7 Whereas, North Carolina has more than 680,000 veterans of military service;
8 and

9 Whereas, those veterans deserve the opportunity to be buried in a veterans
10 cemetery in recognition of their service to our country; and

1 Whereas, by 1992, all of the four national cemeteries in North Carolina will
2 be filled, the Wilmington cemetery having filled and closed at the end of 1986; and

3 Whereas, the Veterans Administration has gone to a regional concept for
4 national cemeteries, with the nearest such facility being in the State of Alabama; and

5 Whereas, veterans deserve burial in close proximity to their families and
6 friends and deserve not to be transported to Alabama for burial; and

7 Whereas, the Veterans Administration matches state funds on a dollar-for-
8 dollar basis to encourage states to build veterans cemeteries; Now, therefore,
