25 **SECTION 3.** At the request of the Board of Governors of The University of
26 North Carolina and upon determining that it is in the best interest of the State to do so,
27 the Director of the Budget may authorize an increase or decrease in the cost of, or a
28 change in the method of, funding the projects authorized by this act. In determining
29 whether to authorize a change in cost or funding, the Director of the Budget may consult
30 with the Joint Legislative Commission on Governmental Operations.

31 **SECTION 4.** Pursuant to G.S. 116D-26, the Board of Governors may issue,
32 subject to the approval of the Director of the Budget, at one time or from time to time,
33 special obligation bonds of the Board of Governors for the purpose of paying all or any
34 part of the cost of acquiring, constructing, or providing for the projects authorized by
35 Section 2 and Section 7 of this act. The maximum principal amount of bonds to be
36 issued shall not exceed the specified project costs in Section 2 and Section 7 of this act
37 plus five percent (5%) of such amount to pay issuance expenses, fund reserve funds, pay
38 capitalized interest and pay other related additional costs, plus any increase in the
39 specific project costs authorized by the Director of the Budget pursuant to Section 3 of
40 this act.

41 **SECTION 5.** With respect to the Aquaculture Hatchery Biotech Research
42 Facility project at the University of North Carolina at Wilmington, the institution may
43 accomplish construction and financing through lease arrangements to and from the
44 UNCW Foundation, Inc.

1 **SECTION 6.** With respect to the Residence Halls project at Western
2 Carolina University, the institution may accomplish construction and financing through
3 lease arrangements to and from the Western Carolina University Research and
4 Development Corporation.

5 **SECTION 7.** The University of North Carolina at Chapel Hill may
6 accomplish the financing of the acquisition and implementation of certain components
7 of its enterprise administrative systems, including, but not limited to, Student, Human
8 Resources, Payroll, and Finance, in an amount not to exceed fifty-nine million dollars
9 (\$59,000,000). Costs related to the project may include, but not be limited to, costs of
10 applicable hardware, software, consulting services, project and support staff, renovation
11 of the Porthole Building on the campus of the University of North Carolina at Chapel
12 Hill, training services, leases of space for the project, and any technical infrastructure
13 components required to implement the systems for the duration of the project. The
14 project shall be deemed to be a "capital facility" and a "special obligation bond project"
15 for purposes of G.S. 116D-22(5).

16 **SECTION 8.** This act is effective when it becomes law.
