**HOUSE BILL 69**

Short Title: Motorsports Vehicle Combinations Length. (Public)

Sponsors: Representatives Cole; Carney, Goforth, Howard, Lucas, and Tillis.

Referred to: Rules, Calendar, and Operations of the House.

February 5, 2009

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE OPERATION OF CERTAIN MOTORSPORTS VEHICLE  
COMBINATIONS.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 20-116 is amended by adding a new subsection to read:

"(n) Vehicle combinations used in connection with motorsports competition events that include a cab or other motorized vehicle unit with living quarters and an attached enclosed specialty trailer, the combination of which does not exceed 90 feet in length, may be operated on the highways of the State, provided that such transport take place for one or more of the following purposes:

(1) To or from a motorsports competition event.

(2) For trips conducted for the purpose of purchasing fuel or conducting repairs or other maintenance on the competition vehicle.

(3) For other activities related to motorsports purposes, including, but not limited to, performance testing of the competition vehicle.

The Department of Transportation may prohibit combinations authorized by this subsection from specific routes pursuant to G.S. 20-115.1(b)."

**SECTION 2.** This act becomes effective July 1, 2009.
