1		A BILL TO BE ENTITLED
2	AN ACT TO	RESPOND TO THE INCIDENCE OF JUVENILE CRIME BY
3	ESTABLISH	IING THE INTERVENTION/PREVENTION GRANT PROGRAM
4	FOR NORTI	H CAROLINA SCHOOL CHILDREN.
5	The General Ass	sembly of North Carolina enacts:
6	Sectio	on 1. The General Assembly finds that:
7	(1)	Growing numbers of children live in conditions that place them at risk
8		of academic failure as students;
9	(2)	The provision of school and support services to these children and
10		their families by public and nonprofit agencies is fragmented and does
11		not prepare these children to learn effectively and have a successful
12		school experience;
13	(3)	The lack of collaboration among schools, families, local agencies, and
14		other groups involved in family support and youth development
15		activities results in the inefficient and ineffective use of resources to
16		meet the needs of these children;
17	(4)	Schools are dedicating an increasing amount of their time and
18		resources to responding to disruptive and violent behavior rather than
19		fulfilling their mission to challenge with high expectations each child
20		to learn, to achieve, and to fulfill his or her potential;

1

1	(5)	The relationships between academic failure, disruptive and violent
2	()	behavior in schools, unemployment, and criminal behavior are clear;
3	(6)	Responding to the needs of students who are at risk of school failure
4		and providing for a safe and secure learning environment are cost-
5		effective because it enables the State to substitute preventive measures
6	(7)	for expensive crisis intervention; and
7 8	(7)	Differing local needs and local resources necessitate the development
o 9		of locally generated, community-based plans that coordinate and leverage existing resources, not the imposition of uniform and
9 10		inflexible, State-mandated plans;
11	therefore there	is appropriated from the General Fund to Aid to Local School
12		Units, the sum of forty million dollars (\$40,000,000) for the 1994-95
