2 Constitution.

3 (e) Files, Documents, or Other Information. – For any files, documents, or other

10 information.

14 public office, to include at least the following:

15 (1) The names of the parties to the conversation.

16 (2) The date and location of the conversation.

17 (3) A brief description or summary of the conversation.

18 **§ 120-4.58. Redistricting standards.**

19 (a) Legislative plans shall comply with Sections 3 and 5 of Article II of the North  
20 Carolina Constitution.

21 (b) Congressional plans shall minimize the number of split counties, municipalities, and  
22 other communities of interest. Precincts shall not be split in the preparation of a plan for  
23 congressional districts, except to the extent necessary to comply with federal law. All  
24 congressional districts shall be contiguous.

25 (c) The population for a legislative district shall be within five percent (5%) of the ideal  
26 population for that district. Congressional districts shall each have a population that is as nearly  
27 equal as practicable to the ideal population, but in all cases within one-tenth of one percent (0.1%)  
28 of the ideal population for that district.

29 (d) To the extent consistent with other standards provided by this section, district  
30 boundaries in a plan shall coincide with the boundaries of political subdivisions of the State. In  
31 legislative plans, the "whole county" requirements established by the North Carolina Constitution  
32 shall be complied with in a manner consistent with federal law. The number of counties and cities  
33 divided among more than one district shall be as small as possible, but in the case of cities located  
34 in more than one county, minimizing the division of counties prevails. The division of voting  
35 districts shall also be minimized consistent with the other standards of this section.

36 (e) Districts shall be composed of convenient contiguous territory. Areas which meet  
37 only at the points of adjoining corners are not contiguous.

38 (f) Districts shall be reasonably compact in form, to the extent consistent with the  
39 standards established by this section. In general, reasonably compact districts are those that are  
40 square, rectangular, or hexagonal in shape, and not irregularly shaped, to the extent of natural or  
41 political boundaries or those of voting districts. If it is necessary to compare the relative  
42 compactness of two or more districts, or of two or more alternative plans, the tests prescribed by  
43 this subsection shall be used as follows:

44 (1) Length-width compactness. – The compactness of a district is greatest when  
45 the length of the district and the width of the district are equal. The measure  
46 of a district's compactness is the absolute value of the difference between the  
47 length and the width of the district. In general, the length-width compactness  
48 of a district is calculated by measuring the distance from the northernmost  
49 point or portion of the boundary of a district to the southernmost point or  
50 portion of the boundary of the same district and the distance from the  
51 westernmost point or portion of the boundary of the district to the easternmost

1 point or portion of the boundary of the same district. The absolute values  
2 computed for individual districts under this subdivision may be cumulated for  
3 all districts in a plan in order to compare the overall compactness of two or  
4 more alternative districting plans for the State or for a portion of the State.

5 (2) Perimeter compactness. – The compactness of a district is greatest when the  
6 distance needed to traverse the perimeter boundary of a district is as short as  
7 possible. The total perimeter distance computed for individual districts under  
8 this subdivision may be cumulated for all districts in a plan in order to compare  
9 the overall compactness of two or more alternative plans for the State or for a  
10 portion of the State.

11 (g) Except to the extent required by the North Carolina and United States Constitutions,  
12 the Voting Rights Act of 1965, and applicable court decisions, the Commission shall not do any  
13 of the following:

14 (1) Draw a district for the purpose of favoring a political party, incumbent  
15 legislator or member of Congress, or other person or group.

16 (2) Draw a district for the purpose of augmenting or diluting the voting strength  
17 of a language or racial minority group.

18 (3) Make any use of any of the following:

19 a. Political affiliations of registered voters.

20 b. Previous election results.

21 c. Demographic information, other than population head counts.

22 d. The location of incumbents' residences.

23 **"§ 120-4.62. Preparations for redistricting.**

24 (a) By December 31 of each year ending in zero, the Commission shall obtain from the  
25 Census Bureau information regarding geographic and political units in this State for which  
26 federal census population data have been gathered and will be tabulated. The Commission shall  
27 use the data so obtained to:

28 (1) Prepare necessary descriptions of geographic and political units for which  
29 census data will be reported and that are suitable for use as components of  
30 legislative districts.

31 (2) Prepare maps of counties, cities, precincts, voting districts, and other  
32 geographic units within the State that may be used to illustrate the locations  
33 of legislative district boundaries proposed in plans drawn in accordance with  
34 this Article.

35 (b) As soon as possible after January 1 of each year ending in one, the Commission shall  
36 obtain from the Census Bureau the population data needed for congressional and legislative  
37 districting that the Census Bureau is required to provide this State under P.L. 94-171 and shall  
38 use that data to assign a population figure to geographic and political units based upon that data.

39 (c) Upon receipt of population data from the Census Bureau, the Commission shall begin  
40 the process of adopting legislative and congressional plans in accordance with G.S. 120-4.66. In  
41 preparing plans, the Commission shall ensure that each plan complies with the redistricting  
42 standards as provided in Article II of the North Carolina Constitution and G.S. 120-4.58.

43 (d) The Commission shall conduct at least 21 public hearings throughout the State before  
44 adopting a plan under G.S. 120-4.66. The majority of these public hearings shall occur  
45 throughout the State before the Commission releases any proposed plan, and at least 10 public  
46 hearings must occur throughout the State after the Commission releases any proposed plan.

47 (e) In conducting the public hearings required in subsection (d) of this section, the  
48 Commission shall provide an opportunity for racial and language minorities to participate in the  
49 public hearings, including issuing notices in multiple languages and providing translation  
50 services at all hearings at the Commission's expense or through partnership with outside  
51 organizations. The public hearings shall be open to all members of the public and shall be planned

1 to encourage attendance and participation across the State, including the use of technology that  
2 allows for real-time, virtual participation and feedback during the hearings.

3 (f) When preparing plans under G.S. 120-4.66, the Commission shall release population  
4 data, geographic data, election data, and any other data used to create the plan.

5 (g) When preparing plans under G.S. 120-4.66, the Commission shall provide terminals  
6 for members of the public to access the data and associated software. Any member of the public  
7 may submit maps for consideration to the Commission, and those submissions shall be public  
8 records and open to public comment.

9 **"§ 120-4.66. Adoption of legislative and congressional plans.**

10 (a) Not later than April 1 of each year ending in one, the Commission shall adopt plans  
11 for revising the legislative and congressional districts. In voting to adopt a plan, at least three  
12 members from each of the following groups must vote in the affirmative:

13 (1) The members affiliated with the political party having the highest number of  
14 registered affiliates.

15 (2) The members affiliated with the political party having the second-highest  
16 number of registered affiliates.

17 (3) The members not affiliated with either of the two political parties having the  
18 highest number of registered affiliates.

19 (b) If the population data for legislative districting that the Census Bureau is required to  
20 provide this State under P.L. 94-171 and, if used by the Commission, the corresponding  
21 geographic referencing data file for that population data are not available to the Commission on  
22 or before February 15 of a year ending in one, the April 1 date set forth in subsection (a) of this  
23 section shall be extended by a number of days equal to the number of days after February 15 of  
24 the year ending in one that the federal census population data and the geographic encoding and  
25 referencing data file for legislative districting become available.

26 (c) If the Commission fails to adopt any plan pursuant to this section, the special master  
27 appointed by the Commission pursuant to Section 25 of Article II of the North Carolina  
28 Constitution shall draw that plan. The Commission shall provide the special master with any  
29 relevant maps considered by the Commission and all supporting data for those maps.

30 (d) Within 30 days of the Commission's failure to adopt a plan, the special master shall  
31 prepare and release the final plan. The special master shall present the final plan to the  
32 Commission, and the Commission shall adopt that plan.

33 (e) A final plan adopted by the Commission shall have the force and effect of acts of the  
34 General Assembly.

35 (f) In the event the Commission is unable to adopt a plan and unable to select a special  
36 master, the members of the Commission shall be dismissed, effective immediately, and ineligible  
37 to serve on any future Citizens Redistricting Commission. No later than 15 days after that  
38 dismissal, the appointing authorities shall appoint new members of the Commission pursuant to  
39 subsection (5) of Section 25 of the North Carolina Constitution. Notwithstanding any  
40 requirements in this Article to adopt a plan by a certain date, the newly appointed Commission  
41 shall adopt any plan that could not be adopted by the prior Commission as soon as practicable  
42 following their appointment. If the newly appointed Commission is unable to adopt a plan, the  
43 process outlined in this section shall repeat until a Commission is able to successfully adopt that  
44 plan.

45 (g) In the event that an adopted plan is held invalid, a new district plan shall be adopted  
46 using the process described in this Article, modified as necessary to reflect the timing and nature  
47 of the holding.

48 (h) In adopting any plan under this section, the Commission shall take into consideration  
49 all relevant requirements of the United States Constitution and Acts of Congress and shall comply  
50 with the North Carolina Constitution.

(i) The General Assembly may by law assign to the Commission the duty to prepare districting and redistricting plans for any county, city, town, special district, and other governmental subdivision if the governing board of the unit or a court of competent jurisdiction so requests."

(a) General. – Except as provided in G.S. 163A-1707, there shall be a primary to narrow the field of candidates to two candidates for each position to be filled if, when the filing period closes, there are more than two candidates for a single office or the number of candidates for a group of offices exceeds twice the number of positions to be filled. If only one or two candidates file for a single office, no primary shall be held for that office and the candidates shall be declared nominated. If the number of candidates for a group of offices does not exceed twice the number of positions to be filled, no primary shall be held for those offices and the candidates shall be declared nominated.

(b) Determination of Nominees. – In the primary, the two candidates for a single office receiving the highest number of votes, and those candidates for a group of offices receiving the highest number of votes, equal to twice the number of positions to be filled, shall be declared nominated. If two or more candidates receiving the highest number of votes each receive the same number of votes, the State Board shall determine their relative ranking by lot and shall declare the nominees accordingly. The canvass of the primary shall be held on the same date as the primary canvass fixed under G.S. 163A-1172. The canvass shall be conducted in accordance with Article 20 of this Chapter.

(c) Determination of Election Winners. – In the election, the names of those candidates declared nominated without a primary and those candidates nominated in the primary shall be placed on the ballot. The candidate for a single office receiving the highest number of votes shall be elected. Those candidates for a group of offices receiving the highest number of votes, equal in number to the number of positions to be filled, shall be elected. If two candidates receiving the highest number of votes each received the same number of votes, the State Board shall determine the winner by lot.

**"§ 163A-1702. Notice of candidacy.**

(a) Form of Notice. – Each person offering to be a candidate for election shall do so by filing a notice of candidacy with the State Board in the following form, inserting the words in parentheses when appropriate:

The notice of candidacy shall be either signed in the presence of the chair or secretary of the State Board or signed and acknowledged before an officer authorized to take acknowledgments who shall certify the notice under seal. An acknowledged and certified notice may be mailed to the State Board. In signing a notice of candidacy, the candidate shall use only the candidate's legal name and, in the candidate's discretion, any nickname by which the candidate is commonly known. A candidate may also, in lieu of that candidate's first name and legal middle initial or middle name, if any, sign that candidate's nickname, provided the candidate appends to the notice of candidacy an affidavit that the candidate has been commonly known by that nickname for at least five years prior to the date of making the affidavit. The candidate shall also include with the affidavit the way the candidate's name (as permitted by law) should be listed on the ballot if another candidate with the same last name files a notice of candidacy for that office.

A notice of candidacy signed by an agent or any person other than the candidate himself or herself shall be invalid.

(b) Time for Filing Notice of Candidacy. – Candidates seeking election to the following offices shall file their notice of candidacy with the State Board no earlier than 12:00 noon on the second Monday in February and no later than 12:00 noon on the last business day in February preceding the election:

(d) Certificate That Candidate Is Registered Voter. – Candidates shall file, along with their notice, a certificate signed by the chair of the board of elections or the supervisor of elections of the county in which they are registered to vote, stating that the person is registered to vote in that county. In issuing such certificate, the chair or supervisor shall check the registration records of the county to verify such information. During the period commencing 36 hours immediately preceding the filing deadline, the State Board shall accept, on a conditional basis, the notice of candidacy of a candidate who has failed to secure the verification ordered herein subject to receipt of verification no later than three days following the filing deadline. The State Board shall prescribe the form for such certificate and distribute it to each county board of elections no later than the last Monday in December of each odd-numbered year.

(e) Candidacy for More Than One Office Prohibited. – No person may file a notice of candidacy for more than one office or group of offices described in subsection (b) of this section, or for an office or group of offices described in subsection (b) of this section and an office described in G.S. 163A-974, for any one election. If a person has filed a notice of candidacy with a board of elections under this section or under G.S. 163A-974 for one office or group of offices, then a notice of candidacy may not later be filed for any other office or group of offices under this section when the election is on the same date unless the notice of candidacy for the first office is withdrawn under subsection (c) of this section.

(f) Notice of Candidacy for Certain Offices to Indicate Vacancy. – In any election in which there are two or more vacancies for the office of justice of the Supreme Court or judge of the Court of Appeals to be filled by nominations, each candidate shall, at the time of filing notice of candidacy, file with the State Board a written statement designating the vacancy to which the

1 candidate seeks election. Votes cast for a candidate shall be effective only for election to the  
2 vacancy for which the candidate has given notice of candidacy as provided in this subsection.

3 **"§ 163A-1703. Filing fees required of candidates; refunds.**

4 (a) Fee Schedule. – At the time of filing a notice of candidacy under this Article, each  
5 candidate shall pay to the State Board a filing fee for the office the candidate seeks in the amount  
6 of one percent (1%) of the annual salary of the office sought.

7 (b) Refund of Fees. – If any person who has filed a notice of candidacy and paid the filing  
8 fee prescribed in subsection (a) of this section withdraws his or her notice of candidacy within  
9 the period prescribed in G.S. 163A-1702(c), the candidate shall be entitled to have the fee the  
10 candidate paid refunded. The chair of the State Board shall cause a warrant to be drawn on the  
11 State Treasurer for the refund payment.

13 candidacy and paid the filing fee prescribed in subsection (a) of this section dies prior to the date  
14 of the election, the personal representative of the estate shall be entitled to have the fee refunded  
15 if application is made to the board of elections to which the fee was paid no later than one year  
16 after the date of death, and refund shall be made in the same manner as in withdrawal of notice  
17 of candidacy.

18 **"§ 163A-1704. Petition in lieu of payment of filing fee.**

19 (a) General. – Any qualified voter who seeks election under this Article may, in lieu of  
20 payment of any filing fee required for the office he or she seeks, file a written petition requesting  
21 to be a candidate for a specified office with the State Board of Elections.

22 (b) Requirements of Petition; Deadline for Filing. – If the candidate is seeking the office  
23 of justice of the Supreme Court or judge of the Court of Appeals, that individual shall file a  
24 written petition with the State Board no later than 12:00 noon on Monday preceding the filing  
25 deadline before the primary. The petition shall be signed by 8,000 registered voters in the State.  
26 The board of elections shall verify the names on the petition, and if the petition and notice of  
27 candidacy are found to be sufficient, the candidate's name shall be printed on the appropriate  
28 ballot. Petitions must be presented to the county board of elections for verification at least 15  
29 days before the petition is due to be filed with the State Board of Elections. The State Board of  
30 Elections may adopt rules to implement this section and to provide standard petition forms.

31 **"§ 163A-1705. Certification of notices of candidacy.**

32 (a) Names of Candidates Sent to Secretary of State. – Within three days after the time for  
33 filing notices of candidacy with the State Board under the provisions of G.S. 163A-1702(b) has  
34 expired, the chairman or secretary of that Board shall certify to the Secretary of State the name  
35 and address of each person who has filed with the State Board, indicating in each instance the  
36 office sought.

37 (b) Notification of Local Boards. – No later than 10 days after the time for filing notices  
38 of candidacy under the provisions of G.S. 163A-1702(b) has expired, the chair of the State Board  
39 shall certify to the chair of the county board of elections in each county in the appropriate district  
40 the names of candidates for nomination to the offices of justice of the Supreme Court and judge  
41 of the Court of Appeals who have filed the required notice and paid the required filing fee or  
42 presented the required petition to the State Board, so that their names may be printed on the  
43 official judicial ballot for justice of the Supreme Court and judge of the Court of Appeals.

44 (c) Receipt of Notification by County Board. – Within two days after receipt of each of  
45 the letters of certification from the chair of the State Board required by subsection (b) of this  
46 section, each county elections board chair shall acknowledge receipt by letter addressed to the  
47 chair of the State Board.

48 **"§ 163A-1706. Failure of candidates to file; death or other disqualification of a candidate;  
49 no withdrawal from candidacy.**

1       (a) Insufficient Number of Candidates. – If, when the filing period expires, candidates  
2 have not filed for an office to be filled under this Article, the State Board shall extend the filing  
3 period for five days for any such offices.

4       (b) Death or Disqualification of Candidate Before Primary. – If a candidate for  
5 nomination in a primary dies or becomes disqualified before the primary but after the ballots  
6 have been printed, the State Board shall determine whether or not there is time to reprint the  
7 ballots. If the Board determines that there is not enough time to reprint the ballots, the deceased  
8 or disqualified candidate's name shall remain on the ballots. If that candidate receives enough  
9 votes for nomination, such votes shall be disregarded, and the candidate receiving the next  
10 highest number of votes below the number necessary for nomination shall be declared nominated.  
11 If the death or disqualification of the candidate leaves only two candidates for each office to be  
12 filled, the nonpartisan primary shall not be held, and all candidates shall be declared nominees.

13       (c) Earlier Non-Primary Vacancies; Reopening Filing. – If there is no primary because  
14 only one or two candidates have filed for a single office, or the number of candidates filed for a  
15 group of offices does not exceed twice the number of positions to be filled, or if a primary has  
16 occurred and eliminated candidates, and thereafter a remaining candidate dies or otherwise  
17 becomes disqualified before the election and before the ballots are printed, the State Board shall,  
18 upon notification of the death or other disqualification, immediately reopen the filing period for  
19 an additional five days during which time additional candidates shall be permitted to file for  
20 election. If the ballots have been printed at the time the State Board receives notice of the  
21 candidate's death or other disqualification, the Board shall determine whether there will be  
22 sufficient time to reprint them before the election if the filing period is reopened for three days.  
23 If the Board determines that there will be sufficient time to reprint the ballots, it shall reopen the  
24 filing period for three days to allow other candidates to file for election, and that election shall  
25 be conducted as provided in G.S. 163A-1707(b).

26       (d) Later Vacancies; Ballots Not Reprinted. – If the ballots have been printed at the time  
27 the State Board receives notice of a candidate's death or other disqualification, and if the Board  
28 determines that there is not enough time to reprint the ballots before the election if the filing  
29 period is reopened for three days, then regardless of the number of candidates remaining for the  
30 office or group of offices, the ballots shall not be reprinted and the name of the vacated candidate  
31 shall remain on the ballots. If a vacated candidate should poll the highest number of votes in the  
32 election for a single office or enough votes to be elected to one of a group of offices, the State  
33 Board shall declare the office vacant and it shall be filled in the manner provided by law.

34       (e) No Withdrawal Permitted of Living, Qualified Candidate After Close of Filing. –  
35 After the close of the candidate filing period, a candidate who has filed a notice of candidacy for  
36 the office, who has not withdrawn notice before the close of filing as permitted by  
37 G.S. 163A-1702(b), who remains alive, and has not become disqualified for the office may not  
38 withdraw his or her candidacy. That candidate's name shall remain on the ballot, any votes cast  
39 for the candidacy shall be counted in primary or election, and if the candidate wins, the candidate  
40 may fail to qualify by refusing to take the oath of office.

41       (f) Death, Disqualification, or Failure to Qualify After Election. – If a person elected to  
42 the office of justice of the Supreme Court or judge of the Court of Appeals dies or becomes  
43 disqualified on or after election day and before the person has qualified by taking the oath of  
44 office, or fails to qualify by refusing to take the oath of office, the office shall be deemed vacant  
45 and shall be filled as provided by law.

46 **"§ 163A-1707. Elections to fill vacancy in office created after primary filing period opens.**

47       (a) General. – If a vacancy is created in the office of justice of the Supreme Court or  
48 judge of the Court of Appeals after the filing period for the primary opens but more than 60 days  
49 before the general election, and under the Constitution of North Carolina an election is to be held  
50 for that position, such that the office shall be filled in the general election as provided in  
51 G.S. 163A-717, the election to fill the office for the remainder of the term shall be conducted

1 without a primary using the method provided in subsection (b) of this section. If a vacancy is  
2 created in the office of justice of the Supreme Court or judge of the Court of Appeals before the  
3 filing period for the primary opens, and under the Constitution of North Carolina an election is  
4 to be held for that position, such that the office shall be filled in the general election as provided

6 in accordance with G.S. 163A-1701.

7 (b) Method for Vacancy Election. – If a vacancy for the office of justice of the Supreme  
8 Court or judge of the Court of Appeals occurs more than 60 days before the general election and  
9 after the opening of the filing period for the primary, then the State Board shall designate a special  
10 filing period of one week for candidates for the office. If more than two candidates file and  
11 qualify for the office in accordance with G.S. 163A-1702, then the Board shall conduct the  
12 election for the office as follows:

13 (1) When the vacancy described in this section occurs more than 63 days before  
14 the date of the second primary for members of the General Assembly, a special  
15 primary shall be held on the same day as the second primary. The two  
16 candidates with the most votes in the special primary shall have their names  
17 placed on the ballot for the general election held on the same day as the general  
18 election for members of the General Assembly.

19 (2) When the vacancy described in this section occurs less than 64 days before  
20 the date of the second primary, a general election for all the candidates shall  
21 be held on the same day as the general election for members of the General  
22 Assembly and the results shall be determined on a plurality basis as provided  
23 by G.S. 163A-1616.

25 Article apply to elections conducted under this section.

28 election for which the primary is held, even though not so qualified by the date of the primary,  
29 shall be entitled to register for the primary and general election prior to the primary and then to  
30 vote in the primary after being registered. Such person may register not earlier than 60 days nor

38 conform to the requirement of G.S. 163A-1114(c) and to show the name of each person who has  
39 filed notice of candidacy and the office for which each aspirant is a candidate.

40 Only those who have filed the required notice of candidacy with the proper board of elections,  
41 and who have paid the required filing fee or qualified by petition, shall have their names printed

22 to receive grants from the Fund without complying with the provisions of G.S. 163A-1510.5, if

27 shall be submitted in accordance with a schedule established by the State Board. The State Board  
28 shall publish the application review schedules and meeting schedules on the State Board's Web  
29 site.

43 votes cast at the primary, the State Board shall notify the State Controller of the amount payable  
44 to the qualified candidate campaign committee pursuant to G.S. 163A-1510.6. Not later than two  
45 business days following notification by the State Board, the State Controller shall draw funds  
46 from the State treasury for payment of the general election campaign grant to the candidate  
47 campaign committee from the Fund.

48 **"§ 163A-1510.10. Limits on loans and personal funds for campaigns.**

49            (a) The candidate campaign committee for a candidate who intends to participate in the

2 a qualifying contribution under G.S. 163A-1510.5. No individual or political committee, except  
3 the candidate or, in a general election, the State executive committee of a political party, shall  
4 endorse or guarantee a loan in an aggregate amount in excess of five hundred dollars (\$500.00).  
5 An endorsement or guarantee of such a loan shall constitute a contribution by the individual or  
6 political committee for as long as the loan is outstanding. The amount endorsed or guaranteed by  
7 the individual or political committee shall cease to constitute a contribution upon repayment of  
8 the amount endorsed or guaranteed.

9 (b) All loans shall be repaid in full prior to the date the candidate campaign committee  
10 applies for a grant from the Fund pursuant to G.S. 163A-1510.7. A candidate who fails to repay  
11 any loans or fails to certify the repayment of any loans to the State Board shall not be eligible to  
12 receive and shall not receive grants from the Fund.

13 (c) A candidate who intends to participate in the Fair Elections Program may provide  
14 personal funds for the candidate's campaign for nomination or election, not to exceed the  
15 following amounts:

- 16 (1) For a candidate for the office of Governor, twenty thousand dollars (\$20,000).

- 34 (3) The treasurer shall be subject to penalties under this Chapter.
- 35 (4) The candidate of the candidate campaign committee shall be deemed to be a  
36 nonparticipating candidate for the purposes of this Part if the State Board  
37 determines that the candidate or treasurer of the candidate campaign  
38 committee had knowledge of the excess expenditure.

39 (b) The State Board may waive the provisions of subsection (a) of this section upon  
40 determining that an excess expenditure is de minimis. The State Board shall adopt rules  
41 establishing standards for making these determinations. The standards shall include, but not be  
42 limited to, a finding by the State Board that the candidate or treasurer has, from the candidate's  
43 or treasurer's personal funds, either paid the excess expenditure or reimbursed the qualified  
44 candidate campaign committee for its payment of the excess expenditure.

45 (c) If an individual, who is associated with the campaign of a candidate whose qualified  
46 candidate campaign committee has received a grant from the Fund, makes or incurs an  
47 expenditure in excess of the applicable expenditure limit set forth in G.S. 163A-1510.3(c) for the  
48 candidate campaign committee without the consent of the candidate or treasurer of the candidate  
49 campaign committee, the individual shall (i) repay to the Fund the amount of the excess

14 aggregate, exceed one hundred percent (100%) of the applicable expenditure  
15 limit for the applicable primary or general election campaign period, the  
16 treasurer of the candidate campaign committee shall file a declaration of  
17 excess expenditures statement with the State Board, pursuant to the following  
18 schedule:

32 statement.

33 (4) No statements are required to be filed for (i) a candidate campaign committee  
34 of a candidate who is no longer eligible for a position on the ballot or (ii) a  
35 candidate campaign committee of a participating candidate that is unopposed,  
36 except that the candidate campaign committee shall file a supplemental  
37 statement on the last Thursday before the applicable primary or general  
38 election. Such statement shall be complete as of 11:59 P.M. of the second day  
39 immediately preceding the required filing day. The statement shall cover a  
40 period beginning with the first day not included in the last filed statement.

41 (5) Each supplemental statement required under subdivision (1), (2), or (3) of this  
42 subsection for a candidate shall disclose the information required under  
43 G.S. 163A-1422(a)(2). The State Board shall provide a means for the  
44 transmission of the statements to the State Board, which shall include  
45 electronic filing.

46 (b) For purposes of this section, the phrase "excess expenditure" means an expenditure  
47 made, or obligated to be made, by a nonparticipating or a participating candidate who is opposed  
48 by one or more other participating candidates in a primary campaign or a general election  
49 campaign, which is in excess of the amount of the applicable limit on expenditures for the  
50 participating candidates for the campaign, and which is the sum of (i) the applicable qualifying

4 under this subsection is an excess expenditure.

5 (c) If a treasurer fails to file any statement or declaration required by this section within  
6 the time required, the treasurer shall be subject to a civil penalty, imposed by the State, of not  
7 more than one thousand dollars (\$1,000) for the first failure to file the statement within the time
