AN ACT AUTHORIZING LOCAL GOVERNMENTS TO DECLARE A DWELLING UNFIT FOR HUMAN HABITATION IF THERE IS HARMFUL FUNGAL GROWTH THEREIN, TO AUTHORIZE THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO ESTABLISH STATEWIDE PARAMETERS AND GUIDELINES FOR EXPOSURE TO FUNGAL GROWTH THAT MAY RESULT IN MEDICAL AILMENTS, AUTHORIZING LOCAL GOVERNMENTS TO EXPEND TAX AND NONTAX FUNDS FOR TESTING PURSUANT TO THE STATEWIDE PARAMETERS AND GUIDELINES, AND APPROPRIATING FUNDS FOR FUNGAL GROWTH TESTING BY LOCAL GOVERNMENTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-441 reads as rewritten:

"§ 160A-441. Exercise of police power authorized.

It is hereby found and declared that the existence and occupation of dwellings in this State that are unfit for human habitation are inimical to the welfare and dangerous and injurious to the health, safety and morals of the people of this State, and that a public necessity exists for the repair, closing or demolition of such dwellings. Whenever any city or county of this State finds that there exists in the city or county dwellings that are unfit for human habitation due to dilapidation, defects increasing the hazards of fire, accidents or other calamities, lack of ventilation, light or sanitary facilities, fungal growth that may result in medical ailments as a result of prolonged exposure, as determined by parameters and guidelines established by the Commission for Public Health, or due to other conditions rendering the dwellings unsafe or unsanitary, or dangerous or detrimental to the health, safety, morals, or otherwise inimical to the welfare of the residents of the city or county, power is hereby conferred upon the city or county to exercise its police powers to repair, close or demolish the dwellings in the manner herein provided. No ordinance enacted by the governing body of a county pursuant to this Part shall be applicable within the corporate limits of any city unless the city council of the city has by resolution expressly given its approval thereto.

In addition to the exercise of police power authorized herein, any city may by ordinance provide for the repair, closing or demolition of any abandoned structure which the city council finds to be a health or safety hazard as a result of the attraction of insects or rodents, conditions creating a fire hazard, dangerous conditions constituting a threat to children or frequent use by vagrants as living quarters in the absence of sanitary facilities. Such ordinance, if adopted, may provide for the repair, closing or demolition of such structure pursuant to the same provisions and procedures as are prescribed herein for the repair, closing or demolition of dwellings found to be unfit for human habitation."

SECTION 2. G.S. 160A-444 reads as rewritten:

"§ 160A-444. Standards: Standards; dwelling unfit for human habitation; fungal growth parameters and guidelines.

- (a) An ordinance adopted by a city under this Part shall provide that the public officer may determine that a dwelling is unfit for human habitation if he finds that conditions exist in the dwelling that render it dangerous or injurious to the health, safety or morals of the occupants of the dwelling, the occupants of neighboring dwellings, or other residents of the city. Defective conditions may include the following (without limiting the generality of the foregoing): defects therein increasing the hazards of fire, accident, or other calamities; lack of adequate ventilation, light, or sanitary facilities; dilapidation; disrepair; structural defects; uncleanliness. uncleanliness; fungal growth that may result in medical ailments as a result of prolonged exposure, as determined by parameters and guidelines established by the Commission for Public Health (hereinafter "Commission"). The ordinances may provide additional standards to guide the public officers, or his agents, in determining the fitness of a dwelling for human habitation.
- (b) The Commission shall adopt rules establishing statewide parameters and guidelines for exposure to fungal growth that may result in medical ailments. The Commission shall consider the following in establishing statewide parameters and guidelines: (i) fungal species that can cause respiratory and immune ailments from prolonged exposure, (ii) scientific and medical research on harmful fungal growth exposure, (iii) scientific research on the accuracy and cost-effectiveness of fungal growth testing regimes, (iv) the ability of counties and cities to implement fungal growth testing in a timely manner, (v) the cost of remediating fungal growth, and (vi) parameters and guidelines established by other states. Rules adopted by the Commission to implement the provisions of this section are not subject to Article 2A of Chapter 150B of the General Statutes. At least 30 days prior to adopting, amending, or repealing a rule implementing the provisions of this section, the Commission shall do the following:
 - (1) Publish the proposed rule in the North Carolina Register.
 - (2) Submit the proposed rule and notice of public hearing to the Codifier of Rules, and the Codifier of Rules shall publish the same on the Internet within five business days.
 - (3) Notify those on the mailing list maintained in accordance with G.S. 150B-21.2(d).
 - (4) Hold at least one public hearing on the proposed rule no less than five business days after publication in the North Carolina Register.
 - (5) Accept written comments on the proposed rule for at least 15 business days prior to adoption, amendment, or repeal of the proposed rule.
- (c) The governing body of a county or city is authorized to expend tax or nontax funds to conduct testing pursuant to the statewide parameters and guidelines established under subsection (b) of this section. The governing body may also enter into contracts with and accept loans and grants from the State or federal governments for the purpose of conducting testing pursuant to the statewide parameters and guidelines."

SECTION 3. G.S. 42-42 reads as rewritten:

"§ 42-42. Landlord to provide fit premises.

(a) The landlord shall:

..

(8) Within a reasonable period of time based upon the severity of the condition, repair or remedy any imminently dangerous condition on the premises after acquiring actual knowledge or receiving notice of the condition. Notwithstanding the landlord's repair or remedy of any imminently dangerous condition, the landlord may recover from the tenant the actual and reasonable costs of repairs that are the fault of the tenant. For purposes of this subdivision, the term "imminently dangerous condition" means any of the following:
