 39 **PART XVII. EXPAND THE NC PRE-K PROGRAM**

40 **SECTION 17.1.(a)** Findings. – The General Assembly makes the following
 41 findings:

- 42 (1) Access to early childhood programs increases the academic success rate of
 43 children and reduces special education placements. Specifically, participation
 44 in North Carolina's Early Childhood Initiatives reduces the odds of special
 45 education placement by thirty-nine percent (39%).
- 46 (2) The National Institute for Early Education Research assesses preschool
 47 programs in all 50 states and the District of Columbia that offer programs
 48 according to the following benchmarks: early learning standards, teacher
 49 degrees, teacher-specialized training, assistant teacher degrees, teacher
 50 in-service training, maximum class size, staff-child ratio, screening/referral
 51 and support services, meals, and monitoring. As such, North Carolina's

1 prekindergarten (NC Pre-K) program is one of 17 states in the country that
2 meets at least eight of the 10 benchmarks for high-quality state
3 prekindergarten standards.

4 (3) More than 14 years of studies on the NC Pre-K program demonstrate positive
5 outcomes in the key domains of learning for later school success, including
6 language development and communication, cognitive development, and both
7 social and emotional development.

8 (4) Research indicates children progress at an even greater rate during
9 participation in the NC Pre-K program than expected for normal
10 developmental growth and the NC Pre-K program produces higher test scores,
11 less grade retention, and fewer special education placements.

12 (5) It is a matter of health and human services to expand the NC Pre-K program
13 to include 3-year-old children, extend the coverage to 12 months of the
14 program year, and appropriate funds for the NC Pre-K program.

15 **SECTION 17.1.(b) Eligibility.** – To ensure children 3 and 4 years of age are
16 kindergarten-ready, the Department of Health and Human Services, Division of Child
17 Development and Early Education, shall continue implementing the prekindergarten (NC Pre-K)
18 program and serve children who are 4 years of age. However, beginning January 1, 2021, the
19 program shall be extended to cover 12 months of the program year. Additionally, beginning
20 January 1, 2023, the NC Pre-K program shall be expanded to serve children who are 3 years of
21 age and shall cover 12 months of the program year. A child shall be either 3 or 4 years of age on
22 or before August 31 of the program year. In determining eligibility, the Division shall establish
23 income eligibility requirements for the program not to exceed seventy-five percent (75%) of the
24 State median income. Up to twenty percent (20%) of children enrolled may have family incomes
25 in excess of seventy-five percent (75%) of median income if those children have other designated
26 risk factors. Furthermore, any age-eligible child who is a child of either of the following shall be
27 eligible for the program: (i) an active duty member of the Armed Forces of the United States,
28 including the North Carolina National Guard, State military forces, or a reserve component of
29 the Armed Forces who was ordered to active duty by the proper authority within the last 18
30 months or is expected to be ordered within the next 18 months or (ii) a member of the Armed
31 Forces of the United States, including the North Carolina National Guard, State military forces,
32 or a reserve component of the Armed Forces who was injured or killed while serving on active
33 duty. Eligibility determinations for prekindergarten participants may continue through local
34 education agencies and local North Carolina Partnership for Children, Inc., partnerships.

35 Other than developmental disabilities or other chronic health issues, the Division shall
36 not consider the health of a child as a factor in determining eligibility for participation in the NC
37 Pre-K program.

38 **SECTION 17.2.(a) Appropriation/Extend to 12 Months for 4-Year-Olds.** – There is
39 appropriated from the General Fund to the Department of Health and Human Services, Division
40 of Child Development and Early Education, the sum of thirty-six million nine hundred thousand
41 dollars (\$36,900,000) for the 2020-2021 fiscal year for the purpose of expanding the NC Pre-K
42 program to eligible children who are 4 years of age to provide coverage for those children,
43 without additional slots, for 12 months of the program year.

44 **SECTION 17.2.(b) Expansion for 3-Year-Olds.** – It is the intent of the General
45 Assembly to provide funding during the 2021-2023 fiscal biennium for the purpose of expanding
46 the NC Pre-K program to eligible children who are 3 years of age to provide coverage for those
47 children for 12 months of the program year in accordance with this Part.

48 **SECTION 17.3. Effective Date.** – This Part becomes effective July 1, 2020.
