10	hand-to-eye cou	int for whatever reason is not the true count."
11	SEC	TION 2.(a) Part 2 of Article 14A of Chapter 163 of the General Statutes
12	is amended by a	adding a new section to read:
13	" <u>§ 163-165.9A.</u>	Voting systems: requirements for voting systems vendors; penalties.
14	(a) Dutie	es of Vendor. – Every vendor that has a contract to provide a voting
15	system in North	Carolina shall do all of the following:
16	<u>(1)</u>	The vendor shall place in escrow with an independent escrow agent
17		approved by the State Board of Elections a copy of all source code
18		relevant to the recording or counting of votes and related
19		documentation, together with updates as they become known or
20		available. The documentation shall include a system configuration and
21		a sworn affidavit that the source code includes all relevant program
22		statements in low-level and high-level languages. As used in this
23		section, 'source code' does not include variable codes created for
24		specific elections.
25	<u>(2)</u>	The vendor shall notify the State Board of Elections of any change in
26		source code or any change in the foundation operating system.
27	<u>(3)</u>	The vendor shall make accessible for review all source code relevant
28		to the recording or counting of votes by the State Board of Elections;
29		the Office of Information Technology Services; the State chairs, or one
30		designee of each chair, of each political party recognized under
31		G.S. 163-96; and the purchasing county board of elections.
32	<u>(4)</u>	The chief executive officer of the vendor shall sign a sworn affidavit
33		that the source code in escrow is the same being used in its voting
34		systems in this State. The chief executive officer shall ensure that the
35		statement is true on a continuing basis.
36	<u>(5)</u>	The vendor shall notify the State Board of Elections and the county
37		board of elections of any county using its voting system of any defect
38		in the same system known to have occurred anywhere.
39	<u>(6)</u>	The vendor shall maintain an office in North Carolina with staff to
40		service the contract.
41	(b) Penal	ties. – Willful and fraudulent violation of any of the duties in subsection
42		ion is a Class I felony. Substitution of source code into an operating
43	voting system v	vithout notification as provided by subdivision (a)(2) of this section is a

1	Class I felony. In addition to any other applicable penalties, violations of this section are
2	subject to a civil penalty of up to {Insert dollar amount} dollars (\$) per violation."
3	SECTION 2.(b) This section applies with respect to any county that
4 5	upgrades a voting system or acquires a new voting system on or after July 1, 2005.
5 6	SECTION 3.(a) Effective July 1, 2005, and applicable with respect to all voting systems upgraded or acquired on or after that date, G.S. 163-165.7 reads as
0 7	rewritten:
8	"§ 163-165.7. Voting systems: powers and duties of State Board of Elections.
9	(a) <u>Certification of Voting Systems. – The State Board of Elections shall have</u>
10	authority to approve types, makes, and models of voting systems for use in elections and
11	referenda held in this State. Only voting systems that have been approved certified by
12	the State Board of Elections shall be used to conduct elections under this Chapter, and
13	the approved <u>certified voting</u> systems shall be valid in any election or referendum held
14	in any county or municipality. The State Board may, upon request of a local board of
15	elections, authorize the use of a voting system not approved for general use. The use of
16	paper ballots counted by hand is a certified voting system. The State Board shall certify
17	additional voting systems through the use of a request for proposal process. In
18	consultation with the Office of Information Technology Services, the State Board of
19	Elections shall develop the requests for proposal subject to the provisions of this
20	Chapter and other applicable State laws. The request for proposal shall require at least
21	all of the following:
22	(1) That the vendor must post a bond or letter of credit to cover damages
23	resulting from defects in the voting. Damages include the cost of a new
24	election.
25	(2) That the voting system comply with all federal requirements for voting
26	systems.
27	(3) That the voting system have the capacity to include in precinct returns
28	(4) <u>Example 1</u> the voters outside of the voter's precinct.
29 20	(4) For all voting systems utilizing electronic means, accessibility to
30	review all source code relevant to the recording or counting of votes
31 32	by the State Board of Elections; the Office of Information Technology Services; the State chairs, or one designee of each chair, of each
32 33	political party recognized under G.S. 163-96; and the purchasing
33 34	county board of elections.
35	(5) That the vendor state a statewide uniform price for each unit of the
36	equipment.
37	The State Board shall have as its goal in its request for proposals and its negotiations
38	with vendors the eventual establishment of a uniformity of features within type
39	throughout the State such that each optical scan voting system shall have substantially
40	identical features to all other optical scan voting systems, and each direct record
41	electronic voting system shall have substantially identical features to all other direct
42	record electronic systems. A uniformity of features within type does not necessarily
43	mean there will be only one vendor per type.

1	(b) <u>Decertification of Voting Systems. – The State Board may also, upon notice</u>
2	and hearing, disapprove types, makes, and models of voting systems. Upon
3	disapproving a type, make, or model of voting system, the State Board shall determine
4	the process by which the disapproved system is discontinued in any county. If a county
5	makes a showing that discontinuance would impose a financial hardship upon it, the
6	county shall be given up to four years from the time of State Board disapproval to
7	replace the system. A county may appeal a decision by the State Board concerning
8	discontinuance of a voting system to the superior court in that county or to the Superior
9	Court of Wake County. The county has 30 days from the time of the State Board's
10	decision on discontinuance to make that appeal.
11	(c) <u>Monitoring Duties of the State Board. – The State Board of Elections shall</u>
12	review, or designate an independent expert to review, all source code escrowed by
13	vendors pursuant to G.S. 163-165.9A, and shall publish or otherwise make available its
14	findings in accordance with Chapter 132 of the General Statutes. The State Board shall
15	facilitate the review of the escrowed source code by the other entities provided for in
16	G.S. 163-165.9A(a)(3). All source code made available for review pursuant to the
17	provisions of this Chapter shall be deemed a trade secret of the vendor, and any person
18	responsible for the misuse or unauthorized release of the source code shall be subject to
19	the provisions of G.S. 14-75.1 and Article 24 of Chapter 66 of the General Statutes. The
20	State Board shall monitor vendor compliance with all contractual agreements and with
21	all provisions of G.S. 163-165.9A.
22	(d) <u>Rules. – Subject to the provisions of this Chapter, the State Board of</u>
23	Elections shall prescribe rules for the adoption, handling, operation, and honest use of
24	certified voting systems, including, but not limited to, the following:
25	(1) <u>Procedures for county boards of elections to utilize when</u>
26	recommending the purchase of a Types, makes, and models of
27	certified_voting systems_approved_system_for_use_in this_Statethat
28	<u>county</u> .
29	(2) Form of official ballot labels to be used on voting systems.
30	(3) Operation and manner of voting on voting systems. The rules shall
31	<u>comply with G.S. 163-165.9B.</u>
32	(4) Instruction of precinct officials in the use of voting systems.
33	(5) Instruction of voters in the use of voting systems.
34	(6) Assistance to voters using voting systems.
35	(7) Duties of custodians of voting systems.
36	(8) Examination <u>and testing of voting systems before and after use in an</u>
37	election.
38	Any rules adopted under this section shall be in conjunction with procedures and
39	standards adopted under G.S. 163-182.1, are exempt from Chapter 150B of the General
40	Statutes, and are subject to the same procedures for notice and publication set forth in
41	<u>G.S. 163-182.1.</u>
42	(e) <u>Training and Support of Voting Systems. – The State Board of Elections</u> ,
43	with the assistance of other State agencies, shall provide training and support of the

certified voting systems, so that no county board of elections must rely on a vendor for 1 2 primary support." 3 SECTION 3.(b) Section 11 of S.L. 2003-226, which would have made 4 amendment to G.S. 163-165.7 effective January 1, 2006, is repealed. 5 SECTION 3.(c) In order to carry forward the first of two amendments that 6 would have been made by Section 11 of S.L. 2003-226 to the old version of 7 G.S. 163-165.7, effective January 1, 2006, G.S. 163-165.7 as rewritten by subsection (a) 8 of this section is amended by adding the following new subsection: 9 "(a1) Federal Assistance. – The State Board may use guidelines, information, 10 testing reports, certification, decertification, recertification, and any relevant data produced by the Election Assistance Commission, its Standards Board, its Board of 11 12 Advisors, or the Technical Guidelines Development Committee as established in Title II of the Help America Vote Act of 2002 with regard to any action or investigation the 13 14 State Board may take concerning a voting system. The State Board may use, for the 15 purposes of voting system certification, laboratories accredited by the Election Assistance Commission under the provisions of section 231(2) of the Help America 16 17 Vote Act of 2002." 18 **SECTION 3.(d)** In order to carry forward the second of two amendments that would have been made by Section 11 of S.L. 2003-226 to the old version of 19 20 G.S. 163-165.7, effective January 1, 2006, G.S. 163-165.7(d) as rewritten by subsection 21 (a) of this section is amended by adding the following new subdivision: Compliance with section 301 of the Help America Vote Act of 2002." 22 "(9) 23 **SECTION 3.(e)** G.S. 163-132.5G reads as rewritten: 24 "§ 163-132.5G. Voting data maintained by precinct. To the extent that it can do so without compromising the secrecy of an individual's 25 ballot, each county board of elections shall maintain voting data by precinct so that 26 27 precinct returns for each item on the ballot shall include the votes cast by residents of the precinct who voted by absentee ballot, both mail and one-stop. The county board 28 29 shall not be required to report absentee voting data by precinct until 60 days after the 30 election. The State Board of Elections shall adopt rules for the enforcement of this section with the goal that all voting data shall be reported by precinct by the 2006 2008 31 32 election. Those rules shall provide for exemptions where the expense of compliance 33 would place a financial hardship on a county. county and shall provide an exemption if the current voting system cannot be programmed to provide such information, but any 34 new voting system acquired after July 1, 2005, must have the ability to provide such 35 information. Those rules shall provide for compliance by 2004 for counties the State 36 37 Board determines are capable of complying by that year." 38 SECTION 4. Effective July 1, 2005, G.S. 163-165.8 reads as rewritten: Voting systems: powers and duties of board of county 39 "§ 163-165.8. commissioners. 40 The board of county commissioners, with the approval of the county board of 41 42 elections, may adopt and purchase or lease for reimbursement by the State only a voting system of a type, make, and model approved certified by the State Board of Elections 43 for use in some or all voting places in the county at some or all elections. 44

1	The board of county commissioners may decline to adopt and purchase or lease any
2	voting system recommended by the county board of elections but may not adopt and
3	purchase or lease any voting system that has not been approved by the county board of
4	elections. Article 8 of Chapter 143 of the General Statutes does not apply to county
5	boards of commissioners purchasing voting systems certified by the State Board of
6	Elections."
7	SECTION 5. Effective July 1, 2005, G.S. 163-165.9 reads as rewritten:
8	"§ 163-165.9. Voting systems: powers and duties of county board of elections.
9	Before approving the adoption and purchase or lease of any voting system by the
10	board of county commissioners, the county board of elections shall do all of the
11	following:
12	(1) Obtain a current financial statement from the proposed vendor or
13	lessor of the voting system and send copies of the statement to the
14	county attorney and the chief county financial officer. Recommend to
15	the board of county commissioners which type of voting system
16	should be acquired by the county.
17	(2) Witness a demonstration, in that county or at a site designated by the
18	State Board of Elections, of the type of voting system to be
19	recommended by the proposed vendor or lessor and also witness a
20	demonstration of at least one other type of voting system approved
21	$\frac{\text{certified by the State Board of Elections.}}{\text{True level}}$
22	(3) Test, during an election, the proposed voting system in at least one
23	precinct in the county where the <u>voting</u> system would be used if
24 25	adopted." SECTION 6 (a) $C = 163, 182, 1(b)$ reads as rewritten:
	SECTION 6.(a) G.S. 163-182.1(b) reads as rewritten:
26 27	"(b) Procedures and Standards. – The State Board of Elections shall adopt uniform and nondiscriminatory procedures and standards for voting systems. The standards shall
27	define what constitutes a vote and what will be counted as a vote for each category of
28 29	voting system used in the State. The State Board shall adopt those procedures and
30	standards at a meeting occurring not earlier than 15 days after the State Board gives
31	notice of the meeting. The procedures and standards adopted shall apply to all elections
32	occurring in the State and shall be subject to amendment or repeal by the State Board
33	acting at any meeting where notice that the action has been proposed has been given at
34	least 15 days before the meeting. These procedures and standards shall not be
35	considered to be rules subject to Article 2A of Chapter 150B of the General Statutes.
36	However, the State Board shall publish in the North Carolina Register the procedures
37	and standards and any changes to them after adoption, with that publication noted as
38	information helpful to the public under G.S. 150B-21.17(a)(6). Copies of those
39	procedures and standards shall be made available to the public upon request or
40	otherwise by the State Board. For optical scan and direct record <u>electronic voting</u>
41	systems, and for any other voting systems in which ballots are counted other than on
42	paper by hand and eye, those procedures and standards shall do both of the following:
43	(1) Provide for a sample hand-to-eye count of the paper official ballots of
44	a sampling of statewide ballot items in every county, always including

1		the presidential ballot item. The comple chosen by the State Doord
1		the presidential ballot item. The sample chosen by the State Board
2		shall be of full precincts, full counts of absentee ballots, and full
3		counts of one-stop early voting sites. The size of the sample of each
4		category shall be chosen to produce a statistically significant result and
5		shall be chosen after consultation with a statistician. The actual units
6		shall be chosen at random. In the event of a discrepancy between the
7		electronic or mechanical count and a hand-to-eye count, the
8		hand-to-eye count shall control, except where it is reasonable to
9		conclude that the hand-to-eye count for whatever reason is not the true
10		count. If the discrepancy between the hand-to-eye count and the
11		mechanical or electronic count is significant, a complete hand-to-eye
12		count shall be conducted.
13	<u>(2)</u>	provide Provide that if the voter selects votes for more than the
14		number of candidates to be elected or proposals to be approved in a
15		ballot item, the voting system shall do all the following:
16		(1)a. Notify the voter that the voter has selected more than the correct
17		number of candidates or proposals in the ballot item.
18		(2) <u>b.</u> Notify the voter before the vote is accepted and counted of the
19		effect of casting overvotes in the ballot item.
20		(3)c. Provide the voter with the opportunity to correct the official
21		ballot before it is accepted and counted."

7	those rules, the State Board shall adhere to the following guidelines:
8	(1) For each voting system used, the rules shall specify the role of precinct
9	officials and of the county board of elections in the initial counting of
10	official ballots.
11	(1a) For optical scan and direct record electronic voting systems, and for

determining that the votes have been counted and tabulated correctly. If, despite due 1 2 diligence by election officials, the initial counting of all the votes has not been completed by that time, the county board may hold the canvass meeting a reasonable 3 time thereafter. The canvass meeting shall be at the county board of elections office, 4 5 unless the county board, by unanimous vote of all its members, designates another site 6 within the county. The county board shall examine the returns from precincts, from 7 absentee official ballots, from the sample hand-to-eye paper ballot counts, and from 8 provisional official ballots and shall conduct the canvass.

Canvassing by State Board of Elections. - After each general election, the 9 (c) 10 State Board of Elections shall meet at 11:00 A.M. on the Tuesday three weeks after election day to complete the canvass of votes cast in all ballot items within the 11 12 jurisdiction of the State Board of Elections and to authenticate the count in every ballot 13 item in the county by determining that the votes have been counted and tabulated correctly. After each primary, the State Board shall fix the date of its canvass meeting. 14 15 If, by the time of its scheduled canvass meeting, the State Board has not received the 16 county canvasses, the State Board may adjourn for not more than 10 days to secure the 17 missing abstracts. In obtaining them, the State Board is authorized to secure the 18 originals or copies from the appropriate clerks of superior court or county boards of 19 elections, at the expense of the counties."

SECTION 7.(a) G.S. 163-182.7 reads as rewritten:

22 "§ 163-182.7. Ordering recounts.

(a) Discretionary Recounts. – The county board of elections or the State Board of
Elections may order a recount when necessary to complete the canvass in an election.
The county board may not order a recount where the State Board of Elections has
already denied a recount to the petitioner.

27 Mandatory Recounts for Ballot Items Within the Jurisdiction of the County (b) Board of Elections. - In a ballot item within the jurisdiction of the county board of 28 29 elections, a candidate shall have the right to demand a recount of the votes if the 30 difference between the votes for that candidate and the votes for a prevailing candidate is not more than one percent (1%) of the total votes cast in the ballot item, or in the case 31 32 of a multiseat ballot item not more than one percent (1%) of the votes cast for those two 33 candidates. The demand for a recount must be made in writing and must be received by 34 the county board of elections by 5:00 P.M. on the first day after the canvass. The 35 recount shall be conducted under the supervision of the county board of elections.

36 (c) Mandatory Recounts for Ballot Items Within the Jurisdiction of the State 37 Board of Elections. – In a ballot item within the jurisdiction of the State Board of 38 Elections, a candidate shall have the right to demand a recount of the votes if the 39 difference between the votes for that candidate and the votes for a prevailing candidate 40 are not more than the following:

- 41
- 42 43

(1) For a nonstatewide ballot item, one percent (1%) of the total votes cast in the ballot item, or in the case of a multiseat ballot item, one percent (1%) of the votes cast for those two candidates.

1 2 3	(2) For a statewide ballot item, one-half of one percent (0.5%) of the votes cast in the ballot item, or in the case of a multiseat ballot item, one half of one percent (0.5%) of the votes cast for those two candidates, or
4	10,000 votes, whichever is less.
5	The demand for a recount must be in writing and must be received by the State Board of
6	Elections by noon on the second Thursday after the election. If on that Thursday the
7	available returns show a candidate not entitled to a mandatory recount, but the
8	Executive Director determines subsequently that the margin is within the threshold set
9	out in this subsection, the Executive Director shall notify the eligible candidate
10 11	immediately and that candidate shall be entitled to a recount if that candidate so
11	demands within 48 hours of notice. The recount shall be conducted under the supervision of the State Board of Elections.
12	(d) Rules for Conducting Recounts. – The State Board of Elections shall
13 14	promulgate rules for conducting recounts. — The state board of Elections shall promulgate rules for conducting recounts. Those rules shall be subject to the following
15	guidelines:
16	(1) The rules shall specify, with respect to each type of voting system,
17	when and to what extent the recount shall consist of machine recounts and hand-to-eye
18	recounts. <u>Hand-to-eye recounts shall also be ordered as provided by G.S. 163-182.7A.</u>
19	(2) The rules shall provide guidance in interpretation of the voter's choice.
20	(3) The rules shall specify how the goals of multipartisan participation,
21	opportunity for public observation, and good order shall be balanced."
