12 Transportation shall terminate the Comprehensive Agreement for the I-77 HOT Lanes project in

16 Agreement dated as of June 26, 2014, including any amendments made to the Comprehensive

22 of any litigation resulting from the cancellation of the Comprehensive Agreement, or 10 years,  
23 whichever is sooner, the funds remaining in the reserve account shall be used by the Department  
24 to fund the projects suspended under Section 3 of this act, in their Strategic Transportation  
25 Investments Act Prioritization 3.0 order. If the funds remaining are insufficient to fund any of the  
26 projects, those unfunded projects may be resubmitted for prioritization under the Strategic  
27 Transportation Investments Act as new projects without prejudice. To the extent these funds are  
28 deemed unappropriated, the funds made available by the projects suspended in Section 3 of this  
29 act are hereby appropriated for the purposes stated in this section.

30 **SECTION 3.** Effect on Specified Mecklenburg Projects. – Notwithstanding Article
