35 Failure of a qualified business venture to renew its registration by the applicable deadline shall result results in revocation of its registration effective as of the next day 36 after the renewal deadline, but shall-does not result in forfeiture of tax credits previously 37 38 allowed to taxpayers who invested in the business except as provided in 39 G.S. 105-163.014. The Secretary of State shall send the qualified business venture notice of revocation within 60 days after the renewal deadline. A qualified business 40 venture may apply to have its registration reinstated by the Secretary of State by filing 41 42 an application for reinstatement, accompanied by the reinstatement application fee and a late filing penalty of one thousand dollars (\$1,000), within 30 days after receipt of the 43 44 revocation notice from the Secretary of State. A business that seeks approval of a new application for registration after its registration has been revoked must also pay a
penalty of one thousand dollars (\$1,000). A registration that has been reinstated is
treated as if it had not been revoked.

4 If the gross revenues of a qualified business venture exceed five million dollars 5 (\$5,000,000) in a fiscal year, the business must notify the Secretary of State in writing 6 of this fact by filing a financial statement showing the revenues of the business for that 7 year.

To register, the business must file with the 11 Secretary of State an application and any supporting documents the Secretary of State 12 may require from time to time to determine that the business meets the requirements for 13 registration as a qualified licensee business. The requirements for registration as a 14 qualified licensee business are set out in G.S. 105-163.010.

The effective date of registration for a qualified licensee business whose application is accepted for registration is the filing date of its application. No credit or exclusion of gain is allowed under this Part for an investment made before the effective date of the registration or after the registration is revoked.

To remain qualified as a qualified licensee business, the business must renew its registration annually as prescribed by rule by filing a financial statement for the most recent fiscal year showing gross revenues, as determined in accordance with generally accepted accounting principles, of one million dollars (\$1,000,000) or less on a consolidated basis and an application for renewal in which the business certifies the facts required in the original application.

Failure of a qualified licensee venture to renew its registration by the applicable 25 deadline results in revocation of its registration effective as of the next day after the 26 27 renewal deadline, but does not result in forfeiture of tax credits previously allowed to 28 taxpayers who invested in the business except as provided in G.S. 105-163.014. The 29 Secretary of State shall send the qualified licensee business notice of revocation within 30 60 days after the renewal deadline. A qualified licensee business may apply to have its registration reinstated by the Secretary of State by filing an application for 31 32 reinstatement, accompanied by the reinstatement application fee and a late filing penalty of one thousand dollars (\$1,000), within 30 days after receipt of the revocation notice 33 34 from the Secretary of State. A business that seeks approval of a new application for 35 registration after its registration has been revoked must also pay a penalty of one thousand dollars (\$1,000). A registration that has been reinstated is treated as if it had 36 37 not been revoked.

38 If the gross revenues of a qualified business venture exceed one million dollars 39 (\$1,000,000) in a fiscal year, the business must notify the Secretary of State in writing 40 of this fact by filing a financial statement showing the revenues of the business for that 41 year.

42 (c) Qualified Grantee Businesses. – In order to qualify as a qualified grantee
43 business under this Part, a business must be registered with the Securities Division of
44 the Department of the Secretary of State. To register, the business must file with the

1 Secretary of State an application and any supporting documents the Secretary of State

may require from time to time to determine that the business meets the requirements for
registration as a qualified grantee business. The requirements for registration as a

4 qualified grantee business are set out in G.S. 105-163.010.

5 The effective date of registration for a qualified grantee business whose application 6 is accepted for registration is the filing date of its application. No credit<u>or exclusion of</u> 7 <u>gain</u> is allowed under this Part for an investment made before the effective date of the 8 registration or after the registration is revoked.

9 To remain qualified as a qualified grantee business, the business must renew its 10 registration annually as prescribed by rule by filing an application for renewal in which 11 the business certifies the facts demonstrating that it continues to meet the applicable 12 requirements for qualification.

13 (d) Application Forms; Rules; Fees. – Applications for registration, renewal of 14 registration, and reinstatement of registration under this section shall be in the form 15 required by the Secretary of State. The Secretary of State may, by rule, require 16 applicants to furnish supporting information in addition to the information required by 17 subsections (b), (b1), and (c) of this section. The Secretary of State may adopt rules in 18 accordance with Chapter 150B of the General Statutes that are needed to carry out the 19 Secretary's responsibilities under this Part. The Secretary of State shall prepare blank 20 forms for the applications and shall distribute them throughout the State and furnish 21 them on request. Each application shall be signed by the owners of the business or, in 22 the case of a corporation, by its president, vice president, treasurer, or secretary.must be 23 signed by the owners, a manager, or an executive officer of the business. There shall be 24 annexed to the application the affirmation of the person making the application in the following form: 'Under penalties prescribed by law, I certify and affirm that to the best 25 of my knowledge and belief this application is true and complete.' A person who 26 27 submits a false application is guilty of a Class 1 misdemeanor.

The fee for filing an application for registration under this section is one hundred dollars (\$100.00). The fee for filing an application for renewal of registration under this section is fifty dollars (\$50.00). The fee for filing an application for reinstatement of registration under this section is fifty dollars (\$50.00).

An application for renewal of registration under this section must indicate whether the applicant is a minority business, as defined in G.S. 143-128, and include a report of the number of jobs the business created during the preceding year that are attributable to investments that qualify under this section for a tax credit and the average wages paid by each job. An application that does not contain this information is incomplete and the applicant's registration may not be renewed until the information is provided.

(e) Revocation of Registration. – If the Securities Division of the Department of
the Secretary of State finds that any of the information contained in an application of a
business registered under this section is false, it shall revoke the registration of the
business. The Secretary of State shall not revoke the registration of a business solely
because it ceases business operations for an indefinite period of time, as long as the
business renews its registration each year as required under this section.

Transfer of Registration. – A registration as a qualified business may not be 1 (f)2 sold or otherwise transferred, except that if a qualified business enters into a merger, 3 conversion, consolidation, or other similar transaction with another business and the 4 surviving company would otherwise meet the criteria for being a qualified business, the 5 surviving company retains the registration without further application to the Secretary 6 of State. In such a case, the qualified business must provide the Secretary of State with 7 written notice of the merger, conversion, consolidation, or similar transaction and the 8 name, address, and jurisdiction of incorporation or organization of the surviving 9 company.

10 (g) Report by Secretary of State. - The Secretary of State shall report to the Revenue Laws Study Committee by October 1 of each year all of the businesses that 11 12 have registered with the Secretary of State as qualified business ventures, qualified 13 licensee businesses, and qualified grantee businesses. (a) No Credit for Brokered Investments. – No credit is allowed under this section
 for a purchase of equity securities or subordinated debt if a broker's fee or commission
 or other similar remuneration is paid or given directly or indirectly for soliciting the
 purchase.

27 Individuals. - Subject to the limitations contained in G.S. 105-163.012, an (b) individual who purchases the equity securities or subordinated debt of a qualified 28 29 business directly from that business is allowed as a credit against the tax imposed by 30 Part 2 of this Article for the taxable year an amount equal to twenty-five percent (25%) of the amount invested. The aggregate amount of credit allowed an individual for one or 31 32 more investments in a single taxable year under this Part, whether directly or indirectly 33 as owner of a pass-through entity, may not exceed fifty thousand dollars (\$50,000). The 34 credit may not be taken for the year in which the investment is made but shall be taken 35 for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in subsection (c) of this section. 36

Pass-Through Entities. – This subsection does not apply to a pass-through 37 (b1) 38 entity that has committed capital under management in excess of five million dollars 39 (\$5,000,000) or to a pass-through entity that is a qualified business or a North Carolina Enterprise Corporation. Subject to the limitations provided in G.S. 105-163.012, a 40 pass-through entity that purchases the equity securities or subordinated debt of a 41 42 qualified business directly from the business is eligible for a tax credit equal to twenty-five percent (25%) of the amount invested. The aggregate amount of credit 43 44 allowed a pass-through entity for one or more investments in a single taxable year under this Part, whether directly or indirectly as owner of another pass-through entity, may not exceed seven hundred fifty thousand dollars (\$750,000). The pass-through entity is not eligible for the credit for the year in which the investment by the pass-through entity is made but shall be eligible for the credit for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in subsection (c) of this section.

Each individual who is an owner of a pass-through entity is allowed as a credit against the tax imposed by Part 2 of this Article for the taxable year an amount equal to the owner's allocated share of the credits for which the pass-through entity is eligible under this subsection. The aggregate amount of credit allowed an individual for one or more investments in a single taxable year under this Part, whether directly or indirectly as owner of a pass-through entity, may not exceed fifty thousand dollars (\$50,000).

13 If an owner's share of the pass-through entity's credit is limited due to the maximum 14 allowable credit under this section for a taxable year, the pass-through entity and its 15 owners may not reallocate the unused credit among the other owners.

16 (c) Application. – To be eligible for the tax credit provided in this section, the taxpaver must file an application for the credit with the Secretary on or before April 15 17 18 of the year following the calendar year in which the investment was made. The 19 Secretary may grant extensions of this deadline, as the Secretary finds appropriate, upon 20 the request of the taxpayer, except that the application may not be filed after September 21 15 of the year following the calendar year in which the investment was made. An 22 application is effective for the year in which it is timely filed. The application shall be 23 on a form prescribed by the Secretary and shall include any supporting documentation 24 that the Secretary may require. If an investment for which a credit is applied for was 25 paid for other than in money, the taxpayer shall include with the application a certified appraisal of the value of the property used to pay for the investment. The application for 26 27 a credit for an investment made by a pass-through entity must be filed by the 28 pass-through entity.

(d) Penalties. – The penalties provided in G.S. 105-236 apply in this Part.

"§ 105-163.012. Limit; carry-over; ceiling; reduction in basis.

(a) The credit allowed a taxpayer under G.S. 105-163.011 may not exceed the
amount of income tax imposed by Part 2 of this Article for the taxable year reduced by
the sum of all other credits allowable except tax payments made by or on behalf of the
taxpayer. The amount of unused credit allowed under G.S. 105-163.011 may be carried
forward for the next five succeeding years. The fifty thousand dollar (\$50,000)
limitation on the amount of credit allowed a taxpayer under G.S. 105-163.011 does not
apply to unused amounts carried forward under this subsection.

38 (b) The total amount of all tax credits allowed to taxpayers under 39 G.S. 105-163.011 for investments made in a calendar year may not exceed seven 40 million dollars (\$7,000,000). The Secretary of Revenue shall calculate the total amount 41 of tax credits claimed from the applications filed pursuant to G.S. 105-163.011(c). If the 42 total amount of tax credits claimed for investments made in a calendar year exceeds this 43 maximum amount, the Secretary shall allow a portion of the credits claimed by

allocating the maximum amount in tax credits in proportion to the size of the credit 1 2 claimed by each taxpayer.

3 If a credit claimed under G.S. 105-163.011 is reduced as provided in this (c) section, the Secretary shall notify the taxpayer of the amount of the reduction of the 4 5 credit on or before December 31 of the year following the calendar year in which the 6 investment was made. The Secretary's allocations based on applications filed pursuant 7 to G.S. 105-163.011(c) are final and shall not be adjusted to account for credits applied 8 for but not claimed.

9 (d) The taxpayer's basis in the equity securities or subordinated debt acquired as a 10 result of an investment in a qualified business shall be reduced for the purposes of this Article by the amount of allowable credit. 'Allowable credit' means the amount of credit 11 12 allowed under G.S. 105-163.011 reduced as provided in subsection (c) of this section.

"§ 105-163.014. Forfeiture of credit.

14 (a) Participation in Business. – A taxpayer who has received a credit under this 15 Part for an investment in a qualified business forfeits the credit if, within three years 16 after the investment was made, the taxpayer participates in the operation of the qualified 17 business. For the purpose of this section, a taxpayer participates in the operation of a 18 qualified business if the taxpayer, the taxpayer's spouse, parent, sibling, or child, or an 19 employee of any of these individuals or of a business controlled by any of these 20 individuals, provides services of any nature to the qualified business for compensation, 21 whether as an employee, a contractor, or otherwise. However, a person who provides 22 services to a qualified business, whether as an officer, a member of the board of 23 directors, or otherwise does not participate in its operation if the person receives as 24 compensation only reasonable reimbursement of expenses incurred in providing the services, participation in a stock option or stock bonus plan, or both. 25

False Application. - A taxpayer who has received a credit under this Part for 26 (b)27 an investment in a qualified business forfeits the credit if the registration of the qualified business is revoked because information in the registration application was false at the 28 29 time the application was filed with the Secretary of State.

Transfer or Redemption of Investment. - A taxpayer who has received a 31 (d) 32 credit under this Part for an investment in a qualified business forfeits the credit in the 33 following cases:

- 34 Within one year after the investment was made, the taxpayer transfers (1)35 any of the securities received in the investment that qualified for the tax credit to another person or entity, other than in a transfer resulting 36 from one of the following: 37
- The death of the taxpayer. 38 a. 39 A final distribution in liquidation to the owners of a taxpayer b. that is a corporation or other entity. 40 A merger, conversion, consolidation, or similar transaction 41 c. 42 requiring approval by the owners of the qualified business
- under applicable State law, to the extent the taxpayer does not 43

receive cash or tangible property in the merger, conversion, 1 2 consolidation, or other similar transaction. 3 (2)Except as provided in subsection (d1) of this section, within five years after the investment was made, the qualified business in which the 4 5 investment was made makes a redemption with respect to the 6 securities received in the investment. 7 In the event the taxpayer transfers fewer than all the securities in a manner that 8 would result in a forfeiture, the amount of the credit that is forfeited is the product 9 obtained by multiplying the aggregate credit attributable to the investment by a fraction 10 whose numerator equals the number of securities transferred and whose denominator equals the number of securities received on account of the investment to which the 11 12 credit was attributable. In addition, if the redemption amount is less than the amount invested by the taxpayer in the securities to which the redemption is attributable, the 13 14 amount of the credit that is forfeited is further reduced by multiplying it by a fraction 15 whose numerator equals the redemption amount and whose denominator equals the aggregate amount invested by the taxpayer in the securities involved in the redemption. 16 17 The term 'redemption amount' means all amounts paid that are treated as a distribution 18 in part or full payment in exchange for securities under section 302(a) of the Code. Certain Redemptions Allowed. - Forfeiture of a credit does not occur under 19 (d1)20 this section if a qualified business venture that engages primarily in motion picture film 21 production makes a redemption with respect to securities received in an investment and the following conditions are met: 22 23 (1)The redemption occurred because the qualified business venture 24 completed production of a film, sold the film, and was liquidated. 25 (2)Neither the qualified business venture nor a related person continues to engage in business with respect to the film produced by the qualified 26 27 business venture. Effect of Forfeiture. - A taxpayer who forfeits a credit under this section is 28 (e) 29 liable for all past taxes avoided as a result of the credit plus interest at the rate 30 established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after 31 32 the date the credit is forfeited; a taxpayer who fails to pay the past taxes and interest by 33 the due date is subject to the penalties provided in G.S. 105-236. "Subpart 3. Exclusion of Gain for Qualified Business Investments. 34 35 "§ 105-163.020. Exclusion of gain allowed. Any gain recognized for federal income tax purposes from the sale or 36 (a) exchange of qualified securities is excluded from taxation under this Article. 37 38 A taxpayer that is an owner of a pass-through entity may exclude from the (b) 39 taxpayer's income taxable under this Article an amount equal to the taxpayer's allocated share of the exclusion for which the pass-through entity is eligible under subsection (a) 40 41 of this section.

17	(c) Effect of Redemptions and Other Distributions. – An equity security or
18	subordinated debt instrument is not a qualified security to the extent the taxpayer

37	b. An increase in the taxpayer's taxes, penalties, or interest to the

40	The repayment of principal on subordinated debt is a purchase of the debt except to
41	the extent the repayment is repayment of principal due on the subordinated debt at its

18	case of a transac	ction described in section 351 of the Code, the newly acquired securities
19	are considered of	qualified securities, however, only if, immediately after the transaction,
20	the corporation	issuing the securities owns, directly or indirectly, securities representing
