30 The provisions of this Article shall be known and may be cited as the "North Carolina
31 Community Association Managers Licensure Act."

32 "**§ 93A-101. Legislative findings and purpose.**

33 The General Assembly finds that individuals or entities that provide community association
34 management in North Carolina affect the public health, safety, and welfare and that the
35 mandatory licensure of those who provide community association management for

1 compensation is necessary to ensure minimum standards of competency. It is the purpose and
2 intent of this Article to protect the public from individuals or entities unqualified to provide
3 community association management and from unprofessional conduct by individuals or entities
4 licensed pursuant to this Article.

5 **"§ 93A-102. Definitions.**

39 proprietary business or trade school licensed by the State Board of
40 Community Colleges under G.S. 115D-90 to conduct courses other than the
41 community association manager courses described in this Article shall not be
42 considered a private community association manager school.

48 the title "Community Association Manager," or any variation thereof, without first obtaining a
49 community association manager license issued by the Commission under the provisions of this
50 Chapter. A license must be obtained from the Commission even if the person, partnership,
51 corporation, limited liability company, firm, association, or other business entity is licensed in

32 person or entity other than the declarant, whichever occurs first.

33 **"§ 93A-105. Requirements for licensure.**

34 (a) To be licensed as a community association manager, an applicant shall make written
35 application for such license in the form and manner prescribed by the Commission. Each
36 applicant for licensure shall satisfy the following qualification requirements:

- 37 (1) The applicant must be at least 18 years of age.
- 38 (2) The applicant must satisfactorily complete within three years preceding the
39 date the application is made, at a school approved by the Commission, a
40 course of instruction prescribed by the Commission that may consist of at
41 least 45 hours of classroom instruction, or equivalent, in subjects determined
42 by the Commission. The Commission may waive the course requirement for
43 applicants upon a finding that the applicant possesses education or
44 experience in community association management equivalent to the
45 prescribed education program.
- 46 (3) After submitting a complete application, the Commission may require the
47 applicant to pass a licensing examination to demonstrate competency. The
48 examination may be provided by the Commission or by a vendor selected by
49 the Commission. An applicant who fails the examination shall be entitled to
50 know the result and score. An applicant who passes the examination shall be
51 notified only of the result. The result of the examination shall be a matter of

1 public record, however the score shall remain confidential. Nothing in this
2 subdivision shall limit the rights or procedures granted to applicants under
3 G.S. 93B-8.

4 (4) Each applicant for licensure as a community association manager shall be
5 required to pay an application fee for each application filed in an amount to
6 be determined by the Commission, but not to exceed two hundred dollars
7 (\$200.00). In addition to the application fee, the applicant may be required to
8 pay a fee for a license examination not to exceed the actual cost of
9 administering the examination.

10 (5) Before a license is issued, the applicant shall provide to the Commission
11 evidence of coverage by a fidelity bond in accordance with G.S. 93A-113.

12 (6) Each applicant shall demonstrate to the Commission that the applicant
13 possesses the competency, honesty, truthfulness, integrity, good moral
14 character, and general fitness, including mental and emotional fitness,
15 necessary to protect the public interest and promote public confidence in the
16 community association management business.

17 (7) An applicant may be required to provide the Commission with a criminal
18 record report from one or more reporting services designated by the
19 Commission, or to provide fingerprints and consent to a criminal history
20 record check to be conducted by the North Carolina Department of Public
21 Safety. The Commission shall be responsible for providing to the
22 Department of Public Safety the fingerprints of the applicant, a form signed
23 by the applicant consenting to the criminal record check and the use of
24 fingerprints and other identifying information required by the State or
25 national Repositories, and any additional information required by the
26 Department of Public Safety. The Department of Public Safety may charge
27 the applicant a fee for conducting the criminal history record check.

28 (b) The cost of the criminal history record check and the fingerprinting shall be borne
29 by the applicant.

30 (c) If the applicant meets all the requirements of this Article, the Commission shall
31 issue a license authorizing the applicant to act as a community association manager in the State
32 of North Carolina.

33 (d) Records, reports, papers, and other documentation containing personal information
34 collected or compiled by the Commission in connection with an application for examination,
35 licensure, certification, or renewal or reinstatement, or the subsequent update of information
36 shall not be considered public records within the meaning of Chapter 132 of the General
37 Statutes unless admitted into evidence in a hearing held by the Commission.

38 (e) The Commission shall have authority to enact rules related to the status of the
39 license issued to a community association manager. A license may be on active or inactive
40 status.

41 **"§ 93A-106. Denial of licensure.**

42 (a) If the Commission determines that an applicant has not demonstrated that the
43 applicant possesses the character and fitness for licensure, the Commission shall defer action on
44 the applicant's application and shall notify the applicant in writing by first-class mail directed to
45 the address provided by the applicant in the application. Within 60 days following the mailing
46 of the notice, the applicant may make a written request for a hearing before the Commission.
47 Proceedings before the Commission shall be governed by Article 3A of Chapter 150B of the
48 General Statutes. At the hearing, the applicant shall have the burden of demonstrating the
49 applicant's good character and fitness for licensure. If the applicant does not make a timely
50 written request for a hearing, the application shall be deemed denied.

1 (b) Notwithstanding G.S. 150B-38(c), in a contested case commenced upon the request
2 of a party applying for licensure regarding the question of the moral character or fitness of the
3 applicant, if notice has been reasonably attempted, but cannot be given to the applicant
4 personally or by certified mail in accordance with G.S. 150B-38(c), the notice of hearing shall
5 be deemed given to the applicant when a copy of the notice is deposited in an official
6 depository of the United States Postal Service addressed to the applicant at the latest mailing
7 address provided by the applicant to the Commission or by any other means reasonably
8 designed to achieve actual notice to the applicant.

9 **"§ 93A-107. License is property of the Commission; display of license; address change**
10 **reporting.**

11 (a) A license issued by the Commission is the property of the Commission. If the
12 Commission suspends or revokes a license, the community association manager to whom the
13 license is issued shall return the license to the Commission upon demand.

14 (b) A community association manager licensed by the Commission shall display the
15 license in a manner prescribed by the Commission. A licensed community association that has
16 changed its address shall report the change to the Commission within ten days of the change.

17 **"§ 93A-108. Licensing nonresident community association managers.**

18 (a) The Commission may issue a community association manager license to an
19 applicant licensed in a foreign jurisdiction who has satisfied the requirements for licensure set
20 out in G.S. 93A-105 or such other requirements as the Commission in its discretion may by rule
21 require.

22 (b) Every nonresident applicant shall file an irrevocable consent allowing that suits and
23 actions may be commenced against such applicant in any of the courts of record of this State,
24 by the service of any process or pleading authorized by the laws of this State in any county in
25 which the plaintiff may reside, or by serving the same on the Executive Director of the
26 Commission, said consent stipulating and agreeing that such service of such process or
27 pleadings on said Executive Director shall be taken and held in all courts to be valid and
28 binding as if due service had been made personally upon the applicant in this State. This
29 consent shall be duly acknowledged, and, if made by a corporation, shall be executed by an
30 officer of the corporation. The signature of the officer on the consent to service instrument shall
31 be sufficient to bind the corporation and no further authentication is necessary. An application
32 from a corporation or other business entity shall be signed by an officer of the corporation or
33 entity or by an individual designated by the Commission. In all cases where process or
34 pleadings shall be served, under the provisions of this Chapter, upon the Executive Director of
35 the Commission, such process or pleadings shall be served in duplicate, one of which shall be
36 filed in the office of the Commission and the other shall be forwarded immediately by the
37 Executive Director of the Commission, by registered mail, to the last known business address
38 of the nonresident licensee against which such process or pleadings are directed.

39 **"§ 93A-109. Expiration of License, renewal and reinstatement.**

40 (a) All licenses issued by the Commission under the provisions of this Article shall
41 expire on the 30th day of June following issuance or on any other date that the Commission
42 may determine and shall become invalid after that date unless reinstated. A license may be
43 renewed 45 days prior to the expiration date by filing an application with and paying to the
44 Commission the license renewal fee and providing proof of having the required active fidelity
45 bond as required by G.S. 93A-113 for the upcoming license period. The license renewal fee is
46 one hundred dollars (\$100.00) unless the Commission sets the fee at a higher amount. The
47 Commission may set the license renewal fee at an amount that does not exceed two hundred
48 dollars (\$200.00). The license renewal fee may not increase by more than ten dollars (\$10.00)
49 during a 12-month period.

50 (b) The Commission may adopt rules establishing a system of license renewal in which
51 the licenses expire annually with varying expiration dates. These rules shall provide for

1 prorating the annual fee to cover the initial renewal period so that no licensee shall be charged
2 an amount greater than the annual fee for any 12-month period.

3 (c) The fee for reinstatement of an expired license shall be one hundred fifty dollars
4 (\$150.00). In the event a licensee fails to obtain a reinstatement of such license within six
5 months after the expiration date thereof, the Commission may, in its discretion, consider such
6 person as not having been previously licensed, and thereby subject to the provisions of this
7 Article relating to the issuance of an original license, including the examination requirements
8 set forth herein.

9 (d) Duplicate licenses may be issued by the Commission upon payment of a fee of five
10 dollars (\$5.00) by the licensee. Commission certification of a licensee's license history shall be
11 made only after the payment of a fee of ten dollars (\$10.00).

12 **"§ 93A-110. Register of applicants and roster of community association managers.**

13 (a) The Executive Director of the Commission shall keep a register of all applicants for
14 license, showing for each the date of application, name, place of residence, and whether the
15 license was granted or refused. Said register shall be prima facie evidence of all matters
16 recorded therein.

17 (b) The Executive Director of the Commission shall keep a current roster showing the
18 names and places of business of all licensed community association managers, which roster
19 shall be kept on file in the office of the Commission and be open to public inspection.

20 **"§ 93A-111. Continuing education.**

21 (a) The Commission shall establish a program of continuing education for individual
22 persons licensed as community association managers. An individual licensed as a community
23 association manager shall complete continuing education requirements in an amount not to
24 exceed 12 classroom hours of instruction a year during any license renewal period in subjects
25 and at times the Commission deems appropriate. Any licensee who fails to complete continuing
26 education requirements pursuant to this section shall not hold a license on active status and
27 shall not actively engage in the business of a community association manager.

28 (b) The Commission may adopt rules regarding continuing education requirements,
29 including rules that govern the following:

30 (1) The content and subject matter of continuing education courses.

31 (2) The criteria, standards, and procedures for the approval of courses, course
32 sponsors, and course instructors.

35 (5) The ability to carry forward course credit from one year to another.

36 (6) The waiver of or variance from the continuing education requirement for
37 hardship or other reasons.

38 (7) The procedures for compliance and sanctions for noncompliance.

39 (c) The Commission may establish a nonrefundable course application fee to be
40 charged to a course sponsor for the review and approval of a proposed continuing education
41 course. Approval of a continuing education course shall be renewed annually. The Commission
42 may also require a course sponsor to pay a fee for each licensee completing an approved
43 continuing education course conducted by the sponsor.

44 (d) The Commission may award continuing education credit for an unapproved course
45 or related educational activity. The Commission may prescribe procedures for a licensee to
46 submit information on an unapproved course or related educational activity for continuing
47 education credit. The Commission may charge a fee to the licensee for each unapproved course
48 or activity submitted. The fee shall not exceed fifty dollars (\$50.00).

49 (e) The Commission may create rules allowing for a deferral of continuing education
50 for community association managers while they are not actively engaged in community
51 association management.

1 (f) The Commission may establish a nonrefundable course application fee to be
2 charged to a course sponsor for the review and approval of a proposed continuing education
3 course. The fee shall not exceed one hundred twenty-five dollars (\$125.00) per course. The
4 Commission may charge the sponsor of an approved course a nonrefundable fee not to exceed
5 seventy-five dollars (\$75.00) for the annual renewal of course approval.

6 (g) An approved course sponsor shall pay a fee of ten dollars (\$10.00) per licensee to
7 the Commission for each licensee completing an approved continuing education course
8 conducted by the sponsor.

9 (h) The Commission shall not charge a course application fee, a course renewal fee, or
10 any other fee for a continuing education course sponsored by a community college, junior
11 college, college or university located in this State that is accredited by the Southern Association
12 of Colleges and Schools.

13 **"§ 93A-112. Rule-making authority.**

14 (a) The Commission is expressly vested with the power and authority to make and
15 enforce any and all reasonable rules and regulations connected with license application,
16 examination, education, renewal, and reinstatement as shall be deemed necessary to administer
17 and enforce the provisions of this Article.

18 (b) Nothing contained in this Article shall be construed as giving any authority to the
19 Commission or any licensee of the Commission authority to engage in the practice of law or to
20 render any legal service as specifically set out in Chapter 84 of the General Statutes. Nothing
21 contained in this Chapter shall be construed as giving any authority to the Commission or any
22 licensee of the Commission as authorizing any licensee to engage in the practice of a certified
23 public accountant or to render any certified public accounting service as specifically set out in
24 Chapter 93 of the General Statutes.

25 **"§ 93A-113. Fidelity bonds; segregation of accounts.**

26 (a) Every community association manager shall, at all times, be covered by a fidelity
27 bond or an insurance policy that complies with the provisions of this Article.

28 (b) The bond shall provide coverage in an amount at least equal to the amount of the
29 budgets of all clients of the community association manager but shall not exceed two million
30 dollars (\$2,000,000) and shall comply with the following conditions:

31 (1) The bond shall be written by an insurance company authorized to write
32 fidelity bonds in this State.

33 (2) The bond shall cover the association manager and all of the employees
34 with access to or who are engaged in any of the accounting related to any
35 community association funds, and protect all of the community association
36 funds in the custody of the community association manager or association
37 employees acting under the association manager's supervision.

38 (3) The bond shall provide that the insurance company issuing the bond may not
39 cancel, substantially modify, or refuse to renew the bond without giving
40 30 days prior written notice to the executive board of each community
41 association being managed and to the Commission, except in the case of
42 nonpayment of premiums, in which case 10 days prior written notice shall
43 be given.

44 (4) Contain any other provisions as may be required by the executive board or
45 the Commission by rule.

46 (c) A licensee shall furnish the Commission proof of required bond coverage before
47 engaging in community association management activities and upon license renewal if the
48 licensee continues to engage in community association management activities.

49 (d) The fidelity bond may be issued to an individual licensee naming the licensee as the
50 insured party or may be issued to a community association management firm naming the firm,
51 all affiliated licensees, and any other insured parties.

1 (e) The Commission may establish rules related to the manner in which a community
2 association manager handles and accounts for monies coming into the manager's custody that
3 belong to a community association. A community association manager with custody, dominion,
4 or control of money belonging to a community association or money belonging to a member of
5 a community association shall comply with all the following:

- 6 (1) Safeguard and account for the money promptly and accurately.
- 7 (2) Promptly deposit the money into federally insured accounts in a bank,
8 savings institution, or credit union lawfully doing business in North Carolina
9 that consents to the jurisdiction of the Commission for the examination of its
10 records necessary to enforce this Article.
- 11 (3) Segregate the money in an account or accounts used exclusively for the
12 deposit and maintenance of funds belonging only to one association and not
13 commingle the money belonging to one association with money belonging to
14 another association, the manager, or another person or entity.
- 15 (4) Obtain written authorization if any interest or other income earned by the
16 money is to be paid to any person or party other than the association or
17 member to whom the money belongs.
- 18 (5) Create and maintain books and records sufficient to demonstrate compliance
19 with the provisions of this section and rules adopted by the Commission.
- 20 (6) Upon depositing the money as provided in this subsection, expend, remit, or
21 invest the money as directed by the association to whom the money belongs
22 and provide an accurate account of any expenditure, remittance, or
23 investment.

24 **"§ 93A-114. Disciplinary action by the Commission; injunctions.**

25 (a) The Commission shall have the authority to take disciplinary action. Upon its own
26 initiative or upon the complaint of any person, the Commission may investigate the actions of
27 any person or entity licensed under this Article, or any other person or entity who shall assume
28 to act in such capacity. If the Commission finds probable cause that a licensee has violated any
29 of the provisions of this Article, the Commission may hold a hearing on the allegations of
30 misconduct under Article 3A of Chapter 150B of the General Statutes.

31 The Commission may suspend or revoke a license issued under the provisions of this
32 Article or reprimand a licensee if, following a hearing, the Commission adjudges the licensee to
