Short Title: Help America Vote Act Compliance. (Public)

Sponsors: Representatives Michaux and Stam (Primary Sponsors).

Referred to:

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR A SYSTEM FOR ALL NORTH CAROLINA
ELECTIONS THAT COMPLIES WITH THE HELP AMERICA VOTE ACT.

The General Assembly of North Carolina enacts:

SECTION 1. The purpose of this act is to ensure that the State of North Carolina has a system for all North Carolina elections that complies with the requirements for federal elections set forth in the federal Help America Vote Act of 2002, Public Law 107-252, 116 Stat. 1666 (2002), codified at 42 U.S.C. §§ 15481-15485.

The General Assembly finds that the education and training of election officials as required by G.S. 163-82.34 has met and continues to meet the mandate for the education and training of precinct officials and other election officials in section 254(a)(3) of the Help America Vote Act of 2002. The General Assembly further finds that the establishment, development, and continued operation of the statewide list maintenance program for voter registration set forth in G.S. 163-82.14 has met and continues to meet the mandates of section 303(a)(2) of the Help America Vote Act of 2002.

In certain other areas of the election statutes and other laws, the General Assembly finds that the statutes must be amended to comply with the Help America Vote Act.

SECTION 2. G.S. 163-82.10(a) reads as rewritten:

"(a) Application Form Becomes Official Record. – The State voter registration system is the official voter registration list for the conduct of all elections in the State. A completed and signed registration application form-form, if available, described in G.S. 163-82.3, once approved by the county board of elections, becomes backup to the official registration record of the voter. Electronically captured images of the signatures of voters, full or partial social security numbers, and drivers license numbers that may

1 be generated in the voter registration process, by either the State Board of Elections or a
2 county board of elections, are confidential and shall not be considered public records
3 and subject to disclosure to the general public under Chapter 132 of the General
4 Statutes. The county board of elections shall maintain custody of ~~the official~~ any paper
5 hard copy registration records of all voters in the county and shall keep them in a place
6 where they are secure."

7 **SECTION 3.** G.S. 163-82.10 is amended by adding a new section to read:

8 "(a1) Paperless, Instant Electronic Transfer. – The application described in G.S.
9 163-82.3 may be either a paper hard copy or an electronic document."

10 **SECTION 4.** G.S. 163-82.6(b) reads as rewritten:

11 "(b) Signature. – The form shall be valid only if signed by the applicant. An
12 electronically captured image of the signature of a voter on an electronic voter
13 registration form offered by a State agency shall be considered a valid signature for all
14 purposes for which a signature on a paper voter registration form is used."

15 **SECTION 5.** G.S. 132-1.2 reads as rewritten:

16 **"§ 132-1.2. Confidential information.**

27 rules, or ordinances of the United States, the State, or political
28 subdivisions of the State.

38 drivers license number, or a portion of an individual's social security
39 number if the agency has those items because they are on a voter

42 **"§ 163-82.11. Establishment of statewide computerized voter registration.**

43 (a) Statewide System as Official List. – The State Board of Elections shall
44 develop and implement a statewide computerized voter registration system to facilitate

3 managing the official list of registered voters in the State. The system shall serve as the
4 official voter registration list for the conduct of all elections in the State. The system

30 **SECTION 7.(a)** G.S. 163-82.12 reads as rewritten:

31 "**§ 163-82.12. Promulgation of ~~rules~~ guidelines relating to computerized voter**
32 **registration.**

33 The State Board of Elections shall make all ~~rules~~ guidelines necessary to administer
34 the statewide voter registration system established by this Article. All county boards of
35 elections shall follow these guidelines and cooperate with the State Board of Elections

16 legally registered voter in the State.

17 These guidelines shall not be considered to be rules subject to Article 2A of Chapter

22 otherwise by the State Board."

23 **SECTION 7.(b)** G.S. 163-82.19 reads as rewritten:

24 **"§ 163-82.19. Voter registration at drivers license ~~offices;~~ offices; coordination on**
25 **data interface.**

26 (a) Voter Registration at Drivers License Offices. – The Division of Motor
27 Vehicles shall, pursuant to the rules adopted by the State Board of Elections, modify its
28 forms so that any eligible person who applies for original issuance, renewal or
29 correction of a drivers license, or special identification card issued under G.S. 20-37.7
30 may, on a part of the form, complete an application to register to vote or to update his
31 registration if the voter has changed his address or moved from one precinct to another
32 or from one county to another. The person taking the application shall ask if the
33 applicant is a citizen of the United States. If the applicant states that the applicant is not
34 a citizen of the United States, or declines to answer the question, the person taking the
35 application shall inform the applicant that it is a felony for a person who is not a citizen
36 of the United States to apply to register to vote. Any person who willfully and
37 knowingly and with fraudulent intent gives false information on the application is guilty
38 of a Class I felony. The application shall state in clear language the penalty for violation
39 of this section. The necessary forms shall be prescribed by the State Board of Elections.
40 The form must ask for the previous voter registration address of the voter, if any. If a
41 previous address is listed, and it is not in the county of residence of the applicant, the
42 appropriate county board of elections shall treat the application as an authorization to
43 cancel the previous registration and also process it as such under the procedures of G.S.
44 163-82.9. If a previous address is listed and that address is in the county where the voter

1 applies to register, the application shall be processed as if it had been submitted under
2 G.S. 163-82.9.

3 Registration shall become effective as provided in G.S. 163-82.7. Applications to
4 register to vote accepted at a drivers license office under this section until the deadline
5 established in G.S. 163-82.6(c)(2) shall be treated as timely made for an election, and no
6 person who completes an application at that drivers license office shall be denied the
7 vote in that election for failure to apply earlier than that deadline.

8 All applications shall be forwarded by the Department of Transportation to the
9 appropriate board of elections not later than five business days after the date of
10 acceptance, according to rules which shall be promulgated by the State Board of
11 Elections. Those rules shall provide for a paperless, instant, electronic transfer of
12 applications to the appropriate county-board of elections.

13 (b) Coordination on Data Interface. – The Department of Transportation jointly
14 with the State Board of Elections shall develop and operate a computerized interface to
15 match information in the database of the statewide voter registration system with the
16 drivers license information in the Division of Motor Vehicles to the extent required to
17 enable the State Board of Elections and the Department of Transportation to verify the
18 accuracy of the information provided on applications for voter registration, whether the
19 applications were received at drivers license offices or elsewhere. The Department of
20 Transportation and the State Board shall implement the provisions of this subsection so
21 as to comply with section 303 of the Help America Vote Act of 2002."

22 **SECTION 8.** Article 13A of Chapter 163 of the General Statutes is amended
23 by adding a new section to read:

24 "**§ 163-166.7A. Voter education and information.**

25 (a) Posting The Information. – For each election that involves candidates for
26 federal or State office, each county board of elections shall post at each active voting
27 place the following information in a manner and format approved by the State Board of
28 Elections:

- 30 (2) The date of the election and the hours the voting place will be open.
- 31 (3) Instructions on how to vote, including how to cast a vote or correct a
32 vote on the voting systems available for use in that voting place.
- 33 (4) Instructions on how to cast a provisional ballot.
- 34 (5) Instructions to mail-in registrants and first-time voters on how to
35 comply with the requirements in section 303(b) of the Help America
36 Vote Act of 2002 concerning voter identifications.
- 37 (6) General information on voting rights under applicable federal and
38 State law, including information on the right of an individual to cast a
39 provisional ballot and instructions on how to contact the appropriate
40 officials if the voter believes those rights have been violated.
- 41 (7) General information on federal and State laws that prohibit acts of
42 fraud and misrepresentation as to voting and elections.

1 (b) Intent. – The posting required by subsection (a) of this section is intended to
2 meet the mandate of the voting information requirements in section 302(b) of the Help
3 America Vote Act of 2002."

4 **SECTION 9.** G.S. 163-82.4 reads as rewritten:

5 **"§ 163-82.4. Contents of application form.**

6 (a) Information Requested of Applicant. – The form required by G.S. 163-82.3(a)
7 shall request the applicant's:

8 (1) Name,

9 (2) Date of birth,

10 (3) Residence address,

11 (4) County of residence,

12 (5) Date of application,

13 (6) Gender,

14 (7) Race,

15 (7a) Ethnicity,

16 (8) Political party affiliation, if any, in accordance with subsection (c) of
17 this section,

18 (9) Telephone number (to assist the county board of elections in
19 contacting the voter if needed in processing the application),

20 (10) Drivers license number, or, if the applicant does not have a drivers
21 license number the last four digits of the applicant's social security
22 number,

23 and any other information the State Board finds is necessary to enable officials of the
24 county where the person resides to satisfactorily process the application. The form shall
25 require the applicant to state whether currently registered to vote anywhere, and at what
26 address, so that any prior registration can be cancelled. The portions of the form
27 concerning race and ethnicity shall include as a choice any category shown by the most
28 recent decennial federal census to compose at least one percent (1%) of the total
29 population of North Carolina. The county board shall make a diligent effort to complete
30 for the registration records any information requested on the form that the applicant
31 does not complete, but no application shall be denied because an applicant does not
32 state race, ethnicity, gender, or telephone number. The application shall conspicuously
33 state that provision of the applicant's telephone number is optional. If the county board
34 maintains voter records on computer, the free list provided under this subsection shall
35 include telephone numbers if the county board enters the telephone number into its
36 computer records of voters.

37 (a1) No Drivers License or Social Security Number Issued. – The State Board
38 shall assign a unique identifier number to an applicant for voter registration if the
39 applicant has not been issued either a current and valid drivers license or a social
40 security number. That unique identifier number shall serve to identify that applicant for
41 voter registration purposes.

42 (b) Notice of Requirements, Attestation, Notice of Penalty, and Notice of
43 Confidentiality. – The form required by G.S. 163-82.3(a) shall contain, in uniform type,
44 the following:

- 1 (1) A statement that specifies each eligibility requirement (including
2 citizenship) and an attestation that the applicant meets each such
3 requirement, with a requirement for the signature of the applicant,
4 under penalty of a Class I felony under G.S. 163-275(4).
- 5 (2) A statement that, if the applicant declines to register to vote, the fact
6 that the applicant has declined to register will remain confidential and
7 will be used only for voter registration purposes.
- 8 (3) A statement that, if the applicant does register to vote, the office at
9 which the applicant submits a voter registration application will remain
10 confidential and will be used only for voter registration purposes.

11 (c) Party Affiliation or Unaffiliated Status. – The application form described in
12 G.S. 163-82.3(a) shall provide a place for the applicant to state a preference to be
13 affiliated with one of the political parties in G.S. 163-96, or a preference to be an
14 "unaffiliated" voter. Every person who applies to register shall state his preference. If
15 the applicant fails to declare a preference for a party or for unaffiliated status, that
16 person shall be listed as "unaffiliated", except that if the person is already registered to
17 vote in the county and that person's registration already contains a party affiliation, the
18 county board shall not change the registrant's status to "unaffiliated" unless the
19 registrant clearly indicates a desire in accordance with G.S. 163-82.17 for such a
20 change. An unaffiliated registrant shall not be eligible to vote in any political party
21 primary, except as provided in G.S. 163-119, but may vote in any other primary or
22 general election. The application form shall so state.

23 (d) Citizenship and Age Questions. – Voter registration application forms shall
24 include all of the following:

- 25 (1) The question 'Are you a citizen of the United States of America?' and
26 boxes for the applicant to check to indicate whether the applicant is or
27 is not a citizen of the United States.
- 28 (2) The question 'Will you be 18 years of age on or before election day?'
29 and boxes for the applicant to check to indicate whether the applicant
30 will be 18 years of age or older on election day.
- 31 (3) The statement 'If you checked "no" in response to either of these
32 questions, do not complete this form'.

33 If the voter fails to check the box set out in subdivision (1) of this subsection, the
34 person filling out the registration shall be notified of the omission and given the
35 opportunity to complete the form in a timely manner in order to be registered for the
36 next election."

37 **SECTION 10.** G.S. 163-82.10A reads as rewritten:

38 **"§ 163-82.10A. Permanent voter registration numbers.**

39 ~~Each county board of elections~~ The statewide voter registration system shall assign
40 to each voter a unique registration number. That number shall be permanent for that
41 voter and shall not be changed or reassigned by the county board of elections."

42 **SECTION 11.** G.S. 163-165.7 reads as rewritten:

43 **"§ 163-165.7. Voting systems: powers and duties of State Board of Elections.**

1 The State Board of Elections shall have authority to approve types, makes, and
2 models of voting systems for use in elections and referenda held in this State. Only
3 voting systems that have been approved by the State Board shall be used to conduct
4 elections under this Chapter, and the approved systems shall be valid in any election or
5 referendum held in any county or municipality. The State Board may use guidelines,
6 information, testing reports, certification, decertification, recertification, and any
7 relevant data produced by the Election Assistance Commission, its Standards Board, its
8 Board of Advisors, or the Technical Guidelines Development Committee as established
9 in Title II of the Help America Vote Act of 2002, with regard to any action or
10 investigation the State Board may take concerning a voting system. The State Board
11 may use, for the purposes of voting system certification, laboratories accredited by the
12 Election Assistance Commission under the provisions of section 231(2) of the Help
13 America Vote Act of 2002. The State Board may, upon request of a local board of
14 elections, authorize the use of a voting system not approved for general use. The State
15 Board may also, upon notice and hearing, disapprove types, makes, and models of
16 voting systems. Upon disapproving a type, make, or model of voting system, the State
17 Board shall determine the process by which the disapproved system is discontinued in
18 any county. If a county makes a showing that discontinuance would impose a financial
19 hardship upon it, the county shall be given up to four years from the time of State Board
20 disapproval to replace the system. A county may appeal a decision by the State Board
21 concerning discontinuance of a voting system to the superior court in that county or to
22 the Superior Court of Wake County. The county has 30 days from the time of the State
23 Board's decision on discontinuance to make that appeal.

24 Subject to the provisions of this Chapter, the State Board of Elections shall prescribe
25 rules for the adoption, handling, operation, and honest use of voting systems, including,
26 but not limited to, the following:

- 27 (1) Types, makes, and models of voting systems approved for use in this
28 State.
- 29 (2) Form of official ballot labels to be used on voting systems.
- 30 (3) Operation and manner of voting on voting systems.
- 31 (4) Instruction of precinct officials in the use of voting systems.
- 32 (5) Instruction of voters in the use of voting systems.
- 33 (6) Assistance to voters using voting systems.
- 34 (7) Duties of custodians of voting systems.
- 35 (8) Examination of voting systems before use in an election.
- 36 (9) Compliance with section 301 of the Help America Vote Act of 2002."

37 **SECTION 12.** G.S. 163-165.4A reads as rewritten:

38 "**§ 163-165.4A. Punch-Card ballots. Punch-card ballots and lever machines.**

39 (a) No ballot may be used in any referendum, primary, or other election as an
40 official ballot if it requires the voter to punch out a hole with a stylus or other tool.

41 (a1) No lever machine voting system may be used in any referendum, primary, or
42 other election as a means of voting the official ballot. A 'lever machine voting system' is
43 a voting system on which the voter casts a vote by pressing a lever and the vote is
44 mechanically recorded by the machine.

1 (b) In any counties that used punch-card ballots as official ballots or lever
2 machines in the election of November 2000, and in any municipalities located in those
3 counties, this section becomes effective January 1, 2006. It is the intent of the General
4 Assembly that any county that uses county funds to replace voting equipment to satisfy
5 this section shall be given priority in appropriations to counties for voting equipment."

6 **SECTION 13.** G.S. 163-182.1 reads as rewritten:

7 **"§ 163-182.1. Principles and rules for counting official ballots.**

8 (a) General Principles That Shall Apply. – The following general principles shall
9 apply in the counting of official ballots, whether the initial count or any recount:

- 10 (1) Only official ballots shall be counted.
- 11 (2) No official ballot shall be rejected because of technical errors in
12 marking it, unless it is impossible to clearly determine the voter's
13 choice.
- 14 (3) If it is impossible to clearly determine a voter's choice in a ballot item,
15 the official ballot shall not be counted for that ballot item, but shall be
16 counted in all other ballot items in which the voter's choice can be
17 clearly determined.
- 18 (4) If an official ballot is marked in a ballot item with more choices than
19 there are offices to be filled or propositions that may prevail, the
20 official ballot shall not be counted for that ballot item, but shall be
21 counted in all other ballot items in which there is no overvote and the
22 voter's choice can be clearly determined.
- 23 (5) If an official ballot is rejected by a scanner or other counting machine,
24 but human counters can clearly determine the voter's choice, the
25 official ballot shall be counted by hand and eye.
- 26 (6) Write-in votes shall not be counted in party primaries or in referenda,
27 but shall be counted in general elections if all of the following are true:
 - 28 a. The write-in vote is written by the voter or by a person
29 authorized to assist the voter pursuant to G.S. 163-166.8.
 - 30 b. The write-in vote is not cast for a candidate who has failed to
31 qualify under G.S. 163-123 as a write-in candidate.
 - 32 c. The voter's choice can be clearly determined.
- 33 (7) Straight-party ticket and split-ticket votes shall be counted in general
34 elections according to the following guidelines:
 - 35 a. If a voter casts a vote for a straight-party ticket, that vote shall
36 be counted for all the candidates of that party, other than those
37 for President and Vice President, in the partisan ballot items on
38 that official ballot except as otherwise provided in this
39 subdivision.
 - 40 b. If a voter casts a vote for a straight-party ticket and also votes in
41 a partisan ballot item for a candidate not of that party, the
42 official ballot shall be counted in that ballot item only for the
43 individually marked candidate. In partisan ballot items where
44 no mark is made for an individual candidate, the official ballot

1 shall be counted for the candidates of the party whose straight
2 ticket the voter voted.

3 c. If a voter casts a vote for a straight-party ticket and also casts a
4 write-in vote in any partisan ballot item, the straight-party ticket
5 vote shall not control the way the official ballot is counted in
6 that ballot item, except to the extent it would control in the case
7 of crossover voting under this subdivision. The following
8 principles shall apply:

- 9 1. If the write-in vote is proper under subdivision (6) of this
10 subsection, that write-in candidate shall receive a vote.
- 11 2. If the write-in vote is not proper under subdivision (6) of
12 this subsection and no other candidate is individually
13 marked in that ballot item, then no vote shall be counted
14 in that ballot item.
- 15 3. If the straight-ticket voter casts both write-in votes and
16 individually marked votes for ballot candidates in a
17 ballot item, then the write-in and individually marked
18 votes shall be counted unless the write-in is not proper
19 under subdivision (6) of this subsection or an overvote
20 results.

21 ~~(b) Rules and Directions by State Board of Elections.— The State Board of~~
22 ~~Elections shall promulgate rules where necessary to apply the principles in subsection~~
23 ~~(a) of this section to each voting system in use in the State. The rules shall prescribe~~
24 ~~procedures and standards for each type of voting system. Those procedures and~~
25 ~~standards shall be followed uniformly throughout the State in all places where that type~~
26 ~~of voting system is used. The State Board shall direct the county boards of elections in~~
27 ~~the application of the principles and rules in individual circumstances.~~

28 (b) Procedures and Standards. – The State Board of Elections shall adopt uniform
29 and nondiscriminatory procedures and standards for voting systems. The standards shall
30 define what constitutes a vote and what will be counted as a vote for each category of
31 voting system used in the State. The State Board shall adopt those procedures and
32 standards at a meeting occurring not earlier than 15 days after the State Board gives
33 notice of the meeting. The procedures and standards adopted shall apply to all elections
34 occurring in the State and shall be subject to amendment or repeal by the State Board
35 acting at any meeting where notice that the action has been proposed has been given at
36 least 15 days before the meeting. These procedures and standards shall not be
37 considered to be rules subject to Article 2A of Chapter 150B of the General Statutes.
38 However, the State Board shall publish in the North Carolina Register the procedures
39 and standards and any changes to them after adoption, with that publication noted as
40 information helpful to the public under G.S. 150B-21.17(a)(6). Copies of those
41 procedures and standards shall be made available to the public upon request or
