1 A BILL TO BE ENTITLED
2 AN ACT TO CLARIFY THAT SCHOOL BUSES AND SCHOOL ACTIVITY BUSES
3 MAY NOT COMPETE WITH THE PRIVATE SECTOR.

Whereas, public school buses are purchased with tax revenue, are insured under the State's program of self-insurance, use motor fuel that is exempt from the per gallon motor fuel excise tax, are exempt from local property taxes, and are driven by individuals who are trained at State expense; and

Whereas, public school activity buses enjoy many of these same advantages; and

Whereas, private sector businesses that provide transportation services do not enjoy any of these tax, insurance, and driver training advantages; and

Whereas, because of these differences in private sector transportation businesses and public school transportation services, it would be unfair to allow school buses and school activity buses to compete against private sector businesses in providing transportation services; Now, therefore,

4 The General Assembly of North Carolina enacts:

5 Section 1. G.S. 66-58 reads as rewritten:
