BILL SUMMARY:

The bill amends GS 105-164.4G(f) to exempt specified commercial agricultural fairs from the tax imposed on admission charges for entertainment activities. It is effective May 1, 2015, and applies to gross receipts derived on or after that date.

ASSUMPTIONS AND METHODOLOGY:

Before January 1, 2015, all live entertainment and admissions (a group that includes fairs) was subject to the State's 3% gross receipts tax, but the General Statutes contained an exemption for agricultural fairs. In <u>S.L. 2014-3</u>, *Omnibus Tax Law Changes*, the General Assembly made live entertainment and admissions subject to the State's sales tax, and did not exempt agricultural fairs. The bill would exempt agricultural fairs from the State's sales tax.

Methodology

The Department of Agriculture provided 2014 ticket sales and ticket price data for North Carolina agricultural fairs that charge admissions. Applying the State and relevant local sales tax rate to each fairs' total admissions revenue yields an estimate of the total cost of the proposal in the form of lost state and local revenue. The following fairs are included in this analysis:

Alexander County Agricultural Fair Avery County A & H Fair Cabarrus County Fair
