21 Any statement required to be filed under this Article shall be signed and certified as
22 true and correct by the individual, media, candidate, treasurer or others required to file

27 candidate's principal campaign committee. ~~Any~~ A certification under this Article shall
28 be treated as under oath, and any person making a certification under this Article
29 knowing the information to be untrue may be prosecuted for perjury under G.S. 14-209.
30 is guilty of a Class I felony."

31 **SECTION 1.(b)** G.S. 163-278.27 is amended by adding a new subsection to
32 read:

33 "(a1) A violation of G.S. 278.32 by making a certification knowing the information
34 to be untrue is a Class I felony."

35 **SECTION 1.(c)** This act becomes effective December 1, 2007, and applies
36 to offenses committed on or after that date.

37 **SECTION 2.(a)** G.S. 163-278.34(a) reads as rewritten:

38 "(a) Civil Penalties for Late Filing. – Except as provided in G.S. 163-278.9 and
39 G.S. 163-278.9A, all reports, statements or other documents required by this Article to
40 be filed with the Board shall be filed either by manual delivery to or by mail addressed
41 to the Board. Timely filing shall be complete if postmarked on the day the reports,
42 statements or other documents are to be delivered to the Board. If a report, statement or
43 other document is not filed within the time required by this Article, then the individual,
44 person, media, candidate, political committee, referendum committee or treasurer

1 responsible for filing shall pay to the State Board of Elections election enforcement
 2 costs and a civil late penalty as follows:

- 3 (1) Two hundred fifty dollars (\$250.00) per day for each day the filing is
 4 late for a report that affects statewide elections, not to exceed a total of
 5 ten thousand dollars (\$10,000); and

15 If the Board determines by clear and convincing evidence that the late filing
 16 constitutes a willful attempt to conceal contributions or expenditures, the Board may
 17 assess a civil penalty in an amount to be determined by that Board, plus the costs of
 18 investigation, assessment, and collection. The civil penalty shall not exceed three times
 19 the amount of the contributions and expenditures willfully attempted to be concealed."

20 **SECTION 2.(b)** This section is effective when this act becomes law and
 21 applies to all offenses committed on or after that date.

22 **SECTION 3.** G.S. 163-278.6(14) reads as rewritten:

23 "(14) The term "political committee" means a combination of two or more

 27 characteristics:

- 29 b. Is a political party or executive committee of a political party or
 30 is controlled by a political party or executive committee of a
 31 political party;

 42 ~~identified candidates if it contributes or expends or both contributes~~
 43 ~~and expends during an election cycle more than three thousand dollars~~
 44 ~~(\$3,000). The presumption may be rebutted by showing that the~~

1 ~~contributions and expenditures giving rise to the presumption were not~~
2 ~~a major part of activities of the organization during the election cycle.~~
3 ~~Contributions to referendum committees and expenditures to support~~
4 ~~or oppose ballot issues shall not be facts considered to give rise to the~~
5 ~~presumption or otherwise be used in determining whether an entity is a~~
6 ~~political committee.~~

7 If the entity qualifies as a "political committee" under
8 sub-subdivision a., b., c., or d. of this subdivision, it continues to be a
9 political committee if it receives contributions or makes expenditures
10 or maintains assets or liabilities. A political committee ceases to exist
11 when it winds up its operations, disposes of its assets, and files its final
12 report.

13 Special definitions of "political action committee" and "candidate
14 campaign committee" that apply only in Part 1A of this Article are set
15 forth in G.S. 163-278.38Z."

18 explains the functions of the appellate courts and the laws concerning the election of
19 appellate judges, the purpose and function of the Public Campaign Fund, and the laws
20 concerning voter registration. The Board shall distribute the Guide to as many
21 voting-age individuals in the State as practical, through a mailing to all residences or
22 other means it deems effective. The distribution shall occur no more than ~~428~~ days nor

25 voting period provided in G.S. 163-227.2 for the general election."

26 **SECTION 4.(b)** If House Bill 1517 of the 2007 Session of the General
27 Assembly becomes law, G.S. 163-278.99E(a), as enacted in Section 1 of that bill, reads
28 as rewritten:

29 "(a) Voter Guide. – The Board shall publish a Voter Guide that explains the
30 functions of office as defined in G.S. 163-278.96(12) and the laws concerning the
31 election of the Council of State, the purpose and function of the Fund, and the laws
32 concerning voter registration. The Board shall distribute the Guide to as many
33 voting-age individuals in the State as practical, through a mailing to all residences or
34 other means it deems effective. The State Board of Elections shall maintain a list of the
35 addresses from which mailed Voter Guides are returned as undeliverable. That list shall
36 be available for public inspection. The distribution shall occur no more than ~~428~~ days
37 nor fewer than seven days before the one-stop voting period provided in G.S. 163-227.2
38 for the primary and no more than ~~428~~ days nor fewer than seven days before the
39 one-stop voting period provided in G.S. 163-227.2 for the general election."

40 **SECTION 5.** G.S. 163-33.1 reads as rewritten:

41 "**§ 163-33.1. Power of chairman to administer oaths.**

42 The chairman of the county board of elections is authorized to administer to election
43 officials specified in ~~G.S. 163-80~~ Articles 4, 5, and 20 of this Chapter the required oath,

1 and may also administer the required oath to witnesses appearing before the county
2 board at a duly called public hearing."

3 **SECTION 6.(a)** G.S. 163-132.1B reads as rewritten:

4 **"§ 163-132.1B. Participation in 2010 Census Redistricting Data Program of the**
5 **United States Bureau of the Census.**

6 (a) Purpose. – The State of North Carolina shall participate in the 2010 Census
7 Redistricting Data Program, conducted pursuant to P.L. 94-171, of the United States
8 Bureau of the Census, so that the State will receive 2010 Census data by voting precinct
9 and be able to revise districts at all levels without splitting precincts and in compliance
10 with the United States and North Carolina Constitutions and the Voting Rights Act of
11 1965, as amended.

12 (a1) Reporting of Voting Tabulation Districts. – The Executive Director of the
13 State Board of Elections shall report to the Bureau of the Census as this State's voting
14 tabulation districts the voting precincts as of January 1, 2008. Before making that report,
15 the Executive Director shall consult with the Legislative Services Office concerning the
16 accuracy of the voting precincts to be reported. The Legislative Services Office shall
17 submit to the Executive Director its opinion as to whether the description of the
18 precincts to be reported to the Bureau of the Census is accurate. The Executive Director
19 shall submit the report to the Bureau of the Census in time to comply with the deadlines
20 of that Bureau for the 2010 Census Redistricting Data Program.

21 (a2) Reporting From Unchanged Voting Tabulation Districts. – After January 1,
22 2008, every county board of elections shall report all election returns by voting
23 tabulation districts as required by G.S. 163-132.5G. For purposes of this section and
24 G.S. 163-132.5G, "voting tabulation districts" shall be the precincts as of January 1,
25 2008. No county board of elections may alter the voting tabulation districts reported to
26 the Census Bureau by the Executive Director of the State Board of Elections. The
27 county board of elections may change the boundaries of the county's precincts so that
28 those precincts differ from the county's voting tabulation districts, but only to the extent
29 permitted by G.S. 163-132.3.

30 (b) Additional Rules. – In addition to directives promulgated by the Executive
31 Director of the State Board of Elections under G.S. 163-132.4, the Legislative Services
32 Commission may promulgate rules to implement this section."

33 **SECTION 6.(b)** G.S. 163-132.3 reads as rewritten:

34 **"§ 163-132.3. Alterations to approved precinct boundaries.**

35 (a) No county board of elections may change any precinct boundary ~~except in~~
36 ~~one of the following ways:~~

37 (1) ~~By dividing an existing precinct into one or more new precincts,~~
38 ~~without involving other existing precincts. The lines on which the~~
39 ~~precincts are divided shall follow census blocks established under the~~
40 ~~latest U.S. Census.~~

41 (2) ~~By combining one or more existing precincts into a new precinct. If~~
42 ~~one or more precincts are combined into a single precinct, the new~~
43 ~~precinct shall not be divided until at least four years after the effective~~
44 ~~date of the combination.~~

1 ~~(3) By moving a precinct boundary that does not follow a census block~~
2 ~~boundary established under the latest U.S. Census so that that precinct~~
3 ~~boundary does follow such a census block boundary.~~

4 unless the Executive Director of the State Board of Elections determines that the county
5 board has a current capability of complying with G.S. 163-132.1B(a2) by reporting all
6 election returns by voting tabulation district as required by G.S. 163-132.5G. If the
7 Executive Director so determines, the county board may make any changes to precinct
8 boundaries, provided that All all proposed new precincts shall consist solely of
9 contiguous territory. The State Board of Elections may set uniform standards for
10 precinct boundaries, which the county boards of elections shall follow. The county
11 board of elections shall report every change in precinct boundary to the Executive
12 Director in a format required by the Executive Director.

13 ~~This section does not prohibit a county from continuing to use precincts that were~~
14 ~~allowed under the Combined Reporting Unit provisions of G.S. 163-132.1(e)(6).~~

15 The county boards of elections shall report precinct boundary changes ~~by filing with~~
16 ~~the Legislative Services Office on current official census maps or on other maps or~~
17 ~~electronic databases approved by the Executive Director the new boundaries of these~~
18 ~~precincts to the Executive Director in the manner the Executive Director directs. The~~
19 ~~Executive Director may require a county board of elections to file a written description~~
20 ~~of the boundaries of any precinct or part thereof. No newly created or altered precinct~~
21 ~~boundary is effective until approved by the Executive Director of the State Board as~~
22 ~~being in compliance with this section.~~

23 (b) ~~The Executive Director of the State Board of Elections and the Legislative~~
24 ~~Services Office shall examine the maps of the proposed new or altered precincts and~~
25 ~~any required written descriptions. After its examination of the maps and their written~~
26 ~~descriptions, the Legislative Services Office shall submit to the Executive Director of~~
27 ~~the State Board of Elections its opinion as to whether all of the proposed precinct~~
28 ~~boundaries are in compliance with subsection (a) of this section, with notations as to~~
29 ~~where those boundaries do not comply with these standards. If the Executive Director of~~
30 ~~the State Board determines that all precinct boundaries are in compliance with this~~
31 ~~section, the Executive Director of the State Board shall approve the maps and written~~
32 ~~descriptions as filed and these precincts shall be the official precincts.~~

33 (c) If the Executive Director of the State Board determines that the proposed
34 precinct boundaries are not in compliance with subsection (a) of this section, the
35 Executive Director shall not approve those precinct boundaries. The Executive Director
36 shall notify the county board of elections of his disapproval specifying the reasons. The
37 county board of elections may then resubmit new precinct maps and written descriptions
38 to cure the reasons for their disapproval.

39 (d) Repealed by Session Laws 2004-127, s. 1(a), effective August 15, 2004, and
40 applicable to precincts established or changed on or after that date.

41 (e) ~~During the period beginning October 1, 2002, and ending August 15, 2004,~~
42 ~~no county board of elections may change any precinct boundary. However, a county~~
43 ~~that has a precinct line that does not follow a 2000 Census Block Boundary may change~~
44 ~~that precinct line to conform to the way that precinct is shown on the General~~

1 Assembly's redistricting database, provided the total population of the area moved from
2 one precinct to another is not greater than ten percent (10%) of the total population of
3 either precinct. A county board of elections proposing a change to a precinct during this
4 period shall submit that change to the Legislative Services Office, which shall examine
5 the proposed change and give its opinion of its compliance with this subsection to the
6 Executive Director of the State Board of Elections. If the proposed change is in
7 compliance with this subsection, the Executive Director shall approve it."

8 **SECTION 6.(c)** G.S. 163-132.5G reads as rewritten:

9 "**§ 163-132.5G. Voting data maintained by precinct-voting tabulation district.**

10 To the extent that it can do so without compromising the secrecy of an individual's
11 ballot, ~~each~~ Each county board of elections shall maintain voting data by precinct-voting
12 tabulation district as provided in G.S. 163-132.1B so that precinct-voting tabulation
13 district returns for each item on the ballot shall include the votes cast by all residents of
14 the precinct-voting tabulation district who ~~voted by provisional ballot and by absentee~~
15 ~~ballot, both mail and one stop-voted,~~ regardless of where they voted. The county board
16 shall not be required to report ~~provisional and absentee voting data by precinct returns~~
17 by voting tabulation district for voters who voted other than at their precinct voting
18 place on election day until 60 days after the election. In reporting returns, the county
19 board shall not compromise the secrecy of an individual's ballot. The 60-day deadline
20 for reporting returns by voting tabulation district does not relieve the county board of
21 the duty to report all returns as soon as practicable after the election according to other
22 categories specified by the State Board of Elections. The State Board of Elections shall
23 adopt rules for the enforcement of this section with the goal that all voting data shall be
24 reported by precinct by the 2006 election section."

25 **SECTION 6.(d)** G.S. 163-165.7(a)(3) reads as rewritten:

26 "(3) That the voting system must have the capacity to include in precinct
27 voting tabulation district returns the votes cast by voters outside of the
28 voter's ~~precinct~~ voting tabulation district as required by
29 G.S. 163-132.5G."

30 **SECTION 6.(e)** G.S. 163-132.5F reads as rewritten:

31 "**§ 163-132.5F. U.S. Census data by precinct-voting tabulation district.**

32 The State shall request the U.S. ~~Census~~ Bureau of the Census for each decennial
33 census to provide summaries of census data by precinct-voting tabulation district and
34 shall participate in any U.S. Bureau of the Census' program to effectuate this provision."

35 **SECTION 6.(f)** Subsections 7(b) through 7(e) of this section become
36 effective January 1, 2008. The remainder of this section is effective when this act
37 becomes law.

38 **SECTION 6.(g)** This section becomes effective only if any funds necessary
39 to implement it are appropriated.

40 **SECTION 7.** Article 14A of Chapter 163 of the General Statutes is amended
41 by adding a new section to read:

42 "**§ 163-165.5B. Ballots may be combined.**

1 Notwithstanding any other statute or local act, a county board of elections, with the
2 approval of the State Board of Elections, may combine ballot items on the same official
3 ballot."

4 **SECTION 8.(a)** G.S. 163-122(a)(2) reads as rewritten:

5 "(2) If the office is a district office ~~comprised of two or more counties,~~
6 under the jurisdiction of the State Board of Elections under
7 G.S. 163-182.4(b), file written petitions with the State Board of
8 Elections supporting ~~his~~that voter's candidacy for a specified office.
9 These petitions must be filed with the State Board of Elections on or
10 before 12:00 noon on the last Friday in June preceding the general
11 election and must be signed by qualified voters of the district equal in
12 number to four percent (4%) of the total number of registered voters in
13 the district as reflected by the voter registration records of the State
14 Board of Elections as of January 1 of the year in which the general
15 election is to be held. Each petition shall be presented to the chairman
16 of the board of elections of the county in which the signatures were
17 obtained. The chairman shall examine the names on the petition and
18 the procedure for certification and deadline for submission to the
19 county board shall be the same as specified in (1) above."

20 **SECTION 8.(b)** G.S. 163-123(c)(2) reads as rewritten:

21 "(2) If the office is a district office ~~comprising all or part of two or more~~
22 ~~counties,~~under the jurisdiction of the State Board of Elections under
23 G.S. 163-182.4(b), file written petitions with the State Board of
24 Elections supporting ~~his~~that applicant's candidacy for a specified
25 office. These petitions must be filed with the State Board of Elections
26 on or before noon on the 90th day before the general election and must
27 be signed by 250 qualified voters. Before being filed with the State
28 Board of Elections, each petition shall be presented to the board of

30 petition presented to a county board of elections shall contain only
31 names of voters registered in that county who are eligible to vote for
32 that office. The chairman of the county board shall examine the names

38 their duties may have access to voted ballots or paper or electronic records of individual
39 voted ballots except by court order or order of the appropriate board of elections as part
40 of the resolution of an election protest or investigation of an alleged election irregularity
41 or violation. Voted ballots and paper and electronic records of individual voted ballots
42 shall not be disclosed to members of the public in such a way as to disclose how a
43 particular voter voted, unless a court orders otherwise. Any person who has access to an

1 official voted ballot or record and knowingly discloses in violation of this section how
2 an individual has voted that ballot is guilty of a Class 1 misdemeanor."

3 **SECTION 9.(b)** G.S. 163-274 reads as rewritten:

25 **"§ 163-40.1. Definitions.**

26 The provisions of Article 22A of this Chapter apply to the definition and proof of

25 **SECTION 16.(b)** G.S. 163-274 is amended by adding a new subdivision to
 26 read:

27 "(14) For any person to commit any of the voter registration violations set
 28 forth in G.S. 163-82.6(a1)."

29 **SECTION 16.(c)** This section becomes effective December 1, 2007, and
 30 applies to any offense committed on or after that date.

31 **SECTION 17.(a)** G.S. 163-275 is amended by adding a new subdivision to
 32 read:

 44 ~~county board of elections receiving such a report about an individual~~

1 who is a resident of another county in this State shall forward a copy
2 of that report to the board of elections of that county as soon as
3 possible."

4 **SECTION 19.** G.S. 163-82.10(a) reads as rewritten:

5 "(a) Official Record. – The State voter registration system is the official voter
6 registration list for the conduct of all elections in the State. A completed and signed
7 registration application form, if available, described in G.S. 163-82.3, once approved by
8 the county board of elections, becomes backup to the official registration record of the
9 voter. ~~Electronically captured images of the signatures of voters, full~~ Full or partial
10 social security numbers, dates of birth, the identity of the public agency at which the
11 voter registered under G.S. 163-82.20, and drivers license numbers that may be
12 generated in the voter registration process, by either the State Board of Elections or a
13 county board of elections, are confidential and shall not be considered public records
14 and subject to disclosure to the general public under Chapter 132 of the General
15 Statutes. Cumulative data based on those items of information may be publicly
16 disclosed as long as information about any individual cannot be discerned from the
17 disclosed data. Disclosure of drivers license numbers or dates of birth information in
18 violation of this subsection shall not give rise to a civil cause of action. This limitation
19 of liability does not apply to the disclosure of drivers license numbers or dates of birth
20 information in violation of this subsection as a result of gross negligence, wanton
21 conduct, or intentional wrongdoing that would otherwise be actionable. The signature of
22 the voter, either on the paper application or an electronically captured image of it, may
23 be viewed by the public but may not be copied or traced except by election officials for
24 election administration purposes. Any such copy or tracing is not a public record. The
25 county board of elections shall maintain custody of any paper hard copy registration
26 records of voters in the county and shall keep them in a place where they are secure."

27 **SECTION 20.** G.S. 163-82.4(e) reads as rewritten:

28 "(e) Correcting Registration Forms. – If the voter fails to ~~answer the question set~~
29 ~~out in subdivision (1) of subsection (d) of this section,~~ complete any required item on
30 the voter registration form but provides enough information on the form to enable the
31 county board of elections to identify and contact the voter, the voter shall be notified of
32 the omission and given the opportunity to complete the form ~~at any time before casting~~
33 ~~a vote in the election on election day.~~ at least by 5:00 P.M. on the day before the county
34 canvass as set in G.S. 163-182.5(b). If the voter corrects that omission within that time,
35 the voter may vote in the election time and is determined by the county board of
36 elections to be eligible to vote, the board shall permit the voter to vote. If the
37 information is not corrected by election day, the voter shall be allowed to vote a
38 provisional official ballot. If the correct information is provided to the county board of
39 elections by at least 5:00 P.M. on the day before the county canvass, the board shall
40 count any portion of the provisional official ballot that the voter is eligible to vote."

41 **SECTION 21.(a)** G.S. 163-166.12 reads as rewritten:

42 "**§ 163-166.12. Requirements for certain voters who register by mail.**

43 (a) Voting in Person. – An individual who has registered to vote by mail on or
44 after January 1, 2003, and has not previously voted in an election that includes a ballot

1 item for federal office in North Carolina, shall present to a local election official at a
2 voting place before voting there one of the following:

3 (1) A current and valid photo identification.

4 (2) A copy of one of the following documents that shows the name and
5 address of the voter: a current utility bill, bank statement, government
6 check, paycheck, or other government document.

7 (b) Voting Mail-In Absentee. – An individual who has registered to vote by mail
8 on or after January 1, 2003, and has not previously voted in an election that includes a
9 ballot item for federal office in North Carolina, in order to cast a mail-in absentee vote,
10 shall submit with the mailed-in absentee ballot one of the following:

11 (1) A copy of a current and valid photo identification.

12 (2) A copy of one of the following documents that shows the name and
13 address of the voter: a current utility bill, bank statement, government
14 check, paycheck, or other government document.

15 (b1) The county board of elections shall note the type of identification proof
16 submitted by the voter under the provisions of subsection (a) or (b) of this section and
17 may dispose of the tendered copy of identification proof as soon as the type of proof is
18 noted in the voter registration records.

19 (b2) Voting When Identification Numbers Do Not Match. – Regardless of whether
20 an individual has registered by mail or by another method, if the individual has provided
21 with the registration form a drivers license number or last four digits of a Social
22 Security number but the computer validation of the number as required by
23 G.S. 163-82.12 did not result in a match, and the number has not been otherwise
24 validated by the board of elections, in the first election in which the individual votes that
25 individual shall submit with the ballot the form of identification described in subsection
26 (a) or subsection (b) of this section, depending upon whether the ballot is voted in
27 person or absentee. If that identification is provided and the board of elections does not
28 determine that individual is not otherwise ineligible to vote a ballot, the failure of
29 identification numbers to match shall not prevent that individual from registering to vote
30 and having that individual's vote counted. If the individual registers and votes under
31 G.S. 163-82.6A, the identification documents required in that section, rather than those
32 described in subsection (a) or (b) of this section, apply.

33 (c) The Right to Vote Provisionally. – If an individual is required under
34 subsection ~~(a) or (b)~~ (a), (b), or (b2) of this section to present identification in order to
35 vote, but that individual does not present the required identification, that individual may
36 vote a provisional official ballot. If the voter is at the voting place, the voter may vote
37 provisionally there without unnecessary delay. If the voter is voting by mail-in absentee
38 ballot, the mailed ballot without the required identification shall be treated as a
39 provisional official ballot.

40 (d) Exemptions. – This section does not apply to any of the following:

41 (1) An individual who registers by mail and submits as part of the
42 registration application either of the following:

43 a. A copy of a current and valid photo identification.

- 1 b. A copy of one of the following documents that shows the name
2 and address of the voter: a current utility bill, bank statement,
3 government check, paycheck, or other government document.
- 4 (2) An individual who registers by mail and submits as part of the
5 registration application the individual's drivers license number or at
6 least the last four digits of the individual's social security number
7 where an election official matches either or both of the numbers
8 submitted with an existing State identification record bearing the same
9 number, name, and date of birth contained in the submitted
10 registration. If any individual's number does not match, the individual
11 shall provide identification as required in subsection (b2) of this
12 section in the first election in which the individual votes.
- 13 (3) An individual who is entitled to vote by absentee ballot under the
14 Uniformed and Overseas Citizens Absentee Voting Act.
- 15 (4) An individual who is entitled to vote otherwise than in person under
16 section 3(b)(2)(B)(ii) of the Voting Accessibility for the Elderly and
17 Handicapped Act.
- 18 (5) An individual who is entitled to vote otherwise than in person under
19 any other federal law."

20 **SECTION 21.(b)** G.S. 163-82.12 reads as rewritten:

21 "**§ 163-82.12. Promulgation of guidelines relating to computerized voter**
22 **registration.**

23 The State Board of Elections shall make all guidelines necessary to administer the
24 statewide voter registration system established by this Article. All county boards of
25 elections shall follow these guidelines and cooperate with the State Board of Elections
26 in implementing guidelines. These guidelines shall include provisions for all of the
27 following:

- 28 (1) Establishing, developing, and maintaining a computerized central voter
29 registration file.
- 30 (2) Linking the central file through a network with computerized voter
31 registration files in each of the counties.
- 32 (3) Interacting with the computerized drivers license records of the
33 Division of Motor Vehicles and with the computerized records of other
34 public agencies authorized to accept voter registration applications.
- 35 (4) Protecting and securing the data.
- 36 (5) Converting current voter registration records in the counties in
37 computer files that can be used on the statewide computerized
38 registration system.
- 39 (6) Enabling the statewide system to determine whether the voter
40 identification information provided by an individual is valid.
- 41 (7) Enabling the statewide system to interact electronically with the
42 Division of Motor Vehicles system to validate identification
43 information.

- 1 (8) Enabling the Division of Motor Vehicles to provide real-time interface
2 for the validation of the drivers license number and last four digits of
3 the social security number.
- 4 (8b) Notifying voter-registration applicants whose drivers license or last
5 four digits of social security number does not result in a validation,
6 attempting to resolve the discrepancy, initiating investigations under
7 G.S. 163-33(3) or challenges under Article 8 of this Chapter where
8 warranted, and notifying any voters of the requirement under
9 G.S. 163-166.2(b2) to present identification when voting.
- 10 (9) Enabling the statewide system to assign a unique identifier to each
11 legally registered voter in the State.
- 12 (10) Enabling the State Board of Elections to assist the Division of Motor
13 Vehicles in providing to the jury commission of each county, as
14 required by G.S. 20-43.4, a list of all registered voters in the county
15 and all persons in the county with drivers license records.

16 These guidelines shall not be considered to be rules subject to Article 2A of Chapter
17 150B of the General Statutes. However, the State Board shall publish in the North
18 Carolina Register the guidelines and any changes to them after adoption, with that
19 publication noted as information helpful to the public under G.S. 150B-21.17(a)(6).
20 Copies of those guidelines shall be made available to the public upon request or
21 otherwise by the State Board."

22 **SECTION 22.** G.S. 163-45 reads as rewritten:

23 "**§ 163-45. Observers; appointment.**

24 The chair of each political party in the county shall have the right to designate two
25 observers to attend each voting place at each primary and election and such observers
26 may, at the option of the designating party chair, be relieved during the day of the
27 primary or election after serving no less than four hours and provided the list required
28 by this section to be filed by each chair contains the names of all persons authorized to
29 represent such chair's political party. Not more than two observers from the same
30 political party shall be permitted in the voting enclosure at any time. This right shall not
31 extend to the chair of a political party during a primary unless that party is participating
32 in the primary. In any election in which an unaffiliated candidate is named on the ballot,
33 the candidate or the candidate's campaign manager shall have the right to appoint two
34 observers for each voting place consistent with the provisions specified herein. Persons
35 appointed as observers must be registered voters of the county for which appointed and
36 must have good moral character. No person who is a candidate on the ballot in a
37 primary or election may serve as an observer or runner in that primary or election.
38 Observers shall take no oath of office.

39 Individuals authorized to appoint observers must submit in writing to the chief judge
40 of each precinct a signed list of the observers appointed for that precinct. Individuals
41 authorized to appoint observers must, prior to 10:00 A.M. on the fifth day prior to any
42 primary or general election, submit in writing to the chair of the county board of
43 elections two signed copies of a list of observers appointed by them, designating the
44 precinct for which each observer is appointed. Before the opening of the voting place on

1 the day of a primary or general election, the chair shall deliver one copy of the list to the
2 chief judge for each affected precinct. The chair shall retain the other copy. The chair,
3 or the chief judge and judges for each affected precinct, may for good cause reject any
4 appointee and require that another be appointed. The names of any persons appointed in
5 place of those persons rejected shall be furnished in writing to the chief judge of each
6 affected precinct no later than the time for opening the voting place on the day of any
7 primary or general election, either by the chair of the county board of elections or the
8 person making the substitute appointment.

9 If party chairs appoint observers at one-stop sites under G.S. 163-227.2, those party
10 chairs shall provide a list of the observers appointed before 10:00 A.M. on the fifth day
11 before the observer is to observe.

12 An observer shall do no electioneering at the voting place, and shall in no manner
13 impede the voting process or interfere or communicate with or observe any voter in
14 casting a ballot, but, subject to these restrictions, the chief judge and judges of elections
15 shall permit the observer to make such observation and take such notes as the observer
16 may desire.

17 Whether or not the observer attends to the polls for the requisite time provided by
18 this section, each observer shall be entitled to obtain at times specified by the State
19 Board of Elections, but not less than three times during election day with the spacing
20 not less than one hour apart, a list of the persons who have voted in the precinct so far in
21 that election day. Counties that use an "authorization to vote document" instead of poll
22 books may comply with the requirement in the previous sentence by permitting each
23 observer to inspect election records so that the observer may create a list of persons who
24 have voted in the precinct so far that election day; each observer shall be entitled to
25 make the inspection at times specified by the State Board of Elections, but not less than
26 three times during election day with the spacing not less than one hour apart.

27 Instead of having an observer receive the voting list, the county party chair may send
28 a runner to do ~~so~~, so, even if an observer has not been appointed for that precinct. The
29 runner may be the precinct party chair or any person named by the county party chair.
30 Each county party chair using runners in an election shall provide to the county board of
31 elections before 10:00 A.M. on the fifth day before election day a list of the runners to
32 be used. That party chair must notify the chair of the county board of elections or the
33 board chair's designee of the names of all runners to be used in each precinct before the
34 runner goes to the precinct. The runner may receive a voter list from the precinct on the
35 same schedule as an observer. Whether obtained by observer or runner, each party is
36 entitled to only one voter list at each of the scheduled times. No runner may enter the
37 voting enclosure except when necessary to announce that runner's presence and to
38 receive the list. The runner must leave immediately after being provided with the list."

39 **SECTION 23.** G.S. 163-166.3 reads as rewritten:

40 "**§ 163-166.3. Limited access to the voting enclosure.**

41 (a) Persons Who May Enter Voting Enclosure. – During the time allowed for
42 voting in the voting place, only the following persons may enter the voting enclosure:

- 43 (1) An election official.
- 44 (2) An observer appointed pursuant to G.S. 163-45.

- 1 (2a) A runner appointed pursuant to G.S. 163-45, but only to the extent
2 necessary to announce that runner's presence and to receive the voter
3 list as provided in G.S. 163-45.
- 4 (3) A person seeking to vote in that voting place on that day but only
5 while in the process of voting or seeking to vote.
- 6 (4) A voter in that precinct while entering or explaining a challenge
7 pursuant to G.S. 163-87 or G.S. 163-88.
- 8 (5) A person authorized under G.S. 163-166.8 to assist a voter but, except
9 as provided in subdivision (6) of this section, only while assisting that
10 voter.
- 11 (6) Minor children of the voter under the age of 18, or minor children
12 under the age of 18 in the care of the voter, but only while
13 accompanying the voter and while under the control of the voter.
- 14 (7) Persons conducting or participating in a simulated election within the
15 voting place or voting enclosure, if that simulated election is approved
16 by the county board of elections.
- 17 (8) Any other person determined by election officials to have an urgent
18 need to enter the voting enclosure but only to the extent necessary to
19 address that need.

20 (b) Photographing Voters Prohibited. – No person shall photograph, videotape, or
21 otherwise record the image of any voter within the voting enclosure, except with the
22 permission of both the voter and the chief judge of the precinct. If the voter is a
23 candidate, only the permission of the voter is required. This subsection shall also apply
24 to one-stop sites under G.S. 163-227.2. This subsection does not apply to cameras used
25 as a regular part of the security of the facility that is a voting place or one-stop site.

26 (c) Photographing Voted Ballot Prohibited. – No person shall photograph,
27 videotape, or otherwise record the image of a voted official ballot for any purpose not
28 otherwise permitted under law."

29 **SECTION 24.(a)** G.S. 163-165.3 reads as rewritten:

30 "**§ 163-165.3. Responsibilities for preparing official ballots.**

31 (a) ~~State Board to Certify Official Ballots and Instructions to Voters.~~
32 Responsibilities. – The State Board of Elections shall certify the official ballots and
33 voter instructions to be used in every election that is subject to this Article. In
34 conducting its certification, the State Board shall adhere to the following:

- 35 (1) No later than January 31 of every calendar year, the State Board shall
36 establish a schedule for the certification of all official ballots and
37 instructions during that year. The schedule shall include a time for
38 county boards of elections to submit their official ballots and
39 instructions to the State Board for certification and times for the State
40 Board to complete the certification.
- 41 (2) The State Board of Elections shall compose model ballot instructions,
42 which county boards of elections may amend subject to approval by
43 the State Board as part of the certification process. The State Board of
44 Elections may permit a county board of elections to place instructions

elsewhere than on the official ballot itself, where placing them on the official ballot would be impractical.

(3) With regard only to multicounty ballot items on the official ballot, the State Board shall certify the accuracy of the content on the official ballot.

(4) With regard to the entire official ballot, the State Board shall certify that the content and arrangement of the official ballot are in substantial compliance with the provisions of this Article and standards adopted by the State Board.

(5) The State Board shall proofread the official ballot of every county, if practical, prior to final production.

(6) The State Board is not required to certify or review every official ballot style in the county but may require county boards to submit and may review a composite official ballot showing races that will appear in every district in the county.

The State Board shall be responsible for all ballot coding and shall contract with a qualified vendor or supervise trained election staff to produce the data necessary for equipment programming.

~~(b) County Board to Prepare and Produce Official Ballots and Instructions. Responsibilities.~~ – Each county board of elections shall prepare and produce official ballots for all elections in that county. The county board of elections shall submit the format of each official ballot and set of instructions to the State Board of Elections for review and certification in accordance with the schedule established by the State Board. The county board of elections shall follow the directions of the State Board in placing candidates, referenda, and other material on official ballots and in placing instructions.

(c) Late Changes in Ballots. – The State Board shall promulgate rules for late changes in ballots. The rules shall provide for the reprinting, where practical, of official ballots as a result of replacement candidates to fill vacancies in accordance with G.S. 163-114 or other late changes. If an official ballot is not reprinted, a vote for a candidate who has been replaced in accordance with G.S. 163-114 will count for the replacement candidate.

(d) Special Ballots. – The State Board of Elections, with the approval of a county board of elections, may produce special official ballots, such as those for disabled voters, where production by the State Board would be more practical than production by the county board."

SECTION 24.(b) This section becomes effective only if any funds necessary to implement it are appropriated.

SECTION 25. G.S. 163-165.9 reads as rewritten:

"§ 163-165.9. Voting systems: powers and duties of county board of elections.
