1 (b) Voting Mail-In Absentee. – An individual who has registered to vote by mail on or
2 after January 1, 2003, and has not previously voted in an election that includes a ballot item for
3 federal office in North Carolina, in order to cast a mail-in absentee vote, shall submit with the
4 mailed-in absentee ballot one of the following:

5 (1) A copy of a current and valid photo identification.

44 identification record bearing the same number, name, and date of birth
45 contained in the submitted registration. If any individual's number does not
46 match, the individual shall provide identification as required in subsection

16 **SECTION 3.3.** G.S. 163-227.2(g) reads as rewritten:

17 "(g) Notwithstanding any other provision of this section, a county board of elections by
18 unanimous vote of all its members may provide for one or more sites in that county for
19 absentee ballots to be applied for and cast under this section. Sites may be open under this
20 subsection only during a period of six calendar days (not including Sunday) designated by the
21 county board of elections under subsection (b) of this section. Every individual staffing any of
22 those sites shall be a member or full-time employee of the county board of elections or an
23 employee of the county board of elections whom the board has given training equivalent to that
24 given a full-time employee. Those sites must be approved by the State Board of Elections as
25 part of a Plan for Implementation approved by both the county board of elections and by the
26 State Board of Elections which shall also provide adequate security of the ballots and
27 provisions to avoid allowing persons to vote who have already voted. The Plan for
28 Implementation shall include a provision for the presence of political party observers at each
29 one-stop site equivalent to the provisions in G.S. 163-45 for party observers at voting places on
30 election day. A county board of elections may propose in its Plan not to offer one-stop voting at
31 the county board of elections office; the State Board may approve that proposal in a Plan only
32 if the Plan includes at least one site reasonably proximate to the county board of elections
33 office and the State Board finds that the sites in the Plan as a whole provide adequate coverage
34 of the county's electorate. If a county board of elections has considered a proposed Plan or
35 Plans for Implementation and has been unable to reach unanimity in favor of a Plan, a member
36 or members of that county board of elections may petition the State Board of Elections to adopt
37 a plan for it. If petitioned, the State Board may also receive and consider alternative petitions
38 from another member or members of that county board. The State Board of Elections may
39 adopt a Plan for that county. The State Board, in that plan, shall take into consideration factors
40 including geographic, demographic, and partisan interests of that county."
