departments of social services with improving accuracy in Medicaid
eligibility determinations, including a time line for implementation of each

If a federally recognized Native American tribe within the State has assumed responsibility
for the Medicaid program pursuant to G.S. 108A-25(e), then this Part applies to the tribe in the
same manner as it applies to county departments of social services.

§ 108A-70.46. Audit of county Medicaid determinations.
Beginning January 1, 2019, the Department of Health and Human Services, Division of Central Management and Support, shall, on an annual basis, audit all county departments of social services for the compliance with the accuracy standards adopted under G.S. 108A-70.47 for Medicaid eligibility determinations made within a 12-month period. This annual audit shall also include an evaluation of compliance with the quality assurance standards under G.S. 108A-70.48 by the county department of social services. Audits shall be conducted for initial Medicaid eligibility determination applications as well as Medicaid reenrollment determinations.

"§ 108A-70.47. Medicaid eligibility determination processing accuracy standards."

(a) The Department shall require county departments of social services to comply with accuracy standards set forth in rule for the processing of Medicaid eligibility determinations. The Department shall set the following standards:

1. Accuracy standards with regards to errors that caused an ineligible Medicaid recipient to be approved for Medicaid benefits.
2. Accuracy standards with regards to errors that caused the denial of benefits to an applicant that should have been approved for Medicaid benefits.
3. Accuracy standards with regards to errors made during the eligibility determination process that did not change the outcome of the eligibility determination.

(b) Standards under this section shall be developed by the Department in consultation with the State Auditor.

The Department shall require county departments of social services to comply with quality assurance minimum standards set forth in rule. The quality assurance standards shall be based upon best practices and shall be developed by the Department in consultation with the State Auditor.

"§ 108A-70.49. Corrective action."

(b) A joint corrective action plan entered into pursuant to this section shall specifically identify the following components:

1. The duration of the joint corrective action plan, not to exceed 24 months. If a county department of social services shows measurable progress in meeting the performance requirements in the joint corrective action plan, then the duration of the joint corrective action plan may be extended by six months, but in no case shall a joint corrective action plan exceed 36 months.
2. A plan for improving the accurate processing of applications that specifically describes the actions to be taken by the county department of social services and the Department.
3. The performance requirements for the county department of social services that constitute successful completion of the joint corrective action plan.
