The petition to expunge the charges for the subsequent crime shall not be filed earlier than five years after the date that the order for the first expunction was entered. The petition shall contain, but not be limited to, the following:
  - An affidavit by the petitioner that the petitioner has been of good moral character since the date the charges for the subsequent crime were dismissed or a finding of not guilty was entered and that the petitioner has not been convicted of any other felony or misdemeanor, other than a traffic violation, under the laws of the United States or the laws of this State or any other state.
  - (2) Verified affidavits of two persons who are not related to the petitioner or to each other by blood or marriage, that they know the character and reputation of the petitioner in the community in which the petitioner lives, and that the petitioner's character and reputation are good.
  - (3) A statement that the petition is a motion in the cause in the case wherein the petitioner was charged.
  - An application on a form approved by the Administrative Office of the Courts requesting and authorizing a name-based State and national criminal history record check by the Department of Justice using any information required by the Administrative Office of the Courts to identify the individual, a search by the Department of Justice for any outstanding warrants on pending criminal cases, and a search of the confidential record of expunctions maintained by the Administrative Office of the Courts. The application shall be forwarded to the Department of Justice and to the Administrative Office of the Courts, which shall conduct the searches and report their findings to the court.
  - (5) An affidavit by the petitioner that no restitution orders or civil judgments representing amounts ordered for restitution entered against the petitioner are outstanding.

Upon filing of the petition, the petition shall be served upon the district attorney of the court wherein the charge of the subsequent crime was dismissed or a finding of not guilty entered. The district attorney shall have 30 days thereafter in which to file any objection thereto and shall be duly notified as to the date of the hearing of the petition. Upon good cause shown, the court may grant the district attorney an additional 30 days to file objection to the petition. The district attorney shall make the district attorney's best efforts to contact the victim, if any, to notify the victim of the request for expunction prior to the date of the hearing.

- (c) If the court, after hearing, finds all of the following, the court may, in its discretion, grant the additional expunction:
  - (1) The petitioner has been granted only one expunction and it was to expunge a crime charged against the petitioner when the petitioner was less than 26 years old that was dismissed or for which a finding of not guilty was entered.
  - (2) The petitioner has not previously been granted an expunction under this section.
  - (3) The petitioner has remained of good moral character since the date of the criminal charge for which the petitioner is requesting an expunction.
  - (4) The petitioner has no outstanding warrants or pending criminal cases.

- (5) The petitioner has no felony or misdemeanor convictions other than a traffic violation.
- (6) The petitioner has no outstanding restitution orders or civil judgments representing amounts ordered for restitution entered against the petitioner.
- (7) The criminal charge that the petitioner is requesting to have expunged is for a nonviolent misdemeanor or nonviolent felony.

If the court, in its discretion, grants the additional expunction, it shall order that the petitioner be restored, in the contemplation of the law, to the status the petitioner occupied before the arrest or indictment or information. If the court denies the petition, the order shall include a finding as to the reason for the denial.

Persons pursuing certification under the provisions of Chapter 17C or 17E of the General Statutes, however, shall disclose any and all charges to the certifying Commission, regardless of whether or not the charges were expunged pursuant to the provisions of this section.

Persons required by State law to obtain a criminal history record check on a prospective employee shall not be deemed to have knowledge of any charges expunged under this section.

- (e) The court shall also order that the charges be expunged from the records of the court and direct all law enforcement agencies bearing record of the same to expunge their records of the charges. The clerk shall notify State and local agencies of the court's order, as provided in G.S. 15A-150.
- (f) Any other applicable State or local government agency shall expunge from its records entries made as a result of the charges ordered expunged under this section upon receipt from the petitioner of an order entered pursuant to this section. This subsection shall not apply to the Department of Justice for DNA records and samples stored in the State DNA Database and the State DNA Databank or to fingerprint records.
