such vacancy is not filled in this manner within 30 days, the State Board of Education may fill 1 2 such vacancy. 3 Members to Qualify. - Each county board of education shall hold a meeting in (d) 4 December following the election. At that meeting, newly elected members of the board of 5 education shall qualify by taking the oath of office prescribed in Article VI, Sec. 7 of the 6 Constitution. 7 This subsection shall not have the effect of repealing any local or special acts relating to 8 boards of education of any particular counties whose membership to said boards is chosen by a 9 vote of the people. 10 Vacancies in Nominations for Membership on County Boards. – If any candidate (e) 11 nominated on a partisan basis shall die, resign, or for any reason become ineligible or 12 disqualified between the date of his or her nomination and the time for the election, such 13 vacancy caused thereby may be filled by the actions of the county executive committee of the 14 political party of such candidate. 15 Vacancies in Office. - All vacancies in the membership of the boards of education (f) whose members are elected pursuant to the provisions of subsection (a) of this section by death, 16 17 resignation, or other causes shall be filled by appointment by the remaining members of the 18 board, of a person to serve until the next election of members of such board, at which time the remaining unexpired term of the office in which the vacancy occurs shall be filled by election. 19 20 The remaining members of the board shall consult with the executive committee of the 21 nominating political party of the member whose seat is vacant and appoint the person 22 recommended by that party executive committee, if the party executive committee makes a 23 recommendation within 30 days of the occurrence of the vacancy. Whenever only the qualified 24 voters of less than the area of the entire local school administrative unit were eligible to vote 25 for the member whose seat is vacant, the appointing authority must accept the recommendation 26 only if the party executive committee restricted voting to committee members who represent 27 precincts all or part of which were within the territory of the vacating school board member. Notwithstanding any provisions of G.S. 153A-3 or G.S. 160A-3 to the contrary, a local act may 28 29 not supersede the method of filling vacancies in the membership of boards of education 30 provided for in this subsection. 31 Eligibility for Board Membership; Holding Other Offices. – Any person possessing (g) 32 the qualifications for election to public office set forth in Article VI, Sec. 6 of the Constitution 33 of North Carolina shall be eligible to serve as a member of a local board of education: 34 Provided, however, that any person elected or appointed to a local board of education, and also 35 employed by that board of education, shall resign his or her employment before taking office as 36 a member of that board of education. 37 Membership on a board of education is hereby declared to be an office that, with the 38 exceptions provided above, may be held concurrently with any appointive office, pursuant to 39 Article VI, Sec. 9 of the Constitution, but any person holding an elective office shall not be 40 eligible to serve as a member of a local board of education. 41 Death or Disgualification of Candidate in Nonpartisan Election. -- If a candidate dies (h)42 or becomes disqualified after the filing period has closed and before the election, and the 43 ballots have not been printed, the county board of elections shall immediately reopen the filing 44 period for five days so that additional candidates may file for election. If the ballots have been 45 printed at the time the board of elections receives notice of the death or disqualification, the 46 board shall reopen the filing period for three days if the board determines it will have time to 47 reprint the ballots before the election. 48 In the event the board of elections determines that there is not time enough to reopen the 49 filing period for three days and to reprint the ballots, then the ballots shall not be reprinted and 50 the name of the deceased or disqualified candidate shall remain on the ballot. Votes cast for

1 such candidate shall not be considered and the candidates receiving the highest number of votes 2 equal to the number of positions to be filled shall be elected. 3 The local board of education shall revise electoral district boundaries from time to (i) 4 time as provided by this subsection. If district boundaries are set by local act or court order and 5 the act or order does not provide a method for revising them, the local board of education shall 6 revise them only for the purpose of (i) accounting for territory annexed to or excluded from the 7 school administrative unit, and (ii) correcting population imbalances among the districts shown 8 by a new federal census or caused by exclusions or annexations. After the General Assembly 9 has ratified an act establishing district boundaries, the local board of education shall not revise 10 them again until a new federal census of population is taken or territory is annexed to or 11 excluded from the school administrative unit, whichever event first occurs. After the local board of education has revised district boundaries in conformity with this act, the local board of 12 13 education shall not revise them again until a new federal census of population is taken or 14 territory is annexed to or excluded from the school administrative unit, whichever event occurs 15 first, except that the board may make an earlier revision of district boundaries it has drawn if it 16 must do so to comply with a court order or to gain approval of a district-revision plan by the 17 U.S. Justice Department under Section 5 of the Voting Rights Act. In establishing district 18 boundaries, the local board of education shall use data derived from the most recent federal 19 census." 20 **SECTION 1.2.** G.S. 115C-37.1 is repealed. 21 SECTION 1.3. G.S. 115C-67(3) reads as rewritten: The establishment and maintenance of a board of education which shall 22 "(3) 23 administer all the public schools of the newly created unit, including: 24 The termination of any terms of office proposed in the reorganization a. 25 of the board. 26 The method of constituting and continuing the board of education; b. 27 the manner of selection of board members, including (i) the number 28 of members of the board, (ii) the method of their election or 29 appointment, (iii) whether members shall be nominated, elected, or 30 appointed from districts or at large, and (iv) the manner of 31 determining the nominee, and (v) whether the election shall be 32 partisan or nonpartisan; nominee; the length of the members' terms of 33 office; the dates of induction into office; the organization of the 34 board; the procedure for filling vacancies; and the compensation to 35 be paid members of the board for expenses incurred in performance 36 of their duties. ToExcept for the requirements of election on a 37 partisan basis and the filling of vacancies in the membership of a 38 local board of education, to the extent that the method conflicts with 39 G.S. 115C-35, G.S. 115C-37, or with any local act concerning any of 40 the units being merged and consolidated, the plan of merger and 41 consolidation shall prevail." 42 **SECTION 1.4.(a)** This act shall have the effect of repealing any provisions of local 43 or special acts relating to the nonpartisan election of a local board of education and any 44 conflicting methods of filling vacancies in the membership of boards of education than as 45 required by G.S. 115C-37(f), as amended by this act. This act shall not affect the filling of a 46 vacancy on a local board of education that occurs for a seat elected prior to the effective date of 47 this act.

48 **SECTION 1.4.(b)** Any local act requiring a board of education election to be 49 conducted in an odd-numbered year shall be held as a partisan election beginning in 2017.

(a)

This section shall apply only to municipal and special district elections.

(b) If a candidate for political party nomination for office dies, becomes disqualified, or
 withdraws before the primary but after the ballots have been printed, the provisions of
 G.S. 163-112 shall govern.

25 If a candidate for nomination in a nonpartisan municipal primary dies, becomes 26 disqualified, or withdraws before the primary but after the ballots have been printed, the board 27 of elections shall determine whether or not there is time to reprint the ballots. If the board 28 determines that there is not enough time to reprint the ballots, the deceased or disqualified 29 candidate's name shall remain on the ballots. If he receives enough votes for nomination, such 30 votes shall be disregarded and the candidate receiving the next highest number of votes below 31 the number necessary for nomination shall be declared nominated. If the death or 32 disqualification of the candidate leaves only two candidates for each office to be filled, the 33 nonpartisan primary shall not be held and all candidates shall be declared nominees.

If a nominee for political party nomination dies, becomes disqualified, or withdraws after the primary and before election day, the provisions of G.S. 163-114 shall govern.

36 If a candidate in a nonpartisan election dies, becomes disqualified, or withdraws before 37 election day and after the ballots have been printed, the board of elections shall determine 38 whether there is enough time to reprint the ballots. If there is not enough time to reprint the 39 ballots, and should the deceased or disqualified candidate receive enough votes to be elected, 40 the board of elections shall declare the office vacant, and it shall be filled as provided by law.

41 (c) If a person elected to any city office dies, becomes disqualified, or resigns on or
42 after election day and before he has qualified by taking the oath of office, the office shall be
43 deemed vacant, and shall be filled as provided by law.

(d) A vacancy that occurs in a municipal or special district elective office shall be filled
by the governing body as provided in G.S. 160A-63. In the case of a special district, the words

The notice of candidacy shall be either signed in the presence of the chairman or secretary of
the board of elections or the director of elections of that county, or signed and acknowledged
before an officer authorized to take acknowledgments who shall certify the notice under seal.
An acknowledged and certified notice may be mailed to the board of elections. The candidate
shall sign the notice of candidacy with his legal name and, in his discretion, any nickname by
which he is commonly known, in the form that he wishes it to appear upon the ballot but
substantially as follows: "Richard D. (Dick) Roc." A candidate may also, in lieu of his legal
first name and legal middle initial or middle name (if any) sign his nickname, provided that he
appends to the notice of candidacy an affidavit that he has been commonly known by that
nickname for at least five years prior to the date of making the affidavit, and notwithstanding
the previous sentence, if the candidate has used his nickname in lieu of first and middle names
as permitted by this sentence, unless another candidate for the same office who files a notice of
candidacy has the same last name, the nickname shall be printed on the ballot immediately
before the candidate's surname but shall not be enclosed by parentheses. If another candidate
for the same office who filed a notice of candidacy has the same last name, then the candidate's
name shall be printed on the ballot in accordance with the next sentence of this subsection. The
candidate shall also include with the affidavit the way his name (as permitted by law) should be
listed on the ballot if another candidate with the same last name files a notice of candidacy for
that office.
(b) Only persons who are registered to vote in the municipality shall be permitted to file
notice of candidacy for election to municipal office. The board of elections shall inspect the
voter registration lists immediately upon receipt of the notice of candidacy and shall cancel the
notice of candidacy of any candidate who is not eligible to vote in the election. The board shall
give notice of cancellation to any candidate whose notice of candidacy has been cancelled
under this subsection by mail or by having the notice served on him by the county sheriff.
(c) Candidates seeking municipal office shall file their notices of candidacy with the
board of elections no earlier than 12:00 noon on the first Friday in July and no later than 12:00
noon on the third Friday in July preceding the election, except:
(1) In the year following a federal decennial census, candidates seeking
municipal office in any city which elects members of its governing board on
a district basis, or requires that candidates reside in a district in order to run,
shall file their notices of candidacy with the board of elections no earlier
than 12:00 noon on the fourth Monday in July and no later than 12:00 noon
on the second Friday in August preceding the election; and
(2) In the second year following a federal decennial census, if the election is
held then under G.S. 160A-23.1, candidates seeking municipal office shall
file their notices of candidacy with the board of elections at the same time as
notices of candidacy for county officers are required to be filed under
G.S. 163-106.
Notices of candidacy which are mailed must be received by the board of elections before
the filing deadline regardless of the time they were deposited in the mails.
the ming deadance regardless of the time they were deposited in the mans.

Any person may withdraw his notice of candidacy at any time prior to the close of 1 (d) 2 business on the third business day prior to the filing deadline prescribed in subsection (c), and 3 shall be entitled to a refund of his filing fee if he does so. 4 The filing fee for the primary or election shall be fixed by the governing board not (e) 5 later than the day before candidates are permitted to begin filing notices of candidacy. There shall be a minimum filing fee of five dollars (\$5.00). The governing board shall have the 6 authority to set the filing fee at not less than five dollars (\$5.00) nor more than one percent 7

8 (1%) of the annual salary of the office sought unless one percent (1%) of the annual salary of

the office sought is less than five dollars (\$5.00), in which case the minimum filing fee of five 9 10

dollars (\$5.00) will be charged. The fee shall be paid to the board of elections at the time notice 11 of candidacy is filed.

12 (f) No person may file a notice of candidacy for more than one municipal office at the 13 same election. If a person has filed a notice of candidacy for one office with the board of 14 elections under this section, then a notice of candidacy may not later be filed for any other municipal office for the election unless the notice of candidacy for the first office is withdrawn 15 16 first.

17 "<u>§ 163-294.3. Sole candidates to be voted upon in nonpartisan municipal elections.</u>

18 Each candidate for municipal office in nonpartisan municipal elections shall be voted upon, 19 even though only one candidate has filed or has been nominated for a given office, in order that 20 the voters may have the opportunity to cast write in votes under the general election laws.

"§ 163-294.4. Failure of candidates to file; death of a candidate before election.

22 (a) If in a nonpartisan municipal election, when the filing period expires, candidates 23 have not filed for all offices to be filled, the board of elections may extend the filing period for 24 five days.

25 If at the time the filing period closes only two persons have filed notice of (b) 26 candidacy for election to a single office or only as many persons have filed notices of 27 candidacy for group offices as there are offices to be filled, and thereafter one of the candidates 28 dies before the election and before the ballots are printed, the board of elections shall, upon 29 notification of the death, immediately reopen the filing period for an additional five days during 30 which time additional candidates shall be permitted to file for election. If the ballots have been 31 printed at the time the board of elections receives notice of the candidate's death, the board 32 shall determine whether there will be sufficient time to reprint them before the election if the 33 filing period is reopened for three days. If the board determines that there will be sufficient 34 time to reprint the ballots, it shall reopen the filing period for three days to allow other 35 candidates to file for election.

36 If the ballots have been printed at the time the board of elections receives notice of a (c) candidate's death, and if the board determines that there is not enough time to reprint the ballots 37 38 before the election if the filing period is reopened for three days, then, regardless of the number 39 of candidates remaining for the office, the ballots shall not be reprinted and the name of the 40 deceased candidate shall remain on the ballots. If a deceased candidate should poll the highest 41 number of votes in the election, even though short of a majority the board of elections shall 42 declare the office vacant and it shall be filled in the manner provided by law. If no candidate in 43 an election receives a majority of the votes cast and the second highest vote is cast for a 44 deceased candidate, no runoff election shall be held, but the board of elections shall declare the 45 candidate receiving the highest vote to be elected.

In cities conducting partisan elections, any Any qualified voter who seeks to have his the 48 49 voter's name printed on the regular municipal election ballot as an unaffiliated candidate may do so in the manner provided in G.S. 163-122, except that the petitions and affidavits shall be 50 51 filed not later than 12:00 noon on the Friday preceding the seventh Saturday before the

1 election, and the petitions shall be signed by a number of qualified voters of the municipality 2 equal to at least four percent (4%) of the whole number of voters qualified to vote in the 3 municipal election according to the voter registration records of the State Board of Elections as 4 of January 1 of the year in which the general municipal election is held. A person whose name 5 appeared on the ballot in a primary election is not eligible to have his name placed on the 6 regular municipal election ballot as an unaffiliated candidate for the same office in that year. 7 The Board of Elections shall examine and verify the signatures on the petition, and shall certify 8 only the names of signers who are found to be qualified registered voters in the municipality. 9 Provided that in the case where a qualified voter seeks to have his name printed on the regular 10 municipal election ballot as an unaffiliated candidate for election from an election district 11 within the municipality, the petition shall be signed by four percent (4%) of the voters qualified 12 to vote for that office. 13 . . . 14 "§ 163-298.
