician or eligible psychologist, in accordance with G.S. 122C-263(a). If the individual meets the criteria required in G.S. 122C-281(a), the physician or eligible psychologist shall so certify in writing before any official authorized to administer oaths. The certificate shall also state the reason that the individual requires immediate hospitalization.
- If the physician or eligible psychologist executes the oath, appearance before a magistrate shall be waived. The physician or eligible psychologist shall send a copy of

the certificate to the clerk of superior court by the most reliable and expeditious means. If it cannot be reasonably anticipated that the clerk will receive the copy within 24 hours (excluding Saturday, Sunday, and holidays) of the time that it was signed, the physician or eligible psychologist shall also communicate his findings to the clerk by telephone.

Anyone, including a law-enforcement officer if necessary, may transport the individual to a 24-hour facility described in G.S. 122C-252 for examination and treatment pending a district court hearing. If there is no area 24-hour facility and if the respondent is indigent and unable to pay for his care at a private 24-hour facility, the law-enforcement officer or other designated person providing transportation shall take the respondent to a State facility for the mentally ill designated by the Commission in accordance with G.S. 143B-147(a)(1)a. and immediately notify the clerk of superior court of his actions. The physician's or eligible psychologist's certificate shall serve as the custody order and the law-enforcement officer or other designated person shall provide transportation in accordance with the provisions of G.S. 122C-251.

Respondents received at a 24-hour facility under the provisions of this section shall be examined by a second physician in accordance with G.S. 122C-266. After receipt of notification that the district court has determined reasonable grounds for the commitment, further proceedings shall be carried out in the same way as all other respondents under this Part."

Sec. 42. Except as otherwise provided herein, this act is effective upon ratification.
