9 time require, including terms, conditions, and limitations as to the extension of the route  
10 or routes of a carrier, and such terms and conditions as are necessary to carry out, with

28 open to public inspection. Except, if there is a sufficient likelihood  
29 that a public utility defined in G.S. 62-3(23)a.6. may suffer a  
30 competitive disadvantage if the rates for a specific competitive service  
31 are disclosed, the Commission may waive the public disclosure of the  
32 rates. The Commission may revoke the disclosure waiver upon a  
33 showing that the competitive disadvantage no longer exists.

34           (b) Every ~~regular route common carrier of general commodities and every common~~  
35 carrier of passengers shall file with the Commission, print, and keep open for public  
36 inspection schedules showing all rates for the transportation of ~~property or~~ passengers in  
37 intrastate commerce and all services in connection therewith between points on its own  
38 routes and between points on its own routes and points on the routes of other such  
39 common carriers, and if it establishes joint rates with other common carriers, it shall

41           (c) Every irregular route common carrier of household goods shall file with the  
42 Commission, print, and keep open for public inspection schedules showing all rates for  
43 the transportation of ~~property~~-household goods in intrastate commerce between points

1 within the area of its authorized operation, and if it establishes joint rates with other  
2 common carriers, it shall include in its schedules so filed such joint rates between points  
3 within the area of its own authorized operation and points on the line or route of such  
4 other common carriers.

5 (c1) Any person who, though exempt from Commission regulation under Public  
6 Law 103-305, agrees to joint line rates or routes as authorized by Public Law 103-305  
7 may file with the Commission, print, and keep open for public inspection schedules  
8 showing all such joint rates for the transportation of property in intrastate commerce, and  
9 all connected services, between all points the person serves.

10 (d) The schedules required by this section shall be published, filed, and posted in  
11 such form and manner and shall contain such information as the Commission may  
12 prescribe; and the Commission is authorized to reject any schedule filed with it which is  
13 not in compliance with this section. Any schedule so rejected by the Commission shall be  
14 void and its use shall be unlawful.

15 (e) No public utility, unless otherwise provided by this Chapter, shall engage in  
16 service to the public unless its rates for such service have been filed and published in  
17 accordance with the provisions of this section.

18 (f) Under such rules as the Commission may prescribe, every electric membership  
19 corporation operating within this State shall file with the Commission, for information  
20 purposes, all rates, schedules of rates, charges, service regulations, and forms of service  
21 contracts, used or to be used within the State, and shall keep copies of such schedules,

23 (g) No public utility may offer or maintain telephone service to any subscriber to  
24 such service who has in use or proposes to place in use equipment which will enable said  
25 subscriber to observe or monitor telephone calls directed to or placed by said subscriber  
26 unless said subscriber shall agree that such equipment shall be used in conformity with  
27 the standards for the use of such equipment adopted by the Commission."

28 Sec. 7. G.S. 62-141 reads as rewritten:

29 **"§ 62-141. Long and short hauls.**

30 (a) Except when expressly permitted by the Commission, it shall be unlawful for  
31 any common carrier to charge or receive any greater compensation in the aggregate for  
32 the transportation of like kind of ~~property~~ household goods under substantially similar  
33 circumstances and conditions for a shorter than for a longer distance over the same line or  
34 route in the same direction, the shorter being included within the longer distance; but this  
35 shall not be construed as authorizing any common carrier within the terms of this Chapter  
36 to charge and receive as great compensation for a shorter as for a longer distance.

37 (b) Upon application to the Commission, common carriers may in special cases be  
38 authorized to charge less for longer than for shorter distances for the transportation  
39 ~~property~~ of household goods; and the Commission may from time to time prescribe the  
40 extent to which such designated common carrier may be relieved from the operation of  
41 this section.

42 (c) The provisions of this section shall not be applicable to bus companies or to  
43 their rates, charges or tariffs."

1           Sec. 8. G.S. 62-144(d) reads as rewritten:

2           "(d) Nothing in this section shall prohibit the carriage, storage or handling of  
3 ~~property~~ household goods free or at reduced rates for the United States, State or municipal  
4 governments, or for charitable or educational purposes, or the use of passes for journeys  
5 wholly within this State which have been or may be issued for interstate journeys under  
6 the authority of the United States Interstate Commerce Commission."

7           Sec. 9. G.S. 62-146 reads as rewritten:

8 **"§ 62-146. Rates and service of motor common carriers of property.**

9           (a) It shall be the duty of every common carrier of ~~property~~ household goods by  
10 motor vehicle to provide safe and adequate service, equipment, and facilities for  
11 transportation in intrastate commerce and to establish, observe and enforce just and  
12 reasonable regulations and practices relating thereto, and, in the case of ~~property~~  
13 household goods carriers, relating to the manner and method of presenting, marking,  
14 packing and delivering property for transportation in intrastate commerce.

15           (b) Except under special conditions and for good cause shown, a common carrier  
16 by motor vehicle authorized to transport general commodities over regular routes shall  
17 establish reasonable through routes and joint rates, charges, and classifications with other  
18 such common carriers by motor vehicle; and such common carrier may establish, with the  
19 prior approval of the Commission, such routes, joint rates, charges and classifications  
20 with any irregular route common carrier by motor vehicle, or any common carrier by rail,  
21 express, or water.

22           (c) Repealed by Session Laws 1985, c. 676, s. 15, effective July 10, 1985.

23           (d) In case of joint rates between common carriers of property, it shall be the duty  
24 of the carriers parties thereto to establish just and reasonable regulations and practices in  
25 connection therewith, and just, reasonable, and equitable divisions thereof as between the  
26 carriers participating therein, which shall not unduly prefer or prejudice any of such  
27 participating carriers. Upon investigation and for good cause, the Commission may, in its  
28 discretion, prohibit the establishment of joint rates or service.

29           (e) Any person may make complaint in writing to the Commission that any rate,  
30 classification, rule, regulations, or practice in effect or proposed to be put into effect, is or  
31 will be in violation of this Article. Whenever, after hearing, upon complaint or in an  
32 investigation or its own initiative, the Commission shall be of the opinion that any  
33 individual or joint rate demanded, charged, or collected by any common carrier or  
34 carriers by motor vehicle, or by any such common carrier or carriers in conjunction with  
35 any other common carrier or carriers, for transportation of ~~property~~ household goods in  
36 intrastate commerce, or any classification, rule, regulation, or practice whatsoever of such  
37 carrier or carriers affecting such rate or the value of the service thereunder, is or will be  
38 unjust or unreasonable or unjustly discriminatory or unduly preferential or unduly  
39 prejudicial, it shall determine and prescribe the lawful rate or the minimum or maximum,  
40 or the minimum and maximum rate thereafter to be observed, or the lawful classification,  
41 rule, regulation, or practice thereafter to be made effective.

42           (f) Whenever, after hearing upon complaint or upon its own initiative, the  
43 Commission is of the opinion that the divisions of joint rates applicable to the

1 transportation of ~~property~~ household goods in intrastate commerce between a common  
2 carrier by motor vehicle and another carrier are or will be unjust, unreasonable,  
3 inequitable, or unduly preferential or prejudicial as between the carriers parties thereto  
4 (whether agreed upon by such carriers or otherwise established), the Commission shall by  
5 order prescribe the just, reasonable, and equitable division thereof to be received by the  
6 several carriers; and in cases where the joint rate or charge was established pursuant to a  
7 finding or order of the Commission and the divisions thereof are found by it to have been  
8 unjust, unreasonable, or inequitable or unduly preferential or prejudicial, the Commission  
9 may also by order determine what would have been the just, reasonable, and equitable  
10 divisions thereof to be received by the several carriers and require adjustment to be made  
11 in accordance therewith. The order of the Commission may require the adjustment of  
12 divisions between the carriers in accordance with the order from the date of filing the  
13 complaint or entry of order of investigation or such other dates subsequent thereto as the  
14 Commission finds justified, and in the case of joint rates prescribed by the Commission,  
15 the order as to divisions may be made effective as a part of the original order.

16 (g) In any proceeding to determine the justness or reasonableness of any rate of  
17 any common carrier of ~~property~~ household goods by motor vehicle, there shall not be  
18 taken into consideration or allowed as evidence any elements of value of the property of  
19 such carrier, good will, earning power, or the certificate under which such carrier is  
20 operating, and such rates shall be fixed and approved, subject to the provisions of  
21 subsection (h) hereof, on the basis of the operating ratios of such carriers, being the ratio  
22 of their operating expenses to their operating revenues, at a ratio to be determined by the  
23 Commission; and in applying for and receiving a certificate under this Chapter any such  
24 carrier shall be deemed to have agreed to the provisions of this paragraph, on its own  
25 behalf and on behalf of every transferee of such certificate or of any part thereof.

26 (h) In the exercise of its power to prescribe just and reasonable rates and charges  
27 for the transportation of ~~property~~ household goods in intrastate commerce by common  
28 carriers by motor vehicle, and classifications, regulations, and practices relating thereto,  
29 the Commission shall give due consideration, among other factors, to the inherent  
30 advantages of transportation by such carriers; to the effect of rates upon movement of  
31 traffic by the carrier or carriers for which rates are prescribed; to the need in the public  
32 interest of adequate and efficient transportation service by such carriers at the lowest cost  
33 consistent with the furnishing of such service; and to the need of revenues sufficient to  
34 enable such carriers under honest, economical, and efficient management to provide such  
35 service.

36 (i) Nothing in this section shall be held to extinguish any remedy or right of  
37 action not inconsistent herewith. This section shall be in addition to other provisions of  
38 this Chapter which relate to public utilities generally, except that in cases of conflict  
39 between such other provisions and this section, this section shall prevail for motor  
40 carriers."

41 Sec. 10. G.S. 62-147 is repealed.

42 Sec. 11. G.S. 62-200 reads as rewritten:

43 "**§ 62-200. Duty to transport ~~freight~~ household goods within a reasonable time.**

1 (a) It shall be unlawful for any common carrier of ~~property~~ household goods doing  
2 business in this State to omit or neglect to transport within a reasonable time any goods,  
3 merchandise or other articles of value received by it for shipment and billed to or from  
4 any place in this State, unless otherwise agreed upon between the carrier and the shipper,  
5 or unless the same be burned, stolen or otherwise destroyed, or unless otherwise provided  
6 by the Commission.

7 (b) Any common carrier violating any of the provisions of this section shall forfeit  
8 to the party aggrieved the sum of fifteen dollars (\$15.00) for the first day and two dollars  
9 (\$2.00) for each succeeding day of such unlawful detention or neglect where such  
10 shipment is made in carload lots, and in less quantities there shall be a forfeiture in like  
11 manner of ten dollars (\$10.00) for the first day and one dollar (\$1.00) for each succeeding  
12 day, but the forfeiture shall not be collected for a period exceeding 30 days.

13 (c) In reckoning what is a reasonable time for such transportation, it shall be  
14 considered that such common carrier has transported ~~freight~~ household goods within a  
15 reasonable time if it has done so in the ordinary time required for transporting such  
16 articles ~~of freight~~ by similar carriers between the receiving and shipping stations. The  
17 Commission is authorized to establish reasonable times for transportation by the various  
18 modes of carriage which shall be held to be prima facie reasonable, and a failure to  
19 transport within such times shall be held prima facie unreasonable. This section shall be  
20 construed to refer not only to delay in starting the ~~freight~~ household goods from the  
21 station where it is received, but to require the delivery at its destination within the time  
22 specified: Provided, that if such delay shall be due to causes which could not in the  
23 exercise of ordinary care have been foreseen or which were unavoidable, then upon the  
24 establishment of these facts to the satisfaction of the court trying the cause, the defendant  
25 common carrier shall be relieved from any penalty for delay in the transportation of  
26 ~~freight~~ household goods, but it shall not be relieved from the costs of such action. In all  
27 actions to recover penalties against a common carrier under this section, the burden of  
28 proof shall be upon such carrier to show where the delay, if any, occurred. The penalties  
29 provided in this section shall be in addition to the damages recoverable for failure to  
30 transport within a reasonable time.

31 (d) This section shall not apply to motor carriers of passengers."

32 Sec. 12. G.S. 62-203 reads as rewritten:

33 **"§ 62-203. Claims for loss or damage to goods; filing and adjustment.**

34 (a) Every common carrier receiving ~~property~~ household goods for transportation in  
35 intrastate commerce shall issue a bill of lading therefor, and shall be liable to the lawful  
36 holder thereof for any loss, damage, or injury to such ~~property~~ household goods caused by  
37 it, or by any carrier participating in the haul when transported on a through bill of lading,  
38 and any such carrier delivering said ~~property~~ household goods so received and transported  
39 shall be liable to the lawful holder of said bill of lading or to any party entitled to recover  
40 thereon for such loss, damage, or injury, notwithstanding any contract or agreement to the  
41 contrary; provided, however, the Commission may, by regulation or order, authorize or  
42 require any such common carrier to establish and maintain rates related to the value of  
43 shipments declared in writing by the shipper, or agreed upon as the release value of such

1 shipments, such declaration or agreement to have no effect other than to limit liability  
2 and recovery to an amount not exceeding the value so declared or released, in which case,  
3 any tariff filed pursuant to such regulation or order shall specifically refer thereto;  
4 provided further, that a rate shall be afforded the shipper covering the full value of the  
5 goods shipped; provided further, that nothing in this section shall deprive any lawful  
6 holder of such bill of lading of any remedy or right of action which such holder has under  
7 existing law; provided further, that the carrier issuing such bill of lading, or delivering  
8 such ~~property~~ household goods so received and transported, shall be entitled to recover  
9 from the carrier on whose route the loss, damage, or injury shall have been sustained the  
10 amount it may be required to pay to the owners of such property.

11 (b) Every claim for loss of or damage to ~~property~~ household goods while in  
12 possession of a common carrier, ~~including every express company or person doing an express~~  
13 ~~business within the State,~~ carrier shall be adjusted and paid within 90 days after the filing  
14 of such claim with the agent of such carrier at the point of destination of such shipment,  
15 or point of delivery to another common carrier, by the consignee or at the point of origin  
16 by the consignor, when it shall appear that the consignee was the owner of the shipment:  
17 Provided, that no such claim shall be filed until after the arrival of the shipment, or some  
18 part thereof, at the point of destination, or until after the lapse of a reasonable time for the  
19 arrival thereof.

20 (c) In every case such common carrier shall be liable for the amount of such loss  
21 or damage, together with interest thereon from the date of the filing of the claim therefor  
22 until the payment thereof. Failure to adjust and pay such claim within the periods  
23 respectively herein prescribed shall subject each common carrier so failing to a penalty of  
24 fifty dollars (\$50.00) for each and every such failure, to be recovered by any consignee  
25 aggrieved (or consignor, when it shall appear that the consignor was the owner of the  
26 property at the time of shipment and at the time of suit, and is, therefore, the party  
27 aggrieved), in any court of competent jurisdiction: Provided, that unless such consignee  
28 or consignor recover in such action the full amount claimed, no penalty shall be  
29 recovered, but only the actual amount of the loss or damage, with interest as aforesaid;  
30 and that no penalty shall be recoverable under the provisions of this section where claims  
31 have been filed by both the consignor and consignee, unless the time herein provided has  
32 elapsed after the withdrawal of one of the claims.

33 (d) A check shall be affixed to every parcel of baggage when taken for  
34 transportation by the agent or servant of a common carrier, if there is a handle, loop or  
35 fixture so that the same can be attached upon the parcel or baggage so offered for  
36 transportation, and a duplicate thereof given to the passenger or person delivering the  
37 same on his behalf. If such check be refused on demand, the common carrier shall pay to  
38 such passenger the sum of ten dollars (\$10.00), to be recovered in a civil action; and  
39 further, no fare or toll shall be collected or received from such passenger, and if such  
40 passenger shall have paid his fare the same shall be refunded by the carrier.

41 (e) If a passenger, whose bag has been checked, shall produce the check and his  
42 baggage shall not be delivered to him, he may by an action recover the value of such  
43 baggage.

1 (f) Causes of action for the recovery of the possession of the property shipped, for  
2 loss or damage thereto, and for the penalties herein provided for, may be united in the  
3 same complaint.

4 (g) This section shall not deprive any consignee or consignor of any other rights or  
5 remedies existing against common carriers in regard to freight charges or claims for loss  
6 or damage to freight, but shall be deemed and held as creating an additional liability upon  
7 such common carriers.

8 (h) This section shall not apply to motor carriers of passengers and only subsection  
9 (a) of this section shall apply to motor carriers of property."

10 Sec. 13. G.S. 62-206 reads as rewritten:

11 "**§ 62-206. Carrier's right against prior carrier.**

12 Any common carrier shall have all the rights and remedies herein provided for against  
13 a common carrier from which it received the ~~freight~~ household goods in question.  
14 Provided, however, that this section shall not apply to motor carriers of passengers."

15 Sec. 14. G.S. 62-209 reads as rewritten:

16 "**§ 62-209. Sale of unclaimed baggage or ~~freight~~; household goods; notice; sale of**  
17 **rejected property; escheat.**

18 (a) Any common carrier which has had in its possession on hand at any destination  
19 in this State any article whether baggage or ~~freight~~ household goods, for a period of 60  
20 days from its arrival at destination, which said carrier cannot deliver because unclaimed,  
21 may at the expiration of said 60 days sell the same at public auction at any point where in  
22 the opinion of the carrier the best price can be obtained: Provided, however, that notice of  
23 such sale shall be mailed to the consignor and consignee, by registered or certified mail,  
24 if known to such carrier, not less than 15 days before such sale shall be made; or if the  
25 name and address of the consignor and consignee cannot with reasonable diligence be  
26 ascertained by such carrier, notice of the sale shall be published once a week for two  
27 consecutive weeks in some newspaper of general circulation published at the point of  
28 sale: Provided, that if there is no such paper published at such point, the publication may  
29 be made in any paper having a general circulation in the State: Provided further, however,  
30 that if the nondelivery of said article is due to the consignee's and consignor's rejection of

32 and place as will in the carrier's judgment net the best price, and this without further  
33 notice to either consignee or consignor, and without the necessity of publication.

34 (b) ~~Where the article referred to in this section is live freight, or perishable freight,~~

37 ~~without advertisement, sell the same in such manner and at such time and place as will in~~  
38 ~~its judgment best protect the interests of the carrier, the consignor and the consignee, and~~  
39 ~~whenever practicable the consignor and consignee shall be notified of the proposed sale~~  
40 ~~of such freight.~~

41 (c) The common carrier shall keep a record of the articles sold and of the prices  
42 obtained therefor, and shall, after deducting all charges and the expenses of the sale,  
43 including advertisement, if advertised, pay the balance to the owner of such articles on

1 demand therefor made at any time within five years from the date of the sale. If no person  
2 shall claim the surplus within five years, such surplus shall be paid to the Escheat Fund of  
3 the Department of State Treasurer.

17 (d) The venue for any action commenced to enforce compliance with the terms of  
18 this Article against any person purporting to operate under any of the exemptions  
19 provided in this section shall be in one of the counties of the superior court district or set  
20 of districts as defined in G.S. 7A-41.1 wherein the violation is alleged to have taken place  
21 and such person shall be entitled to trial by jury.

22 (e) None of the provisions of this section nor any of the provisions of this Chapter  
23 shall be construed so as to prohibit or regulate the transportation of property by any  
24 motor carrier when the movement is within a municipality or within contiguous  
25 municipalities and within a zone adjacent to and commercially a part of such  
26 municipality or contiguous municipalities, as defined by the Commission. The  
27 Commission shall have the power in its discretion, in any particular case, to fix the limits  
28 of any such zone. Nothing herein shall be construed as an abridgment of the police  
29 powers of any municipality over such operation wholly within any such municipality.  
30 Nothing in this Chapter shall be construed to prohibit or regulate the transportation of  
31 household effects of families from one residence to another by persons who do not hold  
32 themselves out as being, and are not generally engaged in the business of transporting  
33 such property for compensation.

34 (f) Notwithstanding the exemption for transportation of passengers and ~~property~~  
35 household goods provided under subsections (a) through (e) of this section, all motor  
36 carriers transporting passengers for compensation under said exemptions or under any  
37 special exemptions granted by the Utilities Commission under G.S. 62-261 shall be  
38 subject to the same requirements for security for protection of the public as are  
39 established for regulated motor common carriers by the rules of the Utilities Commission  
40 pursuant to G.S. 62-268, and all such motor carriers transporting for hire under said  
41 exemption provisions shall further be subject to the same requirements for safety of  
42 operation of said motor vehicles as are required of regulated motor common carriers  
43 under the provisions of Chapter 20 and the regulations of the Division adopted pursuant

1 thereto. The Division is authorized to promulgate rules and regulations for the  
2 enforcement of said requirements in the case of all such exempt operations, and the  
3 officers and agents of the Division shall have full authority to inspect said exempt  
4 vehicles and to apply all enforcement regulations and penalties for violation of said  
5 security regulations and safety regulations as in the case of regulated motor carriers.

6 (g) The owners of all motor vehicles used in any transportation for compensation  
7 which is declared to be exempt under this section shall register such operation with the  
8 Division of Motor Vehicles and shall secure from the Division of Motor Vehicles a  
9 certificate of exemption."

10 Sec. 17. G.S. 62-261 reads as rewritten:

11 **"§ 62-261. Additional powers and duties of Commission applicable to motor**  
12 **vehicles.**

13 The Commission is hereby vested with the following powers and duties:

- 14 (1) To supervise and regulate bus companies and to that end, the  
15 Commission may establish reasonable requirements with respect to  
16 continuous and adequate service, transportation of baggage,  
17 newspapers, mail and light express, uniform system of accounts,  
18 records and reports and preservation of records.
- 19 (2) To supervise the operation and safety of passenger bus stations in any  
20 manner necessary to promote harmony among the carriers using such  
21 stations and efficiency of service to the traveling public.
- 22 (3) Repealed by Session Laws 1985, c. 454, s. 12, effective June 24,  
23 1985.
- 24 (4) For the purpose of carrying out the provisions of this Article, the  
25 Utilities Commission may avail itself of the special information of the  
26 Board of Transportation in promulgating safety requirements and in  
27 considering applications for certificates or permits with particular  
28 reference to conditions of the public highway or highways involved,  
29 and the ability of the said public highway or highways to carry added  
30 traffic; and the Board of Transportation, upon request of the Utilities  
31 Commission, shall furnish such information.
- 32 (5) The Commission may, without prior notice and hearing, make and  
33 enter any order, rule, regulation, or requirement, not affecting rates,  
34 upon unanimous finding by the Commission of the existence of an  
35 emergency and make such order, rule, regulation or requirement  
36 effective upon notice given to each affected motor carrier by  
37 registered mail, or by certified mail pending a hearing thereon as  
38 provided in this subdivision. It shall not be necessary for the  
39 Commission to give notice to the carriers affected or to hold a hearing  
40 prior to a revision in the rules regarding procedures to be followed in  
41 filing rates. Any such emergency order, rule, regulation or  
42 requirement shall be subject to continuation, modification, change, or  
43 revocation after notice and hearing and all such emergency orders,

1 rules, regulations and requirements shall be supplanted and  
2 superseded by any final order, rule, regulation or requirement entered  
3 by the Commission.

4 (6) The Commission shall regulate brokers and make and enforce  
5 reasonable requirements respecting their licenses, financial  
6 responsibility, accounts, records, reports, operations and practices.

7 (7) Repealed by Session Laws 1985, c. 454, s. 12, effective June 24,  
8 1985.

9 (8) To determine, upon its own motion, or upon motion by a motor  
10 carrier, or any other party in interest, whether the transportation of  
11 ~~property~~ household goods in intrastate commerce performed by any  
12 motor carrier or class of motor carriers lawfully engaged in operation  
13 in this State is in fact of such nature, character, or quantity as not  
14 substantially to affect or impair uniform regulation by the  
15 Commission of transportation by motor carriers engaged in intrastate  
16 commerce. Upon so finding, the Commission shall issue a certificate  
17 of exemption to such motor carrier or class of motor carriers which,  
18 during the period such certificate shall remain effective and  
19 unrevoked, shall exempt such carrier or class of motor carriers from  
20 compliance with the provisions of this Article, and shall attach to such  
21 certificate such reasonable terms and conditions as the public interest  
22 may require. At any time after the issuance of any such certificate of  
23 exemption, the Commission may by order revoke all or any part  
24 thereof, if it shall find that the transportation in intrastate commerce  
25 performed by the carrier or class of carriers designated in such  
26 certificate will be, or shall have become, or is reasonably likely to  
27 become, or such nature, character, or quantity as in fact substantially  
28 to affect or impair uniform regulation by the Commission of intrastate  
29 transportation by motor carriers in effectuating the policy declared in  
30 this Chapter. Upon revocation of any such certificate, the Commission  
31 shall restore to the carrier or carriers affected thereby, without further  
32 proceedings, the authority, if any, to operate in intrastate commerce  
33 held by such carrier or carriers at the time the certificate of exemption  
34 pertaining to such carrier or carriers became effective. No certificate  
35 of exemption shall be denied, and no order of revocation shall be  
36 issued, under this paragraph, except after reasonable opportunity for  
37 hearing to interested parties.

38 (9) To inquire into the management of the business of motor carriers and  
39 into the management of business of persons controlling, controlled by  
40 or under common control with, motor carriers to the extent that such  
41 persons have a pecuniary interest in the business of one or more motor  
42 carriers, and the Commission shall keep itself informed as to the  
43 manner and method in which the same are conducted, and may obtain

1 from such carriers and persons such information as the Commission  
2 deems necessary to carry out the provisions of this Article.

3 (10) Repealed by Session Laws 1985, c. 454, s. 12, effective June 24,  
4 1985.

5 (11) The Commission may from time to time establish such just and  
6 reasonable classifications of groups of carriers included in the term  
7 'common carrier by motor vehicle' ~~or contract carrier by motor vehicle~~ as  
8 the special nature of the service performed by such carriers shall  
9 require; and such just and reasonable rules, regulations, and  
10 requirements, consistent with the provisions of this Article, to be  
11 observed by such carriers so classified or grouped, as the Commission  
12 deems necessary or desirable in the public interest."

13 Sec. 18. G.S. 62-262 reads as rewritten:

14 **"§ 62-262. Applications and hearings other than for bus companies.**

15 (a) Except as otherwise provided in G.S. 62-260[,] G.S. 62-262.1 and 62-265, no  
16 person shall engage in the transportation of passengers or ~~property~~ household goods in  
17 intrastate commerce unless such person shall have applied to and obtained from the  
18 Commission a certificate ~~or permit~~ authorizing such operations, and it shall be unlawful  
19 for any person knowingly or wilfully to operate in intrastate commerce in any manner  
20 contrary to the provisions of this Article, or of the rules and regulations of the  
21 Commission. No certificate ~~or permit~~ shall be amended so as to enlarge or in any manner  
22 extend the scope of operations of a motor carrier without complying with the provisions  
23 of this section.

24 (b) Upon the filing of an application for a ~~certificate or a permit~~, certificate, the  
25 Commission shall, within a reasonable time, fix a time and place for hearing such  
26 application. ~~For applications by contract carriers of passengers, the Commission shall cause~~  
27 ~~notice of the time and place of hearing to be given by mail to the applicant, to other motor~~  
28 ~~carriers holding certificates or permits to operate in the territory proposed to be served by the~~  
29 ~~application, and to other motor carriers who have pending applications to so operate.~~ The  
30 Commission shall from time to time prepare a truck calendar containing notice of such  
31 hearings, a copy of which shall be mailed to the applicant and to any other persons  
32 desiring it, upon payment of charges to be fixed by the Commission. The notice or  
33 calendar herein required shall be mailed at least 20 days prior to the date fixed for the  
34 hearing, but the failure of any person, other than applicant, to receive such notice or  
35 calendar shall not, for that reason, invalidate the action of the Commission in granting or  
36 denying the application.

37 (c) The Commission may, in its discretion, except where a regular calendar  
38 providing notice is issued, require the applicant to give notice of the time and place of  
39 such hearing together with a brief description of the purpose of said hearing and the exact  
40 route or routes and authority applied for, to be published not less than once each week for  
41 two successive weeks in one or more newspapers of general circulation in the territory  
42 proposed to be served. The Commission may in its discretion require the applicant to give  
43 such other and further notice in the form and manner prescribed by the Commission to

1 the end that all interested parties and the general public may have full knowledge of such  
2 hearing and its purpose. If the Commission requires the applicant to give notice by  
3 publication, then a copy of such notice shall be immediately mailed by the applicant to  
4 the Commission, and upon receipt of same the chief clerk shall cause the copy of notice  
5 to be entered in the Commission's docket of pending proceedings. The applicant shall,  
6 prior to any hearing upon his application, be required to satisfy the Commission that such  
7 notice by publication has been duly made, and in addition to any other fees or costs  
8 required to be paid by the applicant, the applicant shall pay into the office of the  
9 Commission the cost of the notices herein required to be mailed by the Commission.

10 (d) Any motor carrier desiring to protest the granting of an application for a  
11 ~~certificate or permit, certificate,~~ in whole, or in part, may become a party to such  
12 proceedings by filing with the Commission, not less than 10 days prior to the date fixed  
13 for the hearing, unless the time be extended by order of the Commission, its protest in  
14 writing under oath, containing a general statement of the grounds for such protest and the  
15 manner in which the protestant will be adversely affected by the granting of the  
16 application in whole or in part. Such protestant may also set forth in his protest its  
17 proposal, if any, to render either alone or in conjunction with other motor carriers, the  
18 service proposed by the applicant, either in whole or in part. Upon the filing of such  
19 protest it shall be the duty of the protestant to file three copies with the Commission, and  
20 the protestant shall certify that a copy of said protest has been delivered or mailed to the  
21 applicant or applicant's attorney. When no protest is filed with the Commission within the  
22 time herein limited, or as extended by order of the Commission, the Commission may  
23 proceed to decide the application on the basis of testimony taken at a hearing, or on the  
24 basis of information contained in the application and sworn affidavits, and make the  
25 necessary findings of fact and issue or decline to issue the certificate ~~or permit~~ applied for  
26 without further notice. Persons other than motor carriers shall have the right to appear  
27 before the Commission and give evidence in favor of or against the granting of any  
28 application and with permission of the Commission may be accorded the right to examine  
29 and cross-examine witnesses.

30 (e) If the application is for a certificate, the burden of proof shall be upon the  
31 applicant to show to the satisfaction of the Commission:

- 32 (1) That public convenience and necessity require the proposed service in  
33 addition to existing authorized transportation service, and
- 34 (2) That the applicant is fit, willing and able to properly perform the  
35 proposed service, and
- 36 (3) That the applicant is solvent and financially able to furnish adequate  
37 service on a continuing basis.

38 (f) to (h) Repealed by Session Laws 1985, c. 676, s. 19, effective July 10, 1985.

39 (i) ~~If the application is for a permit, the Commission shall give due consideration~~  
40 ~~to:~~

- 41 (1) ~~Whether the proposed operations conform with the definition in this~~  
42 ~~Chapter of a contract carrier,~~

- 1           (2)     ~~Whether the proposed operations will unreasonably impair the~~  
2           ~~efficient public service of carriers operating under certificates, or rail~~  
3           ~~carriers;~~  
4           (3)     ~~Whether the proposed service will unreasonably impair the use of the~~  
5           ~~highways by the general public;~~  
6           (4)     ~~Whether the applicant is fit, willing and able to properly perform the~~  
7           ~~service proposed as a contract carrier;~~  
8           (5)     ~~Whether the proposed operations will be consistent with the public~~  
9           ~~interest and the policy declared in this Chapter, and~~  
10          (6)     ~~Other matters tending to qualify or disqualify the applicant for a~~  
11          ~~permit.~~

12          (j)     ~~After the issuance of a permit for the transportation of passengers, as provided~~  
13          ~~in this section, such permit may thereafter be amended, changed or modified, by~~  
14          ~~requiring the holder to furnish more or less transportation service, or by changing the~~  
15          ~~routes over which service has been authorized, or by imposing other reasonable terms,~~  
16          ~~conditions, restrictions, and limitations as public convenience and necessity or reasonable~~  
17          ~~regulation of traffic upon the highways may require; provided, that the procedure in all~~  
18          ~~such cases as to notice and hearing shall be the same as provided in this section for the~~  
19          ~~issuance of a permit.~~

20          (k)     The Commission shall by general order, or rule, having regard for the public  
21          convenience and necessity, provide for the abandonment or permanent or temporary  
22          discontinuance of transportation service previously authorized in a certificate.

23          (l)     The provisions of this section shall not be applicable to applications for  
24          certificates of authority by bus companies or related hearings."

25                 Sec. 19. G.S. 62-264 is repealed.

26                 Sec. 20. G.S. 62-265 reads as rewritten:

27          "**§ 62-265. Emergency operating authority.**

28          To meet unforeseen emergencies, the Commission may, upon its own initiative, or  
29          upon written request by any person, department or agency of the State, or of any county,  
30          city or town, with or without a hearing, grant appropriate authority to any owner of a duly  
31          licensed vehicle or vehicles, whether such owner holds a certificate ~~or permit~~ or not, to  
32          transport passengers or ~~property, baggage, mail, newspapers and light express~~ household  
33          goods between such points, or within such area during the period of the emergency and to  
34          the extent necessary to relieve the same, as the Commission may fix in its order granting  
35          such authority; provided, that unless the emergency is declared by the General Assembly  
36          or under its authority, the Commission shall find from such request, or from its own  
37          knowledge or conditions, that a real emergency exists and that relief to the extent  
38          authorized in its order is immediate, pressing and necessary in the public interest, and that  
39          the carrier so authorized has the necessary equipment and is willing to perform the  
40          emergency service as prescribed by the order. In all cases, under this section, the  
41          Commission shall first afford the holders of certificates ~~or permits~~ operating in the  
42          territory affected an opportunity to render the emergency service. Upon the termination  
43          of the emergency, the operating privileges so granted shall automatically expire and the

1 Commission shall forthwith withdraw all operating privileges granted to any person  
2 under this section."

3 Sec. 21. G.S. 62-267(b) is repealed.

4 Sec. 22. G.S. 62-268 reads as rewritten:

5 **"§ 62-268. Security for protection of public; liability insurance.**

6 No ~~certificate, permit~~ certificate or broker's license shall be issued or remain in force

10 carrier for which a ~~certificate, permit~~ certificate or license is required by the provision of  
11 this Chapter, shall maintain liability insurance or satisfactory surety of at least fifty  
12 thousand dollars (\$50,000) because of bodily injury to or death of one person in any one  
13 accident and, subject to said limit for one person, one hundred thousand dollars  
14 (\$100,000) because of bodily injury to or death of two or more persons in any one  
15 accident, and fifty thousand dollars (\$50,000) because of injury to or destruction of  
16 property of others in any one accident; and the Commission may require any greater  
17 amount of insurance as may be necessary for the protection of the public.  
18 Notwithstanding any rule or regulation to the contrary, the Commission shall not require  
19 that any insurance procured and filed be provided in any single policy of insurance or  
20 through a single insurer, if the insurers involved are otherwise qualified. A motor carrier  
21 may satisfy the requirements of the Commission by procuring insurance with coverage  
22 and limits of liability required by the Commission in one or more policies of insurance  
23 issued by one or more insurers.

24 Notwithstanding any other provisions of this section or Chapter, bus companies shall  
25 file with the Commission proof of financial responsibility in the form of bonds, policies

28 49 U.S.C. § 10927(a)(1). Provided, further, that no bus company operating solely within  
29 the State of North Carolina and which is exempt from regulation under the provisions of  
30 G.S. 62-260(a)(7) shall be required to file with the Commission proof of the financial  
31 responsibility in excess of one million five hundred thousand dollars (\$1,500,000)."

32 Sec. 23. G.S. 62-270 reads as rewritten:

33 **"§ 62-270. Orders, notices, and service of process.**

34 It shall be the duty of every motor carrier operating under a certificate ~~or permit~~ issued  
35 under the provisions of this Article to file with the Division of Motor Vehicles a  
36 designation in writing of the name and post-office address of a person upon whom  
37 service of notices or orders may be made under this Article. Such designation may from  
38 time to time be changed by like writing similarly filed. Service of notice or orders in  
39 proceedings under this Article may be made upon a motor carrier by personal service  
40 upon it or upon the person so designated by it, or by registered mail, return receipt  
41 requested, or by certified mail with return receipt requested, addressed to it or to such  
42 person at the address filed. In proceedings before the Commission involving the  
43 lawfulness of rates, charges, classifications, or practices, service of notice upon the

1 person or agent who has filed a tariff or schedule in behalf of such carrier shall be  
2 deemed to be due and sufficient service upon the carrier."

3 Sec. 24. G.S. 62-271 reads as rewritten:

4 **"§ 62-271. Collection of rates and charges of motor carriers of ~~property-~~household**  
5 **goods.**

6 No common carriers of ~~property-~~household goods by motor vehicle shall deliver or  
7 relinquish possession at destination of any freight transported by it in intrastate commerce  
8 until all tariff rates and charges thereon have been paid, except under such rules and  
9 regulations as the Commission may from time to time prescribe to govern the settlement  
10 of all such rates and charges, including rules and regulations for weekly or monthly  
11 settlement, and to prevent unjust discrimination or undue preference or prejudice;  
12 provided, that the provisions of this section shall not be construed to prohibit any such  
13 carrier from extending credit in connection with rates and charges on freight transported  
14 for the United States, for any department, bureau, or agency thereof, or for the State, or  
15 political subdivision thereof. Where any common carrier by motor vehicle is instructed  
16 by a shipper or consignor to deliver ~~property-~~household goods transported by such carrier  
17 to a consignee other than the shipper or consignor, such consignee shall not be legally  
18 liable for transportation charges in respect of the transportation of such ~~property-~~  
19 household goods (beyond those billed against him at the time of delivery for which he is  
20 otherwise liable) which may be found to be due after the ~~property-~~has-household goods  
21 have been delivered to him, if the consignee (i) is an agent only and had no beneficial  
22 title in the ~~property-~~household goods, and (ii) prior to delivery of the ~~property-~~household  
23 goods has notified the delivering carrier in writing of the fact of such agency and  
24 absence of beneficial title, and, in the case of shipment reconsigned or diverted to a point  
25 other than that specified in the original bill of lading, has also notified the delivering  
26 carrier in writing of the name and address of the beneficial owner of the ~~property-~~  
27 household goods. In such cases the shipper and consignor, or, in the case of a shipment  
28 so reconsigned or diverted, the beneficial owner shall be liable for such additional  
29 charges, irrespective of any provisions to the contrary in the bill of lading or in the  
30 contract under which the shipment was made. If the consignee has given to the carrier  
31 erroneous information as to who is the beneficial owner, such consignee shall himself be  
32 liable for such additional charges, notwithstanding the foregoing provisions of this  
33 section. On shipments reconsigned or diverted by an agent who has furnished the carrier  
34 with a notice of agency and the proper name and address of the beneficial owner, and  
35 where such shipments are refused or abandoned at ultimate destination, the said  
36 beneficial owner shall be liable for all legally applicable charges in connection  
37 therewith."

38 Sec. 25. G.S. 62-272 reads as rewritten:

39 **"§ 62-272. Allowance to shippers for transportation services.**

40 If the owner of ~~property-~~household goods transported under the provisions of this  
41 Article directly or indirectly renders any service connected with such transportation, or  
42 furnishes any instrumentality used therein, the charge and allowance therefor shall be  
43 published in the tariffs or schedules filed in the manner provided in this Article and shall

1 be no more than is just and reasonable; and the Commission may, after hearing on a  
2 complaint or on its own initiative, determine what is a reasonable charge as the maximum  
3 to be paid by the carrier or carriers for the services so rendered or for the use of the  
4 instrumentality so furnished, and fix the same by appropriate order."

5 Sec. 26. G.S. 62-273 reads as rewritten:

6 **"§ 62-273. Embezzlement of C.O.D. shipments.**

7 ~~Property~~Household goods received by any motor carrier to be transported in intrastate

9 of the sum of money stated in the shipping instructions to be collected and remitted to the  
10 shipper, and the money collected upon delivery of such party, ~~is~~are hereby declared to be  
11 held in trust by any carrier having possession thereof or the carrier making the delivery or  
12 collection, and upon failure of any such carrier to account for the ~~property-household~~  
13 goods so received, either to the shipper to whom the collection is payable or the carrier  
14 making delivery to any carrier handling the ~~property-household goods~~ or making the  
15 collection, within 15 days after demand in writing by the shipper, or carrier, or upon  
16 failure of the delivering carrier to remit the sum so directed to be collected and remitted  
17 to the shipper, within 15 days after collection is made, shall be prima facie evidence that  
18 the ~~property-household goods~~ so received, or the funds so received, ~~has~~have been wilfully  
19 converted by such carrier to its own use, and the carrier so offending shall be guilty of a  
20 Class H felony and such carrier may be indicted, tried, and punished in the county in  
21 which such shipment was delivered to the carrier or in any other county into or through  
22 which such shipment was transported by such carrier."

23 Sec. 27. G.S. 62-278(a) reads as rewritten:

24 "(a) The license plates of any carrier of persons or ~~property-household goods~~ by

28 Commission. To that end the Commission shall have power upon complaint or upon its  
29 own motion, after notice and hearing, to order the license plates of any such offending  
30 carrier revoked and removed from the vehicles of such carrier for a period not exceeding  
31 30 days, and it shall be the duty of the Department of Motor Vehicles to execute such  
32 orders made by the Utilities Commission upon receipt of a certified copy of the same."
