3	"§ 143-215.74R. Grants to local well programs for well tests.
4	(a) To facilitate coordination and support of notification and testing activities under
5	G.S. 143-215.74Q with the local well programs required under G.S. 87-97 and administered by
6	the local health departments, the Department shall develop a program to provide grants to cover
7	the costs of notification and water tests of water provided from private drinking water wells in
8	the vicinity of known groundwater contamination. The Department shall approve grants to any
9	eligible local well program that applies for grant funds so long as funds are available. The
10	Department shall consider for grant assistance any local well program that meets all of the
11	following criteria:
12	(1) The local well program identified one or more groundwater contamination
13	sites or incidents that it determines pose a threat to public health, based on
14	the toxicity of contaminants, the known concentration and geographic extent
15	of contamination, the contaminants' propensity to migrate, and the number of
16	drinking water wells estimated to be in the area.
17	(2) <u>The local well program provides notice in accordance with the provisions of</u>
18	$\frac{G.S. 143-215.74Q(a)}{D}$
19 20	(3) The local well program provides free water tests and these water tests are and used in accordance with the provisions of $C = 142, 215, 740$ (b) and in
20 21	conducted in accordance with the provisions of G.S. 143-215.74Q(b), and, in
21 22	addition, the certified laboratory that conducted the water test must electronically submit the results of the water test to the Department no later
22	than 30 days after completion of the analysis.
23 24	(b) Grants under this section shall not exceed twenty thousand dollars (\$20,000) to each
25	local well program for any calendar year.
26	(c) The Department shall establish any additional criteria for eligibility to receive grants
27	under this section.
28	" <u>§ 143-215.74S.</u> Annual report.
29	The Department shall report no later than 1 October of each year to the Environmental
30	Review Commission on the status of groundwater quality in the State. The report shall include
31	information on the status of the Groundwater Quality Database, public notification efforts,
32	groundwater monitoring efforts conducted by the Department, and trends in groundwater
33	quality. The report may also include an analysis of issues related to groundwater quality,
34	identification of deficiencies in groundwater quality information, and recommendations to
35	improve the quality of groundwater resources in the State."
36	SECTION 3. G.S. 87-97(a) reads as rewritten:
37	"(a) Mandatory Local Well Programs. – Each county, through the local health
38	department that serves the county, shall implement a private drinking water well permitting,
39 40	inspection, and testing program. Local health departments shall administer the program and
40	enforce the minimum well construction, permitting, inspection, repair, and testing requirements
41 42	set out in this Article and rules adopted pursuant to this Article. Local well programs may
42 43	provide notification and free water testing of private drinking water wells under G.S. 143-215.74R."
43 44	SECTION 4. The first report required pursuant to G.S. 143-215.74S, as enacted by
45	Section 2 of this act, is due on or before October 1, 2010.
46	SECTION 5.(a) There is appropriated from the General Fund to the Department of
47	Environment and Natural Resources the sum of two hundred fifty thousand dollars (\$250,000)
48	for the 2009-2010 fiscal year and the sum of two hundred fifty thousand dollars (\$250,000) for
49	the 2010-2011 fiscal year for the Division of Environmental Health to allocate as follows:

	General Assembly of North Carolina Session 2009	
	(\$160,000) for the 2010-2011 fiscal year shall be used to provide grants to	
,	local health departments for their mandatory local well programs under	
	G.S. 87-97 for conducting water tests under G.S. 143-215.74Q, as enacted	
	by Section 2 of this act.	
	(2) The sum of ninety thousand dollars (\$90,000) for the 2009-2010 fiscal year	
	and the sum of ninety thousand dollars (\$90,000) for the 2010-2011 fiscal	
	year shall be used by the Department to implement Part 12 of Article 21 of	
	Chapter 143 of the General Statutes, as enacted by Section 2 of this act.	
	SECTION 5.(b) It is the intention of the General Assembly that the appropriation	
	under subsection (a) of this act be a recurring appropriation.	
	SECTION 6. Nothing in this act shall be construed to limit or preempt the	
	authority of a local health department or local board of health to make or cause to be made an	
	inspection or test of a private well as may be necessary to ensure the health and safety of the	
	residents of the State.	
	SECTION 7. Nothing in this act shall be construed to modify the liability of any	
	person who is responsible for an exceedance of groundwater or drinking water standards to the	
	State or to third parties.	
	SECTION 8. Sections 2, 3, and 5 of this act become effective July 1, 2009.	
	G.S. 130A-330.5, as enacted by Section 1 of this act, becomes effective January 1, 2010. The	
	remainder of Article 10A of Chapter 130A of the General Statutes, as enacted by Section 1 of	

21 this act, and Sections 4, 6, 7, and 8 of this act are effective when this act becomes law.
