The General Assembly of North Carolina enacts:

Section 1. There is established the Social Services Study Commission, an independent commission, to study public social services and public assistance in North Carolina and to recommend improvements that will assure that North Carolina has cost-effective, consistently administered public social services and public assistance programs.

Sec. 2. The Commission shall consist of 17 voting and four nonvoting members. The Speaker of the House of Representatives shall appoint seven voting members, five of whom shall be House members, one of whom shall be a county commissioner, and one of whom shall be a low-income recipient of social services or public assistance benefits. The President Pro Tempore of the Senate shall appoint seven voting members, five of whom shall be Senators, one of whom shall be a county social services director, and one of whom shall be an advocate for low-income people who is familiar with social services and public assistance programs. The Governor shall appoint three voting members, one of whom shall be the Secretary of Human Resources or a designee, one of whom shall be an officer or director of a private social services agency, and one of whom shall be a business representative who is involved in a local Private Industry Council. The Speaker of the House of Representatives and the President Pro Tempore of the Senate shall each appoint two nonvoting members who shall be involved in the administration or funding of social services and public

1 assistance programs. Initial appointments shall be made within 30 days following
2 adjournment of the 1989 Session of the General Assembly. Vacancies shall be filled by
3 the official who made the initial appointment using the same criteria as provided by this
4 section.

5 Sec. 3. The President Pro Tempore of the Senate and the Speaker of the
6 House of Representatives shall each appoint a cochair of the Commission from their
7 appointees. The cochairs shall call the first meeting and preside at alternate meetings.

8 Sec. 4. The Social Services Study Commission shall continue to examine the
9 need for improvements in the State's social services system and develop legislation to
10 address those needs. If legislation is enacted directing the Department of Human
11 Resources to develop a Social Services Plan, the Commission may receive status reports
12 on the development of the Plan; upon completion of the Plan, the Commission shall
13 receive and review it. The Commission shall also monitor and review efforts within the
14 Department of Human Resources to (i) plan for the efficient and timely implementation
15 of federal welfare reform provisions, and (ii) simplify public assistance programs by
16 reducing paperwork, developing a consolidated application process, or other means.

17 Sec. 5. The Commission members shall receive no salary for their services
18 but shall receive subsistence and travel expenses in accordance with the provisions of
19 G.S. 120-3.1, 138-5, and 138-6, as applicable.

20 Sec. 6. The Commission may solicit, employ, or contract for professional,
21 technical, or clerical assistance, and may purchase or contract for the materials or
22 services it needs. Subject to the approval of the Legislative Services Commission, the
23 professional and clerical staff of the Legislative Services Office shall be available to the
24 Commission, and the Commission may meet in the Legislative Building or the
25 Legislative Office Building. With the consent of the Secretary of the Department of
26 Human Resources, staff employed by the Department or any of the divisions may be
27 assigned permanently or temporarily to assist the Commission or its staff.

28 Sec. 7. Upon request of the Commission or its staff, all State departments and
29 agencies and all local governmental agencies shall furnish the Commission or its staff
30 with any information in their possession or available to them.

31 Sec. 8. The Commission shall submit a final written report of its findings and
32 recommendations to the Governor, the Speaker of the House of Representatives, and the
33 President of the Senate before or upon the convening of the 1991 Session of the General
34 Assembly. The Commission shall terminate upon the filing of the report.

35 Sec. 9. There is appropriated from the General Fund to the General Assembly
36 the sum of one hundred thousand dollars (\$100,000) for fiscal year 1989-90 to
37 implement the provisions of this act.

38 Sec. 10. This act shall become effective July 1, 1989.
