HOUSE BILL DRH50028-MQ-26A\*

Short Title: Walkertown Zoning Authorizations.

(Local)

Sponsors: Representative Conrad.

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO AMEND THE CHARTER OF THE TOWN OF WALKERTOWN TO ALLOW  
3 THE TOWN TO ENACT CERTAIN PROCEDURES RELATED TO ZONING AND  
4 SPECIAL USE PERMITTING.

5 The General Assembly of North Carolina enacts:

6 **SECTION 1.** The Town Charter of the Town of Walkertown, being Chapter 936 of  
7 the Session Laws of 1983, is amended by adding a new section to read:

8 "Section 10.1. The Town Council of the Town of Walkertown is hereby empowered by  
9 ordinance to regulate in any portion or portions of the Town the uses of buildings and structures  
10 for trade, industry, residence, recreation, public activities, or other purposes, and the uses of land  
11 for trade, industry, residence, recreation, agriculture, water supply conservation, soil  
12 conservation, forestry, or other purposes.

13 For any or all of these purposes, the Town may divide its territorial jurisdiction into districts  
14 of any number, shape, and area that may be deemed best suited to carry out the purposes of this  
15 section; and within those districts it may regulate and restrict the erection, construction,  
16 reconstruction, alteration, repair, or use of buildings, structures, or land. All regulations shall be  
17 uniform for each class or kind of buildings throughout each district, but the regulations in one  
18 district may differ from those in other districts; provided, however, that the Town may provide  
19 for the creation of special use districts in addition to general use districts.

20 It is the purpose and intent of this section to permit the Town to create general use districts  
21 in which a variety of uses are permitted, and to also create special use districts in which a single  
22 use is permitted upon the issuance by the Town Council of a special use permit prescribing the  
23 conditions under which such use will be permitted.

24 A person petitioning for rezoning of a tract of land, where special use districts are authorized  
25 by ordinance, may elect to request general use district zoning for said tract, or the person may  
26 elect to request special use district zoning for said tract.

27 If a person elects to petition for general use district zoning, the person may not refer, either  
28 in the petition or at any hearings related to the petition, to the use intended for the property upon  
29 rezoning. The Town Council may not consider the intended use in determining whether to  
30 approve or disapprove the petition, but shall consider the full range of uses permitted within the  
31 requested general use district. If the petition is approved, the rezoned property may be used for  
32 any of the uses permitted in the applicable general use district.

33 If the petitioner elects to petition for special use district zoning, the petition must specify the  
34 actual use intended for the property specified in the petition, and the intended use must be one  
35 permitted in the corresponding general use district. If the petition is for special use district zoning,  
36 the Town Council is to approve or disapprove the petition on the basis of the specific use

1 requested. If the petition is approved, the Town Council shall issue a special use district permit  
2 authorizing the requested use with such reasonable conditions as the Town Council determines  
3 to be desirable in promoting public health, safety, and general welfare. The act of issuing a special  
4 use district permit shall be deemed to be a legislative act of the Town Council, and the procedural  
5 standards applicable to the legislative acts shall apply to the consideration and issuance of a  
6 special use permit.

7 The conditions contained in a special use permit issued by the Town Council may include:  
8 location of the proposed use on the property; the number of dwelling units; the location and extent  
9 of support facilities such as parking lots, driveways, and access streets; location and extent of  
10 buffer areas and other special purpose areas; the timing of development; and such other matters  
11 as the petitioner may propose and the Town Council may find appropriate.

12 It is the further intent of this section to permit the creation of districts for specific uses and  
13 the imposition of reasonable conditions in order to secure the public health, safety, and welfare,  
14 and ensure that substantial justice be done."

15 **SECTION 2.** This act is effective when it becomes law and applies to petitions filed  
16 on or after that date.
