A BILL TO BE ENTITLED

AN ACT TO MAKE VARIOUS CHANGES TO THE STATUTES GOVERNING THE WILDLIFE RESOURCES COMMISSION.

The General Assembly of North Carolina enacts:

REQUIRE PLACEMENT OF VALIDATION DECALS ON BOTH SIDES OF VESSELS SECTION 1. G.S. 75A-5 reads as rewritten:

8 "§ 75A-5. Application for certificate of number; fees; reciprocity; change of ownership;
 9 conformity with federal regulations; records; award of certificates; renewal of
 10 certificates; transfer of partial interest; destroyed or junked vessels;
 11 abandonment; change of address; duplicate certificates; display.

Application for Certificate of Number. - The owner of each vessel requiring 12 (a) numbering by this State shall file an application for a certificate of number with the Commission. 13 14 The Commission shall furnish application forms and shall prescribe the information contained in the application form. The application shall be signed by the owner of the vessel or the owner's 15 agent and shall be accompanied by a fee, as set out in subsection (a1) of this section. The fee 16 does not apply to vessels owned and operated by nonprofit rescue squads if they are operated 17 exclusively for rescue purposes, including rescue training. The owner shall have the option of 18 19 selecting a one-year numbering period or a three-year numbering period. Upon receipt of the 20 application in approved form, the Commission shall enter the application in its records and issue the owner a certificate of number stating the identification number awarded to the vessel and the 21 name and address of the owner, and a validation decal indicating the expiration date of the 22 23 certificate of number. The owner shall paint on or attach to each side of the bow of the vessel the 24 identification number and validation decals in such manner as may be prescribed by rules of the Commission in order that it may be clearly visible. The identification number shall be maintained 25 26 in legible condition. The validation decal shall be displayed on the starboard bow of the vessel 27 immediately following the number. The certificate of number shall be pocket size and shall be available for inspection on the vessel for which the certificate is issued at all times the vessel is 28 29 in operation. Any person charged with failing to so carry a certificate of number shall not be

49 50	are as follows:		
50			

1	(3) Fur-dealer station license, one hundred twenty dollars (\$120.00). Authorizes
2	a person or individual to deal in furs at an established location where fur
3	dealings occur under the supervision of a responsible individual manager
4	named in the license. Individual employees of the business dealing in furs
5	solely at the established location under the supervision of the manager need
6	not acquire an individual license. Any employee who also deals in furs outside
7	the established location must-shall obtain the appropriate individual license.
8	Individuals dealing in furs at an established location may elect to do so under
9	their individual licenses.
10	The Executive Director may administratively provide for reissuance of a
11	station license without charge for the remainder of the year when either a
12	business continues at an established location under a new supervising manager
13	or the business changes to a new location. Before reissuing the license,

21	The Executive Director must shall furnish supervising managers and individual licensees with
22	forms or record books for recording required information as to purchase, sale, importation,
23 24	exportation, and other dealings, and make a reasonable charge to cover the costs of any record
24 25	books furnished. It is unlawful for anyone dealing in furs to fail to submit reports required by rules or reasonable administrative directives.
23 26	
20 27	(g) Controlled Hunting Preserve Operator License. – The Wildlife Resources Commission is authorized by rule to set standards for and to license the operation of controlled
27	hunting preserves operated by private persons. Controlled hunting preserves are of two-three
28 29	types: one is an area marked with appropriate signs along the outside boundaries on which only
29 30	domestically raised <u>chukars, Hungarian partridges, and game birds</u> other than wild turkeys are
30 31	taken; the other one is an area enclosed with a dog-proof fence on which rabbits may be hunted
31	with dogs only; and one is an area enclosed with a dog-proof fence on which foxes and coyotes
32 33	
33 34	may be hunted with dogs only. A controlled fox and coyote hunting preserve operated for private use may be of any size; a controlled hunting preserve operated for commercial purposes shall be
34 35	
	an area of not less than 500 acres or of such size as set by regulation of the Wildlife Resources
36	Commission, which shall take into account differences in terrain and topography, as well as the
37	welfare of the wildlife.
38	Operators of controlled fox hunting preserves may purchase live foxes and coyotes from
39 40	licensed trappers who live-trap foxes and coyotes during any open season for trapping them and
40	may, at any time, take live foxes from their preserves for sale to other licensed operators. The
41	controlled hunting preserve operator license may be purchased for a fee of fifty dollars (\$50.00),
42	one hundred dollars (\$100.00) and is an annual license issued beginning 1 July each year running
43	until the following 30 June.
44	(h) Game Bird Propagation License. – No person may propagate game birds in captivity
45	or possess game birds for propagation without first procuring a license under this subsection. The
46	Wildlife Resources Commission may by rule prescribe the activities to be covered by the
47	propagation license, which species of game birds may be propagated, and the manner of keeping
48	and raising the birds, in accordance with the overall objectives of conservation of wildlife
49	resources. Except as limited by this subsection, propagated game birds may be raised and sold
50	for purposes of propagation, stocking, food, or taking in connection with dog training as
51	authorized in G.S. 113-291.1(d). Migratory game bird operations authorized under this

1 subsection must also comply with any applicable provisions of federal law and rules. The 2 Wildlife Resources Commission may impose requirements as to shipping, marking packages, 3 banding, tagging, or wrapping the propagated birds and other restrictions designed to reduce the 4 change of illicit game birds being disposed of under the cover of licensed operations. The 5 Wildlife Resources Commission may make a reasonable charge for any bands, tags, or wrappers 6 furnished propagators. The game bird propagation license is issued by the Wildlife Resources 7 Commission upon payment of a fee of five dollars (\$5.00). ten dollars (\$10.00). It authorizes a 8 person or individual to propagate and sell game birds designated in the license, in accordance 9 with the rules of the Wildlife Resources Commission, except: 10 Wild turkey and ruffed grouse may not be sold for food. (1)11 (2)Production and sale of pen-raised quail for food purposes is under the exclusive control of the Department of Agriculture and Consumer Services. 12 13 The Wildlife Resources Commission, however, may regulate the possession, 14 propagation, and transportation of live pen-raised quail. 15 . . . 16 Taxidermy License. – Any individual who engages in taxidermy taxidermy, including (k) 17 the tanning of hides, involving wildlife for any compensation, including reimbursement for the 18 cost of materials, must first procure a taxidermy license. This license is an annual license issued 19 by the Wildlife Resources Commission for ten dollars (\$10.00). The Wildlife Resources 20 Commission must require a licensee to keep records concerning any wildlife taken or possessed 21 by him; to keep records of the names and addresses of persons bringing him wildlife, the names and addresses of persons taking the wildlife if different, and other information concerning the 22 23 origin of the wildlife; to inspect any applicable licenses or permits pertaining to the taking and 24 possession of wildlife brought to him; to restrict him to taxidermy upon lawfully acquired 25 wildlife; and to keep other pertinent records. fifty dollars (\$50.00). In addition to a taxidermy 26 license, license holders engaging in taxidermy of any species of the family Cervidae must also 27 obtain a taxidermy cervid certification issued by the Wildlife Resources Commission for five dollars (\$5.00), the proceeds of which shall be used to fund the Cervid Health Cooperator 28 29 Program and for other chronic wasting disease surveillance. The Wildlife Resources Commission 30 is authorized by rule to set standards and reporting requirements for taxidermy licenses and certifications. No taxidermist subject to license requirements may sell any game or game fish in 31 32 which he deals except that a taxidermist may acquire a valid possessory lien upon game or game 33 fish under the terms of Chapter 44A of the General Statutes and, with a trophy sale permit from 34 the Executive Director, Wildlife Resources Commission, may sell the game or game fish under 35 the procedure authorized in Chapter 44A. Wildlife acquired by a taxidermist is deemed "personal 36 property" for the purposes of Chapter 44A. 37 Wildlife Control Agent License. – Any individual who engages in wildlife damage (l)38 control or wildlife removal activities, including bat eviction, for compensation, including 39 reimbursement for the cost of materials, shall first procure a wildlife control agent license. This 40 is an annual license issued by the Wildlife Resources Commission for fifty dollars (\$50.00). This license shall not be required for licensed trappers taking wild animals during the established 41 42 trapping season for that species. The Wildlife Resources Commission is authorized by rule to set 43 standards for and to license wildlife control agents. 44 Alligator Control Agent Certification. - In addition to the wildlife control agent (m) license, any individual who engages in alligator damage control or removal activities for 45 compensation, including reimbursement for the cost of materials, shall first procure an alligator 46 47 control agent certification. This is an annual certification issued by the Wildlife Resources 48 Commission for twenty-five dollars (\$25.00). The Wildlife Resources Commission is authorized by rule to set standards for and to certify alligator control agents. This certification does not 49 50 include privileges conveyed with an endangered species permit. The endangered species permit shall be obtained prior to conducting activities under the authorization of this certification." 51
