- 26 (1) 'Abuse' means the willful or grossly negligent infliction of physical
27 pain, injury or mental anguish, unreasonable confinement, or the willful
28 or grossly negligent deprivation by the administrator or staff of a
29 ~~domiciliary home~~ an adult care home of services which are necessary to
30 maintain mental and physical health.
- 31 (1a) 'Adult care home' is an assisted living residence in which the housing
32 management provides 24-hour scheduled and unscheduled personal care
33 services to two or more residents, either directly or, for scheduled needs,
34 through formal written agreement with licensed home care or hospice
35 agencies. Some licensed adult care homes provide supervision to
36 persons with cognitive impairments whose decisions, if made
37 independently, may jeopardize the safety or well-being of themselves or
38 others and therefore require supervision. Medication in an adult care
39 home may be administered by designated, trained staff. Adult care
40 homes that provide care to two to six unrelated residents are commonly
41 called family care homes. Adult care homes and family care homes are
42 subject to licensure by the Division of Facility Services.

- 1 (1b) 'Amenities' means services such as meals, housekeeping, transportation,
2 and grocery shopping that do not involve hands-on personal care.
- 3 (1c) 'Assisted living residence' means any group housing and services
4 program for two or more unrelated adults, by whatever name it is called,
5 that makes available, at a minimum, one meal a day and housekeeping
6 services and provides personal care services directly or through a formal
7 written agreement with one or more licensed home care or hospice
8 agencies. Nursing services provided to an individual in an assisted
9 living residence shall not exceed those allowed under Medicare home
10 health regulations. The Department may allow nursing service
11 exceptions on a case-by-case basis. Settings in which services are
12 delivered may include self-contained apartment units or single or shared
13 room units with private or area baths. Assisted living residences are to
14 be distinguished from nursing homes subject to provisions of G.S.
15 131E-102. Effective July 1, 1995, there are two types of assisted living
16 residences: adult care homes and group homes for developmentally
17 disabled adults. Effective July 1, 1996, there is a third type, multiunit
18 independent housing with services.
- 19 (1d) 'Compensatory agent' means a spouse, relative, or other caretaker who
20 lives with a resident and provides care to a resident.
- 21 (2) 'Developmentally disabled adult' means a person who has attained the
22 age of 18 years and who has a developmental disability defined as a
23 severe, chronic disability of a person which:
24 a. Is attributed to a mental or physical impairment or combination
25 of mental and physical impairments;
26 b. Is manifested before the person attains age 22;
27 c. Is likely to continue indefinitely;
28 d. Results in substantial functional limitations in three or more of
29 the following areas of major life activity: (i) self-care, (ii)
30 receptive and expressive language, (iii) learning, (iv) mobility,
31 (v) self-direction, (vi) capacity for independent living, and (vii)
32 economic self-sufficiency; and
33 e. Reflects the person's need for a combination and sequence of
34 special, interdisciplinary, or generic care, treatment, or other
35 services which are of lifelong or extended duration and are
36 individually planned and coordinated.
- 37 (3) ~~'Domiciliary home' means any facility, by whatever name it is called,~~
38 ~~which provides residential care for aged or disabled persons whose~~
39 ~~principal need is a home which provides the supervision and personal~~
40 ~~care appropriate to their age or disability. Medical care at a domiciliary~~
41 ~~home is only occasional or incidental, such as may be given in the home~~
42 ~~of any individual or family, but medication is administered by~~
43 ~~designated staff of the home. Personal care given in a domiciliary home~~

1 includes direct assistance, by designated staff, to residents in personal
2 grooming, bathing, dressing, feeding, shopping, laundering clothes,
3 handling personal finances, arranging transportation, scheduling
4 medical or business appointments, as well as attending to any personal
5 needs residents may be incapable of or unable to attend for themselves.
6 Domiciliary homes are to be distinguished from nursing homes subject
7 to licensure under G.S. 131E 102. The three types of domiciliary
8 homes are homes for the aged and disabled, family care homes and
9 group homes for developmentally disabled adults.

11 resident or his resources for another's profit or advantage.

12 (5) 'Family care home' means ~~a domiciliary home~~ an adult care home having

19 ~~home~~ an adult care home which has two to nine developmentally
20 disabled adult residents.

21 (7) ~~'Home for the aged and disabled' means a domiciliary home which has~~
22 ~~seven or more residents.~~

23 (7a) Effective July 1, 1996, 'multiunit independent housing with services'
24 means an assisted living residence in which hands-on personal care
25 services and nursing services which are arranged by housing
26 management are provided by a licensed home care or hospice agency,
27 through an individualized written care plan. The housing management
28 has a financial interest or financial affiliation or formal written
29 agreement which makes personal care services accessible and available
30 through at least one licensed home care or hospice agency. The resident
31 has a choice of any provider, and the housing management may not
32 combine charges for housing and personal care services. All residents,
33 or their compensatory agents, must be capable, through informed
34 consent, of entering into a contract and must not be in need of 24-hour
35 supervision. Assistance with self-administration of medications may be
36 provided by appropriately trained staff when delegated by a licensed
37 nurse according to the home care agency's established plan of care.
38 Multiunit independent housing with services programs are required to
39 register with the Division of Facility Services and provide a disclosure
40 statement to the Division and as a part of a required annual rental

1 housing management and home care or hospice agencies, a listing of all
2 home care or hospice agencies and other community services in the
3 area, an appeals process, and procedures for required initial and annual
4 resident screening and referrals for services. Continuing care retirement
5 communities, subject to regulation by the Department of Insurance
6 under Chapter 58 of the General Statutes, are exempt from the
7 regulatory requirements for multiunit independent housing with services
8 programs.

9 (8) 'Neglect' means the failure to provide the services necessary to maintain
10 a resident's physical or mental health.

11 (9) 'Personal care services' means any hands-on services allowed to be
12 performed by In-Home Aides II or III as outlined in Department rules.

14 purpose of obtaining access to housing and services provided or made
15 available by housing management.

18 rules adopted by the Social Services Commission, all ~~domiciliary homes~~
19 adult care homes for persons who are aged or mentally or physically
20 disabled except those exempt in subsection ~~(d)~~-(c) of this section.
21 Licenses issued under the authority of this section shall be valid for one
22 year from the date of issuance unless revoked earlier by the Secretary of
23 Human Resources for failure to comply with any part of this section or
24 any rules adopted hereunder. Licenses shall be renewed annually upon
25 filing and the Department's approval of the renewal application. A
26 license shall not be renewed if outstanding fines and penalties imposed
27 by the State against the home have not been paid. Fines and penalties
28 for which an appeal is pending are exempt from consideration. The
29 renewal application shall contain all necessary and reasonable
30 information that the Department may by rule require. The Department
31 may also issue a provisional license to a facility, pursuant to rules
32 adopted by the Social Services Commission, for substantial failure to
33 comply with the provisions of this section or rules promulgated pursuant
34 to this section. Any facility wishing to contest the issuance of a
35 provisional license shall be entitled to an administrative hearing as
36 provided in the Administrative Procedure Act, Chapter 150B of the
37 General Statutes. A petition for a contested case shall be filed within 30
38 days after the Department mails written notice of the issuance of the
39 provisional license.

40 (1a) In addition to the licensing and inspection requirements mandated by
41 subdivision (1) of this subsection, the Department shall ensure that
42 ~~domiciliary care facilities~~ adult care homes required to be licensed by this
43 Article are monitored for licensure compliance on a regular basis. In

1 carrying out this requirement, the Department shall work with county
2 departments of social services to do the routine monitoring and to have
3 the Division of Facility Services oversee this monitoring and perform
4 any follow-up inspection called for.

- 5 (2) Any individual or corporation that establishes, conducts, manages, or
6 operates a facility subject to licensure under this section without a

8 punishable only by a fine of not more than fifty dollars (\$50.00) for the
9 first offense and not more than five hundred dollars (\$500.00) for each
10 subsequent offense. Each day of a continuing violation after conviction
11 shall be considered a separate offense.

- 12 (3) In addition, the Department may summarily suspend a license pursuant
13 to G.S. 150B-3(c) whenever it finds substantial evidence of abuse,
14 neglect, exploitation or any condition which presents an imminent
15 danger to the health and safety of any resident of the home. Any facility
16 wishing to contest summary suspension of a license shall be entitled to
17 an administrative hearing as provided in the Administrative Procedure
18 Act, Chapter 150B of the General Statutes. A petition for a contested
19 case shall be filed within 20 days after the Department mails a notice of
20 summary suspension to the licensee.

- 21 (4) Notwithstanding G.S. 8-53 or any other law relating to confidentiality of
22 communications between physician and patient, in the course of an
23 inspection conducted under subsection (b):

- 24 a. Department representatives may review any writing or other
25 record concerning the admission, discharge, medication, care,
26 medical condition, or history of any person who is or has been a
27 resident of the facility being inspected, and
28 b. Any person involved in giving care or treatment at or through the
29 facility may disclose information to Department representatives;
30 unless the resident objects in writing to review of his records or
31 disclosure of such information.

32 The facility, its employees and any other person interviewed in the
33 course of an inspection shall be immune from liability for damages
34 resulting from disclosure of any information to the Department.

35 The Department shall not disclose:

- 36 a. Any confidential or privileged information obtained under this
37 subsection unless the resident or his legal representative
38 authorizes disclosure in writing or unless a court of competent
39 jurisdiction orders disclosure, or
40 b. The name of anyone who has furnished information concerning a
41 facility without that person's consent.

42 The Department shall institute appropriate policies and procedures to
43 ensure that unauthorized disclosure does not occur. All confidential or

1 privileged information obtained under this section and the names of
2 persons providing such information shall be exempt from Chapter 132
3 of the General Statutes.

5 ~~to obtain a license hereunder:~~

19 the supervision of the United States Veterans Administration; and

21 service, either directly or indirectly.

22 (c1) Although the contract obligation still remains to pay the housing management
23 for any services covered by the contract between the resident and housing management,
24 the resident of an assisted living facility has the right to obtain services not at the expense
25 of the housing management, from providers other than the housing management.

26 (c2) The Social Services Commission shall adopt any rules necessary to carry out
27 this section. The Commission has the authority, in adopting rules, to specify the
28 limitation of nursing services by interpreting Medicare regulations and any changes in
29 Medicare regulations. In developing rules, the Commission shall consider the need to
30 ensure comparable quality of services provided to residents, whether these services are
31 provided directly by a licensed assisted living provider or licensed home care agency. In
32 adult care homes, living arrangements where residents require supervision due to
33 cognitive impairments, rules shall be promulgated to ensure that supervision is
34 appropriate and adequate to meet the special needs of these residents.

35 (c3) Nothing in this section shall be construed to supersede any federal or State
36 antitrust, antikickback, or safe harbor laws or regulations.

37 (c4) Housing programs for two or more unrelated adults that target their services to
38 elderly or disabled persons in which the only services provided by the housing
39 management, either directly or through an agreement or other arrangements, are

2 or operated by any unit of government, by any commercial inn or hotel, or to any facility
3 licensed by the Medical Care Commission under the provisions of G.S. 131E-102,
4 entitled 'Licensure requirements.' If any nursing home licensed under G.S. 131E-102 also
5 functions as a domiciliary home, then the domiciliary home component must comply
6 with rules adopted by the Medical Care Commission.

7 (e) The Department of Human Resources shall provide the method of evaluation
8 of residents in ~~domiciliary homes~~ adult care homes in order to determine when any of
9 those residents are in need of the professional medical and nursing care provided in
10 licensed nursing homes.

11 (f) If any provisions of this section or the application of it to any person or
12 circumstance is held invalid, the invalidity does not affect other provisions or
13 applications of the section which can be given effect without the invalid provision or
14 application, and to this end the provisions of this section are severable.

15 (g) In order for ~~a domiciliary home~~ an adult care home to maintain its license, it
16 shall not hinder or interfere with the proper performance of duty of a lawfully appointed
17 community advisory committee, as defined by G.S. 131D-31 and G.S. 131D-32.

18 (h) Suspension of admissions to ~~domiciliary home~~ adult care home:

21 ~~domiciliary home~~ an adult care home, where the conditions of the
22 ~~domiciliary home~~ adult care home are detrimental to the health or safety
23 of the residents. This suspension shall be for the period determined by
24 the Secretary and shall remain in effect until the Secretary is satisfied
25 that conditions or circumstances merit removing the suspension.

26 (2) In imposing a suspension under this subsection, the Secretary shall
27 consider the following factors:

- 28 a. The degree of sanctions necessary to ensure compliance with this
29 section and rules adopted hereunder; and
30 b. The character and degree of impact of the conditions at the home
31 on the health or safety of its residents.

32 (3) The Secretary of Human Resources shall adopt rules to implement this
33 subsection.

34 (4) Any facility wishing to contest a suspension of admissions shall be
35 entitled to an administrative hearing as provided in the Administrative
36 Procedure Act, Chapter 150B of the General Statutes. A petition for a
37 contested case shall be filed within 20 days after the Department mails a
38 notice of suspension of admissions to the licensee.

39 (i) Notwithstanding the existence or pursuit of any other remedy, the Department
