GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2019

S

SENATE BILL DRS35172-MQ-38A*

Short Title:	Planning/Development Changes.	(Public)
Sponsors:	Senators McKissick and Newton (Primary Sponsors).	
Referred to:		

1	A BILL TO BE ENTITLED
2	AN ACT TO REORGANIZE, CONSOLIDATE, MODERNIZE, AND CLARIFY STATUTES
3	REGARDING LOCAL PLANNING AND DEVELOPMENT REGULATION.
4	Whereas, a coherent organization of the statutes that authorize local government
5	planning and development regulation is needed to make the statutes simpler to find, easier to
6	follow, and more uniform for all local governments; and
7	Whereas, the parallel system of separate city and county statutes regarding planning
8	and development regulation has led to redundancy and unintended differences in the wording of
9	planning and development regulation statutes on the same subject; and
10	Whereas, numerous specialized statutes affecting local planning and development
11	regulation have been added in disparate Chapters of the General Statutes over past decades; and
12	Whereas, antiquated and confusing language exists in the planning and development
13	regulation statutes; and
14	Whereas, other than collecting some of these statutes into Article 19 of Chapter 160A
15	of the General Statutes in 1971 and Article 18 of Chapter 153A of the General Statutes in 1973,
16	no comprehensive reorganization of North Carolina's planning and development regulation
17	statutes has been undertaken; and
18	Whereas, the General Assembly intends to collect and organize existing statutes
19	regarding local planning and development into a single Chapter of the General Statutes and to
20	consolidate the statutes affecting cities and counties; and
21	Whereas, the intent of this bill is to neither eliminate, diminish, enlarge, nor expand
22	the authority of local governments to exact land, construction, or money as part of the
23	development approval process or otherwise materially alter the scope of local authority to
24	regulate development and any modifications from earlier versions of this bill should not be
25	interpreted to affect the scope of local government authority; Now, therefore,
26	The General Assembly of North Carolina enacts:
27	SECTION 1. Article 18 of Chapter 153A of the General Statutes is repealed.
28	SECTION 2. Article 19 of Chapter 160A of the General Statutes is repealed.
29	SECTION 3. The General Statutes are amended by adding a new Chapter to read:
30	" <u>Chapter 160D.</u>
31	"Local Planning and Development Regulation.
32	" <u>Article 1.</u>
33	"General Provisions.
34	" <u>§ 160D-1-1. Application.</u>
35	(a) The provisions of this Article shall apply to all development regulations and programs
36	adopted pursuant to this Chapter or applicable or related local acts. To the extent there are

General Assembly Of North Carolina Session 2019 1 contrary provisions in local charters or acts, G.S. 160D-1-11 is applicable unless this Chapter 2 expressly provides otherwise. The provisions of this Article also apply to any other local 3 ordinance that substantially affects land use and development. 4 The provisions of this Article are supplemental to specific provisions included in (b) 5 other Articles of this Chapter. To the extent there are conflicts between the provisions of this 6 Article and the provisions of other Articles of this Chapter, the more specific provisions shall 7 control. 8 Local governments may also apply any of the definitions and procedures authorized (c) 9 by this Chapter to any ordinance that does not substantially affect land use and development adopted under the general police power of cities and counties, Article 8 of Chapter 160A of the 10 11 General Statutes and Article 6 of Chapter 153A of the General Statutes respectively, and may employ any organizational structure, board, commission, or staffing arrangement authorized by 12 13 this Chapter to any or all aspects of those ordinances. 14 This Chapter does not expand, diminish, or alter the scope of authority for planning (d) and development regulation authorized by other Chapters of the General Statutes. 15 "§ 160D-1-2. Definitions. 16 17 Unless otherwise specifically provided, or unless otherwise clearly required by the context, 18 the words and phrases defined in this section shall have the following meanings indicated when 19 used in this Chapter: 20 (1)Administrative decision. - Decisions made in the implementation, 21 administration, or enforcement of development regulations that involve the 22 determination of facts and the application of objective standards set forth in 23 this Chapter or local government development regulations. These are 24 sometimes referred to as ministerial decisions or administrative 25 determinations. 26 Administrative hearing. - A proceeding to gather facts needed to make an (2)27 administrative decision. 28 Bona fide farm purposes. - Agricultural activities as set forth in (3) 29 G.S. 160D-9-3. 30 Charter. - As defined in G.S. 160A-1(2). 18		regarded as a part of real property.	<u> </u>
19	<u>(28)</u>	Quasi-judicial decision. – A decision involving the finding of	of facts regarding
20		a specific application of a development regulation and	
21		exercise of discretion when applying the standards of the reg	•
22		includes, but is not limited to, decisions involving varian	
23		permits, certificates of appropriateness, and appeals of	
24		determinations. Decisions on the approval of subdivision pl	
25		are quasi-judicial in nature if the regulation authorizes a	decision-making
26		board to approve or deny the application based not only u	pon whether the
27		application complies with the specific requirements set forth	in the regulation,
28		but also on whether the application complies with one or mor	e generally stated

6	" <u>§ 160D-1-7. Moratoria.</u>	
7	(a) <u>Authority. – As provided in this section, local governments m</u>	ay adopt temporary
8	moratoria on any development approval required by law, except for the pu	rpose of developing
9	and adopting new or amended plans or development regulations governing	residential uses. The
10	duration of any moratorium shall be reasonable in light of the specific cor	ditions that warrant
11	imposition of the moratorium and may not exceed the period of time necessar	y to correct, modify,
12	or resolve such conditions.	
13	(b) Hearing Required. – Except in cases of imminent and substan	-
14	health or safety, before adopting a development regulation imposing a development	•
15	with a duration of 60 days or any shorter period, the governing board sha

31	development approval has been submitted prior to the effective date	* *
32	G.S. 160D-1-8(b) shall be applicable when permit processing resumes.	<u>or a moratorian</u> ,
33	(d) Required Statements. – Any development regulation establish	ning a development
34	moratorium must include, at the time of adoption, each of the following:	
35	(1) A statement of the problems or conditions necessitating	the moratorium and
36	what courses of action, alternative to a moratorium, we	
37	local government and why those alternative courses of act	ion were not deemed
38	adequate.	
39	(2) A statement of the development approvals subject to the r	noratorium and how
40	a moratorium on those approvals will address the prol	blems or conditions
41	leading to imposition of the moratorium.	
42	(3) <u>A date for termination of the moratorium and a stateme</u>	
43	that duration is reasonably necessary to address the pro	blems or conditions
44	leading to imposition of the moratorium.	
45	(4) A statement of the actions, and the schedule for those act	* *
46	taken by the local government during the duration of	
47	address the problems or conditions leading to imposition	
48	(e) <u>Limit on Renewal or Extension. – No moratorium may be subs</u>	
49 50	extended for any additional period unless the local government shall have	
50	and feasible steps proposed to be taken in its ordinance establishing the mo	
51	the problems or conditions leading to imposition of the moratorium and u	niess new facts and

1	conditions warrant an extension. Any ordinance renewing or extending a development
2	moratorium must include, at the time of adoption, the findings set forth in subdivisions (1)
3	through (4) of subsection (d) of this section, including what new facts or conditions warrant the
4	extension.
5	(f) Expedited Judicial Review. – Any person aggrieved by the imposition of a
6	moratorium on development approvals required by law may apply to the General Court of Justice
7	for an order enjoining the enforcement of the moratorium. Actions brought pursuant to this
8	section shall be scheduled for expedited hearing, and subsequent proceedings in those actions
9	shall be accorded priority by the trial and appellate courts. In such actions, the local government
10	shall have the burden of showing compliance with the procedural requirements of this subsection.
11	" <u>§ 160D-1-8. Vested rights and permit choice.</u>
12	(a) <u>Findings. – The General Assembly recognizes that local government approval of</u>
13	development typically follows significant investment in site evaluation, planning, development
14	costs, consultant fees, and related expenses. The General Assembly finds that it is necessary and desirable to provide for the establishment of certain vested rights in order to ensure reasonable
15 16	certainty, stability, and fairness in the development regulation process, to secure the reasonable
10	expectations of landowners, and to foster cooperation between the public and private sectors in
18	land-use planning and development regulation. The provisions of this section strike an
19	appropriate balance between private expectations and the public interest.
20	(b) Permit Choice. – If an application made in accordance with local regulation is
20 21	submitted for a development approval required pursuant to this Chapter and a development
22	regulation changes between the time the application was submitted and a decision is made, the
23	applicant may choose which version of the development regulation will apply to the application.
24	If the development permit applicant chooses the version of the rule or ordinance applicable at the
25	time of the permit application, the development permit applicant shall not be required to await
26	the outcome of the amendment to the rule, map, or ordinance prior to acting on the development
27	permit. This section applies to all development approvals issued by the State and by local
28	governments. The duration of vested rights created by development approvals is as set forth in
29	subsection (d) of this section.
30	(c) <u>Process to Claim Vested Right. – A person claiming a statutory or common law vested</u>
31	right may submit information to substantiate that claim to the zoning administrator or other
32	officer designated by a development regulation, who shall make an initial determination as to the
33	existence of the vested right. The decision of the zoning administrator or officer may be appealed
34	under G.S. 160D-4-5. On appeal, the existence of a vested right shall be reviewed de novo. In
35	lieu of seeking such a determination, a person claiming a vested right may bring an original civil
36	action as provided by G.S. 160D-4-5(c).
37	(d) <u>Types and Duration of Statutory Vested Rights. – Except as provided by this section</u>
38	and subject to subsection (b) of this section, amendments in local development regulations shall
39	not be applicable or enforceable with regard to development that has been permitted or approved
40	pursuant to this Chapter so long as one of the types of approvals listed in this subsection remains
41	valid and unexpired. Each type of vested right listed in this subsection is defined by and is subject
42	to the limitations provided in this section. Vested rights established under this section are not
43	mutually exclusive. The establishment of a vested right under this section does not preclude the
44	establishment of one or more other vested rights or vesting by common law principles. Vested
45	rights established by local government approvals are as follows:
46	(1) <u>Six months – Building permits. – Pursuant to G.S. 160D-11-9, a building</u>
47 19	permit expires six months after issuance unless work under the permit has
48 40	commenced. Building permits also expire if work is discontinued for a period
49 50	<u>of 12 months after work has commenced.</u> (2) <u>One year – Other local development approvals. – Pursuant to</u>
50 51	(2) <u>One year – Other local development approvals. – Pursuant to</u> G.S. 160D-4-3(c), unless otherwise specified by statute or local ordinance, all

Except as expressly provided in this section, nothing in this 2 section shall be construed to alter the existing common law. 3 "§ 160D-1-9. Conflicts of interest. 4 Governing Board. – A governing board member shall not vote on any legislative (a) 5 decision regarding a development regulation adopted pursuant to this Chapter where the outcome of the matter being considered is reasonably likely to have a direct, substantial, and readily 6 7 identifiable financial impact on the member. A governing board member shall not vote on any 8 zoning amendment if the landowner of the property subject to a rezoning petition or the applicant 9 for a text amendment is a person with whom the member has a close familial, business, or other 10 associational relationship. 11 Appointed Boards. – Members of appointed boards shall not vote on any advisory or (b) 12 legislative decision regarding a development regulation adopted pursuant to this Chapter where 13 the outcome of the matter being considered is reasonably likely to have a direct, substantial, and 14 readily identifiable financial impact on the member. An appointed board member shall not vote 15 on any zoning amendment if the landowner of the property subject to a rezoning petition or the 16 applicant for a text amendment is a person with whom the member has a close familial, business, 17 or other associational relationship. 18 (c) Administrative Staff. - No staff member shall make a final decision on an 19 administrative decision required by this Chapter if the outcome of that decision would have a 20 direct, substantial, and readily identifiable financial impact on the staff member or if the applicant 21 or other person subject to that decision is a person with whom the staff member has a close 22 familial, business, or other associational relationship. If a staff member has a conflict of interest 23 under this section, the decision shall be assigned to the supervisor of the staff person or such 24 other staff person as may be designated by the development regulation or other ordinance. 25 No staff member shall be financially interested or employed by a business that is financially 26 interested in a development subject to regulation under this Chapter unless the staff member is 27 the owner of the land or building involved. No staff member or other individual or an employee 28 of a company contracting with a local government to provide staff support shall engage in any 29 work that is inconsistent with his or her duties or with the interest of the local government, as 30 determined by the local government. 31 Quasi-Judicial Decisions. - A member of any board exercising quasi-judicial (d) 32 functions pursuant to this Chapter shall not participate in or vote on any quasi-judicial matter in 33 a manner that would violate affected persons' constitutional rights to an impartial decision maker. 34 Impermissible violations of due process include, but are not limited to, a member having a fixed 35 opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte 36 communications, a close familial, business, or other associational relationship with an affected 37 person, or a financial interest in the outcome of the matter. 38 Resolution of Objection. - If an objection is raised to a board member's participation (e) 39 at or prior to the hearing or vote on a particular matter and that member does not recuse himself 40 or herself, the remaining members of the board shall by majority vote rule on the objection. 41 Familial Relationship. – For purposes of this section, a "close familial relationship" (f) 42 means a spouse, parent, child, brother, sister, grandparent, or grandchild. The term includes the 43 step, half, and in-law relationships. 44 '§ 160D-1-10. Chapter construction. 4	act heretofore done, any liability incurred, any right accrued or vested, or any suit or prosecution
5	begun or cause of action accrued as of the effective date of this Chapter. The enactment of this
6	Chapter shall not be deemed to amend the geographic area within which local government
7	development regulations adopted prior to January 1, 2019, are effective.
8	(b) G.S. 153A-3 and G.S. 160A-3 are applicable to this Chapter. Nothing in this Chapter
9	repeals or amends a charter or local act in effect as of the effective date of this Chapter unless
10	this Chapter or a subsequent enactment of the General Assembly clearly shows a legislative intent
11	to repeal or supersede that charter or local act.

20	"§ 160D-2-1. Planning and development regulation jurisdiction.
21	(a) Municipalities. – All of the powers granted by this Chapter may be exercised by any
22	city within its corporate limits and within any extraterritorial area established pursuant to
23	<u>G.S. 160D-2.</u>
24	(b) <u>Counties. – All of the powers granted by this Chapter may be exercised by any county</u>
25	throughout the county except in areas subject to municipal planning and development regulation
26	jurisdiction.
27	" <u>§ 160D-2-2. Municipal extraterritorial jurisdiction.</u>
28	(a) <u>Geographic Scope. – Any city may exercise the powers granted to cities under this</u>
29	Chapter within a defined area extending not more than one mile beyond its contiguous corporate
30	limits. In addition, a city of 10,000 or more population but less than 25,000 may exercise these
31	powers over an area extending not more than two miles beyond its limits and a city of 25,000 or
32	more population may exercise these powers over an area extending not more than three miles
33	beyond its limits. In determining the population of a city for the purposes of this Chapter, the city
34	council and the board of county commissioners may use the most recent annual estimate of
35	population as certified by the Secretary of the North Carolina Department of Administration.
36	Pursuant to G.S. 160A-58.4, extraterritorial municipal planning and development regulation may
37	be extended only from the primary corporate boundary of a city and not from the boundary of
38	satellite areas of the city.
39	(b) Authority in the Extraterritorial Area. – A city may not exercise any power conferred
40	by this Chapter in its extraterritorial jurisdiction that it is not exercising within its corporate limits.
41	A city may exercise in its extraterritorial area all powers conferred by this Chapter that it is
42	exercising within its corporate limits. If a city fails to extend a particular type of development
43	regulation to the extraterritorial area, the county may elect to exercise that particular type of
44	regulation in the extraterritorial area.

1 Notice of Proposed Jurisdiction Change. – Any municipality proposing to exercise (d) 2 extraterritorial jurisdiction under this Chapter shall notify the owners of all parcels of land 3 proposed for addition to the area of extraterritorial jurisdiction, as shown on the county tax 4 records. The notice shall be sent by first-class mail to the last addresses listed for affected 5 property owners in the county tax records. The notice shall inform the landowner of the effect of 6 the extension of extraterritorial jurisdiction, of the landowner's right to participate in a legislative 7 hearing prior to adoption of any ordinance extending the area of extraterritorial jurisdiction, as 8 provided in G.S. 160D-6-1, and of the right of all residents of the area to apply to the board of 9 county commissioners to serve as a representative on the planning board and the board of 10 adjustment, as provided in G.S. 160D-3-3. The notice shall be mailed at least 30 days prior to the 11 date of the hearing. The person or persons mailing the notices shall certify to the city council that the notices were sent by first-class mail, and the certificate shall be deemed conclusive in the 12 13 absence of fraud. 14 (e) Boundaries. – Any council exercising extraterritorial jurisdiction under this Chapter shall adopt an ordinance specifying the areas to be included based upon existing or projected 15 16 urban development and areas of critical concern to the city, as evidenced by officially adopted 17 plans for its development. A single jurisdictional boundary shall be applicable for all powers 18 conferred in this Chapter. Boundaries shall be defined, to the extent feasible, in terms of 19 geographical features identifiable on the ground. Boundaries may follow parcel ownership 20 boundaries. A council may, in its discretion, exclude from its extraterritorial jurisdiction areas 21 lying in another county, areas separated from the city by barriers to urban growth, or areas whose projected development will have minimal impact on the city. The boundaries specified in the 22 23 ordinance shall at all times be drawn on a map, set forth in a written description, or shown by a 24 combination of these techniques. This delineation shall be maintained in the manner provided in 25 G.S. 160A-22 for the delineation of the corporate limits and shall be recorded in the office of the 26 register of deeds of each county in which any portion of the area lies. 27 Where the extraterritorial jurisdiction of two or more cities overlaps, the jurisdictional 28 boundary between them shall be a line connecting the midway points of the overlapping area 29 unless the city councils agree to another boundary line within the overlapping area based upon 30 existing or projected patterns of development. 31 County Authority Within City Jurisdiction. – The county may, on request of the city (f)32 council, exercise any or all of these powers in any or all areas lying within the city's corporate 33 limits or within the city's specified area of extraterritorial jurisdiction. 34 Transfer of Jurisdiction. – When a city annexes, or a new city is incorporated in, or a (g) 35 city extends its jurisdiction to include, an area that is currently being regulated by the county, the 36 county development regulations and powers of enforcement shall remain in effect until (i) the 37 city has adopted such development regulations or (ii) a period of 60 days has elapsed following 38 the annexation, extension, or incorporation, whichever is sooner. Prior to the transfer of 39 jurisdiction, the city may hold hearings and take any other measures consistent with 40 G.S. 160D-2-4 that may be required in order to adopt and apply its development regulations for 41 the area at the same time it assumes jurisdiction. 42 Relinquishment of Jurisdiction. – When a city relinquishes jurisdiction over an area (h) 43 that it is regulating under this Chapter to a county, the city development regulations and powers of enforcement shall remain in effect until (i) the county has adopted such development 44 45 regulation or (ii) a period of 60 days has elapsed following the action by which the city relinquished jurisdiction, whichever is sooner. Prior to the transfer of jurisdiction, the county 46 47 may hold hearings and take other measures consistent with G.S. 160D-2-4 that may be required 48 in order to adopt and apply its development regulations for the area at the same time it assumes 49 jurisdiction. 50 Process for Local Government Approval. – When a local government is granted (i) powers by this section subject to the request, approval, or agreement of another local government, 51

48	under this Chapter, it shall provide a means of proportional representation based on population
49	for residents of the extraterritorial area to be regulated. The population estimates for this
50	calculation shall be updated no less frequently than after each decennial census. Representation
51	shall be provided by appointing at least one resident of the entire extraterritorial planning and

1	development regulation area to the planning board, board of adjustment, appearance commission,
2	and the historic preservation commission if there are historic districts or designated landmarks in
3	the extraterritorial area.
4	(b) <u>Appointment. – Membership of joint municipal-county planning agencies or boards</u>
5	of adjustment may be appointed as agreed by counties and municipalities. The extraterritorial
6	representatives on a city advisory board authorized by this Article shall be appointed by the board
7	of county commissioners with jurisdiction over the area. The county shall make the appointments
8	within 90 days following the hearing. Once a city provides proportional representation, no power
9	available to a city under this Chapter shall be ineffective in its extraterritorial area solely because
10	county appointments have not yet been made. If there is an insufficient number of qualified
11	residents of the extraterritorial area to meet membership requirements, the board of county
12	commissioners may appoint as many other residents of the county as necessary to make up the
13	requisite number. When the extraterritorial area extends into two or more counties, each board
14	of county commissioners concerned shall appoint representatives from its portion of the area, as
15	specified in the ordinance. If a board of county commissioners fails to make these appointments
16	within 90 days after receiving a resolution from the city council requesting that they be made,
17	the city council may make them.
18	(c) <u>Voting Rights. – If the ordinance so provides, the outside representatives may have</u>
19	equal rights, privileges, and duties with the other members of the board to which they are
20	appointed, regardless of whether the matters at issue arise within the city or within the
21 22	extraterritorial area; otherwise, they shall function only with respect to matters within the extraterritorial area.
22	"§ 160D-3-8. Rules of procedure.
23 24	Rules of procedure that are consistent with the provisions of this Chapter may be adopted by
25	the governing board for any or all boards created under this Article. In the absence of action by
26	the governing board, each board created under this Article is authorized to adopt its own rules of
27	procedure that are consistent with the provisions of this Chapter. A copy of any adopted rules of
28	procedure shall be maintained by the local government clerk or such other official as designated
29	by ordinance and posted on the local government Web site if one exists. Each board shall keep
30	minutes of its proceedings.
31	"§ 160D-3-9. Oath of office.
32	All members appointed to boards under this Article shall, before entering their duties, qualify
33	by taking an oath of office as required by G.S. 153A-26 and G.S. 160A-61.
34	"§ 160D-3-10. Appointments to boards.
35	Unless specified otherwise by statute or local ordinance, all appointments to boards
36	authorized by this Chapter shall be made by the governing board of the local government. The
37	governing board may establish reasonable procedures to solicit, review, and make appointments.
38	" <u>Article 4.</u>
39	"Administration, Enforcement, and Appeals.
40	" <u>§ 160D-4-1. Application.</u>
41	(a) The provisions of this Article shall apply to all development regulations adopted
42	pursuant to this Chapter. Local governments may apply any of the definitions and procedures
43	authorized by this Article to any ordinance adopted under the general police power of cities and
44	counties, Article 8 of Chapter 160A of the General Statutes, and Article 6 of Chapter 153A of
45	the General Statutes, respectively, and may employ any organizational structure, board,
46	commission, or staffing arrangement authorized by this Article to any or all aspects of those
47	ordinances. The provisions of this Article also apply to any other local ordinance that
48	substantially affects land use and development.
49	(b) The provisions of this Article are supplemental to specific provisions included in

General Assembly Of North Carolina Session 2019 1 Article and other Articles, the more specific provision shall control. This Article does not expand, 2 diminish, or alter the scope of authority for development regulations authorized by this Chapter. 3 "§ 160D-4-2. Administrative staff. 4 Authorization. – Local governments may appoint administrators, inspectors, (a) 5 enforcement officers, planners, technicians, and other staff to develop, administer, and enforce 6 development regulations authorized by this Chapter. 7 Duties. - Duties assigned to staff may include, but are not limited to, drafting and (b) 8 implementing plans and development regulations to be adopted pursuant to this Chapter; 9 determining whether applications for development approvals are complete; receiving and 10 processing applications for development approvals; providing notices of applications and 11 hearings; making decisions and determinations regarding development regulation implementation; determining whether applications for development approvals meet applicable 12 13 standards as established by law and local ordinance; conducting inspections; issuing or denving 14 certificates of compliance or occupancy; enforcing development regulations, including issuing 15 notices of violation, orders to correct violations, and recommending bringing judicial actions 16 against actual or threatened violations; keeping adequate records; and any other actions that may 17 be required in order adequately to enforce the laws and development regulations under their 18 jurisdiction. A development regulation may require that designated staff members take an oath 19 of office. The local government shall have the authority to enact ordinances, procedures, and fee 20 schedules relating to the administration and the enforcement of this Chapter. The administrative 21 and enforcement provisions related to building permits set forth in Article 11 of this Chapter shall 22 be followed for those permits. 23 Alternative Staff Arrangements. – A local government may enter into contracts with (c) 24 another city, county, or combination thereof under which the parties agree to create a joint staff 25 for the enforcement of State and local laws specified in the agreement. The governing boards of 26 the contracting parties may make any necessary appropriations for this purpose. 27 In lieu of joint staff, a governing board may designate staff from any other city or county to 28 serve as a member of its staff with the approval of the governing board of the other city or county. 29 A staff member, if designated from another city or county under this section, shall, while 30 exercising the duties of the position, be considered an agent of the local government exercising 31 those duties. The governing board of one local government may request the governing board of 32 a second local government to direct one or more of the second local government's staff members 33 to exercise their powers within part or all of the first local government's jurisdiction, and they 34 shall thereupon be empowered to do so until the first local government officially withdraws its 35 request in the manner provided in G.S. 160D-2-2. 36 A local government may contract with an individual, company, council of governments, 37 regional planning agency, metropolitan planning organization, or rural planning agency to 38 designate an individual who is not a city or county employee to work under the supervision of 39 the local government to exercise the functions authorized by this section. The local government 40 shall have the same potential liability, if any, for inspections conducted by an individual who is 41 not an employee of the local government as it does for an individual who is an employee of the 42 local government. The company or individual with whom the local government contracts shall 43 have errors and omissions and other insurance coverage acceptable to the local government. 44 Financial Support. – The local government may appropriate for the support of the (d) 45 staff any funds that it deems necessary. It shall have power to fix reasonable fees for support, 46 administration, and implementation of programs authorized by this Chapter, and all such fees 47 shall be used for no other purposes. When an inspection, for which the permit holder has paid a 48 fee to the local government, is performed by a marketplace pool Code-enforcement official upon 49 request of the Insurance Commissioner under G.S. 143-151.12(9)a., the local government shall 50 promptly return to the permit holder the fee collected by the local government for such inspection. This subsection applies to the following types of inspection: plumbing, electrical systems, 51

1 general building restrictions and regulations, heating and air-conditioning, and the general 2 construction of buildings. 3 "§ 160D-4-3. Administrative development approvals and determinations. 4 Development Approvals. – To the extent consistent with the scope of regulatory (a) 5 authority granted by this Chapter, no person shall commence or proceed with development 6 without first securing any required development approval from the local government with 7 jurisdiction over the site of the development. A development approval shall be in writing and 8 may contain a provision that the development shall comply with all applicable State and local 9 laws. A local government may issue development approvals in print or electronic form. Any 10 development approval issued exclusively in electronic form shall be protected from further 11 editing once issued. Applications for development approvals may be made by the landowner, a lessee or person holding an option or contract to purchase or lease land, or an authorized agent 12 13 of the landowner. An easement holder may also apply for development approval for such 14 development as is authorized by the easement. 15 Determinations and Notice of Determinations. - A development regulation enacted (b) 16 under the authority of this Chapter may designate the staff member or members charged with 17 making determinations under the development regulation. 18 The officer making the determination shall give written notice to the owner of the property 19 that is the subject of the determination and to the party who sought the determination, if different 20 from the owner. The written notice shall be delivered by personal delivery, electronic mail, or by 21 first-class mail. The notice shall be delivered to the last address listed for the owner of the affected 22 property on the county tax abstract and to the address provided in the application or request for 23 a determination if the party seeking the determination is different from the owner. 24 It shall be conclusively presumed that all persons with standing to appeal have constructive 25 notice of the determination from the date a sign providing notice that a determination has been 26 made is prominently posted on the property that is the subject of the determination, provided the 27 sign remains on the property for at least 10 days. The sign shall contain the words "Zoning 28 Decision" or "Subdivision Decision" or similar language for other determinations in letters at 29 least 6 inches high and shall identify the means to contact a local government staff member for 30 information about the determination. Posting of signs is not the only form of constructive notice. Any such posting shall be the responsibility of the landowner, applicant, or person who sought 31 32 the determination. Verification of the posting shall be provided to the staff member responsible 33 for the determination. Absent an ordinance provision to the contrary, posting of signs shall not 34 be required. 35 Duration of Development Approval. – Unless a different period is specified by this (c) 36 Chapter or other specific applicable law, or a different period is provided by a quasi-judicial 37 development approval, a development agreement, or a local ordinance, a development approval 38 issued pursuant to this Chapter shall expire one year after the date of issuance if the work 39 authorized by the development approval has not been substantially commenced. Local 40 development regulations may provide for development approvals of shorter duration for 41 temporary land uses, special events, temporary signs, and similar development. Unless provided 42 otherwise by this Chapter or other specific applicable law or a longer period is provided by local 43 ordinance, if after commencement the work or activity is discontinued for a period of 12 months 44 after commencement, the development approval shall immediately expire. The time periods set out in this subsection shall be tolled during the pendency of any appeal. No work or activity 45 46 authorized by any development approval that has expired shall thereafter be performed until a 47 new development approval has been secured. Nothing in this subsection shall be deemed to limit 48 any vested rights secured under G.S. 160D-1-8. 49 (d) Changes. – After a development approval has been issued, no deviations from the 50 terms of the application or the development approval shall be made until written approval of

51 proposed changes or deviations has been obtained. A local government may define by ordinance

1 minor modifications to development approvals that can be exempted or administratively 2 approved. The local government shall follow the same development review and approval process 3 required for issuance of the development approval in the review and approval of any major 4 modification of that approval. 5 (e) Inspections. – Administrative staff may inspect work undertaken pursuant to a 6 development approval to assure that the work is being done in accordance with applicable State 7 and local laws and of the terms of the approval. In exercising this power, staff are authorized to 8 enter any premises within the jurisdiction of the local government at all reasonable hours for the 9 purposes of inspection or other enforcement action, upon presentation of proper credentials; 10 provided, however, that the appropriate consent has been given for inspection of areas not open 11 to the public or that an appropriate inspection warrant has been secured. 12 Revocation of Development Approvals. - In addition to initiation of enforcement (f)13 actions under G.S. 160D-4-4, development approvals may be revoked by the local government 14 issuing the development approval by notifying the holder in writing stating the reason for the revocation. The local government shall follow the same development review and approval 15 16 process required for issuance of the development approval, including any required notice or 17 hearing, in the review and approval of any revocation of that approval. Development approvals 18 shall be revoked for any substantial departure from the approved application, plans, or 19 specifications; for refusal or failure to comply with the requirements of any applicable local 20 development regulation or any State law delegated to the local government for enforcement 21 purposes in lieu of the State; or for false statements or misrepresentations made in securing the approval. Any development approval mistakenly issued in violation of an applicable State or 22 23 local law may also be revoked. The revocation of a development approval by a staff member may 24 be appealed pursuant to G.S. 160D-4-5. If an appeal is filed regarding a development regulation 25 adopted by a local government pursuant to this Chapter, the provisions of G.S. 160D-4-5(e) 26 regarding stays shall be applicable. 27 Certificate of Occupancy. - A local government may, upon completion of work or (g) 28 activity undertaken pursuant to a development approval, make final inspections and issue a 29 certificate of compliance or occupancy if staff finds that the completed work complies with all 30 applicable State and local laws and with the terms of the approval. No building, structure, or use 31 of land that is subject to a building permit required by Article 11 of this Chapter shall be occupied 32 or used until a certificate of occupancy or temporary certificate pursuant to G.S. 160D-11-14 has 33 been issued. 34 (h) Optional Communication Requirements. - A regulation adopted pursuant to this 35 Chapter may require notice and/or informational meetings as part of the administrative 36 decision-making process. 37 "§ 160D-4-4. Enforcement. 38 Notices of Violation. - When staff determines work or activity has been undertaken (a) 39 in violation of a development regulation adopted pursuant to this Chapter or other local 40 development regulation or any State law delegated to the local government for enforcement 41 purposes in lieu of the State or in violation of the terms of a development approval, a written 42 notice of violation may be issued. The notice of violation shall be delivered to the holder of the 43 development approval and to the landowner of the property involved, if the landowner is not the 44 holder of the development approval, by personal delivery, electronic delivery, or first-class mail 45 and may be provided by similar means to the occupant of the property or the person undertaking 46 the work or activity. The notice of violation may be posted on the property. The person providing 47 the notice of violation shall certify to the local government that the notice was provided, and the 48 certificate shall be deemed conclusive in the absence of fraud. Except as provided by 49 G.S. 160D-11-23 or G.S. 160D-12-6 or otherwise provided by law, a notice of violation may be 50 appealed to the board of adjustment pursuant to G.S. 160D-4-5.

A majority of the members shall be required to decide any other quasi-judicial matter or to determine an appeal made in the nature of certiorari. For the purposes of this subsection, 12 13 vacant positions on the board and members who are disgualified from voting on a quasi-judicial 14 matter under G.S. 160D-1-9(d) shall not be considered members of the board for calculation of 15 the requisite majority if there are no qualified alternates available to take the place of such 16 members. 17 Decisions. - The board shall determine contested facts and make its decision within (i) 18 a reasonable time. When hearing an appeal, the board may reverse or affirm, wholly or partly, or 19 may modify the decision appealed from and shall make any order, requirement, decision, or 20 determination that ought to be made. The board shall have all the powers of the official who 21 made the decision. Every quasi-judicial decision shall be based upon competent, material, and 22 substantial evidence in the record. Each quasi-judicial decision shall be reduced to writing, reflect 23 the board's determination of contested facts and their application to the applicable standards, and 24 be approved by the board and signed by the chair or other duly authorized member of the board. 25 A quasi-judicial decision is effective upon filing the written decision with the clerk to the board 26 or such other office or official as the development regulation specifies. The decision of the board 27 shall be delivered within a reasonable time by personal delivery, electronic mail, or first-class 28 mail to the applicant, landowner, and any person who has submitted a written request for a copy 29 prior to the date the decision becomes effective. The person required to provide notice shall 30 certify to the local government that proper notice has been made, and the certificate shall be 31 deemed conclusive in the absence of fraud. 32 Judicial Review. - Every quasi-judicial decision shall be subject to review by the (k) 33 superior court by proceedings in the nature of certiorari pursuant to G.S. 160D-14-2. Appeals 34 shall be filed within the times specified in G.S. 160D-14-5(d). 35 "Article 5. 36 "Planning. 37 "§ 160D-5-1. Plans. 38 Preparation of Plans and Studies. - As a condition of adopting and applying zoning (a) 39 regulations under this Chapter, a local government shall adopt and reasonably maintain a 40 comprehensive plan that sets forth goals, policies, and programs intended to guide the present 41 and future physical, social, and economic development of the jurisdiction. 42 A comprehensive plan is intended to guide coordinated, efficient, and orderly development 43 within the planning and development regulation jurisdiction based on an analysis of present and 44 future needs. Planning analysis may address inventories of existing conditions and assess future 45 trends regarding demographics and economic, environmental, and cultural factors. The planning 46 process shall include opportunities for citizen engagement in plan preparation and adoption. In 47 addition to a comprehensive plan, a local government may prepare and adopt such other plans as 48 deemed appropriate. This may include, but is not limited to, land-use plans, small area plans, 49 neighborhood plans, hazard mitigation plans, transportation plans, housing plans, and recreation 50 and open space plans. If adopted pursuant to the process set forth in this section, such plans shall be considered in review of proposed zoning amendments. 51

"Article 6.
"Development Regulation.
"§ 160D-6-1. Procedure for adopting, amending, or repealing development regulations.
(a) Hearing with Published Notice. – Before adopting, amending, or repealing any
ordinance or development regulation authorized by this Chapter, the governing board shall hold
a legislative hearing. A notice of the hearing shall be given once a week for two successive
calendar weeks in a newspaper having general circulation in the area. The notice shall be
published the first time not less than 10 days nor more than 25 days before the date scheduled for
the hearing. In computing such period, the day of publication is not to be included but the day of
the hearing shall be included.
(b) Notice to Military Bases. – If the adoption or modification would result in changes to
the zoning map or would change or affect the permitted uses of land located five miles or less
from the perimeter boundary of a military base, the local government shall provide written notice
of the proposed changes by certified mail, return receipt requested, to the commander of the
military base not less than 10 days nor more than 25 days before the date fixed for the hearing.
If the commander of the military base provides comments or analysis regarding the compatibility
of the proposed development regulation or amendment with military operations at the base, the
governing board of the local government shall take the comments and analysis into consideration
before making a final determination on the ordinance.
(c) A development regulation adopted pursuant to this Chapter shall be adopted by
ordinance.
" <u>§ 160D-6-2. Notice of hearing on proposed zoning map amendments.</u>
(a) <u>Mailed Notice. – An ordinance shall provide for the manner in which zoning</u>
regulations and the boundaries of zoning districts shall be determined, established, and enforced,
and from time to time amended, supplemented, or changed, in accordance with the provisions of
this Chapter. The owners of affected parcels of land and the owners of all parcels of land abutting
that parcel of land shall be mailed a notice of the hearing on a proposed zoning map amendment
by first-class mail at the last addresses listed for such owners on the county tax abstracts. For the
purpose of this section, properties are "abutting" even if separated by a street, railroad, or other
transportation corridor. This notice must be deposited in the mail at least 10 but not more than 25 days prior to the data of the hearing. If the zoning man amandment is being proposed in
25 days prior to the date of the hearing. If the zoning map amendment is being proposed in
conjunction with an expansion of municipal extraterritorial planning and development regulation invisidiation under G.S. 160D 2.2. a single hearing on the zoning man amendment and the
jurisdiction under G.S. 160D-2-2, a single hearing on the zoning map amendment and the boundary amendment may be held. In this instance, the initial notice of the zoning map
amendment hearing may be combined with the boundary hearing notice and the combined
hearing notice mailed at least 30 days prior to the hearing.
(b) Optional Notice for Large-Scale Zoning Map Amendments. – The first-class mail
notice required under subsection (a) of this section shall not be required if the zoning map
amendment proposes to change the zoning designation of more than 50 properties, owned by at
unionalitient proposed to enunge the zoning designation of more than 50 properties, owned by at

1 least 50 different property owners, and the local government elects to use the expanded published 2 notice provided for in this subsection. In this instance, a local government may elect to make the 3 mailed notice provided for in subsection (a) of this section or, as an alternative, elect to publish 4 notice of the hearing as required by G.S. 160D-6-1, provided that each advertisement shall not 5 be less than one-half of a newspaper page in size. The advertisement shall only be effective for 6 property owners who reside in the area of general circulation of the newspaper that publishes the 7 notice. Property owners who reside outside of the newspaper circulation area, according to the 8 address listed on the most recent property tax listing for the affected property, shall be notified 9 according to the provisions of subsection (a) of this section. 10 Posted Notice. – When a zoning map amendment is proposed, the local government (c) 11 shall prominently post a notice of the hearing on the site proposed for the amendment or on an adjacent public street or highway right-of-way. The notice shall be posted within the same time 12 13 period specified for mailed notices of the hearing. When multiple parcels are included within a 14 proposed zoning map amendment, a posting on each individual parcel is not required but the 15 local government shall post sufficient notices to provide reasonable notice to interested persons. 16 Actual Notice. – Except for a government-initiated zoning map amendment, when an (d) 17 application is filed to request a zoning map amendment and that application is not made by the 18 landowner or authorized agent, the applicant shall certify to the local government that the owner 19 of the parcel of land as shown on the county tax listing has received actual notice of the proposed 20 amendment and a copy of the notice of the hearing. Actual notice shall be provided in any manner 21 permitted under G.S. 1A-1, Rule 4(j). If notice cannot with due diligence be achieved by personal 22 delivery, certified mail, or by a designated delivery service authorized pursuant to 26 U.S.C. § 23 7502(f)(2), notice may be given by publication consistent with G.S. 1A-1, Rule 4(j1). The person 24 or persons required to provide notice shall certify to the local government that actual notice has 25 been provided, and such certificate shall be deemed conclusive in the absence of fraud. 26 (e) Optional Communication Requirements. - When a zoning map amendment is 27 proposed, a zoning regulation may require communication by the person proposing the map 28 amendment to neighboring property owners and residents and may require the person proposing 29 the zoning map amendment to report on any communication with neighboring property owners 30 and residents. 31 '§ 160D-6-3. Citizen comments. 32 Subject to the limitations of this Chapter, zoning regulations may from time to time be 33 amended, supplemented, changed, modified, or repealed. If any resident or property owner in the 34 local government submits a written statement regarding a proposed amendment, modification, or 35 repeal to a zoning regulation, including a text or map amendment, to the clerk to the board at 36 least two business days prior to the proposed vote on such change, the clerk to the board shall deliver such written statement to the governing board. If the proposed change is the subject of a 37 38 guasi-judicial proceeding under G.S. 160D-7-5 or any other statute, the clerk shall provide only 39 the names and addresses of the individuals providing written comment, and the provision of such 40 names and addresses to all members of the board shall not disqualify any member of the board from voting. 41 42 "§ 160D-6-4. Planning board review and comment. 43 (a) Initial Zoning. – In order to exercise zoning powers conferred by this Chapter for the 44 first time, a local government shall create or designate a planning board under the provisions of 45 this Article or of a special act of the General Assembly. The planning board shall prepare or shall 46 review and comment upon a proposed zoning regulation, including the full text of such regulation 47 and maps showing proposed district boundaries. The planning board may hold public meetings 48 and legislative hearings in the course of preparing the regulation. Upon completion, the planning 49 board shall make a written recommendation regarding adoption of the regulation to the governing 50 board. The governing board shall not hold its required hearing or take action until it has received a recommendation regarding the regulation from the planning board. Following its required 51

1 hearing, the governing board may refer the regulation back to the planning board for any further 2 recommendations that the board may wish to make prior to final action by the governing board 3 in adopting, modifying and adopting, or rejecting the regulation. 4 Zoning Amendments. – Subsequent to initial adoption of a zoning regulation, all (b)5 proposed amendments to the zoning regulation or zoning map shall be submitted to the planning board for review and comment. If no written report is received from the planning board within 6 7 30 days of referral of the amendment to that board, the governing board may act on the 8 amendment without the planning board report. The governing board is not bound by the 9 recommendations, if any, of the planning board. 10 Review of Other Ordinances and Actions. - Any development regulation other than (c) 11 a zoning regulation that is proposed to be adopted pursuant to this Chapter may be referred to the 12 planning board for review and comment. Any development regulation other than a zoning 13 regulation may provide that future proposed amendments of that ordinance be submitted to the 14 planning board for review and comment. Any other action proposed to be taken pursuant to this 15 Chapter may be referred to the planning board for review and comment. 16 Plan Consistency. - When conducting a review of proposed zoning text or map (d) 17 amendments pursuant to this section, the planning board shall advise and comment on whether 18 the proposed action is consistent with any comprehensive plan that has been adopted and any 19 other officially adopted plan that is applicable. The planning board shall provide a written 20 recommendation to the governing board that addresses plan consistency and other matters as 21 deemed appropriate by the planning board, but a comment by the planning board that a proposed 22 amendment is inconsistent with the comprehensive plan shall not preclude consideration or 23 approval of the proposed amendment by the governing board. If a zoning map amendment 24 qualifies as a "large-scale rezoning" under G.S. 160D-6-2(b), the planning board statement 25 describing plan consistency may address the overall rezoning and describe how the analysis and 26 policies in the relevant adopted plans were considered in the recommendation made. 27 Separate Board Required. – Notwithstanding the authority to assign duties of the (e) 28 planning board to the governing board as provided by this Chapter, the review and comment 29 required by this section shall not be assigned to the governing board and must be performed by 30 a separate board. 31 § 160D-6-5. Governing board statement. 32 Plan Consistency. – When adopting or rejecting any zoning text or map amendment, (a) 33 the governing board shall approve a brief statement describing whether its action is consistent or 34 inconsistent with an adopted comprehensive plan. The requirement for a plan consistency 35 statement may also be met by a clear indication in the minutes of the governing board that at the 36 time of action on the amendment the governing board was aware of and considered the planning 37 board's recommendations and any relevant portions of an adopted comprehensive plan. If a 38 zoning map amendment is adopted and the action was deemed inconsistent with the adopted plan, 39 the zoning amendment shall have the effect of also amending any future land-use map in the 40 approved plan, and no additional request or application for a plan amendment shall be required. 41 A plan amendment and a zoning amendment may be considered concurrently. The plan 42 consistency statement is not subject to judicial review. If a zoning map amendment qualifies as 43 a "large-scale rezoning" under G.S. 160D-6-2(b), the governing board statement describing plan 44 consistency may address the overall rezoning and describe how the analysis and policies in the 45 relevant adopted plans were considered in the action taken. 46 (b) Additional Reasonableness Statement for Rezonings. - When adopting or rejecting 47 any petition for a zoning map amendment, a statement analyzing the reasonableness of the 48 proposed rezoning shall be approved by the governing board. This statement of reasonableness 49 may consider, among other factors, (i) the size, physical conditions, and other attributes of the 50 area proposed to be rezoned; (ii) the benefits and detriments to the landowners, the neighbors, and the surrounding community; (iii) the relationship between the current actual and permissible 51

General Assembly Of North Carolina Session 2019 1 development on the tract and adjoining areas and the development that would be permissible 2 under the proposed amendment; (iv) why the action taken is in the public interest; and (v) any 3 changed conditions warranting the amendment. If a zoning map amendment qualifies as a 4 "large-scale rezoning" under G.S. 160D-6-2(b), the governing board statement on reasonableness 5 may address the overall rezoning. 6 Single Statement Permissible. - The statement of reasonableness and the plan (c) 7 consistency statement required by this section may be approved as a single statement. 8 "Article 7. 9 "Zoning Regulation. 10 "§ 160D-7-1. Purposes. 11 Zoning regulations shall be made in accordance with a comprehensive plan and shall be 12 designed to promote the public health, safety, and general welfare. To that end, the regulations 13 may address, among other things, the following public purposes: to provide adequate light and 14 air; to prevent the overcrowding of land; to avoid undue concentration of population; to lessen 15 congestion in the streets; to secure safety from fire, panic, and dangers; to facilitate the efficient 16 and adequate provision of transportation, water, sewerage, schools, parks, and other public 17 requirements; and to promote the health, safety, morals, or general welfare of the community. 18 The regulations shall be made with reasonable consideration, among other things, as to the 19 character of the district and its peculiar suitability for particular uses and with a view to 20 conserving the value of buildings and encouraging the most appropriate use of land throughout 21 the local government's planning and development regulation jurisdiction. The regulations may 22 not include, as a basis for denying a zoning or rezoning request from a school, the level of service 23 of a road facility or facilities abutting the school or proximately located to the school. 24 "§ 160D-7-2. Grant of power. 25 A Local Government May Adopt Zoning Regulations. – A zoning regulation may (a) 26 regulate and restrict the height, number of stories, and size of buildings and other structures; the 27 percentage of lots that may be occupied; the size of yards, courts, and other open spaces; the 28 density of population; the location and use of buildings, structures, and land. A local government 29 may regulate development, including floating homes, over estuarine waters and over lands 30 covered by navigable waters owned by the State pursuant to G.S. 146-12. A zoning regulation 31 shall provide density credits or severable development rights for dedicated rights-of-way 32 pursuant to G.S. 136-66.10 or G.S. 136-66.11. Where appropriate, a zoning regulation may 33 include requirements that street and utility rights-of-way be dedicated to the public, that provision 34 be made of recreational space and facilities, and that performance guarantees be provided, all to 35 the same extent and with the same limitations as provided for in G.S. 160D-8-4. 36 (b) Any regulation relating to building design elements adopted under this Chapter may 37 not be applied to any structures subject to regulation under the North Carolina Residential Code 38 for One- and Two-Family Dwellings except under one or more of the following circumstances: 39 The structures are located in an area designated as a local historic district (1)40 pursuant to Part 4 of Article 9 of this Chapter. 41 The structures are located in an area designated as a historic district on the (2)42 National Register of Historic Places. 43 (3) The structures are individually designated as local, State, or national historic 44 landmarks. 45 The regulations are directly and substantially related to the requirements of <u>(4)</u> 46 applicable safety codes adopted under G.S. 143-138. 47 Where the regulations are applied to manufactured housing in a manner (5) 48 consistent with G.S. 160D-9-7 and federal law. 49 Where the regulations are adopted as a condition of participation in the <u>(6)</u> 50 National Flood Insurance Program.

1	Regulations prohibited by this subsection may not be applied, directly or indirectly, in any
2	zoning district or conditional district unless voluntarily consented to by the owners of all the
3	property to which those regulations may be applied as part of and in the course of the process of
4	seeking and obtaining a zoning amendment or a zoning, subdivision, or development approval,
5	nor may any such regulations be applied indirectly as part of a review pursuant to G.S. 160D-6-4
6	or G.S. 160D-6-5 of any proposed zoning amendment for consistency with an adopted
7	comprehensive plan or other applicable officially adopted plan.
8	For the purposes of this subsection, the phrase "building design elements" means exterior
9	building color; type or style of exterior cladding material; style or materials of roof structures or
10 11	porches; exterior nonstructural architectural ornamentation; location or architectural styling of windows and doors, including garage doors; the number and types of rooms; and the interior
12	layout of rooms. The phrase "building design elements" does not include any of the following:
12	(i) the height, bulk, orientation, or location of a structure on a zoning lot; (ii) the use of buffering
13	or screening to minimize visual impacts, to mitigate the impacts of light and noise, or to protect
14	the privacy of neighbors; or (iii) regulations adopted pursuant to this Article governing the
16	permitted uses of land or structures subject to the North Carolina Residential Code for One- and
17	Two-Family Dwellings.
18	Nothing in this subsection shall affect the validity or enforceability of private covenants or
19	other contractual agreements among property owners relating to building design elements.
20	"§ 160D-7-3. Zoning districts.
21	(a) Types of Zoning Districts. – A local government may divide its territorial jurisdiction
22	into zoning districts of any number, shape, and area deemed best suited to carry out the purposes
23	of this Article. Within those districts, it may regulate and restrict the erection, construction,
24	reconstruction, alteration, repair, or use of buildings, structures, or land. Zoning districts may
25	include, but shall not be limited to, the following:
26	(1) Conventional districts, in which a variety of uses are allowed as permitted uses
27	or uses by right and that may also include uses permitted only with a special
28	use permit.
29	(2) Conditional districts, in which site plans or individualized development
30	conditions are imposed.
31	(3) Form-based districts, or development form controls, that address the physical
32	form, mass, and density of structures, public spaces, and streetscapes.
33	(4) Overlay districts, in which different requirements are imposed on certain
34	properties within one or more underlying conventional, conditional, or
35	form-based districts.
36	(5) Districts allowed by charter.
37	(b) Conditional Districts. – Property may be placed in a conditional district only in
38	response to a petition by all owners of the property to be included. Specific conditions may be
39	proposed by the petitioner or the local government or its agencies, but only those conditions
40	mutually approved by the local government and the petitioner may be incorporated into the
41	zoning regulations. Conditions and site-specific standards imposed in a conditional district shall
42	be limited to those that address the conformance of the development and use of the site to local government ordinances, plans adopted pursuant to $C \leq 160D \leq 1$ or the impacts reasonably
43 44	government ordinances, plans adopted pursuant to G.S. 160D-5-1, or the impacts reasonably
44 45	expected to be generated by the development or use of the site. The zoning regulation may provide that defined minor modifications in conditional district standards that do not involve a
45 46	change in uses permitted or the density of overall development permitted may be reviewed and
40 47	approved administratively. Any other modification of the conditions and standards in a
48	conditional district shall follow the same process for approval as are applicable to zoning map
49	amendments. If multiple parcels of land are subject to a conditional zoning, the owners of
50	individual parcels may apply for modification of the conditions so long as the modification would

1 dedication of constructed streets when the governing board of the city determines that a 2 combination is in the best interests of the citizens of the area to be served. 3 Recreation Areas and Open Space. – The regulation may provide for the dedication (d) 4 or reservation of recreation areas serving residents of the immediate neighborhood within the 5 subdivision or, alternatively, for payment of funds to be used to acquire or develop recreation 6 areas serving residents of the development or subdivision or more than one subdivision or 7 development within the immediate area. All funds received by municipalities pursuant to this 8 subsection shall be used only for the acquisition or development of recreation, park, or open 9 space sites. All funds received by counties pursuant to this subsection shall be used only for the 10 acquisition of recreation, park, or open space sites. Any formula enacted to determine the amount 11 of funds that are to be provided under this subsection shall be based on the value of the development or subdivision for property tax purposes. The regulation may allow a combination 12 13 or partial payment of funds and partial dedication of land when the governing board determines 14 that this combination is in the best interests of the citizens of the area to be served. 15 (e) Community Service Facilities. – The regulation may provide for the more orderly 16 development of subdivisions by requiring the construction of community service facilities in 17 accordance with local government plans, policies, and standards. 18 (f) School Sites. – The regulation may provide for the reservation of school sites in 19 accordance with plans approved by the governing board. In order for this authorization to become 20 effective, before approving such plans, the governing board and the board of education with 21 jurisdiction over the area shall jointly determine the location and size of any school sites to be reserved. Whenever a subdivision is submitted for approval that includes part or all of a school 22 23 site to be reserved under the plan, the governing board shall immediately notify the board of 24 education and the board of education shall promptly decide whether it still wishes the site to be 25 reserved. If the board of education does not wish to reserve the site, it shall so notify the 26 governing board and no site shall be reserved. If the board of education does wish to reserve the 27 site, the subdivision or site plan shall not be approved without such reservation. The board of 28 education shall then have 18 months beginning on the date of final approval of the subdivision 29 or site plan within which to acquire the site by purchase or by initiating condemnation 30 proceedings. If the board of education has not purchased or begun proceedings to condemn the 31 site within 18 months, the landowner may treat the land as freed of the reservation. 32 Performance Guarantees. - To assure compliance with these and other development (g) 33 regulation requirements, the regulation may provide for performance guarantees to assure 34 successful completion of required improvements at the time the plat is recorded as provided in 35 subsection (b) of this section. For any specific development, the type of performance guarantee 36 shall be at the election of the person required to give the performance guarantee. 37 For purposes of this section, all of the following shall apply with respect to performance 38 guarantees: 39 The term "performance guarantee" shall mean any of the following forms of (1) 40 guarantee: 41 Surety bond issued by any company authorized to do business in this <u>a.</u> 42 State. 43 Letter of credit issued by any financial institution licensed to do <u>b.</u> 44 business in this State. 45 Other form of guarantee that provides equivalent security to a surety <u>c.</u> 46 bond or letter of credit. 47 The performance guarantee shall be returned or released, as appropriate, in a (2) 48 timely manner upon the acknowledgement by the local government that the 49 improvements for which the performance guarantee is being required are 50 complete. The description by metes and bounds in the instrument of transfer or other 24 document used in the process of selling or transferring land shall not exempt the transaction from 25 this penalty. The local government may bring an action for injunction of any illegal subdivision, 26 transfer, conveyance, or sale of land, and the court shall, upon appropriate findings, issue an 27 injunction and order requiring the offending party to comply with the subdivision regulation. 28 Building permits required pursuant to G.S. 160D-11-8 may be denied for lots that have been 29 illegally subdivided. In addition to other remedies, a local government may institute any 30 appropriate action or proceedings to prevent the unlawful subdivision of land, to restrain, correct, 31 or abate the violation, or to prevent any illegal act or conduct. 32 The provisions of this section shall not prohibit any owner or its agent from entering (b) 33 into contracts to sell or lease by reference to an approved preliminary plat for which a final plat 34 has not yet been properly approved under the subdivision regulation or recorded with the register 35 of deeds, provided the contract does all of the following: 36 Incorporates as an attachment a copy of the preliminary plat referenced in the (1) 37 contract and obligates the owner to deliver to the buyer a copy of the recorded 38 plat prior to closing and conveyance. 39 Plainly and conspicuously notifies the prospective buyer or lessee that a final (2) 40 subdivision plat has not been approved or recorded at the time of the contract, 41 that no governmental body will incur any obligation to the prospective buyer 42 or lessee with respect to the approval of the final subdivision plat, that changes 43 between the preliminary and final plats are possible, and that the contract or 44 lease may be terminated without breach by the buyer or lessee if the final 45 recorded plat differs in any material respect from the preliminary plat. 46 (3) Provides that if the approved and recorded final plat does not differ in any 47 material respect from the plat referred to in the contract, the buyer or lessee 48 may not be required by the seller or lessor to close any earlier than five days after the delivery of a copy of the final recorded plat. 49 50 Provides that if the approved and recorded final plat differs in any material (4) respect from the preliminary plat referred to in the contract, the buyer or lessee 51

1 maintain the requirements of this subsection for a period of three years after the date the building 2 or structure was originally classified as a bona fide farm purpose pursuant to this subsection shall 3 subject the building or structure to applicable zoning and development regulation ordinances 4 adopted by a county pursuant to subsection (a) of this section in effect on the date the property 5 no longer meets the requirements of this subsection. For purposes of this section, "agritourism" 6 means any activity carried out on a farm or ranch that allows members of the general public, for 7 recreational, entertainment, or educational purposes, to view or enjoy rural activities, including 8 farming, ranching, historic, cultural, harvest-your-own activities, or natural activities and 9 attractions. A building or structure used for agritourism includes any building or structure used 10 for public or private events, including, but not limited to, weddings, receptions, meetings, 11 demonstrations of farm activities, meals, and other events that are taking place on the farm 12 because of its farm or rural setting. 13 County Zoning of Residential Uses on Large Lots in Agricultural Districts. - A (b) 14 county zoning regulation shall not prohibit single-family detached residential uses constructed in accordance with the North Carolina State Building Code on lots greater than 10 acres in size and 15 16 in zoning districts where more than fifty percent (50%) of the land is in use for agricultural or 17 silvicultural purposes, except that this restriction shall not apply to commercial or industrial 18 districts where a broad variety of commercial or industrial uses are permissible. A zoning 19 regulation shall not require that a lot greater than 10 acres in size have frontage on a public road 20 or county-approved private road or be served by public water or sewer lines in order to be 21 developed for single-family residential purposes. 22 Agricultural Areas in Municipal Extraterritorial Jurisdiction. – Property that is located (c) 23 in a municipality's extraterritorial planning and development regulation jurisdiction and that is 24 used for bona fide farm purposes is exempt from the municipality's zoning regulation to the same 25 extent bona fide farming activities are exempt from county zoning pursuant to this section. As 26 used in this subsection, "property" means a single tract of property or an identifiable portion of a 27 single tract. Property that ceases to be used for bona fide farm purposes shall become subject to 28 exercise of the municipality's extraterritorial planning and development regulation jurisdiction 29 under this Chapter. For purposes of complying with State or federal law, property that is exempt 30 from the exercise of municipal extraterritorial planning and development regulation jurisdiction 31 pursuant to this subsection shall be subject to the county's floodplain regulation or all floodplain 32 regulation provisions of the county's unified development ordinance. 33 Accessory Farm Buildings. – A municipality may provide in its zoning regulation that (d) 34 an accessory building of a "bona fide farm" has the same exemption from the building code as it 35 would have under county zoning. 36 City Regulations in Voluntary Agricultural Districts. - A city may amend the (e) 37 development regulations applicable within its planning and development regulation jurisdiction 38 to provide flexibility to farming operations that are located within a city or county, voluntary 39 agricultural district, or enhanced voluntary agricultural district adopted under Article 61 of 40 Chapter 106 of the General Statutes. Amendments to applicable development regulations may 41 include provisions regarding on-farm sales, pick-your-own operations, road signs, agritourism, 42 and other activities incident to farming. 43 "§ 160D-9-4. 8	(f) Except as provided in this Part, a city may assess a right-of-way charge under this
9	section for use or occupation of the right-of-way by a wireless provider, subject to the restrictions
10	set forth under G.S. 160A-296(a)(6). In addition, charges authorized by this section shall meet
11	all of the following requirements:
12	(1) The right-of-way charge shall not exceed the direct and actual cost of
13	managing the city rights-of-way and shall not be based on the wireless
14	provider's revenue or customer counts.
15	(2) The right-of-way charge shall not exceed that imposed on other users of the
16	right-of-way, including publicly, cooperatively, or municipally owned
17	utilities.
18	(3) The right-of-way charge shall be reasonable and nondiscriminatory.
19	Nothing in this subsection is intended to establish or otherwise affect rates charged for
20	attachments to utility poles, city utility poles, or wireless support structures. At its discretion, a
21	city may provide free access to city rights-of-way on a nondiscriminatory basis in order to
22	facilitate the public benefits of the deployment of wireless services.
23	(g) Nothing in this section is intended to authorize a person to place, maintain, modify,
24	operate, or replace a privately owned utility pole or wireless support structure or to collocate
25	small wireless facilities on a privately owned utility pole, a privately owned wireless support
26	structure, or other private property without the consent of the property owner.
27	(h) A city may require a wireless provider to repair all damage to a city right-of-way
28	directly caused by the activities of the wireless provider, while occupying, installing, repairing,
29	or maintaining wireless facilities, wireless support structures, city utility poles, or utility poles
30	and to return the right-of-way to its functional equivalence before the damage. If the wireless
31	provider fails to make the repairs required by the city within a reasonable time after written
32	notice, the city may undertake those repairs and charge the applicable party the reasonable and
33	documented cost of the repairs. The city may maintain an action to recover the costs of the repairs.

41	or to replace or modify utility poles or city utility poles in the public rights-of-way, to support
42	the collocation of small wireless facilities. A city shall accept and process the application in
43	accordance with the provisions of G.S. 160A-400.54(d), applicable codes, and other local codes
44	governing the placement of utility poles or city utility poles in the city rights-of-way, including

49 50	associated small wireless facility application.
50	" <u>§ 160D-9-37. Access to city utility poles to install small wireless facilities.</u>

1 A city may not enter into an exclusive arrangement with any person for the right to (a) 2 collocate small wireless facilities on city utility poles. A city shall allow any wireless provider to 3 collocate small wireless facilities on its city utility poles at just, reasonable, and 4 nondiscriminatory rates, terms, and conditions, but in no instance may the rate exceed fifty 5 dollars (\$50.00) per city utility pole per year. The North Carolina Utilities Commission shall not 6 consider this subsection as evidence in a proceeding initiated pursuant to G.S. 62-350(c). 7 A request to collocate under this section may be denied only if there is insufficient (b) 8 capacity or for reasons of safety, reliability, and generally applicable engineering principles, and 9 those limitations cannot be remedied by rearranging, expanding, or otherwise reengineering the 10 facilities at the reasonable and actual cost of the city to be reimbursed by the wireless provider. 11 In granting a request under this section, a city shall require the requesting entity to comply with 12 applicable safety requirements, including the National Electrical Safety Code and the applicable 13 rules and regulations issued by the Occupational Safety and Health Administration. 14 If a city that operates a public enterprise as permitted by Article 16 of this Chapter (c) 15 has an existing city utility pole attachment rate, fee, or other term with an entity, then, subject to 16 termination provisions, that attachment rate, fee, or other term shall apply to collocations by that 17 entity or its related entities on city utility poles. 18 Following receipt of the first request from a wireless provider to collocate on a city (d) 19 utility pole, a city shall, within 60 days, establish the rates, terms, and conditions for the use of 20 or attachment to the city utility poles that it owns or controls. Upon request, a party shall state in 21 writing its objections to any proposed rate, terms, and conditions of the other party. 22 (e) In any controversy concerning the appropriateness of a rate for a collocation 23 attachment to a city utility pole, the city has the burden of proving that the rates are reasonably 24 related to the actual, direct, and reasonable costs incurred for use of space on the pole for such 25 period. 26 (f) The city shall provide a good-faith estimate for any make-ready work necessary to 27 enable the city utility pole to support the requested collocation, including pole replacement, if 28 necessary, within 60 days after receipt of a complete application. Make-ready work, including 29 any pole replacement, shall be completed within 60 days of written acceptance of the good-faith 30 estimate by the applicant. For purposes of this section, the term "make-ready work" means any modification or replacement of a city utility pole necessary for the city utility pole to support a 31 32 small wireless facility in compliance with applicable safety requirements, including the National 33 Electrical Safety Code, that is performed in preparation for a collocation installation. 34 The city shall not require more make-ready work than that required to meet applicable (g) 35 codes or industry standards. Fees for make-ready work shall not include costs related to 36 preexisting or prior damage or noncompliance. Fees for make-ready work, including any pole 37 replacement, shall not exceed actual costs or the amount charged to other communications service 38 providers for similar work and shall not include any consultant fees or expenses. 39 Nothing in this Part shall be construed to apply to an entity whose poles, ducts, and (h) 40 conduits are subject to regulation under section 224 of the Communications Act of 1934, 47 41 U.S.C. § 151, et seq., as amended, or under G.S. 62-350. 42 This section shall not apply to an excluded entity. Nothing in this section shall be (i) 43 construed to affect the authority of an excluded entity to deny, limit, restrict, or determine the rates, fees, terms, and conditions for the use of or attachment to its utility poles, city utility poles, 44 or wireless support structures by a wireless provider. This section shall not be construed to alter 45 46 or affect the provisions of G.S. 62-350, and the rates, terms, or conditions for the use of poles, 47 ducts, or conduits by communications service providers, as defined in G.S. 62-350, are governed 48 solely by G.S. 62-350. For purposes of this section, "excluded entity" means (i) a city that owns 49 or operates a public enterprise pursuant to Article 16 of this Chapter consisting of an electric 50 power generation, transmission, or distribution system or (ii) an electric membership corporation organized under Chapter 117 of the General Statutes that owns or controls poles, ducts, or 51

The local government shall require such a certificate to be issued by the commission 8 prior to the issuance of a building permit granted for the purposes of constructing, altering, 9 moving, or demolishing structures, which certificate may be issued subject to reasonable 10 conditions necessary to carry out the purposes of this Part. A certificate of appropriateness shall 11 be required whether or not a building or other permit is required. 12 For purposes of this Part, "exterior features" shall include the architectural style, general 13 design, and general arrangement of the exterior of a building or other structure, including the 14 kind and texture of the building material, the size and scale of the building, and the type and style 15 of all windows, doors, light fixtures, signs, and other appurtenant fixtures. In the case of outdoor 16 advertising signs, "exterior features" shall be construed to mean the style, material, size, and 17 location of all such signs. Such "exterior features" may, in the discretion of the local governing 18 board, include historic signs, color, and significant landscape, archaeological, and natural 19 features of the area. 20 Except as provided in subsection (b) of this section, the commission shall have no jurisdiction 21 over interior arrangement. The commission shall take no action under this section except to 22 prevent the construction, reconstruction, alteration, restoration, moving, or demolition of 23 buildings, structures, appurtenant fixtures, outdoor advertising signs, or other significant features 24 in the district that would be incongruous with the special character of the landmark or district. In 25 making decisions on certificates of appropriateness, the commission shall apply the rules and 26 standards adopted pursuant to subsection (c) of this section. 27 (b)Interior Spaces. – Notwithstanding subsection (a) of this section, jurisdiction of the 28 commission over interior spaces shall be limited to specific interior features of architectural, 29 artistic, or historical significance in publicly owned landmarks and of privately owned historic 30 landmarks for which consent for interior review has been given by the owner. Said consent of an 31 owner for interior review shall bind future owners and/or successors in title, provided such 32 consent has been filed in the office of the register of deeds of the county in which the property is 33 located and indexed according to the name of the owner of the property in the grantee and grantor 34 indexes. The landmark designation shall specify the interior features to be reviewed and the 35 specific nature of the commission's jurisdiction over the interior. 36 Rules and Standards. - Prior to any action to enforce a landmark or historic district (c) 37 regulation, the commission shall (i) prepare and adopt rules of procedure and (ii) prepare and 38 adopt principles and standards not inconsistent with this Part to guide the commission in 39 determining congruity with the special character of the landmark or district for new construction, 40 alterations, additions, moving, and demolition. The landmark or historic district regulation may 41 provide, subject to prior adoption by the preservation commission of detailed standards, for staff 42 review and approval as an administrative decision of applications for a certificate of 43 appropriateness for minor work or activity as defined by the regulation; provided, however, that 44 no application for a certificate of appropriateness may be denied without formal action by the 45 preservation commission. Other than these administrative decisions on minor works, decisions 46 on certificates of appropriateness are quasi-judicial and shall follow the procedures of 47 G.S. 160D-4-6. 48 Time for Review. - All applications for certificates of appropriateness shall be (d) 49 reviewed and acted upon within a reasonable time, not to exceed 180 days from the date the 50 application for a certificate of appropriateness is filed, as defined by the regulation or the commission's rules of procedure. As part of its review procedure, the commission may view the 51

5	" <u>§ 160D-10-2. Definitions.</u>
6	The following definitions apply in this Article:
7	(1) Development. – The planning for or carrying out of a building activity, the
8	making of a material change in the use or appearance of any structure or
9	property, or the dividing of land into two or more parcels. When appropriate
0	to the context, "development" refers to the planning for or the act of
1	developing or to the result of development. Reference to a specific operation
2	is not intended to mean that the operation or activity, when part of other
3	operations or activities, is not development. Reference to particular operations
ŀ	is not intended to limit the generality of this item.
i	(2) <u>Public facilities. – Major capital improvements, including, but not limited to,</u>
	transportation, sanitary sewer, solid waste, drainage, potable water,
'	educational, parks and recreational, and health systems and facilities.
8	" <u>§ 160D-10-3. Approval of governing board required.</u>
9	(a) A local government may establish procedures and requirements, as provided in this
0	Article, to consider and enter into development agreements with developers. A development
1	agreement must be approved by the governing board of a local government following the
2	procedures specified in G.S. 160D-10-5.
3	(b) The development agreement may, by ordinance, be incorporated, in whole or in part,
4	into any development regulation adopted by the local government. A development agreement
5	may be considered concurrently with a zoning map or text amendment affecting the property and
5	development subject to the development agreement. A development agreement may be
7	concurrently considered with and incorporated by reference with a sketch plan or preliminary
8	plat required under a subdivision regulation or a site plan or other development approval required
)	under a zoning regulation. If incorporated into a conditional district, the provisions of the
)	development agreement shall be treated as a development regulation in the event of the
	developer's bankruptcy.
2	" <u>§ 160D-10-4. Size and duration.</u>
}	A local government may enter into a development agreement with a developer for the
1	development of property as provided in this Article for developable property of any size.
5	Development agreements shall be of a reasonable term specified in the agreement.
6	" <u>§ 160D-10-5. Public hearing.</u>
7 8	Before entering into a development agreement, a local government shall conduct a legislative
5 9	hearing on the proposed agreement. The notice provisions of G.S. 160D-6-2 applicable to zoning map amendments shall be followed for this hearing. The notice for the public hearing must

When any provision of the General 3 Statutes of North Carolina or of any ordinance requires that work be done by a licensed specialty 4 contractor of any kind, no building permit for the work shall be issued unless the work is to be 5 performed by such a duly licensed contractor. 6 No permit issued under Article 9 or 9C of Chapter 143 of the General Statutes shall (c) 7 be required for any construction, installation, repair, replacement, or alteration performed in 8 accordance with the current edition of the North Carolina State Building Code costing fifteen 9 thousand dollars (\$15,000) or less in any single-family residence or farm building unless the 10 work involves any of the following: 11 The addition, repair, or replacement of load-bearing structures. However, no (1)12 permit is required for replacement of windows, doors, exterior siding, or the 13 pickets, railings, stair treads, and decking of porches and exterior decks. 14 The addition or change in the design of plumbing. However, no permit is (2)15 required for replacements otherwise meeting the requirements of this 16 subsection that do not change size or capacity. 17 The addition, replacement, or change in the design of heating, (3) air-conditioning, or electrical wiring, devices, appliances, or equipment, other 18 19 than like-kind replacement of electrical devices and lighting fixtures. 20 <u>(4)</u> The use of materials not permitted by the North Carolina Residential Code for 21 One- and Two-Family Dwellings. The addition (excluding replacement) of roofing. 22 (5) 23 A local government shall not require more than one building permit for the complete (d) 24 installation or replacement of any natural gas, propane gas, or electrical appliance on an existing 25 structure when the installation or replacement is performed by a person licensed under G.S. 87-21 26 or G.S. 87-43. The cost of the building permit for such work shall not exceed the cost of any one 27 individual trade permit issued by that local government, nor shall the local government increase 28 the costs of any fees to offset the loss of revenue caused by this provision. 29 No building permit shall be issued pursuant to subsection (a) of this section for any (e) 30 land-disturbing activity, as defined in G.S. 113A-52(6), or for any activity covered by 31 G.S. 113A-57, unless an erosion and sedimentation control plan for the site of the activity or a 32 tract of land including the site of the activity has been approved under the Sedimentation 33 Pollution Control Act. 34 No building permit shall be issued pursuant to subsection (a) of this section for any (f) 35 land-disturbing activity that is subject to, but does not comply with, the requirements of 36 G.S. 113A-71. No building permit shall be issued pursuant to subdivision (1) of subsection (a) of this 37 (g) 38 section where the cost of the work is thirty thousand dollars (\$30,000) or more, other than for 39 improvements to an existing single-family residential dwelling unit as defined in G.S. 87-15.5(7) 40 that the owner occupies as a residence, or for the addition of an accessory building or accessory 41 structure as defined in the North Carolina Uniform Residential Building Code, the use of which 42 is incidental to that residential dwelling unit, unless the name, physical and mailing address, 43 telephone number, facsimile number, and electronic mail address of the lien agent designated by 44 the owner pursuant to G.S. 44A-11.1(a) is conspicuously set forth in the permit or in an attachment thereto. The building permit may contain the lien agent's electronic mail address. The 45 46 lien agent information for each permit issued pursuant to this subsection shall be maintained by 47 the inspection department in the same manner and in the same location in which it maintains its 48 record of building permits issued. Where the improvements to a real property leasehold are 49 limited to the purchase, transportation, and setup of a manufactured home, as defined in 50 G.S. 143-143.9(6), the purchase price of the manufactured home shall be excluded in determining whether the cost of the work is thirty thousand dollars (\$30,000) or more. 51

	General Assembly Of North Carolina Session 2019
-	(h) No local government may withhold a building permit or certificate of occupancy that
	otherwise would be eligible to be issued under this section to compel, with respect to another
	property or parcel, completion of work for a separate permit or compliance with land-use
	regulations under this Chapter unless otherwise authorized by law or unless the local government
	reasonably determines the existence of a public safety issue directly related to the issuance of a
	building permit or certificate of occupancy.
	(i) Violation of this section constitutes a Class 1 misdemeanor.
	¹ § 160D-11-11. Expiration of building permits.
	A building permit issued pursuant to this Article shall expire by limitation six months, or any
	lesser time fixed by ordinance of the city council, after the date of issuance if the work authorized
	by the permit has not been commenced. If, after commencement, the work is discontinued for a
	period of 12 months, the permit therefor shall immediately expire. No work authorized by any
	building permit that has expired shall thereafter be performed until a new permit has been
	secured.
	" <u>§ 160D-11-12. Changes in work.</u>
	After a building permit has been issued, no changes or deviations from the terms of the
	application, plans and specifications, or the permit, except where changes or deviations are
	clearly permissible under the State Building Code, shall be made until specific written approval
	of proposed changes or deviations has been obtained from the inspection department.
	"§ 160D-11-13. Inspections of work in progress.
	Subject to the limitation imposed by G.S. 160D-11-4(b), as the work pursuant to a building
	permit progresses, local inspectors shall make as many inspections thereof as may be necessary
	to satisfy them that the work is being done according to the provisions of any applicable State
	and local laws and of the terms of the permit. In exercising this power, members of the inspection
	department shall have a right to enter on any premises within the jurisdiction of the department
	at all reasonable hours for the purposes of inspection or other enforcement action, upon
	presentation of proper credentials. If a building permit has been obtained by an owner exempt
	from licensure under G.S. 87-1(b)(2), no inspection shall be conducted without the owner being
	present, unless the plans for the building were drawn and sealed by an architect licensed pursuant
1.1	to Chapter 83A of the General Statutes.
	"§ 160D-11-14. Appeals of stop orders.
	(a) The owner or builder may appeal from a stop order involving alleged violation of
	the State Building Code or any approved local modification thereof to the North Carolina
	Commissioner of Insurance or his designee within a period of five days after the order is
	issued. Notice of appeal shall be given in writing to the Commissioner of Insurance or his
	designee, with a copy to the local inspector. The Commissioner of Insurance or his or her
	designee shall promptly conduct an investigation, and the appellant and the inspector shall be
	permitted to submit relevant evidence. The Commissioner of Insurance or his or her designee
	shall as expeditiously as possible provide a written statement of the decision setting forth the
	facts found, the decision reached, and the reasons for the decision. Pending the ruling by the
	Commissioner of Insurance or his or her designee on an appeal, no further work shall take
	place in violation of a stop order. In the event of dissatisfaction with the decision, the person
	affected shall have the following options:
	(1) Appealing to the Building Code Council.
	(2) Appealing to the superior court as provided in G.S. 143-141.
	(b) The owner or builder may appeal from a stop order involving alleged violation of a
	local development regulation as provided in G.S. 160D-4-5.
	"§ 160D-11-15. Revocation of building permits.
	The appropriate inspector may revoke and require the return of any building permit by
	notifying the permit holder in writing stating the reason for the revocation. Building permits shall
	be revoked for any substantial departure from the approved application, plans, or specifications;

1	for refusal or failure to comply with the requirements of any applicable State or local laws; or for
2	false statements or misrepresentations made in securing the permit. Any building permit
3	mistakenly issued in violation of an applicable State or local law may also be revoked.
4	" <u>§ 160D-11-16. Certificates of compliance.</u>
5	At the conclusion of all work done under a building permit, the appropriate inspector shall
6	make a final inspection, and, if the inspector finds that the completed work complies with all
7	applicable State and local laws and with the terms of the permit, the inspector shall issue a
8	certificate of compliance. No new building or part thereof may be occupied, no addition or
9	enlargement of an existing building may be occupied, and no existing building that has been
10	altered or moved may be occupied, until the inspection department has issued a certificate of
11	compliance. A temporary certificate of occupancy or compliance may be issued permitting
12	occupancy for a stated period of time of either the entire building or property or of specified
13	portions of the building if the inspector finds that such building or property may safely be
14	occupied prior to its final completion. Violation of this section shall constitute a Class 1
15	misdemeanor. A local government may require the applicant for a temporary certificate of
16	occupancy to post suitable security to ensure code compliance.
17	" <u>§ 160D-11-17. Periodic inspections.</u>
18	The inspection department may make periodic inspections, subject to the governing board's
19	directions, for unsafe, unsanitary, or otherwise hazardous and unlawful conditions in buildings
20	or structures within its planning and development regulation jurisdiction. In exercising this
21	power, members of the department shall have a right to enter on any premises within the
22	jurisdiction of the department at all reasonable hours for the purposes of inspection or other
23	enforcement action, upon presentation of proper credentials. Inspections of dwellings shall
24	follow the provisions of G.S. 160D-12-7. Nothing in this section shall be construed to prohibit
25	periodic inspections in accordance with State fire prevention code or as otherwise required by
26	State law.

General Assembly Of North Carolina Session 2019 1 unsafe character of the structure to a conspicuous place on the exterior wall of the building. For 2 the purposes of this section, the term "community development target area" means an area that 3 has characteristics of an urban progress zone under G.S. 143B-437.09, a "nonresidential 4 redevelopment area" under G.S. 160A-503(10), or an area with similar characteristics designated 5 by the governing board as being in special need of revitalization for the benefit and welfare of its 6 citizens. 7 Applicability to Residential Structures. – A local government may expand subsections (d) 8 (b) and (c) of this section to apply to residential buildings by adopting an ordinance. Before 9 adopting such an ordinance, a local government shall hold a legislative hearing with published 10 notice as provided by G.S. 160D-6-1. 11 "§ 160D-11-20. Removing notice from condemned building. 12 If any person shall remove any notice that has been affixed to any building or structure by a local inspector of any local government and that states the dangerous character of the building or 13 14 structure, that person shall be guilty of a Class 1 misdemeanor. "§ 160D-11-21. Action in event of failure to take corrective action. 15 If the owner of a building or structure that has been condemned as unsafe pursuant to 16 17 G.S. 160D-11-17 shall fail to take prompt corrective action, the local inspector shall give written 18 notice, by certified mail to the owner's last known address or by personal service, of all of the 19 following: 20 (1) That the building or structure is in a condition that appears to meet one or 21 more of the following conditions: 22 Constitutes a fire or safety hazard. a. 23 Is dangerous to life, health, or other property. b. 24 Is likely to cause or contribute to blight, disease, vagrancy, or danger <u>c.</u> 25 to children. 26 <u>d.</u> Has a tendency to attract persons intent on criminal activities or other 27 activities that would constitute a public nuisance. 28 (2)That an administrative hearing will be held before the inspector at a designated 29 place and time, not later than 10 days after the date of the notice, at which time 30 the owner shall be entitled to be heard in person or by counsel and to present 31 arguments and evidence pertaining to the matter. 32 That following the hearing, the inspector may issue such order to repair, close, (3) 33 vacate, or demolish the building or structure as appears appropriate. 34 If the name or whereabouts of the owner cannot, after due diligence, be discovered, the notice 35 shall be considered properly and adequately served if a copy is posted on the outside of the 36 building or structure in question at least 10 days prior to the hearing and a notice of the hearing 37 is published in a newspaper having general circulation in the local government's area of 38 jurisdiction at least once not later than one week prior to the hearing. 39 "§ 160D-11-22. Order to take corrective action. 40 If, upon a hearing held pursuant to the notice prescribed in G.S. 160D-11-19, the inspector 41 shall find that the building or structure is in a condition that constitutes a fire or safety hazard or 42 renders it dangerous to life, health, or other property, the inspector shall make an order in writing, 43 directed to the owner of such building or structure, requiring the owner to remedy the defective 44 conditions by repairing, closing, vacating, or demolishing the building or structure or taking other necessary steps, within such period, not less than 60 days, as the inspector may prescribe, 45 46 provided that where the inspector finds that there is imminent danger to life or other property, 47 the inspector may order that corrective action be taken in such lesser period as may be feasible. 48 "§ 160D-11-23. Appeal; finality of order if not appealed. Any owner who has received an order under G.S. 160D-11-20 may appeal from the order to 49 50 the governing board by giving notice of appeal in writing to the inspector and to the local government clerk within 10 days following issuance of the order. In the absence of an appeal, 51

1	the order of the inspector shall be final. The governing board shall hear in accordance with
2	G.S. 160D-4-6 and render a decision in an appeal within a reasonable time. The governing board
3	may affirm, modify and affirm, or revoke the order.
4	" <u>§ 160D-11-24. Failure to comply with order.</u>
5	If the owner of a building or structure fails to comply with an order issued pursuant to
6	G.S. 160D-11-20 from which no appeal has been taken or fails to comply with an order of the
7	governing board following an appeal, the owner shall be guilty of a Class 1 misdemeanor.
8	" <u>§ 160D-11-25. Enforcement.</u>
9	(a) <u>Action Authorized. – Whenever any violation is denominated a misdemeanor under</u>
10	the provisions of this Article, the local government, either in addition to or in lieu of other
11	remedies, may initiate any appropriate action or proceedings to prevent, restrain, correct, or abate
12	the violation or to prevent the occupancy of the building or structure involved.
13	(b) <u>Removal of Building. – In the case of a building or structure declared unsafe under</u>
14	G.S. 160D-11-17 or an ordinance adopted pursuant to G.S. 160D-11-17, a local government may,
15	in lieu of taking action under subsection (a) of this section, cause the building or structure to be
16	removed or demolished. The amounts incurred by the local government in connection with the
17	removal or demolition shall be a lien against the real property upon which the cost was incurred.
18	The lien shall be filed, have the same priority, and be collected in the same manner as liens for
19	special assessments provided in Article 10 of Chapter 160A of the General Statutes. If the
20	building or structure is removed or demolished by the local government, the local government
21	shall sell the usable materials of the building and any personal property, fixtures, or
22	appurtenances found in or attached to the building. The local government shall credit the
23	proceeds of the sale against the cost of the removal or demolition. Any balance remaining from
24	the sale shall be deposited with the clerk of superior court of the county where the property is
25	located and shall be disbursed by the court to the person found to be entitled thereto by final order
26	or decree of the court.
27	(c) <u>Additional Lien. – The amounts incurred by a local government in connection with</u>
28	the removal or demolition shall also be a lien against any other real property owned by the owner
29	of the building or structure and located within the local government's planning and development
30 31	regulation jurisdiction, and for municipalities without extraterritorial planning and development jurisdiction, within one mile of the city limits, except for the owner's primary residence. The
32	provisions of subsection (b) of this section apply to this additional lien, except that this additional
32 33	lien is inferior to all prior liens and shall be collected as a money judgment.
33 34	(d) Nonexclusive Remedy. – Nothing in this section shall be construed to impair or limit
35	the power of the local government to define and declare nuisances and to cause their removal or
36	abatement by summary proceedings or otherwise.
37	"§ 160D-11-26. Records and reports.
38	The inspection department shall keep complete and accurate records in convenient form of
39	all applications received, permits issued, inspections and reinspections made, defects found,
40	certificates of compliance or occupancy granted, and all other work and activities of the
41	department. These records shall be kept in the manner and for the periods prescribed by the
42	Department of Natural and Cultural Resources. Periodic reports shall be submitted to the
43	governing board and to the Commissioner of Insurance as they shall by ordinance, rule, or
44	regulation require.
45	"§ 160D-11-27. Appeals.
46	Unless otherwise provided by law, appeals from any order, decision, or determination by a
47	member of a local inspection department pertaining to the State Building Code or other State
48	building laws shall be taken to the Commissioner of Insurance or the Commissioner's designee
49	or other official specified in G.S. 143-139 by filing a written notice with the Commissioner and
50	with the inspection department within a period of 10 days after the order, decision, or

1	determination. Further appeals may be taken to the State Building Code Council or to the courts
2	as provided by law.
3	" <u>§ 160D-11-28. Fire limits.</u>
4	(a) <u>County Fire Limits. – A county may by ordinance establish and define fire limits in</u>
5	any area within the county and not within a city. The limits may include only business and
6	industrial areas. Within any fire limits, no frame or wooden building or addition thereto may be
7	erected, altered, repaired, or moved, either into the fire limits or from one place to another within
8	the limits, except upon the permit of the inspection department and approval of the Commissioner
9	of Insurance. The governing board may make additional regulations necessary for the prevention,
10	extinguishment, or mitigation of fires within the fire limits.
11	(b) <u>Municipal Fire Limits. – The governing board of every incorporated city shall pass</u>
12	one or more ordinances establishing and defining fire limits, which shall include the principal
13	business portions of the city and which shall be known as primary fire limits. In addition, the
14	governing board may, in its discretion, establish and define one or more separate areas within the
15	city as secondary fire limits.
16	(c) <u>Restrictions Within Municipal Primary Fire Limits. – Within the primary fire limits</u>
17	of any city, as established and defined by ordinance, no frame or wooden building or structure or
18	addition thereto shall hereafter be erected, altered, repaired, or moved, either into the limits or
19	from one place to another within the limits, except upon the permit of the local inspection
20	department approved by the governing board and by the Commissioner of Insurance or the
21	Commissioner's designee. The governing board may make additional regulations for the
22	prevention, extinguishment, or mitigation of fires within the primary fire limits.
23	(d) <u>Restrictions Within Municipal Secondary Fire Limits. – Within any secondary fire</u>
24	limits of any city or town, as established and defined by ordinance, no frame or wooden building
25	or structure or addition thereto shall be erected, altered, repaired, or moved, except in accordance
26	with any rules and regulations established by ordinance of the areas.
27	(e) Failure to Establish Municipal Primary Fire Limits. – If the governing board of any
28	city shall fail or refuse to establish and define the primary fire limits of the city as required by
29	law, after having such failure or refusal called to their attention in writing by the State
30	Commissioner of Insurance, the Commissioner shall have the power to establish the limits upon
31 32	making a determination that they are necessary and in the public interest. "§ 160D-11-29. Regulation authorized as to repair, closing, and demolition of
32 33	<u>nonresidential buildings or structures; order of public officer.</u>
33 34	(a) Authority. – The governing board of the local government may adopt and enforce
35	regulations relating to nonresidential buildings or structures that fail to meet minimum standards
36	of maintenance, sanitation, and safety established by the governing board. The minimum
37	standards shall address only conditions that are dangerous and injurious to public health, safety,
38	and welfare and identify circumstances under which a public necessity exists for the repair,
39	closing, or demolition of such buildings or structures. The regulation shall provide for
40	designation or appointment of a public officer to exercise the powers prescribed by the regulation,
41	in accordance with the procedures specified in this section. Such regulation shall be applicable
42	within the local government's entire planning and development regulation jurisdiction or limited
43	to one or more designated zoning districts or municipal service districts.
44	(b) Investigation. – Whenever it appears to the public officer that any nonresidential
45	building or structure has not been properly maintained so that the safety or health of its occupants
46	or members of the general public are jeopardized for failure of the property to meet the minimum
47	standards established by the governing board, the public officer shall undertake a preliminary
48	investigation. If entry upon the premises for purposes of investigation is necessary, such entry
49	shall be made pursuant to a duly issued administrative search warrant in accordance with
50	G.S. 15-27.2 or with permission of the owner, the owner's agent, a tenant, or other person legally
51	in possession of the premises.

1	<u>(c)</u>		aint and Hearing. – If the preliminary investigation discloses evidence of a		
2	violation of the minimum standards, the public officer shall issue and cause to be served upon				
3	the owner of and parties in interest in the nonresidential building or structure a complaint. The				
4	complaint shall state the charges and contain a notice that an administrative hearing will be held

When service is made by publication, a notice of the pending proceedings shall be posted in a conspicuous place on the premises thereby affected. 12 13 "§ 160D-12-7. Periodic inspections. 14 Except as provided in subsection (b) of this section, the inspection department may (a) 15 make periodic inspections only when there is reasonable cause to believe that unsafe, unsanitary, 16 or otherwise hazardous or unlawful conditions may exist in a residential building or structure. 17 However, when the inspection department determines that a safety hazard exists in one of the dwelling units within a multifamily building, which in the opinion of the inspector poses an 18 19 immediate threat to the occupant, the inspection department may inspect, in the absence of a 20 specific complaint and actual knowledge of the unsafe condition, additional dwelling units in the 21 multifamily building to determine if that same safety hazard exists. For purposes of this section, the term "reasonable cause" means any of the following: (i) the landlord or owner has a history 22 23 of more than two verified violations of the housing ordinances or codes within a 12-month period; 24 (ii) there has been a complaint that substandard conditions exist within the building or there has 25 been a request that the building be inspected; (iii) the inspection department has actual knowledge 26 of an unsafe condition within the building; or (iv) violations of the local ordinances or codes are 27 visible from the outside of the property. In conducting inspections authorized under this section, 28 the inspection department shall not discriminate between single-family and multifamily buildings 29 or between owner-occupied and tenant-occupied buildings. In exercising this power, members 30 of the department shall have a right to enter on any premises within the jurisdiction of the department at all reasonable hours for the purposes of inspection or other enforcement action, 31 32 upon presentation of proper credentials. Nothing in this section shall be construed to prohibit 33 periodic inspections in accordance with State fire prevention code or as otherwise required by 34 State law. 35 (b) A local government may require periodic inspections as part of a targeted effort to 36 respond to blighted or potentially blighted conditions within a geographic area that has been 37 designated by the governing board. However, the total aggregate of targeted areas in the local 38 government jurisdiction at any one time shall not be greater than 1 square mile or five percent 39 (5%) of the area within the local government jurisdiction, whichever is greater. 34	addressing any criminal activity, which may include testifying in court in a summary ejectment
35	action or other matter to aid in evicting a tenant who has been charged with a crime. If the local
36	government or the county sheriff's office or city's police department does not cooperate in
37	evicting a tenant, the tenant's behavior or activity at issue shall not be counted as a crime or
38	disorder problem as set forth in the local ordinance, and the property may not be included in the
39	top ten percent (10%) of properties as a result of that tenant's behavior or activity.
40	(e) If the local government takes action against an individual rental unit under this
41	section, the owner of the individual rental unit may appeal the decision to the housing appeals
42	board or the zoning board of adjustment, if operating, or the planning board if created under
43	G.S. 160D-3-1, or if neither is created, the governing board. The board shall fix a reasonable time
44	for hearing appeals, shall give due notice to the owner of the individual rental unit, and shall
45	render a decision within a reasonable time. The owner may appear in person or by agent or
46	attorney. The board may reverse or affirm the action, wholly or partly, or may modify the action
47	appealed from, and may make any decision and order that in the opinion of the board ought to be
48 49	made in the matter. "§ 160D-12-8. Remedies.
49 50	(a) An ordinance adopted pursuant to this Article may provide for a housing appeals
51	board as provided by G.S. 160D-3-6. An appeal from any decision or order of the public officer
~ -	

1 is a quasi-judicial matter and may be taken by any person aggrieved thereby or by any officer, 2 board, or commission of the local government. Any appeal from the public officer shall be taken 3 within 10 days from the rendering of the decision or service of the order by filing with the public 4 officer and with the housing appeals board a notice of appeal that shall specify the grounds upon 5 which the appeal is based. Upon the filing of any notice of appeal, the public officer shall 6 forthwith transmit to the board all the papers constituting the record upon which the decision 7 appealed from was made. When an appeal is from a decision of the public officer refusing to 8 allow the person aggrieved thereby to do any act, the decision shall remain in force until modified 9 or reversed. When any appeal is from a decision of the public officer requiring the person 10 aggrieved to do any act, the appeal shall have the effect of suspending the requirement until the 11 hearing by the board, unless the public officer certifies to the board, after the notice of appeal is filed with the officer, that because of facts stated in the certificate, a copy of which shall be 12 furnished the appellant, a suspension of the requirement would cause imminent peril to life or 13 14 property. In that case the requirement shall not be suspended except by a restraining order, which 15 may be granted for due cause shown upon not less than one day's written notice to the public 16 officer, by the board, or by a court of record upon petition made pursuant to subsection (f) of this 17 section. 18 (b) The housing appeals board shall fix a reasonable time for hearing appeals, shall give 19 due notice to the parties, and shall render its decision within a reasonable time. Any party may 20 appear in person or by agent or attorney. The board may reverse or affirm, wholly or partly, or 21 may modify the decision or order appealed from, and may make any decision and order that in 22 its opinion ought to be made in the matter, and, to that end, it shall have all the powers of the 23 public officer, but the concurring vote of four members of the board shall be necessary to reverse 24 or modify any decision or order of the public officer. The board shall have power also in passing 25 upon appeals, when unnecessary hardships would result from carrying out the strict letter of the 26 ordinance, to adapt the application of the ordinance to the necessities of the case to the end that 27 the spirit of the ordinance shall be observed, public safety and welfare secured, and substantial 28 justice done. 29 Every decision of the housing appeals board shall be subject to review by proceedings (c) 30 in the nature of certiorari instituted within 15 days of the decision of the board, but not otherwise. 31 Any person aggrieved by an order issued by the public officer or a decision rendered (d) 32 by the housing appeals board may petition the superior court for an injunction restraining the 33 public officer from carrying out the order or decision and the court may, upon such petition, issue 34 a temporary injunction restraining the public officer pending a final disposition of the cause. The 35 petition shall be filed within 30 days after issuance of the order or rendering of the decision. 36 Hearings shall be had by the court on a petition within 20 days and shall be given preference over 37 other matters on the court's calendar. The court shall hear and determine the issues raised and 38 shall enter such final order or decree as law and justice may require. It shall not be necessary to 39 file bond in any amount before obtaining a temporary injunction under this subsection. 40 If any dwelling is erected, constructed, altered, repaired, converted, maintained, or (e) used in violation of this Article or of any ordinance or code adopted under authority of this Article 41 42 or any valid order or decision of the public officer or board made pursuant to any ordinance or 43 code adopted under authority of this Article, the public officer or board may institute any 44 appropriate action or proceedings to prevent the unlawful erection, construction, reconstruction, 45 alteration, or use; to restrain, correct, or abate the violation; to prevent the occupancy of the 46 dwelling; or to prevent any illegal act, conduct, or use in or about the premises of the dwelling. 47 \$ 160D-12-9. Compensation to owners of condemned property. 48 Nothing in this Article shall be construed as preventing the owner or owners of any property 49 from receiving just compensation for the taking of property by the power of eminent domain 50 under the laws of this State nor as permitting any property to be condemned or destroyed except in accordance with the police power of the State. 51

1	"§ 160D-12-10. Additional powers of public officer.
2	An ordinance adopted by the governing board may authorize the public officer to exercise
3	any powers necessary or convenient to carry out and effectuate the purpose and provisions of this
4	Article, including the following powers in addition to others herein granted:
5	(1) To investigate the dwelling conditions in the local government's planning and
6	development regulation jurisdiction in order to determine which dwellings
7	therein are unfit for human habitation.
8	(2) To administer oaths, affirmations, examine witnesses, and receive evidence.
9	(3) To enter upon premises for the purpose of making examinations in a manner
10	that will do the least possible inconvenience to the persons in possession.
11	(4) To appoint and fix the duties of officers, agents, and employees necessary to
12	carry out the purposes of the ordinances.
13	(5) To delegate any of his or her functions and powers under the ordinance to
14	other officers and other agents.
15	"§ 160D-12-11. Administration of ordinance.
16	A local government adopting an ordinance under this Article shall, as soon as possible
17	thereafter, prepare an estimate of the annual expenses or costs to provide the equipment,
18	personnel, and supplies necessary for periodic examinations and investigations of the dwellings
19	for the purpose of determining the fitness of dwellings for human habitation and for the
20	enforcement and administration of its ordinances adopted under this Article. The local
21	government is authorized to make appropriations from its revenues necessary for this purpose
22	and may accept and apply grants or donations to assist it.
23	"§ 160D-12-12. Supplemental nature of Article.
24	Nothing in this Article shall be construed to abrogate or impair the powers of the courts or of
25	any department of any local government to enforce any provisions of its charter or its ordinances
26	or regulations nor to prevent or punish violations thereof. The powers conferred by this Article
27	shall be supplemental to the powers conferred by any other law in carrying out the provisions of
28	the ordinances.
29	" <u>Article 13.</u>
30	" <u>Additional Authority.</u>
31	"Part 1. Open Space Acquisition.
32	" <u>§ 160D-13-1. Legislative intent.</u>
33	It is the intent of the General Assembly to provide a means whereby any local government
34	may acquire by purchase, gift, grant, devise, lease, or otherwise, and through the expenditure of
35	public funds, the fee or any lesser interest or right in real property in order to preserve, through
36	limitation of their future use, open spaces and areas for public use and enjoyment.
37	" <u>§ 160D-13-2. Finding of necessity.</u>
38	The General Assembly finds that the rapid growth and spread of urban development in the
39	State is encroaching upon, or eliminating, many open areas and spaces of varied size and
40	character, including many having significant scenic or aesthetic values, which areas and spaces
41	if preserved and maintained in their present open state would constitute important physical,
42	social, aesthetic, or economic assets to existing and impending urban development. The General
43	Assembly declares that it is necessary for sound and proper urban development and in the public
44	interest of the people of this State for any local government to expend or advance public funds
45	for, or to accept by purchase, gift, grant, devise, lease, or otherwise, the fee or any lesser interest
46	or right in real property so as to acquire, maintain, improve, protect, limit the future use of, or
47	otherwise conserve open spaces and areas within their respective jurisdictions as defined by this
48	Article.
49 50	The General Assembly declares that the acquisition of interests or rights in real property for
50	the preservation of open spaces and areas constitutes a public purpose for which public funds
51	may be expended or advanced.

	(d) A governing board proposing to undertake any loan guaranty or similar program for
	rehabilitation of private buildings is authorized to submit to its voters the question whether such
	program shall be undertaken, such referendum to be conducted pursuant to the general and local
	laws applicable to special elections in such local government. No State or local taxes shall be
	appropriated or expended by a county pursuant to this section for any purpose not expressly
	authorized by G.S. 153A-149, unless the same is first submitted to a vote of the people as therein
	provided.
	(e) A government may receive and dispense funds from the Community Development
	Block Grant (CDBG) Section 108 Loan Guarantee program, Subpart M, 24 C.F.R. § 570.700, et
	seq., either through application to the North Carolina Department of Commerce or directly from
	the federal government, in accordance with State and federal laws governing these funds. Any
	local government that receives these funds directly from the federal government may pledge
	current and future CDBG funds for use as loan guarantees in accordance with State and federal
	laws governing these funds. A local government may implement the receipt, dispensing, and
	pledging of CDBG funds under this subsection by borrowing CDBG funds and lending all or a
	portion of those funds to a third party in accordance with applicable laws governing the CDBG
	program.
	A government that has pledged current or future CDBG funds for use as loan guarantees prior

Meetings of the board shall be held at the call of the chairman and at such other times 6 as the board may determine. The chairman, or in his absence the acting chairman, may administer 7 oaths and compel the attendance of witnesses. All meetings of the board shall be public. The 8 board shall keep minutes of its proceedings, showing the vote of each member upon each 9 question, or, if absent or failing to vote, indicating such fact, and shall keep records of its 10 examinations and other official actions, all of which shall immediately be filed in the office of 11 the board and shall be a public record. Appeals to the board may be taken by any person aggrieved, or by any officer, department, 12 13 board, or bureau of the political subdivision affected, by any decision of the administrative 14 agency. An appeal must be taken within a reasonable time, as provided by the rules of the board, 15 by filing with the agency from which the appeal is taken and with the board, a notice of appeal 16 specifying the grounds thereof. The agency from which the appeal is taken shall forthwith 17 transmit to the board all the papers constituting the record upon which the action appealed from 18 was taken. 19 An appeal shall stay all proceedings in furtherance of the action appealed from, unless the 20 agency from which the appeal is taken certifies to the board, after the notice of appeal has been 21 filed with it, that by reason of the facts stated in the certificate a stay would, in its opinion, cause 22 imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by 23 a restraining order which may be granted by the board or by a court of record on application on 24 notice to the agency from which the appeal is taken and on due cause shown. 25 The board shall fix a reasonable time for the hearing of the appeal, give public notice and due 26 notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing 27 any party may appear in person or by agent or by attorney. 28 The board may, in conformity with the provisions of this Article, reverse or affirm, wholly 29 or partly, or modify, the order, requirement, decision or determination appealed from and may 30 make such order, requirement, decision or determination as ought to be made, and to that end 31 shall have all the powers of the administrative agency from which the appeal is taken. 32 The concurring vote of a majority of the members of the board shall be sufficient to reverse 33 any order, requirement, decision, or determination of the administrative agency, or to decide in 34 favor of the applicant on any matter upon which it is required to pass under any such ordinance, 35 or to effect any variation in such ordinance." 	SECTION 4.8. G.S. 143-215.57 reads as rewritten:
	"§ 143-215.57. Procedures in issuing permits.
	(b) In prescribing standards and requirements for the issuance of permits under this Part
	and in issuing permits, local governments shall proceed as in the case of an ordinance for the
	better government of the county or city as the case may be. A city may exercise the powers
	granted in this Part not only within its corporate boundaries but also within the area of its
	extraterritorial zoning jurisdiction. A county may exercise the powers granted in this Part at any
	place within the county that is outside the zoning jurisdiction of a city in the county. If a city does
	not exercise the powers granted in this Part in the city's extraterritorial zoning jurisdiction, the
	county may exercise the powers granted in this Part in the city's extraterritorial zoning
	jurisdiction. The county may regulate territory within the zoning jurisdiction of any city whose
	governing body, by resolution, agrees to the regulation. The governing body of a city may, upon
	one year's written notice, withdraw its approval of the county regulations, and those regulations
	shall have no further effect within the city's jurisdiction. Local government jurisdiction for these
	ordinances shall be as specified in Article 2 of Chapter 160D of the General Statutes. Article 4
	of Chapter 160D of the General Statutes shall apply to the administration, enforcement, and
	appeals regarding these ordinances.
	(c) The local governing body is hereby empowered to adopt regulations it may deem
	necessary concerning the form, time, and manner of submission of applications for permits under
	this Part. These regulations may provide for the issuance of permits under this Part by the local
	governing body or by an agency designated by the local governing body, as prescribed by the
	governing body. Every final decision granting or denying a permit under this Part shall be subject
	to review by the superior court of the county, with the right of jury trial at the election of the
	party seeking review. The time and manner of election of a jury trial shall be governed by G.S.
	1A-1, Rule 38(b) of the Rules of Civil Procedure. Pending the final disposition of an appeal, no
	action shall be taken that would be unlawful in the absence of a permit issued under this Part."
	SECTION 4.9. G.S. 143-215.58 reads as rewritten:
	"§ 143-215.58. Violations and penalties.
	(a1) A local government may use all of the remedies available for the enforcement of

14 A sanitary district board shall be a body politic and corporate and may sue and be sued in 15 matters relating to the sanitary district. Notwithstanding any limitation in the petition under G.S. 130A-48, but subject to the provisions of G.S. 130A-55(17)e, each sanitary district may 16 17 exercise all of the powers granted to sanitary districts by this Article. In addition, the sanitary 18 district board shall have the following powers: 19 . . . 20 (17)For the purpose of promoting and protecting the public health, safety and the 21 general welfare of the State, a sanitary district board is authorized to establish 22 as zoning units any portions of the sanitary district not under the control of the 23 United States or this State or any agency or instrumentality of either, in 24 accordance with the following: 25 . . . 26 b. When a zoning area is established within a sanitary district, the sanitary district board as to the zoning area shall have all rights, 27 28 privileges, powers and duties granted to municipal corporations under 29 Part 3, Article 19, Chapter 160A local governments under Article 7 of 30 Chapter 160D of the General Statutes. However, the sanitary district 31 board shall not be required to appoint any zoning commission or board 32 of adjustment. If neither a zoning commission nor board of adjustment 33 is appointed, the sanitary district board shall have all rights. 34 35 SECTION 4.11. G.S. 143-214.5(d) reads as rewritten: 36 Mandatory Local Programs. - The Department shall assist local governments to "(d) 37 develop water supply watershed protection programs that comply with this section. Local 38 government compliance programs shall include an implementing local ordinance and shall 39 provide for maintenance, inspection, and enforcement procedures. As part of its assistance to 40 local governments, the Commission shall approve and make available a model local water supply 41 watershed management and protection ordinance. The model management and protection 42 ordinance adopted by the Commission shall, at a minimum, include as options (i) controlling 43 development density, (ii) providing for performance-based alternatives to development density 44 controls that are based on sound engineering principles, and (iii) a combination of both (i) and 45 (ii). Local governments shall administer and enforce the minimum management requirements. 46 Every local government that has within its jurisdiction all or a portion of a water supply watershed 47 shall submit a local water supply watershed management and protection ordinance to the 48 Commission for approval. Local governments may adopt such ordinances pursuant to their 49 general police power, power to regulate the subdivision of land, zoning power, or any 50 combination of such powers. SECTION 4.10. G.S. 130A-55 reads as rewritten:

13 "§ **130A-55.** Corporate powers.

1 county-local government must comply with the notice provisions of G.S. 153A 343 and a 2 municipality must comply with the notice provisions of G.S. 160A-384. Article 6 of Chapter 3 160D of the General Statutes. This section shall not be construed to affect the validity of any 4 local ordinance adopted for the protection of water supply watersheds prior to completion of the 5 review of the ordinance by the Commission or prior to the assumption by the Commission of responsibility for a local water supply watershed protection program. Local governments may 6 7 create or designate agencies to administer and enforce such programs. The Commission shall 8 approve a local program only if it determines that the requirements of the program equal or 9 exceed the minimum statewide water supply watershed management requirements adopted 10 pursuant to this section." 11 SECTION 4.12. G.S. 113A-208 reads as rewritten: "§ 113A-208. Regulation of mountain ridge construction by counties and cities. 12

13 Any county or city may adopt, effective not later than January 1, 1984, and may (a) 14 enforce an ordinance that regulates the construction of tall buildings or structures on protected 15 mountain ridges by any person. The ordinance may provide for the issuance of permits to construct tall buildings on protected mountain ridges, the conditioning of such permits, and the 16 17 denial of permits for such construction. Any ordinance adopted hereunder shall be based upon 18 studies of the mountain ridges within the county, a statement of objectives to be sought by the 19 ordinance, and plans for achieving these objectives. Any such county ordinance shall apply 20 countywide except as otherwise provided in G.S. 160A-360, Article 2 of Chapter 160D of the 21 General Statutes and any such city ordinance shall apply citywide, to construction of tall 22 buildings on protected mountain ridges within the city or county, as the case may be.

A city with a population of 50,000 or more may adopt, prior to January 1, 1986, an ordinance eliminating the requirement for an elevation of 3,000 feet, as permitted by G.S. 113A-206(6).

(b) Under the ordinance, permits shall be denied if a permit application (and shall berevoked if a project) fails to provide for:

- 27
- 28 29

30

. . .

- (4) Adequate consideration to protecting the natural beauty of the mountains, as determined by the local governing <u>body.board.</u>
- 31 (f) Any county or city that adopts an ordinance pursuant to this section must hold a public 32 hearing before adopting the ordinance upon the question of adopting the ordinance or of allowing 33 the construction of tall buildings on protected mountain ridges to be governed by G.S. 113A-209. 34 The public hearing required by this section shall be held upon at least 10 days' notice in a 35 newspaper of general circulation in the unit adopting the ordinance. Testimony at the hearing 36 shall be recorded and any and all exhibits shall be preserved within the custody of the governing 37 body. The testimony and evidence shall be made available for inspection and scrutiny by any 38 person.shall follow the procedures of Article 6 of Chapter 160D of the General Statutes.

39 (g) Any resident of a county or city that adopted an ordinance pursuant to this section, or 40 of an adjoining county, may bring a civil action against the ordinance-adopting unit, contesting 41 the ordinance as not meeting the requirements of this section. If the ordinance is found not to 42 meet all of the requirements of this section, the county or city shall be enjoined from enforcing 43 the ordinance and the provisions of G.S. 113A 209 shall apply. Nothing in this Article authorizes 44 the State of North Carolina or any of its agencies to bring a civil action to contest an ordinance, 45 or for a violation of this Article or of an ordinance adopted pursuant to this Article."

SECTION 4.13. G.S. 113A-211(a) reads as rewritten:

47 "(a) Violations of this Article shall be subject to the same criminal sanctions, civil
48 penalties and equitable remedies as violations of county ordinances under G.S.
49 153A-123.provided by G.S. 160D-4-4."

- 50 SECTION 4.14. G.S. 160A-75 reads as rewritten:
- 51 "**§ 160A-75. Voting.**

1 No member shall be excused from voting except upon matters involving the consideration of 2 the member's own financial interest or official conduct or on matters on which the member is 3 prohibited from voting under G.S. 14-234, 160A-381(d), or 160A-388(e)(2). G.S. 14-234 or 4 G.S. 160D-1-9. In all other cases except votes taken under G.S. 160A-385, G.S. 160D-6-1, a 5 failure to vote by a member who is physically present in the council chamber, or who has withdrawn without being excused by a majority vote of the remaining members present, shall be 6 7 recorded as an affirmative vote. The question of the compensation and allowances of members 8 of the council is not a matter involving a member's own financial interest or official conduct. 9 An affirmative vote equal to a majority of all the members of the council not excused from 10 voting on the question in issue, including the mayor's vote in case of an equal division, shall be 11 required to adopt an ordinance, take any action having the effect of an ordinance, authorize or commit the expenditure of public funds, or make, ratify, or authorize any contract on behalf of 12 13 the city. In addition, no ordinance nor any action having the effect of any ordinance ordinance, 14 except an ordinance on which a public hearing must be held pursuant to G.S. 160D-6-1 before the ordinance may be adopted, may be finally adopted on the date on which it is introduced except 15 by an affirmative vote equal to or greater than two thirds of all the actual membership of the 16 17 council, excluding vacant seats and not including the mayor unless the mayor has the right to 18 vote on all questions before the council. For purposes of this section, an ordinance shall be 19 deemed to have been introduced on the date the subject matter is first voted on by the council." 20 **SECTION 5.1.** G.S. 153A-102.1 is repealed. 21 SECTION 5.2. G.S. 160A-4.1 is repealed. 22 **SECTION 5.3.** G.S. 160A-181.1 is repealed. 23 SECTION 5.4. G.S. 153A-143 is repealed. 24 **SECTION 5.5.** G.S. 160A-199 is repealed. 25 SECTION 5.6. G.S. 153A-144 is repealed. 26 SECTION 5.7. G.S. 160A-201 is repealed. SECTION 5.8. G.S. 153A-452 is repealed. 27 28 SECTION 5.9. G.S. 153A-455 is repealed. 29 **SECTION 5.10.** Article 3 of Chapter 168 of the General Statutes is repealed. 30 SECTION 6. Article 23 of Chapter 153A of the General Statutes is amended by 31 adding the following new sections to read: 32 "§ 153A-458. Submission of statement concerning improvements. 33 A county may by ordinance require that when a property owner improves property at a cost 34 of more than two thousand five hundred dollars (\$2,500) but less than five thousand dollars 35 (\$5,000), the property owner must, within 14 days after the completion of the work, submit to 36 the county assessor a statement setting forth the nature of the improvement and the total cost 37 thereof. 38 "§ 153A-459. Authorization to provide grants. 39 A county may provide grants to unaffiliated qualified private providers of high-speed Internet 40 access service, as that term is defined in G.S. 160A-340(4), for the purpose of expanding service in unserved areas for economic development in the county. The grants shall be awarded on a 41 42 technology neutral basis, shall be open to qualified applicants, and may require matching funds by the private provider. A county shall seek and consider requests for proposal from qualified 43 private providers within the county prior to awarding a broadband grant and shall use reasonable 44 means to ensure that potential applicants are made aware of the grant, including, at a minimum, 45 compliance with the notice procedures set forth in G.S. 160A-340.6(c). The county shall use only 46 47 unrestricted general fund revenue for the grants. For the purposes of this section, a qualified 48 private provider is a private provider of high-speed Internet access service in the State prior to the issuance of the grant proposal. Nothing in this section authorizes a county to provide 49 high-speed Internet broadband service." 50

1 **SECTION 7.** If any provision of this act or its application is held invalid, the 2 invalidity does not affect other provisions or applications of this act that can be given effect 3 without the invalid provisions or application, and, to this end, the provisions of this act are 4 severable.

5 **SECTION 8.1.** Any otherwise valid permit or development approval made prior to 6 January 1, 2021, shall not be invalid based on inconsistency with the provisions of this act. The 7 validity of any plan adopted prior to January 1, 2021, is not affected by a failure to comply with 8 the procedural requirements of G.S. 160D-5-1(b).

9 SECTION 8.2. Any special use district or conditional use district zoning district that 10 is valid and in effect as of January 1, 2021, shall be deemed a conditional zoning district 11 consistent with the terms of this act, and the special or conditional use permits issued concurrently 12 with establishment of those districts shall be valid as specified in Section 8.1 of this act. Any 13 valid "conditional use permit" issued prior to January 1, 2021, shall be deemed a "special use 14 permit" consistent with the provisions of this act.

15 SECTION 8.3. Any local government that has adopted zoning regulations but that 16 has not adopted a comprehensive plan shall adopt such plan no later than July 1, 2022, in order 17 to retain the authority to adopt and apply zoning regulations.

SECTION 9. If this act becomes law in 2019, it is the intent of the General Assembly that legislation in other acts enacted in the 2019 Regular Session of the 2019 General Assembly that affects statutes repealed and replaced by similar provisions in Chapter 160D of the General Statutes, as enacted by this act, also be incorporated into Chapter 160D of the General Statutes. The North Carolina General Statutes Commission shall study the need for legislation to accomplish this intent and shall report its findings and recommendations, including any legislative proposals, to the 2020 Regular Session of the 2019 General Assembly.

SECTION 10. Section 10 of this act is effective when it becomes law. The remainder of this act becomes effective January 1, 2021, and applies to local government development regulation decisions made on or after that date. This act clarifies and restates the intent of existing law and applies to ordinances adopted before, on, and after the effective date.
