The conditions of special probation shall be fixed in the same manner as probation, and the conditions may include requirements for rehabilitation treatment. Special probation shall follow the active sentence. No term of special probation shall exceed five years. Special probation may be revoked in the same manner as probation; upon revocation, the original term of imprisonment may be increased by no more than the difference between the active term of imprisonment actually served and the maximum active term that could have been imposed at trial for the offense or offenses for which the person was convicted, and the resulting term of imprisonment need not be diminished by the time spent on special probation.

- (2) The statement shall contain a sufficient description of the material or its container so as to distinguish it as the particular item in question and shall state that the material was delivered in essentially the same condition as received. The statement may be placed on the same document as the report provided for in subsection (g) of this section.
