1	A BILL TO BE ENTITLED		
2	AN ACT TO PERMIT CERTAIN SCHOOL SYSTEMS TO ALIGN THEIR SCHOOL

5	The General Assembly of North Carolina enacts:		
6	<b>SECTION 1.</b> G.S. 115C-84.2(d) reads as rewritten:		
7	"(d) Opening and Closing Dates. – Local boards of education shall determine the dates of		
8	opening and closing the public schools under subdivision (a)(1) of this section. Except for		
9	year-round schools, the opening date for students shall be no earlier than the Monday closest to		
10	August 26, and the closing date for students shall be no later than the Friday closest to June 11.		
11	On a showing of good cause, the State Board of Education may waive the requirement that the		
12	opening date for students be no earlier than the Monday closest to August 26 and may allow the

14	to the extent that school calendars are able to provide sufficient days to accommodate anticipated		
15	makeup days due to school closings. A local board may revise the scheduled closing date if		
16	necessary in order to comply with the minimum requirements for instructional days or		
17	instructional time. For purposes of this subsection, the term "good cause" means that schools in		
18	any local school administrative unit in a county have been closed eight days per year during any		
19	four of the last 10 years because of severe weather conditions, energy shortages, power failures,		
20	or other emergency situations.		
21	The required opening and closing dates under this subsection shall not apply to any school		
22	that a local board designated as having a modified calendar for the 2003-2004 school year or to		
23	any school that was part of a planned program in the 2003-2004 school year for a system of		
24	modified calendar schools, so long as the school operates under a modified calendar.		
25	Notwithstanding the required opening and closing dates under this subsection, a local board		
26	of education may align the calendar of schools in the local school administrative unit with the		
27	calendar of a community college serving the city or county in which the unit is located."
