A BILL TO BE ENTITLED

AN ACT TO STRENGTHEN THE LAWS AGAINST DOMESTIC VIOLENCE, TO PROVIDE ADDITIONAL ASSISTANCE TO DOMESTIC VIOLENCE VICTIMS, AND TO MAKE OTHER CHANGES AS RECOMMENDED BY THE HOUSE SELECT COMMITTEE ON DOMESTIC VIOLENCE.

The General Assembly of North Carolina enacts:

**PART I. DOMESTIC VIOLENCE OFFENDER TREATMENT**

**SECTION 1.1.** G.S. 15A-1343 reads as rewritten:

**"§ 15A-1343. Conditions of probation.**

(a) In General. – The court may impose conditions of probation reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so.

(b) Regular Conditions. – As regular conditions of probation, a defendant must:

- (1) Commit no criminal offense in any jurisdiction.
- (2) Remain within the jurisdiction of the court unless granted written permission to leave by the court or his probation officer.
- (3) Report as directed by the court or his probation officer to the officer at reasonable times and places and in a reasonable manner, permit the officer to visit him at reasonable times, answer all reasonable inquiries by the officer and obtain prior approval from the officer for, and notify the officer of, any change in address or employment.
- (4) Satisfy child support and other family obligations as required by the court. If the court requires the payment of child support, the amount of the payments shall be determined as provided in G.S. 50-13.4(c).
- (5) Possess no firearm, explosive device or other deadly weapon listed in G.S. 14-269 without the written permission of the court.
- (6) Pay a supervision fee as specified in subsection (c1).

- 1 (7) Remain gainfully and suitably employed or faithfully pursue a course  
2 of study or of vocational training that will equip him for suitable  
3 employment. A defendant pursuing a course of study or of vocational  
4 training shall abide by all of the rules of the institution providing the  
5 education or training, and the probation officer shall forward a copy of  
6 the probation judgment to that institution and request to be notified of  
7 any violations of institutional rules by the defendant.
- 8 (8) Notify the probation officer if he fails to obtain or retain satisfactory  
9 employment.
- 10 (9) Pay the costs of court, any fine ordered by the court, and make  
11 restitution or reparation as provided in subsection (d).
- 12 (10) Pay the State of North Carolina for the costs of appointed counsel,  
13 public defender, or appellate defender to represent him in the case(s)  
14 for which he was placed on probation.
- 15 (11) At a time to be designated by his probation officer, visit with his  
16 probation officer a facility maintained by the Division of Prisons.
- 17 (12) Attend and complete an abuser treatment program if (i) the court finds  
18 the defendant is responsible for acts of domestic violence and (ii) there  
19 is a program, approved by the Domestic Violence Commission,  
20 reasonably available to the defendant, unless the court finds that such  
21 would not be in the best interests of justice.

22 In addition to these regular conditions of probation, a defendant required to serve an  
23 active term of imprisonment as a condition of special probation pursuant to  
24 G.S. 15A-1344(e) or G.S. 15A-1351(a) shall, as additional regular conditions of  
25 probation, obey the rules and regulations of the Department of Correction governing the  
26 conduct of inmates while imprisoned and report to a probation officer in the State of  
27 North Carolina within 72 hours of his discharge from the active term of imprisonment.

28 Regular conditions of probation apply to each defendant placed on supervised  
29 probation unless the presiding judge specifically exempts the defendant from one or  
30 more of the conditions in open court and in the judgment of the court. It is not necessary  
31 for the presiding judge to state each regular condition of probation in open court, but the  
32 conditions must be set forth in the judgment of the court.

33 Defendants placed on unsupervised probation are subject to the provisions of this  
34 subsection, except that defendants placed on unsupervised probation are not subject to  
35 the regular conditions contained in subdivisions (2), (3), (6), (8), and (11).

36 (b1) Special Conditions. – In addition to the regular conditions of probation  
37 specified in subsection (b), the court may, as a condition of probation, require that  
38 during the probation the defendant comply with one or more of the following special  
39 conditions:

- 40 (1) Undergo available medical or psychiatric treatment and remain in a  
41 specified institution if required for that purpose.
- 42 (2) Attend or reside in a facility providing rehabilitation, counseling,  
43 treatment, social skills, or employment training, instruction, recreation,  
44 or residence for persons on probation.

- 1 (2a) Repealed by Session Laws 2002, ch. 126, s. 17.18, effective August  
2 15, 2002.
- 3 (2b) Participate in and successfully complete a Drug Treatment Court  
4 Program pursuant to Article 62 of Chapter 7A of the General Statutes.
- 5 (3) Submit to imprisonment required for special probation under  
6 G.S. 15A-1351(a) or G.S. 15A-1344(e).
- 7 (3a) Repealed by Session Laws 1997-57, s. 3.
- 8 (3b) Submit to supervision by officers assigned to the Intensive Supervision  
9 Program established pursuant to G.S. 143B-262(c), and abide by the  
10 rules adopted for that Program. Unless otherwise ordered by the court,  
11 intensive supervision also requires multiple contacts by a probation  
12 officer per week, a specific period each day during which the offender  
13 must be at his or her residence, and that the offender remain gainfully  
14 and suitably employed or faithfully pursue a course of study or of  
15 vocational training that will equip the offender for suitable  
16 employment.
- 17 (3c) Remain at his or her residence unless the court or the probation officer  
18 authorizes the offender to leave for the purpose of employment,  
19 counseling, a course of study, or vocational training. The offender  
20 shall be required to wear a device which permits the supervising  
21 agency to monitor the offender's compliance with the condition  
22 electronically.
- 23 (4) Surrender his or her driver's license to the clerk of superior court, and  
24 not operate a motor vehicle for a period specified by the court.
- 25 (5) Compensate the Department of Environment and Natural Resources or  
26 the North Carolina Wildlife Resources Commission, as the case may  
27 be, for the replacement costs of any marine and estuarine resources or  
28 any wildlife resources which were taken, injured, removed, harmfully  
29 altered, damaged or destroyed as a result of a criminal offense of  
30 which the defendant was convicted. If any investigation is required by  
31 officers or agents of the Department of Environment and Natural  
32 Resources or the Wildlife Resources Commission in determining the  
33 extent of the destruction of resources involved, the court may include  
34 compensation of the agency for investigative costs as a condition of  
35 probation. This subdivision does not apply in any case governed by  
36 G.S. 143-215.3(a)(7).
- 37 (6) Perform community or reparation service and pay any fee required by  
38 law or ordered by the court for participation in the community or  
39 reparation service program.
- 40 (7) Submit at reasonable times to warrantless searches by a probation  
41 officer of his or her person and of his or her vehicle and premises  
42 while the probationer is present, for purposes specified by the court  
43 and reasonably related to his or her probation supervision, but the  
44 probationer may not be required to submit to any other search that

1 would otherwise be unlawful. Whenever the warrantless search  
2 consists of testing for the presence of illegal drugs, the probationer  
3 may also be required to reimburse the Department of Correction for  
4 the actual cost of drug screening and drug testing, if the results are  
5 positive.

6 (8) Not use, possess, or control any illegal drug or controlled substance  
7 unless it has been prescribed for him or her by a licensed physician and  
8 is in the original container with the prescription number affixed on it;  
9 not knowingly associate with any known or previously convicted  
10 users, possessors or sellers of any such illegal drugs or controlled  
11 substances; and not knowingly be present at or frequent any place  
12 where such illegal drugs or controlled substances are sold, kept, or  
13 used.

14 (8a) Purchase the least expensive annual statewide license or combination  
15 of licenses to hunt, trap, or fish listed in G.S. 113-270.2, 113-270.3,  
16 113-270.5, 113-271, 113-272, and 113-272.2 that would be required to  
17 engage lawfully in the specific activity or activities in which the  
18 defendant was engaged and which constitute the basis of the offense or  
19 offenses of which he was convicted.

20 (9) If the offense is one in which there is evidence of physical, mental or  
21 sexual abuse of a minor, the court should encourage the minor and the  
22 minor's parents or custodians to participate in rehabilitative treatment  
23 and may order the defendant to pay the cost of such treatment.

24 ~~(9a) Attend and complete an abuser treatment program if (i) the court finds  
25 the defendant is responsible for acts of domestic violence and (ii) the  
26 program is approved by the Domestic Violence Commission.~~

27 (10) Satisfy any other conditions determined by the court to be reasonably  
28 related to his rehabilitation.

29 (b2) Special Conditions of Probation for Sex Offenders and Persons Convicted of  
30 Offenses Involving Physical, Mental, or Sexual Abuse of a Minor. – As special  
31 conditions of probation, a defendant who has been convicted of an offense which is a  
32 reportable conviction as defined in G.S. 14-208.6(4), or which involves the physical,  
33 mental, or sexual abuse of a minor, must:

34 (1) Register as required by G.S. 14-208.7 if the offense is a reportable  
35 conviction as defined by G.S. 14-208.6(4).

36 (2) Participate in such evaluation and treatment as is necessary to  
37 complete a prescribed course of psychiatric, psychological, or other  
38 rehabilitative treatment as ordered by the court.

39 (3) Not communicate with, be in the presence of, or found in or on the  
40 premises of the victim of the offense.

41 (4) Not reside in a household with any minor child if the offense is one in  
42 which there is evidence of sexual abuse of a minor.

43 (5) Not reside in a household with any minor child if the offense is one in  
44 which there is evidence of physical or mental abuse of a minor, unless

1 the court expressly finds that it is unlikely that the defendant's harmful  
2 or abusive conduct will recur and that it would be in the minor child's  
3 best interest to allow the probationer to reside in the same household  
4 with a minor child.

- 5 (6) Satisfy any other conditions determined by the court to be reasonably  
6 related to his rehabilitation.

7 Defendants subject to the provisions of this subsection shall not be placed on  
8 unsupervised probation.

9 (b3) Screening and Assessing for Chemical Dependency. – A defendant ordered to  
10 submit to a period of residential treatment in the Drug Alcohol Recovery Treatment  
11 program (DART) operated by the Department of Correction must undergo a screening  
12 to determine chemical dependency. If the screening indicates the defendant is  
13 chemically dependent, the court shall order an assessment to determine the appropriate  
14 level of treatment. The assessment may be conducted either before or after the court  
15 imposes the condition, but participation in the program shall be based on the results of  
16 the assessment.

17 (c) Statement of Conditions. – A defendant released on supervised probation  
18 must be given a written statement explicitly setting forth the conditions on which he is  
19 being released. If any modification of the terms of that probation is subsequently made,  
20 he must be given a written statement setting forth the modifications.

21 (c1) Supervision Fee. – Any person placed on supervised probation pursuant to  
22 subsection (a) of this section shall pay a supervision fee of thirty dollars (\$30.00) per  
23 month, unless exempted by the court. The court may exempt a person from paying the  
24 fee only for good cause and upon written motion of the person placed on supervised  
25 probation. No person shall be required to pay more than one supervision fee per month.  
26 The court may require that the fee be paid in advance or in a lump sum or sums, and a  
27 probation officer may require payment by such methods if he is authorized by  
28 subsection (g) to determine the payment schedule. Supervision fees must be paid to the  
29 clerk of court for the county in which the judgment was entered or the deferred  
30 prosecution agreement was filed. Fees collected under this subsection shall be  
31 transmitted to the State for deposit into the State's General Fund.

32 (d) Restitution as a Condition of Probation. – As a condition of probation, a  
33 defendant may be required to make restitution or reparation to an aggrieved party or  
34 parties who shall be named by the court for the damage or loss caused by the defendant  
35 arising out of the offense or offenses committed by the defendant. When restitution or  
36 reparation is a condition imposed, the court shall take into consideration the factors set  
37 out in G.S. 15A-1340.35 and G.S. 15A-1340.36. As used herein, "reparation" shall  
38 include but not be limited to the performing of community services, volunteer work, or  
39 doing such other acts or things as shall aid the defendant in his rehabilitation. As used  
40 herein "aggrieved party" includes individuals, firms, corporations, associations, other  
41 organizations, and government agencies, whether federal, State or local, including the  
42 Crime Victims Compensation Fund established by G.S. 15B-23. A government agency  
43 may benefit by way of reparation even though the agency was not a party to the crime  
44 provided that when reparation is ordered, community service work shall be rendered

1 only after approval has been granted by the owner or person in charge of the property or  
2 premises where the work will be done.

3 (e) Costs of Court and Appointed Counsel. – Unless the court finds there are  
4 extenuating circumstances, any person placed upon supervised or unsupervised  
5 probation under the terms set forth by the court shall, as a condition of probation, be  
6 required to pay all court costs and costs for appointed counsel or public defender in the  
7 case in which he was convicted. The cost of appointed counsel or public defender  
8 services shall be determined in accordance with rules adopted by the Office of Indigent  
9 Defense Services. The court shall determine the amount of those costs to be repaid and  
10 the method of payment.

11 (f) Repealed by Session Laws 1983, c. 561, s. 5.

12 (g) Probation Officer May Determine Payment Schedules. – If a person placed on  
13 supervised probation is required as a condition of that probation to pay any moneys to  
14 the clerk of superior court, the court may delegate to a probation officer the  
15 responsibility to determine the payment schedule. The court may also authorize the  
16 probation officer to transfer the person to unsupervised probation after all the moneys  
17 are paid to the clerk. If the probation officer transfers a person to unsupervised  
18 probation, he must notify the clerk of that action."

19 **SECTION 1.2.** G.S. 143B-262 is amended by adding a new subsection to  
20 read:

21 "(e) The Department, in consultation with the Domestic Violence Commission,  
22 and in accordance with established best practices, shall establish a domestic violence  
23 treatment program for offenders sentenced to a term of imprisonment in the custody of  
24 the Department and whose official record includes a finding by the court that the  
25 offender committed acts of domestic violence.

26 The Department shall ensure that inmates, whose record includes a finding by the  
27 court that the offender committed acts of domestic violence, complete the domestic  
28 violence treatment program prior to the completion of the period of incarceration, unless  
29 other requirements, deemed critical by the Department, prevent program completion. In  
30 the event an inmate does not complete the program during the period of incarceration,  
31 the Department shall document, in the inmate's official record, specific reasons why that  
32 particular inmate did not or was not able to complete the program."

17 **"§ 7A-474.7. Definitions.**

18 The following definitions shall apply throughout this Article, unless the context

9 or remove those same requirements.

10 If the probation officer exercises authority delegated by the court pursuant to this  
11 subsection, the offender may file a motion with the court to review the action taken by  
12 the probation officer. The offender shall be given notice of the right to seek such a court

38 (h) Definitions. – For purposes of this section, the definitions in

40 **SECTION 13.2.** This part becomes effective December 1, 2004, and applies  
41 to offenses committed on or after that date.

#### 42 **PART XIV. STUDY OF MISDEMEANOR OFFENSE CLASSIFICATIONS**

43 **SECTION 14.1.** The General Assembly finds that the North Carolina  
44 Sentencing and Policy Advisory Commission has adopted formal criteria for classifying

1 felony offenses. The Sentencing Commission has identified three general types of  
2 harms: harms to persons (including both physical and mental injury); harms to  
3 property; and (3) harms to society. The degrees of harm are divided into three levels:

- 4 (1) Injury to person, property, or society;
- 5 (2) Significant injury to person, property, or society, and
- 6 (3) Serious injury to person, property, or society. The stated purpose of  
7 establishing the criteria was "to create a rational and consistent  
8 philosophical basis for classifying offenses; to assure proportionality  
9 in severity; and to provide a guidepost for classifying new crimes in  
10 the future."

11 In contrast to the felony classification criteria, the Commission did not create  
12 classification criteria for misdemeanors. However, the current misdemeanor sentencing  
13 laws include an assault offense that has serious injury as an element – even though  
14 "serious injury to a person" is a category of harm for felony offense classification. The  
15 General Assembly finds that the classification of assault offenses that involve serious  
16 injury as misdemeanors is inconsistent with the Sentencing Commission's classification  
17 of felonies based on harm.

18 The General Assembly directs the North Carolina Sentencing and Policy  
19 Advisory Commission, pursuant to its statutory responsibilities under Article 4 of  
20 Chapter 164 of the General Statutes, to study the classification of misdemeanor  
21 offenses. In particular, the Commission shall examine the classification of assault  
22 offenses in relation to property offenses, crimes against society, and felony assault  
23 offenses. The Commission shall develop a system for classifying misdemeanor offenses  
24 on the basis of their severity. The Commission may consider reclassifying existing  
25 offenses and creating new offenses in order to insure proportionality and consistency.  
26 The Commission shall report its findings and recommendations to the 2005 General  
27 Assembly, 2005 Regular Session. The report shall describe the status of the  
28 Commission's work, and shall include any completed policy recommendations and  
29 proposed legislation. The Commission shall make a final report to the 2005 General  
30 Assembly, 2006 Regular Session.

  - 8           a.       To prevent the escape from custody or to effect an arrest of a  
9           person who he reasonably believes has committed a criminal  
10           offense, unless he knows that the arrest is unauthorized; or
  - 11           b.       To defend himself or a third person from what he reasonably  
12           believes to be the use or imminent use of physical force while  
13           effecting or attempting to effect an arrest or while preventing or  
14           attempting to prevent an escape.
- 15           (2)   A law-enforcement officer is justified in using deadly physical force  
16           upon another person for a purpose specified in subdivision (1) of this  
17           subsection only when it is or appears to be reasonably necessary  
18           thereby:
  - 19           a.       To defend himself or a third person from what he reasonably  
20           believes to be the use or imminent use of deadly physical force;
  - 21           b.       To effect an arrest or to prevent the escape from custody of a  
22           person who he reasonably believes is attempting to escape by  
23           means of a deadly weapon, or who by his conduct or any other

40           law enforcement agency located in the county where the officer  
41           is employed and the officer verifies with the agency that the

8                   vehicle if he reasonably believes that admittance is being denied or

15               law-enforcement officer and that the officer is effecting or attempting  
16               to effect an arrest.
- 17               (2)    The fact that the arrest was not authorized under this section is no  
18               defense to an otherwise valid criminal charge arising out of the use of  
19               such deadly weapon or deadly force.
- 20               (3)    Nothing contained in this subsection (f) shall be construed to excuse or

25               **SECTION 15.2.** This part becomes effective December 1, 2004, and applies  
26 to offenses committed on or after that date.

27 **PART XVI. CONFORM STATE FIREARMS LAW TO FEDERAL LAW**

28               **SECTION 16.1.** G.S. 14-415.1 reads as rewritten:

29 **"§ 14-415.1. Possession of firearms, etc., by felon prohibited.**

30               (a)    It shall be unlawful for any person who has been convicted of a felony to  
31 purchase, own, possess, or have in his custody, care, or control any ~~handgun or other~~  
32 ~~firearm~~ firearm with a barrel length of less than 18 inches or an overall length of less

34 G.S. 14-288.8(c). For the purposes of this section, a firearm is (i) any weapon, including  
35 a starter gun, which will or is designed to or may readily be converted to expel a  
36 projectile by the action of an explosive, or its frame or receiver, or (ii) any firearm  
37 muffler or firearm silencer.

38               Every person violating the provisions of this section shall be punished as a Class G  
39 felon.

40               ~~Nothing in this subsection would prohibit the right of any person to have possession~~  
41 ~~of a firearm within his own home or on his lawful place of business.~~

- 5 occur before, on, or after December 1, 1995, and that are substantially
- 6 similar to the crimes covered in subdivision (1) which are punishable
- 7 where committed by imprisonment for a term exceeding one year.

8 When a person is charged under this section, records of prior convictions of any offense,  
9 whether in the courts of this State, or in the courts of any other state or of the United  
10 States, shall be admissible in evidence for the purpose of proving a violation of this  
11 section. The term "conviction" is defined as a final judgment in any case in which  
12 felony punishment, or imprisonment for a term exceeding one year, as the case may be,  
13 is permissible, without regard to the plea entered or to the sentence imposed. A  
14 judgment of a conviction of the defendant or a plea of guilty by the defendant to such an  
15 offense certified to a superior court of this State from the custodian of records of any  
16 state or federal court shall be prima facie evidence of the facts so certified.

17 (c) The indictment charging the defendant under the terms of this section shall be  
18 separate from any indictment charging him with other offenses related to or giving rise  
19 to a charge under this section. An indictment which charges the person with violation of  
20 this section must set forth the date that the prior offense was committed, the type of  
21 offense and the penalty therefore, and the date that the defendant was convicted or plead  
22 guilty to such offense, the identity of the court in which the conviction or plea of guilty  
23 took place and the verdict and judgment rendered therein."

24 **SECTION 16.2.** This part becomes effective December 1, 2004, and applies  
25 to offenses committed on or after that date. Prosecutions for offenses committed before  
26 the effective date of this act are not abated or affected by this act, and the statutory  
27 provisions that would be applicable but for this act remain applicable to those  
28 prosecutions.

## 29 **PART XVII. SPECIFICALLY ALLOW CROSS WARRANTS**

30 **SECTION 17.1.** G.S. 15A-304 reads as rewritten:

### 31 **"§ 15A-304. Warrant for arrest.**

32 (a) Definition. – A warrant for arrest consists of a statement of the crime of  
33 which the person to be arrested is accused, and an order directing that the person so  
34 accused be arrested and held to answer to the charges made against him. It is based  
35 upon a showing of probable cause supported by oath or affirmation.

36 (b) When Issued. – A warrant for arrest may be issued, instead of or subsequent  
37 to a criminal summons, when it appears to the judicial official that the person named  
38 should be taken into custody. Circumstances to be considered in determining whether  
39 the person should be taken into custody may include, but are not limited to, failure to  
40 appear when previously summoned, facts making it apparent that a person summoned  
41 will fail to appear, danger that the person accused will escape, danger that there may be  
42 injury to person or property, or the seriousness of the offense.

43 (c) Statement of the Crime. – The warrant must contain a statement of the crime  
44 of which the person to be arrested is accused. No warrant for arrest, nor any arrest made

1 pursuant thereto, is invalid because of any technicality of pleading if the statement is  
2 sufficient to identify the crime.

3 (d) Showing of Probable Cause. – A judicial official may issue a warrant for  
4 arrest only when he is supplied with sufficient information, supported by oath or  
5 affirmation, to make an independent judgment that there is probable cause to believe  
6 that a crime has been committed and that the person to be arrested committed it. The  
7 information must be shown by one or more of the following:

- 8 (1) Affidavit;
- 9 (2) Oral testimony under oath or affirmation before the issuing official; or
- 10 (3) Oral testimony under oath or affirmation presented by a sworn law  
11 enforcement officer to the issuing official by means of an audio and  
12 video transmission in which both parties can see and hear each other.  
13 Prior to the use of audio and video transmission pursuant to this  
14 subdivision, the procedures and type of equipment for audio and video  
15 transmission shall be submitted to the Administrative Office of the  
16 Courts by the senior regular resident superior court judge and the chief  
17 district court judge for a judicial district or set of districts and  
18 approved by the Administrative Office of the Courts.

19 If the information is insufficient to show probable cause, the warrant may not be  
20 issued. A judicial official shall not refuse to issue a warrant for the arrest of a person  
21 solely because a prior warrant has been issued for the arrest of another person involved  
22 in the same matter.

23 (e) Order for Arrest. – The order for arrest must direct that a law-enforcement  
24 officer take the defendant into custody and bring him without unnecessary delay before  
25 a judicial official to answer to the charges made against him.

26 (f) Who May Issue. – A warrant for arrest, valid throughout the State, may be  
27 issued by:

- 28 (1) A Justice of the Supreme Court.
- 29 (2) A judge of the Court of Appeals.
- 30 (3) A judge of the superior court.
- 31 (4) A judge of the district court, as provided in G.S. 7A-291.
- 32 (5) A clerk, as provided in G.S. 7A-180 and 7A-181.
- 33 (6) A magistrate, as provided in G.S. 7A-273."

34 **SECTION 17.2.** This part is effective when it becomes law.

35 **PART XVIII. CLARIFY NURSE'S PRIVILEGE**

36 **SECTION 18.1.** G.S. 8-53.13 reads as rewritten:

37 **"§ 8-53.13. Nurse privilege.**

38 No person licensed pursuant to Article 9A of Chapter 90 of the General Statutes  
39 shall be required to disclose any information that may have been acquired in rendering  
40 professional nursing services, and which information was necessary to enable that  
41 person to render professional nursing services, except that the presiding judge of a  
42 superior or district court may compel disclosure if, in the court's opinion, disclosure is  
43 necessary to a proper administration of justice and disclosure is not prohibited by other

1 statute or rule. Nothing in this section shall preclude the admission of otherwise  
2 admissible written or printed medical records in any judicial proceeding."

3 **SECTION 18.2.** G.S. 8-53.1 reads as rewritten:

4 "**§ 8-53.1. Physician-patient and nurse privilege waived in child abuse.**

5 Notwithstanding the provisions of G.S. ~~8-53, 8-53~~ and 8-53.13, the physician-patient  
6 or nurse privilege shall not be a ground for excluding evidence regarding the abuse or  
7 neglect of a child under the age of 16 years or regarding an illness of or injuries to such  
8 child or the cause thereof in any judicial proceeding related to a report pursuant to the  
9 North Carolina Juvenile Code, Chapter 7B of the General Statutes of North Carolina."

10 **SECTION 18.3.** This part becomes effective December 1, 2004.

11 **PART XIX. TEMPORARY CHILD CUSTODY IN DOMESTIC VIOLENCE**  
12 **HEARINGS**

13 **SECTION 19.1.** G.S. 50-13.2(b) reads as rewritten:

14 "(b) An order for custody of a minor child may grant joint custody to the parents,  
15 exclusive custody to one person, agency, organization, or institution, or grant custody to  
16 two or more persons, agencies, organizations, or institutions. Any order for custody  
17 shall include such terms, including visitation, as will best promote the interest and  
18 welfare of the child. If the court finds that domestic violence has occurred, the court  
19 shall enter such orders that best protect the children and party who were the victims of  
20 domestic violence, in accordance with the provisions of G.S. 50B-3(a1)(1), (2)  
21 and (3). ~~Such orders may include a designation of time and place for the exchange of~~  
22 ~~children away from the abused party, the participation of a third party, or supervised~~  
23 ~~visitation.~~ If a party is absent or relocates with or without the children because of an act  
24 of domestic violence, the absence or relocation shall not be a factor that weighs against  
25 the party in determining custody or visitation. Absent an order of the court to the  
26 contrary, each parent shall have equal access to the records of the minor child involving  
27 the health, education, and welfare of the child."

28 **SECTION 19.2.** G.S. 50B-2 reads as rewritten:

29 "**§ 50B-2. Institution of civil action; motion for emergency relief; temporary**  
30 **orders. orders; temporary custody.**

31 (a) Any person residing in this State may seek relief under this Chapter by filing  
32 a civil action or by filing a motion in any existing action filed under Chapter 50 of the  
33 General Statutes alleging acts of domestic violence against himself or herself or a minor  
34 child who resides with or is in the custody of such person. Any aggrieved party entitled  
35 to relief under this Chapter may file a civil action and proceed pro se, without the  
36 assistance of legal counsel. The district court division of the General Court of Justice  
37 shall have original jurisdiction over actions instituted under this Chapter. No court costs  
38 shall be assessed for the filing, issuance, registration, or service of a protective order or  
39 petition for a protective order or witness subpoena in compliance with the Violence  
40 Against Women Act, 42 U.S.C. § 3796gg-5.

41 (b) Emergency Relief. – A party may move the court for emergency relief if he  
42 or she believes there is a danger of serious and immediate injury to himself or herself or  
43 a minor child. A hearing on a motion for emergency relief, where no ex parte order is  
44 entered, shall be held after five days' notice of the hearing to the other party or after five

1 days from the date of service of process on the other party, whichever occurs first,  
2 provided, however, that no hearing shall be required if the service of process is not  
3 completed on the other party. If the party is proceeding pro se and does not request an  
4 ex parte hearing, the clerk shall set a date for hearing and issue a notice of hearing  
5 within the time periods provided in this subsection, and shall effect service of the  
6 summons, complaint, notice, and other papers through the appropriate law enforcement  
7 agency where the defendant is to be served.

8 (c) Ex Parte Orders. – Prior to the hearing, if it clearly appears to the court from  
9 specific facts shown, that there is a danger of acts of domestic violence against the  
10 aggrieved party or a minor child, the court may enter ~~such~~ orders as it deems necessary  
11 to protect the aggrieved party or minor children from ~~such~~ those acts provided,  
12 however, that a temporary order for custody ex parte and prior to service of process and  
13 notice shall not be entered unless the court finds that the child is exposed to a substantial  
14 risk of ~~bodily~~ physical or emotional injury or sexual abuse. If the court finds that the  
15 child is exposed to a substantial risk of physical or emotional injury or sexual abuse,  
16 upon request of the aggrieved party, the court shall consider and may order the other  
17 party to stay away from a minor child, or to return a minor child to, or not remove a
