4 MANAGER ASSISTANTS BY THE STATE CHIEF INFORMATION OFFICER.
5

6 The General Assembly of North Carolina enacts:

7 **SECTION 1.** G.S. 147-33.72E reads as rewritten:

8 "**§ 147-33.72E. Project management standards.**

9 (a) Agency Responsibilities. – Each agency shall provide for ~~a project manager~~
10 one or more project managers who meets–meet the applicable quality assurance
11 standards for each information technology project that is subject to approval under
12 G.S. 143-33.72C(a). ~~The–Each~~ project manager shall be subject to the review and
13 approval of the State Chief Information Officer.

14 ~~The–Each~~ agency project manager shall provide periodic reports to the project
15 management assistant assigned to the project by the State CIO under subsection (b) of
16 this section. The reports shall include information regarding project costs, issues related
17 to hardware, software, or training, projected and actual completion dates, and any other
18 information related to the implementation of the information technology project.

19 (b) State Chief Information Officer Responsibilities. – The State Chief
20 Information Officer shall designate a project management assistant from the Office of
21 Information Technology Services for ~~projects that receive–any project that receives~~
22 approval under ~~G.S. 147-33.72C(a).~~ G.S. 147-33.72C(a) if the project costs or is
23 expected to cost more than one million dollars (\$1,000,000), whether the project is
24 undertaken in single or multiple phases or components. The State Chief Information
25 Officer may designate a project management assistant for any other information
26 technology project.

1 The project management assistant shall advise the agency with the initial planning of
2 a project, the content and design of any request for proposals, contract development,
3 procurement, and architectural and other technical reviews. The project management
4 assistant shall also monitor agency progress in the development and implementation of
5 the project and shall provide status reports to the State Chief Information Officer,
6 including recommendations regarding continued approval of the project."

7 **SECTION 2.** This act is effective when it becomes law.
