13 that grants permits, licenses, or approvals to the public and (ii) that is either
14 approved by or delegated from the Department of Environment and Natural
15 Resources, the Department of Health and Human Services, or the
16 Department of Transportation.
17 (4) Regulatory Submittal. – An application or other submittal to a Regulatory
18 Authority for a permit, license, or approval. In the case of a unit of local
19 government, Regulatory Submittal shall mean an application or submittal
20 submitted to a program approved by or delegated from the Department of
21 Environment and Natural Resources, the Department of Health and Human
22 Services, or the Department of Transportation.
23 (5) Submitting Party. – The person submitting the Regulatory Submittal to the
24 Regulatory Authority.
25 (6) Working Job Title. – The job title a Regulatory Authority uses to publicly

1 information that constitute suggestions or recommendations by the
2 Regulatory Authority. For purposes of this subdivision, "suggestions or
3 recommendations by the Regulatory Authority" means comments made by
4 the reviewer of the Regulatory Submittal to the Submitting Party that make a

6 that are not required by the Regulatory Authority in order to proceed with
7 the permit, license, or approval.

- 8 (2) With respect to revisions or requests for additional information that are

12 **SECTION 3.(a)** Informal Review. – No later than December 1, 2014, each
13 Regulatory Authority shall create a process for each regulatory program administered by the

19 first be conducted by the reviewing employee's supervisor or, in the case of a
20 Regulatory Authority that is a unit of local government, either the reviewing
21 employee's supervisor or the delegating or approving State agency. If this
22 initial review was not conducted by a Professional Engineer, then the
23 Submitting Party may request review by (i) a Professional Engineer on the
24 staff of the Regulatory Authority or (ii) the delegating or approving State
25 agency in the case of a Regulatory Authority that is a unit of local
26 government. If the Regulatory Authority or delegating or approving State
27 agency does not employ a Professional Engineer qualified and competent to
28 perform the review, it may provide for review by a consulting Professional
29 Engineer selected from a list developed and maintained by the Reviewing
30 Authority. The Regulatory Authority may charge the Submitting Party for
31 the costs of the review by the consulting Professional Engineer. Nothing in
32 this subdivision is intended to limit the authority of the Regulatory Authority
33 to make a final decision with regard to a Regulatory Submittal following the
34 reviews described in this subdivision.

- 35 (2) A disagreement between the reviewer of the Regulatory Submittal and the
36 Submitting Party regarding whether the statutory or regulatory authority
37 identified by the Regulatory Authority for revisions or requests for
38 additional information designated as "required" under the procedures set
39 forth in Section 2 of this act justifies a required change.

40 **SECTION 3.(b)** Scope. – Nothing in this section shall limit or abrogate any rights
41 available under Chapter 150B of the General Statutes to any Submitting Party.

42 **SECTION 4.(a)** Pilot Study. – No later than March 1, 2015, the Department of
