

**GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2005**

**HOUSE BILL 1385
RATIFIED BILL**

AN ACT TO MAKE CLARIFYING AND CONFORMING AMENDMENTS TO G.S. 143-215.94E, WHICH GOVERNS THE RIGHTS AND OBLIGATIONS OF OWNERS AND OPERATORS OF UNDERGROUND STORAGE TANKS AND TO REMOVE THE SUNSET APPLICABLE TO, AMEND, AND CODIFY SECTION 10 OF S.L. 2003-352, AS AMENDED BY SUBSECTION (E) OF SECTION 30.10 OF S.L. 2004-124.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 143-215.94E reads as rewritten:

"§ 143-215.94E. Rights and obligations of the owner or operator.

(e) When an owner, operator, or landowner pays the costs described in G.S. 143-215.94B(b), 143-215.94B(b1), or 143-215.94D(b1) resulting from a discharge or release of petroleum from an underground storage tank, the owner, operator, or landowner may seek reimbursement from the appropriate fund for any costs that the owner, operator, or landowner may elect to have either the Commercial Fund or the Noncommercial Fund pay in accordance with ~~subsections (b), (b1), (e), and (e1) the applicable subsections~~ of this section.

(e1) The Department may contract for any services necessary to evaluate any claim for reimbursement or compensation from either the Commercial Fund or the Noncommercial Fund, may contract for any expert witness or consultant services necessary to defend any decision to pay or deny any claim for reimbursement, and may pay the cost of these services from the fund against which the claim is made; provided that in any fiscal year the Department shall not expend from either fund more than one percent (1%) of the unobligated balance of the fund on 30 June of the previous fiscal year. The cost of contractual services to evaluate a claim or for expert witness or consultant services to defend a decision with respect to a claim shall be included as costs under G.S. 143-215.94B(b), 143-215.94B(b1), and 143-215.94D(b1).

(e2) An owner or operator whose claim for reimbursement is denied may appeal a decision of the Department as provided in Article 3 of Chapter 150B of the General Statutes. If the owner or operator is eligible for reimbursement under this section and the cleanup extends beyond a period of three months, the owner or operator may apply to the Department for interim reimbursements to which he is entitled under this section on a quarterly basis. If the Department fails to notify an owner or operator of its decision on a claim for reimbursement under this ~~subsection~~ section within 90 days after the date the claim is received by the Department, the owner or operator may elect to consider the claim to have been denied, and may appeal the denial as provided in Article 3 of Chapter 150B of the General Statutes.

~~(e1)~~(e3) The Department shall not pay any third party or reimburse any owner or operator who has paid any third party pursuant to any settlement agreement or consent judgment relating to a claim by or on behalf of a third party for compensation for bodily injury or property damage unless the Department has approved the settlement agreement or consent judgment prior to entry into the settlement agreement or consent judgment by the parties or entry of a consent judgment by the court. The approval or disapproval by the Department of a proposed settlement agreement or consent judgment

shall be subject to challenge only in a contested case filed under Chapter 150B of the General Statutes. The Secretary shall make the final agency decision in a contested case proceeding under this subsection.

- (e4) (1) If the owner or operator takes initial steps to collect and remove the discharge or release as required by the Department and completes the initial assessment required to determine degree of risk, the owner or operator shall not be subject to any violation or penalty for any failure to proceed with further assessment or cleanup under G.S. 143-215.84 or this section before the owner or operator is authorized to proceed with further assessment or cleanup as provided in subsection (e5) of this section. The lack of availability of funds in the Commercial Fund or the Noncommercial Fund shall not relieve an owner or operator of responsibility to immediately undertake to collect and remove the discharge or release or to conduct any assessment or cleanup ordered by the Department or be a defense against any violations and penalties issued to the owner or operator for failure to conduct required assessment or cleanup.
- (2) The Department shall establish the degree of risk to human health and the environment posed by a discharge or release of petroleum from a commercial underground storage tank and shall determine a schedule for further assessment and cleanup that is based on the degree of risk to human health and the environment posed by the discharge or release and that gives priority to the assessment and cleanup of discharges and releases that pose the greatest risk. If any of the costs of assessment and cleanup of the discharge or release from a commercial underground storage tank are eligible to be paid or reimbursed from the Commercial Fund, the Department shall also consider the availability of funds in the Commercial Fund and the order in which the discharge or release was reported in determining the schedule.
- (3) The Department shall establish the degree of risk to human health and the environment posed by a discharge or release of petroleum from a noncommercial underground storage tank and shall determine a schedule for further assessment and cleanup that is based on the degree of risk to human health and the environment posed by the discharge or release and that gives priority to the assessment and cleanup of discharges and releases that pose the greatest risk. If any of the costs of assessment or cleanup of the discharge or release from a noncommercial underground storage tank are eligible to be paid or reimbursed from the Noncommercial Fund, the Department shall also consider the availability of funds in the Noncommercial Fund and the order in which the discharge or release was reported in determining the schedule.
- (4) The Department may revise the schedules that apply to the assessment and cleanup of any discharge or release at any time based on its reassessment of any of the foregoing factors.
- (e2)(e5) (1) As used in this subsection:
- a. 'Authorization' means a determination by the Department that a person may proceed with one or more tasks associated with the assessment or cleanup of a discharge or release from a petroleum underground storage tank. To 'authorize' means to make such a determination.
- b. 'Preapproval' means a determination by the Department that:
1. The nature and scope of a task is reasonable and necessary to be performed under G.S. 143-215.94B(b),

143-215.94B(b1), or 143-215.94D(b1) in order to achieve the purposes of this Part.

2. The amount estimated for the cost of a task does not exceed the amount or rate that is reasonable for that task.

~~(1)(2)~~ The Department may require an owner, operator, or landowner to obtain ~~approval from the Department~~ preapproval before proceeding with any task that will result in a cost that is eligible to be paid or reimbursed under ~~G.S. 143-215.94B(b), 143-215.94B(b1), or 143-215.94D(b1)-task.~~ The Department shall specify those tasks for which preapproval is required. The Department shall deny any request for payment or reimbursement of the cost of any task for which preapproval is required if the owner, operator, or landowner failed to obtain preapproval of the task. Preapproval of a task by the Department does not guarantee payment or reimbursement in the amount estimated for the cost of the task at the time preapproval is requested. The Department shall pay or reimburse the cost of a task only if ~~the~~ all of the following apply:

- a. The cost is eligible to be paid under G.S. 143-215.94B(b), 143-215.94B(b1), or ~~143-215.94D(b1)~~ 143-215.94D(b1).
- b. Payment is in accordance with G.S. 143-215.94B(d) or G.S. 143-215.94D(d).
- c. ~~and if the~~ The Department determines that the cost is reasonable and necessary.

(3) The Commission may adopt rules governing payment or reimbursement of reasonable and necessary costs and, consistent with any rules adopted by the Commission, the Department shall develop, implement, and periodically revise a schedule of costs that the Department determines to be reasonable and necessary costs for specific tasks. Statements that specify tasks for which preapproval is required and schedules of reasonable and necessary costs for specific tasks are statements within the meaning of G.S. 150B-2(8a)g. This subsection shall not be construed to invalidate any rule of the Commission related to preapproval of tasks that will result in a cost that is eligible to be paid or reimbursed under G.S. 143-215.94B(b), 143-215.94B(b1), or 143-215.94D(b1), provided, however, that the Department may specify additional tasks for which preapproval is required.

(4) In all cases, the Department shall require an owner, operator, or landowner to submit documentation sufficient to establish that a ~~cost~~ claim is eligible to be paid or reimbursed under this Part before the Department pays or reimburses the ~~cost~~ claim.

(5) The Department shall authorize a task the cost of which is to be paid or reimbursed from the Commercial Fund or the Noncommercial Fund only when the task is scheduled to be performed on the basis of a priority determination pursuant to subsection (e4) of this section. The Department shall not pay or reimburse the cost of any task for which authorization is required under this subsection until the Department has preapproved and authorized the task.

~~(2)(6)~~ Except as provided in subdivisions ~~(3) and (4)~~ (8) and (9) of this subsection, the Department shall not ~~preapprove~~ authorize any task the cost of which is to be paid or reimbursed from the Commercial Fund or the Noncommercial Fund unless the Department determines, based on the scope of the work to be performed and the schedule of reasonable and necessary costs, that sufficient funds will be available in the Commercial Fund or the Noncommercial Fund, whichever

~~applies, to pay a claim for payment or reimbursement of or reimburse the cost of that task within 90 days after the Department determines that the owner, operator, or landowner has submitted a claim with documentation sufficient to establish that the owner, operator, or landowner claim is eligible to have the claim be paid under this Part. Except as provided in subdivisions (3) and (4) of this subsection, the Department shall not preapprove any task the cost of which is to be paid or reimbursed from the Noncommercial Fund unless the Department determines, based on the scope of the work to be performed and the schedule of reasonable and necessary costs, that sufficient funds will be available in the Noncommercial Fund to pay a claim for payment or reimbursement of the cost of that task within 90 days after the Department determines that the owner, operator, or landowner has submitted a claim with documentation sufficient to establish that the owner, operator, or landowner is eligible to have the claim paid under this Part.~~

(7) This subsection shall not be construed to establish a cause of action against the Commission or the Department for any failure to pay or reimburse any cost within any specific period of time. This subsection shall not be construed to establish a defense to any action to enforce the requirements of either G.S. 143-215.84 or subsection (a) of this section. ~~This subsection shall not be construed to invalidate any rule of the Commission related to preapproval of tasks that will result in a cost that is eligible to be paid or reimbursed under G.S. 143-215.94B(b), 143-215.94B(b1), or 143-215.94D(b1), provided, however, that the Department may specify additional tasks for which preapproval is required as provided in this subsection.~~

~~(3)~~(8) The Department may preapprove and authorize a task the cost of which is to be paid or reimbursed from the Commercial Fund or the Noncommercial Fund ~~when sufficient funds will not be available to pay a claim for payment or reimbursement of the cost of that task within the 90-day period described in subdivision (2) that has not been authorized pursuant to subdivisions (5) and (6) of this subsection if the owner, operator, or landowner specifically requests that the task be preapproved~~ authorized and agrees that the claim for payment or reimbursement of the cost will not be paid until after the Department has paid all claims for payment or reimbursement of costs for tasks that the Department has ~~preapproved~~ authorized pursuant to ~~subdivision (2)~~ subdivisions (5) and (6) of this subsection.

~~(4)~~(9) The Department may preapprove and authorize a task the cost of which is to be paid or reimbursed from the Commercial Fund or the Noncommercial Fund ~~when sufficient funds will not be available to pay a claim for payment or reimbursement of the cost of that task within the 90-day period described in subdivision (2) that has not been authorized pursuant to subdivisions (5) and (6) of this subsection if the discharge or release creates an emergency situation. An emergency situation exists when a discharge or release of petroleum results in an imminent threat to human health or the environment. A claim for payment or reimbursement of costs for tasks that are preapproved~~ authorized under this subdivision shall be paid or reimbursed on the same basis as tasks that are ~~preapproved~~ authorized under ~~subdivision (2)~~ subdivisions (5) and (6) of this subsection.

(f) Repealed by Session Laws 2003-352, s. 6, effective July 27, 2003.

(f1) Any person seeking payment or reimbursement from either the Commercial Fund or the Noncommercial Fund shall certify to the Department that the costs to be

paid or reimbursed by the Commercial Fund or the Noncommercial Fund are not eligible to be paid or reimbursed by or from any other source, including any contract of insurance. If any cost paid or reimbursed by the Commercial Fund or the Noncommercial Fund is eligible to be paid or reimbursed by or from another source, that cost shall not be paid from, or if paid shall be repaid to, the Commercial Fund or the Noncommercial Fund. As used in this Part, the phrase "any other source including any contract of insurance" does not include self-insurance.

(g) No owner or operator shall be reimbursed pursuant to this section, and the Department shall seek reimbursement of the appropriate fund or of the Department for any monies disbursed from the appropriate fund or expended by the Department if any of the following apply:

- (1) The owner or operator has willfully violated any substantive law, rule, or regulation applicable to underground storage tanks and intended to prevent or mitigate discharges or releases or to facilitate the early detection of discharges or releases.
- (2) The discharge or release is the result of the owner's or operator's willful or wanton misconduct.
- (3) The owner or operator has failed to pay any annual tank operating fee due pursuant to G.S. 143-215.94C.

(h) Subdivision (1) of subsection (g) of this section shall not be construed to limit the right of an owner or operator to contest notices of violation or orders issued by the Department. Subdivision (1) of subsection (g) of this section shall not apply to a payment or reimbursement pursuant to this section if, at the time of the discharge or release, the owner or operator holds a valid operating permit as required by G.S. 143-215.94U.

~~(i) An owner or operator who notifies the Department of an intention to close or upgrade a commercial underground storage tank as provided in G.S. 143-215.94B(b)(2a) shall commence the closure or upgrade prior to 1 July 1994 and shall complete the closure or upgrade prior to 1 January 1995. An owner who notifies the Department of an intention to close or upgrade a commercial underground storage tank and who fails to commence and complete the closure as specified in this subsection is subject to a civil penalty as provided in G.S. 143-215.94W. The provisions of G.S. 143-215.94B(b)(2a) do not apply if an owner or operator who notifies the Department of an intention to close or upgrade a commercial underground storage tank fails to commence or complete the closure or upgrade within the dates specified in this subsection.~~

~~The clear proceeds of civil penalties provided for in this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2."~~

SECTION 2. Notwithstanding Section 13 of S.L. 2003-352, Section 10 of S.L. 2003-352, as amended by subsection (e) of Section 30.10 of S.L. 2004-124, and as codified and amended by Section 1 of this act, shall continue in effect.

SECTION 3. This act is effective when it becomes law.
In the General Assembly read three times and ratified this the 23rd day of August, 2005.
