4 requirements under subsection (a) of this section, the complaint initiating such action
5 shall state with particularity facts sufficient to support a reasonable inference that the

8 (c) For purposes of applying this Article, the pleading requirements of this
9 section shall be deemed part of the substantive law of North Carolina rather than

14 discovery requests of any kind, as well as all proceedings unrelated to adjudicating a
15 motion to dismiss, shall be stayed prior to the time a motion to dismiss is filed and
16 during the pendency of any such motion, unless the court finds upon motion of any
17 party that a response to a particularized discovery request is necessary to preserve
18 evidence.

19 (b) During the pendency of any stay of discovery pursuant to this section, the
20 responsibilities of the parties with regard to the treatment of all documents, data
21 compilations, including electronically recorded or stored data, and tangible objects shall
22 be governed by the applicable rules of civil procedure. A party aggrieved by the failure
23 of an opposing party to comply with this section shall have available the applicable
24 remedies for a violation of such applicable rules, to the extent no such remedy conflicts
25 with the terms of this section.

27 (a) Nothing in this Article shall be construed to create any claim, right of action,
28 or civil liability that did not previously exist under the laws of North Carolina.

29 (b) Nothing in this Article shall be construed to interfere with any State or federal
30 agency's exclusive or primary jurisdiction to find or declare violations of an adulteration
31 or misbranding statute, rule, or regulation."

32 **SECTION 2.** This act becomes effective October 1, 2007, and applies to
33 actions filed on or after that date and applies to actions pending on that date.
