The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115C-341.1 reads as rewritten:

"§ 115C-341.1. Flexible Compensation Plan.

 Notwithstanding any other provisions of law relating to the salaries of employees of local boards of education, the State Board of Education is authorized to provide a plan of flexible compensation to eligible employees of local school administrative units for benefits available under Section 125 and related sections of the Internal Revenue Code of 1986 as amended. This plan shall not include those benefits provided to employees under Articles 1, 3, 3B, and 6 of Chapter 135 of the General Statutes nor any vacation leave, sick leave, or any other leave that may be carried forward from year to year by employees as a form of deferred compensation. The plan may, however, offer a TRICARE supplement. In providing a plan of flexible compensation, the State Board may authorize local school administrative units to enter into agreements with their employees for reductions in the salaries of employees electing to participate in the plan of flexible compensation provided by this section. Should the State Board decide to contract with a third party to administer the terms and conditions of a plan of flexible compensation as provided by this section, it may select such a contractor only upon a thorough and completely advertised competitive procurement process."

SECTION 2. G.S. 115D-25.2 reads as rewritten:

In providing a plan of flexible compensation, the State Board may authorize constituent institutions to enter into agreements with their employees for reductions in the salaries of employees electing to participate in the plan of flexible compensation provided by this section. SECTION 5. Any State entity that decides to offer a TRICARE supplement option shall use a competitive bid process to award contracts to any third-party provider. The NC Flex plan administered by the Office of State Personnel shall offer a TRICARE supplement no later than January 1, 2015.
