10 "(5) "Criminally injurious conduct" means conduct that by its nature poses a
11 substantial threat of personal injury or death, and is punishable by fine or
12 imprisonment or death, or would be so punishable but for the fact that the
13 person engaging in the conduct lacked the capacity to commit the crime

21 impairment, is suitable for use both inside and outside a building, and whose
22 maximum speed does not exceed 12 miles per hour when the device is being
23 operated by a person with a mobility impairment. Criminally injurious
24 conduct includes the offenses of felony and misdemeanor death by vehicle
25 under G.S. 20-141.4, but does not include any other conduct arising out of
26 the ownership, maintenance, or use of a motor vehicle when the conduct is
27 punishable only as a violation of other provisions of Chapter 20 of the

36 and also includes the cost of grief counseling for the spouse and children of

1 the deceased victim. Noneconomic detriment is not economic loss, but
2 economic loss may be caused by pain and suffering or physical impairment."
