5 (b) Unless otherwise agreed upon by the Board and the City Manager, if the City
6 Manager is involuntarily removed by the Board, except for good and just cause, the City
7 Manager shall be forthwith paid any unpaid balance of salary, any accumulated and
8 accrued job benefits, and salary for the three calendar months following the day of
9 termination or for such other period as may be agreed upon in advance.

10 (c) Before entering upon the duties of office, the City Manager shall take and
11 subscribe an oath to perform faithfully the duties of the office.

12 "Section 5.2. **Powers and Duties.** The City Manager shall have all the powers and

27 authorize one or more designees to make and execute contracts.

28 (d) The City Manager may, when authorized by the Board, settle claims against
29 the City for: (i) personal injuries or damages to property when the amount involved
30 does not exceed the sum of ten thousand dollars (\$10,000) and does not exceed the
31 actual loss sustained, including loss of time, medical expenses, and any other expenses
32 actually incurred; and (ii) the taking of small portions of private property that are
33 needed for the rounding of corners at intersections of streets, when the amount involved
34 does not exceed ten thousand dollars (\$10,000) and does not exceed the actual loss

36 constitute a complete release of the City from any and all damages sustained by the

38 taking complained of. All settlements and all releases shall be approved by the City
39 Attorney.

40 (e) Unless excused by the Board, it shall be the duty of the City Manager to

44 entitled to notice of all special and emergency Board meetings.

1 "Section 5.3. **Manager's Personnel Authority; Role of Elected Officials.** As chief
2 administrator, the City Manager shall have the power to appoint, suspend, and remove
3 all officers, department heads, and employees in the administrative service of the City,
4 except the City Attorney and any other official whose appointment or removal is
5 specifically vested in the Board by this Charter or general law. Neither the Board nor
6 any of its members shall take part in the appointment or removal of department heads
7 and employees in the administrative service of the City, except as provided by this
8 Charter. Except for the purpose of inquiry, or for consultation with the City Attorney,
9 the Board and its members shall deal with the administrative service solely through the
10 City Manager, an acting City Manager, or an Interim City Manager, and neither the
11 Board nor any of its members shall give any specific orders to any subordinates of the
12 City Manager, an acting City Manager, or an Interim City Manager, either publicly or
13 privately.

14 "ARTICLE VI. PUBLIC CONTRACTS.

15 "Section 6.1. **Award of Certain Contracts.**

16 (a) The City Manager may award, approve, and execute contracts or agreements
17 of any kind or nature on behalf of the City when the amount of the contract or
18 agreement does not exceed one hundred thousand dollars (\$100,000) if the Board has
19 approved the appropriation in the annual budget for the current fiscal year for the
20 general purpose specified in the contract or agreement. In addition, the City Manager, or
21 the City Manager's duly authorized designee appointed in accordance with Section
22 5.2(a) of this Charter, may approve and execute amendments to contracts or agreements,
23 including contracts initially approved solely by the Board when the amount in question
24 does not exceed one hundred thousand dollars (\$100,000).

25 (b) The City Manager, upon authorization by the Board, may award, approve,
26 and execute contracts for the acquisition of or the construction and installation of water
27 and sewer lines that will eventually become a part of the City utility system, regardless
28 of the amount in question, where the construction and installation was or shall be the
29 sole responsibility and expense of another person, firm, or corporation.

30 "Section 6.2. **Procedures.**

31 (a) The City Manager shall, within 45 days of the award of any contract
32 described in Section 6.1 of this Charter, report such award to the Board. However, the
33 City Manager shall not be required to report contracts in a minimum amount that may
34 be set from time to time by the Board.

35 (b) In awarding, approving, and executing contracts described in this Article, the
36 City Manager shall comply with all applicable provisions of this Charter and Article 8
37 of Chapter 143 of the General Statutes. The City Manager may take any action that the
38 Board is required or authorized to take under Article 8 of Chapter 143 of the General
39 Statutes in making, approving, awarding, or executing contracts.

40 "ARTICLE VII. ACQUISITION OF PROPERTY.

41 "Section 7.1. **Delegation to City Manager.** The Board may delegate authority to the
42 City Manager to purchase real property, any interest in real property, or personal
43 property provided that: (i) the Board shall have approved the appropriation for the
44 purchase in the annual budget for the current fiscal year; and (ii) the City Manager,

1 within 45 days following the purchase shall submit to the Board a written report setting
2 forth the names of the persons or entities from whom the real property or interest in real
3 property was purchased, a general description of the property or interest in property
4 acquired, the purchase price paid, and the intended use of the property or interest in
5 property.

6 "ARTICLE VIII. DISPOSITION OF PROPERTY.

7 "Section 8.1. **General Provision.** Unless specifically provided otherwise, the
8 provisions of Article 12 of Chapter 160A of the General Statutes shall not apply to the
9 disposition of property pursuant to this Article. The authority contained in this Article is
10 in addition to and not in limitation of any other authority granted by this Charter or
11 general law.

12 "Section 8.2. **Disposition of Property.** The Board may, upon the affirmative vote of
13 at least four members, publicly or privately sell, lease, rent, exchange, or otherwise
14 convey or cause to be publicly or privately sold, leased, rented, exchanged, or otherwise
15 conveyed any property, real or personal, or any interest in such property, belonging to
16 the City.

17 "Section 8.3. **Conditions and Restrictions Authorized.** The Board may sell,
18 exchange, or otherwise transfer the fee or any lesser interest in real property to any
19 purchaser subject to such covenants, conditions, and restrictions as the Board may deem
20 to be in the public interest. The sale, exchange, or other transfer may be made pursuant
21 to the provisions of this Charter, Article 12 of Chapter 160A of the General Statutes, or
22 any other applicable provision of law, and the consideration received by the City, if any,
23 for the sale, exchange, or transfer may reflect the restricted use of the property resulting
24 from the covenants, conditions and restrictions. The City may invite bids or written
25 proposals, including detailed development plans and site plans, for the purchase of any
26 property or property interest, whether by sale, exchange, or other transfer, pursuant to
27 such specifications as may be approved by the City. A sale, exchange, or other transfer
28 of real property, or interest therein, pursuant to this section may be made contingent
29 upon any necessary rezoning of the property.

30 "Section 8.4. **Disposition of Certain Property by City Manager.** The Board may
31 authorize the City Manager to dispose of the following property by the methods
32 indicated without obtaining Board approval for each disposition:

33 (a) Interests in real property by private negotiation or sale with respect to parcels
34 having a fair market value of ten thousand dollars (\$10,000) or less.

35 (b) Water or sewer easements, or similar interests in real property, as part of any
36 exchange for other water and sewer easements or similar interests in property.

37 (c) Water or sewer easements, or similar interests in real property by private
38 negotiation and sale, when the easement or similar interest in real property is no longer
39 needed by the City.

40 "Section 8.5. **Disposition of Personal Property.** The City may sell any and all
41 surplus personal property belonging to the City at private sale.

42 "Section 8.6. **Lease or Rental of Property.** Notwithstanding G.S. 160A-272, the
43 Board may, in its discretion, lease City-owned property for such terms and upon such
44 conditions as the Board may determine, including terms of more than 10 years without

1 the necessity of following any procedures other than those required by G.S. 160A-272
2 for leases of 10 years or less.

3 "Section 8.7. **Documents of Conveyance.** Whenever a disposition of an interest in
4 real property is authorized by the City pursuant to this Charter or otherwise, the
5 instrument conveying such interest may be executed by the Mayor or the Mayor's
6 designee and attested by the City Clerk or City Manager, with the official seal of the
7 City affixed thereto. With respect to the sale of real property the City may execute deeds
8 in the usual form and include therein full covenants of warranty.

9 "ARTICLE IX. ECONOMIC DEVELOPMENT.

10 "Section 9.1. **Promotion of the City.** The Board is authorized to appropriate
11 annually reasonable sums for promoting the City.

12 "Section 9.2. **Encouraging Local Development.** The Board is authorized and
13 empowered to annually set apart and appropriate funds and to expend the same for the
14 purpose of aiding, assisting, and encouraging, by contract with independent contractors
15 or otherwise, the location of manufacturing, industrial, and commercial plants,
16 distribution centers, or businesses in the City and for advertising the advantages and
17 resources of the City and for such purposes as will, in the discretion of the Board,
18 increase the taxable value of property of the City and that will promote the general
19 welfare of the City, which purposes are declared to be lawful public purposes of the
20 City.

21 "Section 9.3. **Urban Development Projects.**

22 (a) The term 'urban development project' as used in this section means a capital
23 project comprising the construction or renovation of one or more buildings or other
24 improvements, including the provision for sidewalks and streets in conjunction
25 therewith, of which part of the overall project is privately owned and part is publicly
26 owned.

27 (b) The City may acquire, construct, own, and operate or participate in the
28 acquisition, construction, ownership, and operation of an urban development project or
29 specific facilities within the project, including the making of loans and grants from any
30 moneys lawfully available for the project.

31 (c) The City may enter into binding contracts with one or more private
32 developers with respect to acquiring, constructing, owning, or operating an urban
33 development project. The contract may be entered into before acquisition of any real
34 property necessary for the project. The contract may specify the following:

- 35 (1) The property interests of both the City and the developer. However,
36 the property interests of the City shall be limited to facilities for a
37 public purpose.
- 38 (2) The responsibilities of the City and the developer for construction of
39 the project.
- 40 (3) The responsibilities of the City and the developers with respect to
41 financing the project.

42 (d) An urban development project may be constructed on property acquired by
43 the developer on property acquired by the City or on property acquired jointly by the
44 City and the developer.

1 (e) The City may lease or convey interests in urban development project property
2 or other property owned by it, including air rights over public facilities.

3 (f) The contract between the City and the developer with respect to construction
4 of an urban development project may provide that the developer shall be responsible
5 for: (i) construction of the entire project, reconstruction, or repair of the project or any
6 part thereof subsequent to its initial construction; (ii) construction of any addition to the
7 project, renovation of the project, or any part thereof, and (iii) purchase of apparatus,
8 supplies, materials, or equipment for the project, whether during the initial equipping of
9 the project or subsequent thereto. The contract shall include such provisions as the
10 Board deems sufficient to assure that the public facility included in the project or added
11 thereto, is constructed, reconstructed, repaired, or renovated, and that the apparatus,
12 supplies, materials, and equipment are purchased at a reasonable price. The provisions
13 of Article 8 of Chapter 143 and Article 3 of Chapter 44A of the General Statutes shall
14 not apply to an urban development project if the City funds constitute no more than fifty
15 percent (50%) of the total costs of the project. Federal funds available for loan to private
16 developers in connection with a project shall not be considered City funds for purposes
17 of this subsection.

18 (g) The City may contract for the operation of any public facility included in an
19 urban development project by any person, partnership, firm or corporation, public or
20 private.

21 (h) To assist in the financing of its share of the urban development project, the
22 City may apply for, accept, and expend funds from the federal or state government or
23 from any other lawful source.

24 (i) The authority granted by this section is in addition to and not in derogation of
25 any other authority granted to the City by general law. The City may exercise any
26 authority granted to it by any other section of this Charter or by local act or general law
27 in furtherance of an urban development project.

28 "Section 9.4 **Incubator Facilities.** The Board may establish one or more incubator
29 facilities within the City. For purposes of this section, the term 'incubator facility' shall
30 mean a building or group of buildings that provides space and support services for small
31 business concerns that are beginning operation. The Board may purchase or lease any
32 real or personal property for incubator facility purposes and may lease or sublease any
33 such property or any other real or personal property owned by the City. The Board may
34 make grants or loans to any such corporation from funds lawfully available for such
35 purpose subject to any rules, regulations, restrictions, and conditions that the Board
36 deems to be in the public interest. The City may exercise any authority granted to it by
37 any other section of this Charter or by local act or general law in furtherance of an
38 incubator facility project.

39 "ARTICLE X. EXTENSION OF LIMITS.

40 "Section 10.1. **Annexation of Noncontiguous Areas.** G. S. 160A-58.1(b)(5) shall
41 not apply to the City.

42 "ARTICLE XI. LAND USE.

1 "Section 11.1. **Planning Board and Zoning Board of Adjustment.** The
2 membership and method of appointing the members of the City Planning Board and the
3 City Zoning Board of Adjustment shall continue as provided in S.L. 2001-101.

4 "Section 11.2. **Reservation of Recreation Areas.** In adopting any subdivision
5 control ordinance pursuant to the provisions of this Charter or G.S. 160A-372, the
6 Board is authorized to provide for the dedication or reservation of recreation areas
7 serving residents of the immediate neighborhood within the subdivision, or to provide
8 for the payment in lieu thereof of such sum of money as the Board may determine to be
9 the equivalent in value of such recreation area. The Board may use any moneys received
10 in lieu of dedicated recreation areas for acquiring recreation areas beyond the
11 boundaries of the immediate subdivision but within the neighborhood wherein the
12 subdivision lies.

13 Section 11.3. **Trees and Shrubs.** In order to preserve and enhance one of the most
14 valuable natural resources of the community and to protect the safety and welfare of its
15 citizens, the City may adopt ordinances to regulate the planting, removal, and
16 preservation of trees and shrubs on public and private property within the municipal
17 boundaries and within its area of extraterritorial planning jurisdiction. Any ordinance
18 adopted pursuant to this section shall exclude property to be developed for single-family
19 or duplex residential uses and shall exclude normal forestry activities conducted
20 pursuant to a forestry management plan prepared or approved by a registered forester.
21 Prior to adopting an ordinance under this section, a public hearing shall be held before
22 the Board. Notice of the hearing shall be given once a week for two successive calendar
23 weeks in a newspaper having general circulation in the area. The notice shall be
24 published the first time not less than 10 days nor more than 25 days before the date
25 fixed for the hearing.

26 "ARTICLE XII WATER AND SEWER.

27 "Section 12.1. **Operation Outside Corporate Limits.** In addition to any authority
28 granted by general law, the City is authorized to acquire, construct, establish, enlarge,
29 improve, maintain, own, operate, contract for the operation of, protect, and regulate
30 water and sewer utilities outside the corporate limits of the City as the Board may deem
31 appropriate, including the area encompassing the territory located within the
32 Commonwealth of Virginia that lies between the northern boundary of Surry County,
33 North Carolina, and the southern right-of-way line of the Blue Ridge Parkway.

34 "Section 12.2. **Utility Bill Collection Procedures.** Whenever water or sewer
35 utilities are provided by the City under authority of general law or this Charter, and the
36 person legally responsible for payment of the rents, rates, fees, or charges for the service
37 fails to pay the rents, rates, fees, or charges for more than 60 days after they became
38 delinquent, the City may treat the amount due as if it were a tax due to the City and may
39 proceed to collect the amount due through the use of levy on tangible personal property
40 under G.S. 105-366 and G.S. 105-367.

41 "Section 12.3. **Dedication of Certain Water and Sewer Lines.** If any person, firm,
42 or corporation connects any privately owned water or sewer lines to City-owned or
43 operated lines without first dedicating, giving, granting, conveying, or otherwise
44 contracting with respect to the lines, the act of connection shall be deemed a dedication,

1 gift, grant, and conveyance of the lines to the City. The City may accept the lines or
2 may reject them and order the lines disconnected.

3 "Section 12.4. **Special Assessments.** In exercising the authority granted under
4 Article 16 of Chapter 160A of the General Statutes to extend and operate public
5 enterprises outside the corporate limits, the City may specially assess all or part of the
6 costs of installing, constructing, reconstructing, extending, building, or improving water
7 supply and distribution systems or sewage collection and disposal systems outside the
8 corporate limits of the city against property benefited from the systems. However, no
9 special assessment shall be levied unless and until a valid petition for the improvements
10 has been submitted to the City by the owners of the affected property. To be valid, the
11 petition must be signed by at least a majority in number of the owners of property to be
12 assessed, who must represent at least a majority of all of the lineal feet of frontage of the
13 lands abutting the water or sewer improvement. Except as herein provided, special
14 assessments levied pursuant to this section shall be levied and collected in the same way
15 and under the same authority and procedures as special assessments levied and collected
16 by the City upon property within the corporate limits. The effect of levying assessments
17 under this section shall for all purposes be the same as if the assessments were levied
18 under authority of Article 10 of Chapter 160A of the General Statutes.

19 "ARTICLE XIII. STREETS AND SIDEWALKS.

20 "Section 13.1. **Assessments for Street Improvements.** In addition to any authority
21 that is now or may hereafter be granted by general law for making street improvements,
22 the Board is authorized to order to be made or to make street improvements according
23 to the standards and specifications of the City and to assess the total costs or a portion
24 thereof against abutting property owners in accordance with the provisions of this
25 Article.

26 "Section 13.2. **When Petition Unnecessary.** The Board may order street
27 improvements and assess the total costs or a portion thereof, exclusive of the costs
28 incurred at street intersections, against the abutting property owners according to one or
29 more of the assessment bases set forth in Article 10 of Chapter 160A of the General
30 Statutes, without the necessity of a petition, upon a finding by the Board of one of the
31 following:

32 (a) The street or part thereof is unsafe for vehicular traffic and it is in the public
33 interest to make the improvement.

34 (b) It is in the public interest to connect two streets or portions of a street already
35 improved.
