7 **"§ 163-2. Hours of primaries and elections.**

8 In all primaries, general elections, special elections, and referenda held in this State,

16 (5) There are other irregularities

17 which cause undue delays in the voting process, the responsible county board of
18 elections may permit the polls to remain open until 8:30-9:30 P.M."

19 **PART III. POLL OBSERVERS GET VOTING LISTS.**

20 Sec. 3. G.S. 163-45 reads as rewritten:

21 **"§ 163-45. Observers; appointment.**

22 The chairman of each political party in the county shall have the right to designate
23 two observers to attend each voting place at each primary and election and such
24 observers may, at the option of the designating party chairman, be relieved during the
25 day of the primary or election after serving no less than four hours and provided the list
26 required by this section to be filed by each chairman contains the names of all persons
27 authorized to represent such chairman's political party. Not more than two observers
28 from the same political party shall be permitted in the voting enclosure at any time.
29 This right shall not extend to the chairman of a political party during a primary unless
30 that party is participating in the primary. In any election in which an unaffiliated
31 candidate is named on the ballot, he or his campaign manager shall have the right to
32 appoint two observers for each voting place consistent with the provisions specified
33 herein. Persons appointed as observers must be registered voters of the precinct for
34 which appointed and must have good moral character. Observers shall take no oath of
35 office.

36 Individuals authorized to appoint observers must submit in writing to the registrar of
37 each precinct a signed list of the observers appointed for that precinct. Individuals
38 authorized to appoint observers must, prior to 10:00 A.M. on the fifth day prior to any
39 primary or general election, submit in writing to the chairman of the county board of
40 elections two signed copies of a list of observers appointed by them, designating the
41 precinct for which each observer is appointed. Before the opening of the voting place
42 on the day of a primary or general election, the chairman shall deliver one copy of the
43 list to the registrar for each affected precinct. He shall retain the other copy. The
44 chairman, or the registrar and judges for each affected precinct, may for good cause

1 reject any appointee and require that another be appointed. The names of any persons
2 appointed in place of those persons rejected shall be furnished in writing to the registrar
3 of each affected precinct no later than the time for opening the voting place on the day
4 of any primary or general election, either by the chairman of the county board of
5 elections or the person making the substitute appointment.

6 An observer shall do no electioneering at the voting place, and he shall in no manner
7 impede the voting process or interfere or communicate with or observe any voter in
8 casting his ballot, but, subject to these restrictions, the registrar and judges of elections
9 shall permit him to make such observation and take such notes as he may desire.

10 Whether or not the observer attends to the polls for the requisite time provided by
11 this section, each observer shall be entitled to obtain at times specified by the State
12 Board of Elections, but not less than three times during election day, with the first time
13 being after 11:00 a.m. and with the spacing not less than one hour apart, a list of the
14 persons who have voted in the precinct so far in that election day."

15 PART IV. SEALING OF BALLOTS.

16 Sec. 4. G.S. 163-171 reads as rewritten:

17 "**§ 163-171. Preservation of ballots; locking and sealing ballot boxes; signing**
18 **certificates.**

19 When the precinct count is completed after a primary or election, all ballots shall be
20 put back in the ballot boxes from which they were taken, and the registrar and judges
21 shall promptly lock and place a seal around the top of each ballot box, so that no ballot
22 may be taken from or put in it. The registrar and judges shall then sign the seal on each
23 ballot box. In the alternative, the county board of elections may permit the precinct
24 officials to put the counted ballots back in one ballot box or more to facilitate
25 safekeeping provided the board prescribes an appropriate procedure to keep the
26 different kinds of ballots separated in bundles or bags within the box.

27 Ballot boxes in which ballots have been placed and which have been locked and
28 sealed as required by the preceding paragraph shall remain in the safe custody of the
29 registrar, subject to the orders of the chairman of the county board of elections as to
30 their disposition; provided that ballot boxes with paper ballots shall be delivered in
31 person to the office of the county board of elections; provided further that in the case of
32 paper ballots which have been counted either mechanically or electronically either the
33 counting machines with the paper ballots sealed inside shall be delivered in person to
34 the office of the county board of elections, or the paper ballots shall be placed in ballot
35 boxes, sealed, and those boxes shall be delivered in person to the office of the county
36 board of elections. The ballots and ballot boxes shall be delivered at a time specified by
37 the county board of elections. No ballot box shall be opened except upon the written
38 order of the county board of elections or upon a proper order of court.

39 Ballots cast in a primary or general election shall be preserved for at least two
40 months after the primary or general election in which voted.

41 On each precinct return form there shall be printed a statement to be signed by the
42 registrar and judges certifying that, after the precinct count was completed, each ballot
43 box was properly locked, sealed, and the seals signed, as prescribed in this section,
44 before the precinct officials left the voting place on the night of the primary or election.

1 Willful failure to securely lock, seal, and sign the seal on each ballot box on the
2 night of any primary or election, and willful failure to sign the certificate on the
3 duplicate return forms certifying that this was done, shall constitute a misdemeanor.

4 In the event that a recount is requested as provided by law or there is other filing of
5 an appeal of the election results, the county board of elections shall seal and secure the
6 ballots, ballot boxes, and voting machines within a uniform period of time set by the
7 State Board of Elections, to the extent that such actions have not already been taken as
8 required by law. The aforementioned items shall then be stored in one location that is
9 securely locked by members of the county board of elections."

10 **PART V. VOTER REGISTRATION AMENDMENTS.**

11 Sec. 5.1. G.S. 163-57 reads as rewritten:

12 **"§ 163-57. Residence defined for registration and voting.**

13 All registrars and judges, in determining the residence of a person offering to
14 register or vote, shall be governed by the following rules, so far as they may apply:

30 the intention of remaining there an indefinite time and making such

33 removed, notwithstanding he may entertain an intention to return at
34 some future time.

43 the intention of becoming residents of the county to which they have
44 moved to teach, for purposes of registration and voting shall be

1 considered residents of the county in which their parents or other
2 relatives reside.

3 (8) If a person removes to the District of Columbia or other federal
4 territory to engage in the government service, he shall not be
5 considered to have lost his residence in this State during the period of
6 such service unless he votes there, and the place at which he resided at
7 the time of his removal shall be considered and held to be his place of
8 residence.

9 (9) If a person removes to a county to engage in the service of the State
10 government, he shall not be considered to have lost his residence in the
11 county from which he removed, unless he demonstrates a contrary
12 intention.

13 (10) For the purpose of voting a spouse shall be eligible to establish a
14 separate domicile.

15 (11) So long as a student intends to make his home in the community where
16 he is physically present for the purpose of attending school while he is
17 attending school and has no intent to return to his former home after
18 graduation, he may claim the college community as his domicile. He
19 need not also intend to stay in the college community beyond

13 the ballots to the applicant in person or by mail, the chairman
14 may deliver the sealed envelope containing the instruction sheet
15 and the container-return envelope holding the ballots to a near
16 relative of the voter."

17 Sec. 6.3. G.S. 163-230.1 reads as rewritten:

18 **"§ 163-230.1. Simultaneous issuance of absentee ballots with application.**

19 (a) When a qualified voter personally requests by mail an application for

- 22 (1) The official ballots the voter is entitled to vote if his application is
23 approved;
24 (2) A container-return envelope for the ballots, upon the outside of which
25 shall be printed the appropriate application form as provided in G.S.
26 163-227;
27 (3) A large envelope (similar to a No. 14 or larger manila envelope) in

30 (4) An instruction sheet.

31 The ballots, envelopes and instructions shall be mailed to the voter by the county
32 board's chairman, secretary or supervisor as determined by the board and entered in its
33 official minutes.

34 On the back of the large transmittal envelope shall be clearly printed or stamped the

36 DO NOT PLACE THE ENVELOPE CONTAINING YOUR BALLOTS INTO

40 (b) The application shall be completed, the ballots marked, the ballots sealed in

43 large transmittal envelope for return to the chairman of the county board of elections.

1 (c) At its next official meeting after return of the completed container-return
2 envelope and large envelope with the voter's ballots, the county board of elections shall
3 determine whether the container-return envelope and large envelope have been properly
4 executed. If the board determines that both the container-return envelope and large
5 envelope have been properly executed, it shall approve the application and deposit the
6 container-return envelope with other container-return envelopes for the envelope to be
7 opened and the ballots counted at the same time as all other container-return envelopes
8 and absentee ballots.

9 (d) The provisions of this section shall apply only to requests received by mail
10 from and signed by the voter individually and personally. No near relative, guardian, or
11 other person other than the voter himself shall be permitted to apply for absentee ballots
12 under this section.

13 (e) The State Board of Elections, by regulation or by instruction to the county

20 precinct, such that more of such will be available at general elections and a sufficient
21 number will be available to allow voting without excessive delay. The State Board of
22 Elections shall provide for a training and screening program for registrars and judges.
23 The State Board of Elections shall provide additional testing of voting machines to
24 ensure that they operate properly even with complicated ballots.
