June 3, 1992

**A BILL TO BE ENTITLED**

**AN ACT TO ALLOW FRANKLIN COUNTY TO USE ALTERNATIVE  
CONSTRUCTION DELIVERY SYSTEMS.**

The General Assembly of North Carolina enacts:

Section 1. In addition to the construction delivery systems authorized by G.S. 143B-128 which allows the single prime contract system with single liability for construction and the separate contract system with split liability for construction, Franklin County is also authorized to use the construction management system with single liability for construction and the design and build contract system with single liability for design and construction. Franklin County may use whichever of these construction delivery systems that in its sole discretion is determined to save taxpayers' money or to enhance the capital budgeting process.

Sec. 2. This act is effective upon ratification.
