16 Raleigh, who was responsible for sending the first colonists to North Carolina; and

17 Whereas, Senator William Christmas, a surveyor chosen to lay out the new city,  
18 based Raleigh's layout on the City of Philadelphia, which at that time was the nation's capital;

25 Whereas, the cornerstone of the present State Capitol is constructed on the site of  
26 the former State House; and
