SESSION 2005

HOUSE RESOLUTION DRHR60833-LE-295A (5/12)

Sponsors: Representatives Glazier, Johnson, B. Allen, and Jeffus (Primary Sponsors).

Referred to:

1 A HOUSE RESOLUTION URGING THE UNITED STATES DEPARTMENT OF
2 EDUCATION TO RESPOND QUICKLY BUT THOUGHTFULLY ON THE
3 FINAL REGULATIONS FOR STUDENTS WITH DISABILITIES, ALLOW
4 SUFFICIENT TIME FOR STATES TO IMPLEMENT THE FINAL
5 REGULATIONS, AND AFFORD AS MUCH FLEXIBILITY AS POSSIBLE TO
6 THE STATES DURING THE INTERIM PERIOD.

7 Whereas, North Carolina has had a statewide testing program in reading and
8 mathematics in grades three through eight since the 1992-1993 school year; and

9 Whereas, the Individuals with Disabilities Education Act (IDEA) and the
10 subsequent passage of No Child Left Behind (NCLB) have caused changes to occur in
11 the statewide testing program; and

12 Whereas, these two major federal acts together affect the testing of all
13 students, including students with disabilities and Limited English Proficient (LEP)
14 students; and

15 Whereas, the design, process, and procedures for appropriately assessing
16 students with disabilities and LEP students is a challenge; and

17 Whereas, there is recognition of the importance of scientifically based
18 instruction for all students, including students with disabilities and LEP students, with
19 appropriate, reasonable, and valid universally designed assessments to measure
20 progress; and

21 Whereas, on December 15, 2005, the United States Department of Education
22 (USED) issued proposed regulations in the Federal Register; and

23 Whereas, the USED has received numerous comments and concerns
24 expressed during the comment period for the above-mentioned proposed regulations;
25 and

1 Whereas, the Council of Chief State School Officers (CCSSO) and the
2 National Association of State Directors of Special Education (NASDSE) have expressed
3 explicitly their concerns about the testing of students with disabilities; and

4 Whereas, the time given to states to make the changes necessary to meet the
5 federal regulations in a timely manner is often inadequate; and

6 Whereas, the stakes involved for students, schools, school districts, and the
7 State are high based on these assessments; Now, therefore,

8 Be it resolved by the House of Representatives:

9 **SECTION 1.** The North Carolina House of Representatives urges the United
10 States Department of Education to respond quickly but thoughtfully to the concerns
11 expressed by CCSSO and NASDSE on the final regulations for students with
12 disabilities, allow sufficient time for states to implement the final regulations, and afford
13 as much flexibility as possible to the states during the interim period and in
14 implementing the final regulations.

15 **SECTION 2.** The Principal Clerk shall transmit certified copies of this
16 resolution to the President of the United States and the Secretary of Education of the
17 United States.

18 **SECTION 3.** This resolution is effective upon adoption.
